

Dublin Oct. 5. '40.

Dear Friend:

I am amazed to hear  
of Garrison's desiring the  
insertion of the Call. I have  
written to Johnson to have it  
put in the next Lib. as an  
advertisement & charged to me.  
Will you see it done. I presume  
you are in fear of its appearing  
in the N. R. & if so I take it  
a majority of the editing Com.  
will decide on its admission.  
I take it that it is not in  
our power or the power of  
our body except the meeting  
which authorized the Call to  
suppress it - be the unexpected  
if it ever so great.

Thank Cushing for New

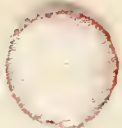

excellent letter - for which  
I will thank her in due  
time.

I fear I cannot yet be  
associated for the reason  
mentioned in my last letter.  
As to Springfield it is out of  
the question. I exceedingly  
repet it. I long to be there  
& do not know as I can stay  
away. I am in tremendous  
haste. Good-bye to you.  
Yours truly,

Edw. Quincy.
