SEEDS

Growers and Wholesale Dealers

The firm of Comstock, Ferre & Co. is one of the oldest in the seed business. We have been growing and selling seeds for more than one hundred years. During that time we have constantly endeavored to grow and sell only the best strains of varieties of proven merit. On this basis we have established a reputation for high quality and fair dealing so vital to the successful conduct of a seed business.

We respectfully solicit your orders or inquiries.

Prices quoted are subject to change without notice and all orders are subject to our confirmation. Small quantities; less than pounds of garden seed and less than twenty-five pounds of peas, beans and corn, will be charged at slightly higher prices.

Terms to parties of established credit are: Net 60 days, 1½% discount for cash within 30 days, except on special quotations. Onion sets are net cash. No discount will be allowed on postage, bags, or other packing. Bags and packing will be charged at cost and are not returnable.

Shipping and routing instructions should accompany all orders, otherwise we shall ship by freight, express or post as seems best.

Shipping facilities:

During the busy season orders are shipped the same day as received by fast freight. We have daily overnight service to New York City connecting with points South and West, also store door truck delivery in New York City at reasonable rates.

Non-Warranty

COMSTOCK, FERRE & CO. give no warranty, express or implied, as to purity, description, quality, productiveness, or any other matter, of any seeds, bulbs or plants they send out, and will not be in any way responsible for the crop. When mentioned, purity and germination tests are for information only and without guarantee.
