Amarauna ekimenarekin hasitako beste atal bat izango litzateke eta orain arte egindako lanetik abiatuta Amara auzoar buruz entziklopediako edukia sortu eta osatzea

Hala, egitasmo honetan QRpedia QR kodeak ere erabiliko dira, eta horri esker telefono adimentsuek hainbat hizkuntzatan izango dute sarbidea Amarari buruzko Wikipedia artikuluetara (kaleak, eraikinak, jendea, eskulturak, ekipamenduak, zubiak, elizak, plazak, kirola, liburuak...)

lurretapedia 2015

- Small village of 2000 inhabitants
- 25 anniversary of foundation as municipality

Learnings

- Strong community
- Focus in just one article
- Local proud

Much more than a book...

What have we learned?

- Much training is needed before the match
- Think big, start small
- Community + licences
- Local proud

Thank you!
