State Lunatic Hospital.

Harrisburg, Pa. 25, 1873

My dear Mrs. Child, I
shall often recollect with
pleasure our interesting
meeting at the R. R. Station
last June. And sorry to
have parted so abruptly. Had
my eyes been again closed,
recalled to my recollection by
reading Mr. Totten's, when I was
wishing for something to engage
a patient's interest, before too long,
by beautiful "Babe" "Loving"
"twice a week," and their
very general pleasant do, I
write to express the good wishes
of the season for you self and
Mrs. Child. May the sunshine
linger on for ever.
