29 December 1949

1. Herewith submitted report for 29 December 1949 on daily activities of the Civil Intelligence Section.

ACTIVITY (Who, what, where, when, why and how?)	ACTION (Full account of action, briefly stated.)
E. PUBLIC SAFETY DIVISION	
1. Chief Police Administrator conferred with an official of NRP re: Possibility of developing changes in Police Law to cover shifts in allocation of police to municipalities.	No decision was made. Action continuing.
2. A Police Administrator conferred with officials of NRP re: Proposal by Ministry of Telecommunication to assume control of police telephone terminal equipment owned by NRP.	PSD objects to the plan. Police Branch to confer with CCS.
3. A Maritime Administrator attended conference with a representative of CCS, officials of Maritime Safety Agency, Radio Regulatory Agency and Ministry of Telecommunication re: Formulation of plans to transfer certain coastal radio stations from Ministry of Telecommunication to MSA.	Discussion was in general. Action continuing.
4. A Prison Administrator conferred with a CARB official re: Progress of the Juvenile Building Program in Hokkaido and Sendai.	Both are still in formative stage. Advised the purchase of additional land.
5. A Maritime Safety Administrator conferred with officials of MSA re: Inspection of records of three radio direction finding stations indicated erroneous bearing given to American mariners occurred in a known "doubtful sector".	PSD and CCS will conduct certain tests.

TO : Assistant Chief of Staff, G-2

18 November 1949

1. Herewith submitted report for 18 November 1949 on daily activities of the Civil Intelligence Section.

ACTIVITY (Who, what, where, when, why and how?)	ACTION (Full account of action, briefly stated.)
E. PUBLIC SAFETY DIVISION	
1. Two Police Administrators conferred with a representative of CCS and with officials of Ministry of Telecommunication and NRP Hq re: Revision of Japanese Draft of "Law for Disposition of Police Telephone" to prevent transfer of the police telephone system to the Ministry of Telecommunication at an exhorbitant price and to insure that (1) no interruption would occur in the existing police communications as a result of the transfer terms and (2) to set out in the law a perpetual right of the police to lease telephone line from the state.	The agreed revisions were incorporated in the law. The law will now go to the Diet Legislative Board for review.
2. A Prison Administrator conferred with a representative of CI&E re: Possibility of reviving a plan for combining a Shonen-In type trade school with a retraining school for reinstated teachers of trade and social subjects.	CI&E appears to have very little knowledge concerning the plan. Action continuing.
3. A Police Administrator accompanied representatives of GS and LS on an inspection-orientation tour of Fuchu Prison, Kodaira Police College, Scientific Crime Detection Laboratory and Identification Section, NRP Hq.	Representatives were impressed with the progress.

1. Herewith submitted report for 17 November 1949 on daily activities of the Civil Intelligence Section.

ACTIVITY (Who, what, where, when, why and how?)	ACTION (Full account of action, briefly stated.)
E. PUBLIC SAFETY DIVISION	
1. Chief Maritime Administrator conferred with an official of MSA re: Possible attempt by Maritime Safety Agency to circumvent PSD insistence on 11 members for MSA Council on national level and 7 members for MSA Council on regional level by creating a Communications Panel of the MSA Council.	MSA to submit details for PSD study.
2. A Police Administrator attended a meeting of VHF-FM police Radio Steering Committee at CCS: Failure of Japanese manufactured VHF prototype transmitters and receivers models to pass qualification tests.	Agreed to return set to Japanese manufacturers for correction. Re-schedule of tests o/a 15 Jan 50.
3. A Police Administrator and a Prison Administrator conferred with an official of Attorney General's Office and National Rural Police re: Investigation of alleged misappropriation and illegal disposition of merchandise at Fukui prison.	Investigation will be completed by 19 Nov. A written report combined with disciplinary action will be submitted to PSD on that day.
4. A Prison Administrator and a Police Administrator visited the Tokyo Regional Police Training School at Kodaira-Machi for purpose of ascertaining the existence of surplus space which could be used for National Prison Personnel Training School.	Available space was considered inadequate. Search for adequate space continuing.
