

WHAT KIND OF A CITIZEN ARE YOU?

Prove It Monday Night

Every resident, who can, should attend the annual meeting of the Narberth Civic Association which will be held next Monday evening (March 27) in the Community Room in the Y. M. C. A. Building.

An interesting program has been arranged. In addition to the election of new officers and the reading of reports, there will be a reception to new residents, and a talk on community affairs by Robert E. Edwards, of Philadelphia, a well known authority on civics.

Every Narberth home should be represented at this meeting. So come yourself and bring your neighbor.

The Civic Association has already done much for our borough, and more will be accomplished in the future. But to make the organization effective for the greatest amount of good there should be hearty co-operation among all residents.

If the association has not achieved all that you expected of it, the failure may be due to its youthfulness. "Old heads on young shoulders you must not expect to find," you know, and remember too, that "to-morrow is always another day." What has not been accomplished up to date, may be "put over" to-morrow. If the Civic Association hadn't been started when it was, even that which has been accomplished would still remain undone.

Then perhaps the assistance which you might have rendered, might have made possible many more steps forward—the very steps which you feel ought to have been taken.

It may not be given to most of us to do the heroic things of life and send our names ringing down the corridors of time, but it is well within the reach of all of us to do our little share to make Narberth a better home town. If every one would volunteer to do even a small share of the work great things would surely be done in, and for, our borough before the end of 1916.

So come to the meeting Monday night. Don't stay away because you are afraid some one will suggest your names for this or that committee. No one is forced to do any kind of work in the Civic Association unless he or she is interested and really wants to serve. The only pay received by any of the officers and workers is the satisfaction of knowing and feeling that they have contributed their share to the making of a better year round home town.

As one of our townsmen remarked the other day: "May the Lord have mercy on the man or woman who imagines that good citizenship consists of paying taxes and keeping up with the grocer and the milkman."

Narberth will be just the kind of a town the people of Narberth make it. If they are indifferent it will be "indifferently good," and no more.

Come to the meeting Monday night, in the Community Room, Y. M. C. A. Building.

St. Patrick's Day suggested various and novel ideas for entertainment to Narberth hostesses last week. One of the most attractive affairs of the week was a St. Patrick's Bridge given by Mrs. W. J. Du Bree, on Thursday afternoon at her home on Narberth avenue. The guests, including both Narberth and out-of-town friends, numbered about twenty-five.

The St. Patrick Bal Masque, at Elm Hall, on Friday evening, was quite the largest and most brilliant affair of the season. The hall was beautifully decorated with green crepe paper festoons, paper shamrocks, quantities of green parasols and growing plants. About a hundred guests were present, all oddly attired in most novel and eccentric costumes.

Mrs. H. J. Bogert and young son, of 111 Rockland avenue, are visiting Mrs. Bogert's parents in Allentown, Pa.

Judging from the number of babies being examined over at the Y. M. C. A. it looks as if Narberth has derived some benefit from Baby Week.

J. Mullineaux, Jr. and family have left Narberth and taken up their abode in their new home in Bala.

Mr. and Mrs. Clement Booth, of Woodside avenue, are entertaining Mrs. Booth's cousins, Mr. and Mrs. M. D. Leonard, who are on their way from Florida to Waterbury, Conn.

Mr. Odieme, father of Walter J. and Langdon C. Odieme, was buried from the Baptist Church on Thursday of last week. Interment was made in the Lutheran Cemetery. Mr. Odieme was a resident of Huntingdon, Pa.

In the absence of prizes some of our enterprising business men surely deserve honorable mention at least, for the attractive manner in which they fix up their store windows on special occasions, such as Baby Week, etc. The Imperial Grocery Company on the occasion of St. Patrick's Day, had an especially artistic decoration; it was greatly admired and was indeed worth the effort expended.

Miss Mabel McCollister, of Narberth avenue, spent the week end in New York City.

The two houses being erected by William D. Smedley in Narbrook Park are progressing as rapidly as the weather will permit, being now almost under roof. One house erected by Mr. William T. Harris is almost ready for occupancy.

William D. Smedley and Edward S. Haws have plans for two houses to be erected in the Park, work upon which will start shortly. It is understood there are several other plans in course of preparation.

In some of our neighboring communities, such as Cynwyd, Bala, Lansdowne, etc., plans have been made and committees appointed to execute them for the very laudable object of beautifying the respective towns, particularly around public buildings, such as schools, town halls, churches, etc. There are a number of places in Narberth where a little artistic touch in the form of shrubs or flowers or trees would add greatly to the beauty of our borough. A committee for this purpose would soon discover the places and the means of correcting them.

Mr. Fred Henry, of Allentown, who is a student at the University of Pennsylvania, spent a few days last week as the guest of Earl F. Smith.

Miss Marguerite Mueller was unfortunate enough to tear the ligaments of her ankle while playing basket ball last week.

"500" FOR CHARITY.

On Saturday afternoon, Mrs. Jesse Harris, of 135 Merion avenue, gave a "500" party of five tables for the benefit of the Women's Homeopathic Hospital of West Philadelphia. The following contributed towards the prizes and refreshments: Mr. Wm. F. Fiedler, Mr. Wm. S. Howard, Geo. and Wm. J. Markle and Strawbridge and Clothier.

To the Editor of Our Town:

There has been much said regarding the need of additional school facilities in Narberth, and no one, after seeing the congested conditions in the present building, can question the crying need, either for a new building or an addition to the present one.

Most of our residents know of the efforts of our School Board to secure a loan for the purpose of building an addition to the present plant and that the said loan was defeated twice. The writer is convinced that the loan was defeated on both occasions only because a majority of our voters thought it a mistake to add approximately \$50,000, practically doubling our present investment, in a location far removed from the center of the borough; a location which members of the School Board have publicly admitted is undesirable and would never have been chosen by them for a school site; a property forced upon us when the borough was incorporated.

Our borough is growing rapidly and to attract the right kind of people additional school facilities must be provided. We all know our school buildings should be centrally located. Why not start now with a building for the lower grades and save our little ones the tedious climb up the hill?

It seems to me that after two unsuccessful efforts to provide for increasing the present plant, our School Board should be located to try a loan for a centrally located building. Such a proposition, I believe, would meet with success.

I have heard members of our School Board complain of a lack of active interest on the part of our citizens, saying they could never get any expression of opinion from them. I would suggest, that having had a very

definite expression against the present location by twice defeating the loan, what better method could be pursued to learn the wishes of our citizens than to permit them to vote on the other proposition, namely, a centrally located school building?

Something must be done. Another school term should not catch us unprepared.

L. B. Southerland.

HOW MANY SEEDS HAS A LEMON?

If you expect to come to the Lemon Social to be given by the Epworth League of the Methodist Church next Monday evening, this is a question in which you will be almost vitally interested. For the admission is to be a big juicy lemon (a kind of fruit—not a person) together with one cent for every seed it contains.

We can assure you that if you attend this social you will have a most enjoyable evening. An interesting and lively series of games that will amuse everyone has been devised, while the refreshments which are to follow will be copious and palatable. The real feature of the evening, however, will be an interesting and instructive address on an important question of our day, "The Mexican Situation," by one of Narberth's most popular orators, Brother Earl Dickie, famous for his clean straight-forward politics, his thorough understanding of the great national problems of to-day, and his ability as a public speaker.

So don't miss this splendid opportunity of enjoying yourself. When you come, bring your best friend, your lemon, and your pennies, but leave your long face at home.

OF INTEREST.

One of the active men in our town welfare circles not long ago said: "The Men's Club of the Presbyterian Church is the liveliest thing in Narberth," and had he been present last Monday evening, in the church, at the regular monthly meeting he would not have changed his opinion.

Mr. Geo. W. Bradin, Director of Instruction of the Philadelphia Y. M. C. A. (Central Branch), spoke in a most interesting and helpful way on "Health Habits That Have Kept Men Young" or "Fat at Forty or Fit at Fifty." It was a straight out man's talk to men, profitable for men everywhere to hear and heed. At our local Y. M. C. A. Building on Men's Night, Thursday, March 23, Mr. Bradin will restate in condensed form part of what he said a few nights ago, and all our Narberth men will do well to be present and devote a little of the gala night time to serious hearing and thinking.

LAST CALL.

This week offers you the last opportunity for signing the petition to have Essex avenue cut through under the railroad. Stop in at Caldwell's and attend to this small matter, which is of great importance to all of us.

SAINT PATRICK'S DAY LUNCHEON

NARBERTH SENIORS DEFEAT U. OF P. COLLEGIANS

Extra Period Necessary—Walter Humphreys Stars With Field Goal at Critical Period

In what was probably the most exciting game of the season, the Narberth Seniors closed its basketball season with a close victory over the University of Pennsylvania Collegians.

Walter Humphreys Stars. With the score 28-26 in favor of the visitors, and less than one minute to play, Walter scores a field goal, tying the score, which necessitated an extra period.

The Collegians had in their line-up Richard Wallace, who got his first start in athletics at the Y. M. C. A. here in Narberth, and who since has made history for himself at the University, captaining the base ball team during his last year at college.

Bill Matchett, another University star, and also known to Narberthites, played center for the visitors, and did most of their scoring.

The scoring in the first half was very limited, being 18 to 13 at the end. In the second half the Narberth team gradually tied the score and from then on the teams were guarding very close, which kept the scoring down. Walter Humphreys scored the field goal which tied the score. A five-minute period was then played, the Narberth team going ahead on a field goal by Lardie Davis, while Wallace scored a two pointer for the visitors, then again the visitors scored on a foul goal by Harper, then Lardie Davis scored a foul goal, closely followed by a field goal by Colwyn Humphreys, while Harper scored one more foul goal and then the whistle blew.

Quite a number of strangers have been noticed at the church lately. They are always welcome, and an invitation is extended to them to make All Saints' their church home.

The bass solo of Mr. Detterer's, which he rendered during the taking of the offertory last Sunday, was greatly appreciated.

The officers are: President, Mrs. H. C. Keim; vice-president, Mrs. E. D. Stanley; secretary, Miss Laura S. Hoffer; treasurer, Mrs. W. D. Smedley. Committees: Devotional, Mrs. J. W. Shinn; Visiting, Mrs. A. A. Chalker; Social, Miss Mary McCarter; Flower, Mrs. J. P. Rowbotham; Music, Mrs. W. S. Horner. It is desirous of enrolling every woman in the church. The every member canvass of the church and congregation will be held Sunday afternoon, April 2, and returns will be received in the evening. It will be participated in by a wide circle of canvassers who are receiving instruction weekly for their work.

There was a large attendance at the Ushers' Association at the home of Mr. A. W. Needham last Monday evening. Mr. A. H. Cole was present with thirteen of the local troop of the Boy Scouts. They gave a very creditable exhibition of difficult drills in signaling, first aide, knot tying and other events. Mr. Isaac C. Sutton spoke on the movement. It was a very profitable occasion.

The service last Sunday evening elicited many favorable comments from the large attendance. It is evident that Dr. J. M. Wilbur, former pastor of the church, is engaged in an important and successful work in the training of young women for Christian service here and abroad.

The Young People's Society will make their meeting of Sunday evening, April 2, Parents' Night. It is in charge of Group Three, Miss Emma Mueller, chairman; Mr. H. I. Hopper is the leader. Older people and parents are invited.

The postmaster is required to place the box rent due notice in each rented box on the 20th of the last month of each quarter for the succeeding quarter's rent. Those renters who have lock boxes will receive their notices enclosed in an envelope with the request that the amount of the rent be placed in the envelope with the notice and deposited in the post office drop box, the same as a letter. This request is made of the lock box renters for the purpose of minimizing the annoyance of making change at the window and waiting for the receipt.

SCHOOL EDITOR'S WEEKLY NEWS ITEMS

School motto:
Without halting, without rest,
Lifting better up to best.

The domestic science department now "owns itself." All equipment has been paid for in full by private donations and funds from Snow White and the Washington Social.

A financial statement of the department, together with a complete list of donors, has been filed with the secretary of the Board of Education.

A similar statement of the Washington Social has been filed, showing a net balance of \$82.78. Among the disbursements we note manual training account, \$28.69 (deposited in bank).

Plans are well under way for the Schands athletic field. They include provision for track, base ball, diamond, foot ball, tennis and a "children's shady retreat" for little tots.

The following letter from one of the eastern colleges of highest rank is of interest: "I am directed by the committee on admission to inform you that the Narberth High School has been placed upon the approved list of Dartmouth College, and that, accordingly students whom you deem of high standing may enter Dartmouth by certificate."

JAMES McCONAUGHY,
Executive Secretary.

Narberth School will be honored with the presence of the commissioner of education of the State of Delaware, Charles P. Wagner. The date is Tuesday, April 4. The general public is cordially invited to be present and hear his address at one-thirty P. M.

"Tony" is now "commander of the portal." Every morning he brushes up in the doorway. "Wipe your shoes, take off your rubbers." The desired results are forthcoming. Everybody is put in a good humor and the floors are cleaner.

The second grade won highest credit last week for a clean room. Our congenial janitor, Mr. Bowman, so greatly appreciated the co-operation on the part of the pupils that he surprised them with a "hand out" of jelly eggs.

Last Saturday afternoon, before one of the largest crowds that ever witnessed a basket ball game in the Narberth Y. M. C. A., the Narberth High School basket ball team defeated the Conshohocken High School in a one-sided contest by the score of 55 to 17. The girls also defeated the Conshohocken girls by a score of 37 to 22.

The girls play Lansdale H. S. team this coming Saturday afternoon, at 3.15, in the Y. M. C. A. The Lansdale girls defeated our girls on the Lansdale floor, so all come out for a good game and watch our girls put one over on them.

What's the matter with starting taking down the trees, etc., on our new athletic field, since the school board has made arrangements for financing it? Let's get started and do something.

BASE BALL NEWS OF INTEREST.

Manager Walzer has signed up several additional players during the past week, among whom are Jene Davis, Robert Hood, Walter Humphreys and Richard Wallace.

There is evidence that Narberth will have a very good team this year, reports of which will be given later in the columns of Our Town.

Y. M. C. A. NEWS OF WEEK

"Men's Night."

Thursday, March 23rd. This is to be known as Men's Night at the Y. M. C. A. An unusual program is being prepared and every man in Narberth should attend.

The entertainment will be given mainly by members of the Central Y. M. C. A. of Philadelphia. The program will consist of the following: Fenton Brothers, amateur acrobats; illuminated club swinging; group of gymnasts; boxing bout, middle-weights; strong man, Anton Matyssek, holder of American record for one-arm dumb-bell work. The main attraction on the program will be put on by the local Business Men's Gym Class—a volley ball game. This is always exciting and will no doubt cause unusual merriment.

Here is a fine chance to get acquainted with some other Narberth men. Come. You are cordially invited.

Men's Meeting.

What—Monthly Men's Meeting.
Where—Narberth Arcade Theatre.
When—Sunday, 3:30 P. M.

Who—Hon. Frank J. Cannon, former U. S. Senator from Utah.
Subject—"Mormonism," Its Polygamy and Disloyalty.

We are very fortunate in having secured the services of such an able and prominent speaker. Mr. Cannon spoke at the Loenest Street Theatre last Sunday P. M. and he has been recommended very highly.

We do not need to enlarge on Senator Cannon's ability as a speaker, nor is it necessary to take considerable space in stating how unusually interesting and instructive such a subject as this will be.

Here are some startling facts that ought to make us think:

"The truth about the Mormon Church has been suppressed. This truth must be made known."

"The Mormon Church is a temporal kingdom set up in this republic with a view of establishing here a polygamous empire."

"With a menace within our borders of this magnitude, how long will this Christian nation endure?"

"How shall this nation escape retribution if it longer neglects this arch enemy?"

Mr. Cannon draws a terrible indictment against the Mormon Church as it exists to-day. There is perhaps, no one man who is more informed on this national question than Senator Cannon, coming right from the midst of the Mormon country. This is an unusual opportunity. No man in Narberth should miss hearing him. All are invited. Narberth Theatre, March 26, 3:30 P. M.

Boy Scouts.

If you could have seen that delegation of eighteen Scouts in uniform at the train Monday evening, it would certainly have been a pleasure.

Mr. Sutton, one of the leaders in the Scout movement, came to Narberth to speak at the Baptist Ushers' Association meeting. The local Scout Troops gave an exhibition of their motto, "Be Prepared." They were prepared to do most anything, including "first aid."

Maybe that Narberth-U. of P. game wasn't some climax to a basket ball

season. Our boys played the best game that has ever been played in Narberth.

The final games of the Main Line Bowling League for the current season were rolled last evening, a most successful season existing in this the organization season of the league. The Wayne quintet captured the opening game in the match against the Ardmore Y. M. C. A., before a good sized gallery, thereby placing the finishing clutches in the bowling championship of the Main Line. Captain Walt's squad have rolled a steady consistent game throughout the season and maintained the lead from the start. The champion anchorman, Walter Hotz, wins the coveted prize for high individual average.

The Ardmore Y. M. C. A. made a good showing as runner-up, while the Narberth Y. M. C. A. drove the Rosemont Men's Club into cellar champions by winning all three games. The officials of the league are making arrangements for a banquet of the Main Line Knights of the Alleys, at which time the Austin and Supplee championship trophies will be presented, as well as the other league prizes.

NATIONAL FLOWER SHOW

Secretary Civic Club, Narberth, Pa.:

There is to be held in Philadelphia, from March 25 to April 2, the National Flower Show, which, without a doubt, will be the largest flower show ever held in the United States.

As chairman of the Bureau of Information, I would like to draw your attention to the object of this committee. We are getting together a corps of assistants, who are experts in their respective profession, men who can talk intelligently on orchids, greenhouse and styce plants, Roses, in fact, anything pertaining to floriculture. These men will be at the disposal of the visitors, and any club, society or delegation wishing to visit the show at any specified time, can by notifying the undersigned, have one or more of these men reserved, who will act as guide, so as to make the visit profitable both from an educational and entertaining standpoint.

Trusting that some of your members will be able to take advantage of this service and assuring you it will be time well spent, I am,

Yours very truly,

Chairman, Information Committee.
Note—Those wishing to go please get in touch with Mr. Stites.

EVERYBODY WELCOME.

The Community Bible Study Class which has been held every Tuesday evening in the Community room of the Y. M. C. A. has aroused a great deal of interest, and so much has been manifested that the members have almost unanimously voted to have the Rev. W. W. Rugh continue the class for another series of lessons on the book of Hebrews. The first lesson of the new course will be given Tuesday evening, April 4, at 8 o'clock. In the meantime all those interested in Bible study are cordially invited to hear the closing lessons of the present series on the Tabernacle. It is not denominational and everybody is welcome.

PROTECT YOUR DOG.

Have you paid your dog tax? Put the tag on the dog collar. All dogs not wearing tag will be destroyed.
Do you value your dog enough to pay tax and get tag? All spring dogs will be taken up in the trap not wearing a tag. This is a good law to get rid of dogs that are dumped into Narberth. The law requires to have published in a local paper the names of all persons that have paid 1916 tax on their dog or dogs.

MEN'S BIBLE CLASS.

On Thursday, March 23, a musicale will be given in the church. Tickets are 50 cents, and can be obtained from members of the class.

Seventy tons of coal a day will carry an ordinary battleship along at the cruising speed of ten to twelve knots, but to drive her at twenty or more, five times that amount must be used.
