

Y. P. B. IN SESSION

FOURTH ANNUAL CONVENTION OF TEMPERANCE UNION YOUNG PEOPLE MEETS

When the fourth annual convention of the young people's branch of the W.C.T.U. assembled in the First Presbyterian Church Thursday, a large and enthusiastic audience greeted the officials of the society. The convention was called to order by the vice-president, Miss Alita Williams, and Mr. Will Richards, president of the Glendale Y.P.B., gave the prayer. A great part of the morning was given over to routine business, while some interesting discussions on methods of growth and development were led by Miss Violet Gervais of Los Angeles and Miss Helen Ferguson.

The afternoon session was also well attended. The opening prayer was given by Mrs. Julia Phelps, the county president. Mrs. Ruby Smart, president of the Glendale W.C.T.U., welcomed the convention to this city. After an illuminating address by Mrs. Julia Phelps on the means of making a Y.P.B. popular, a stirring campaign song was sung and then a number of young people gave orations and stories all dealing with the temperance question. Mr. Marden Patterson and Miss Opal Arnold opened the contest and showed much acquaintance with their subject.

At this point Miss Evangeline Quackenbush played a pleasing violin solo, Schubert's "Serenade," with great rhythm and feeling. Miss Quackenbush is the daughter of Mr. and Mrs. J. A. Quackenbush, 119 East Colorado street. She is a pupil of Julius Bierich, who was a pupil of the famous Caesar Thompson of Berlin, Germany. Miss Quackenbush was accorded an ovation.

Elizabeth Mottern, the youthful and talented daughter of Rev. R. W. Mottern of the Lutheran Church, sang a solo, "Thy Will Be Done," with great acceptance.

Miss Margaret O'Brien of Hollywood then entered the contest and with a very cleverly constructed story charmed the audience. The other competitors, Henry Holbrook, Mavis Metcalf and DeForest Pierce, acquitted themselves very creditably. The prize, a silver medal, was awarded to Margaret O'Brien.

Mrs. John A. St. Clair then gave an original recitation, "The Lovers' Mocking Bird," for which she was loudly encored and in answer recited "The Country Lover."

In the evening the church was filled with an appreciative audience who were treated to a program of great interest. The proceedings were opened by prayer by Mrs. Ruby Smart. Mr. James Morgan gave a very interesting selection from "Maritana" on the saxophone, for which he was loudly applauded. Mr. Will Sincock also played a solo, "You and I," on the alto saxophone. Miss Lucille Doughty pleased the audience greatly by her singing. The feature of the evening was the temperance play "Found—A Young Nobleman" by Ana E. Satterlee. This was given by a company of Los Angeles young people, trained by Mrs. J. W. Gleason. These were Miss Jane Sincock, Emma Esterly, Bob Sincock, Mr. Coker, Miss Eager, Mr. Gordon Wood, Helen Esterly and Mitchel Pepper.

At the close of the play the Y.P.B. of Glendale held their regular meeting, after which a very pleasing reception was given by the Presbyterian Christian Endeavorers to the visitors and to all present. Cake and ice cream were served. The evening was brought to a close by a song, "The Fight is on," and the rally cry, "We vote California dry!"

TENNIS AT PACIFIC AVENUE PLAYGROUND

During the summer three tennis tournaments, one for the girls and two for the boys, have been held at the Pacific avenue playgrounds. In the first of the boys' tournaments the winners of the doubles were Roscoe Puffer and Wilfred Long. The prizes were a 50-cent tennis ball for each. Roscoe Puffer won the singles prize which was also a tennis ball. The prizes for the girls' doubles, a box of candy for each, were won by Ethel Wilson and Irene Morgan. The first place in the singles tournament was also taken by Irene Morgan and the prize was a hair ribbon. The winners of the second boys' tournament were Andrew McDonald and Donald Snow in the doubles and Dale Manning in the singles. The prize in each case was a tennis ball.

The boys and girls are just at present very much interested in a croquet tournament which is in progress.

A committee from the W.C.T.U. of Glendale was present and presented to the board a written protest in which it is claimed that alcoholic beverages are served by the Glendale Chapter of Elks to members and guests in violation of the city ordinance, and requesting the city authorities to see that the law in regard to this matter is enforced. The above communication was presented by Mrs. Hattie E. Gaylord. A similar communication was presented from the West Glendale Women's Christian Temperance Union, represented by Florence Smith, Elizabeth Dietrich and Ida M. Terry. On motion of Trustee Woodberry the resolution previously adopted, providing for an adjourned meeting on August 25, was rescinded.

The request of the chairman of the board for a vacation of two weeks was granted.

ZEPPELINS RAID ENGLISH COAST

GERMAN AIRSHIPS VISIT CITIES OF EASTERN AND SOUTHEASTERN ENGLAND

(Special Service to Glendale Evening News)

LONDON, Aug. 25.—Six Zeppelins visited the coast of England last night and early this morning. The winds being favorable for these raids they are becoming more frequent. The course of the wind brought the Teutons more to the south than usual and they dropped bombs not only on the Coast of Kent but also on Hampshire and parts of Dorset. No reports have as yet come in of damage done.

(Later)—Seven civilians were killed here last night and fourteen injured as result of the raid on the outskirts of this city by the German Zeppelins. The statement made in Berlin to the effect that the Zeppelins attacked the London fortress evokes laughter here.

THREATENED RAILWAY STRIKE UNSETTLED

MEMBERS OF BROTHERHOODS OPPOSE PERMANENT STRIKE COMMISSION

(Special Service to Glendale Evening News)

WASHINGTON, D. C., Aug. 25.—There are hopes that the railway troubles may be settled very shortly. After a conference with the managers President Wilson summoned the executives of the railroads to another discussion of the matters in dispute. It is understood that many of the officials of the Brotherhoods object strongly to the appointment of a permanent strike commission. It is generally admitted that the eight-hour day will be granted though many difficulties will arise in this connection in the case of the smaller roads.

ORDERS BULGARIANS OUT OF GREECE

GREEK GENERALS REFUSE TO RETREAT BEFORE ADVANCE OF THE INVADERS

(Special Service to Glendale Evening News)

LONDON, Aug. 25.—The kaiser has ordered the Bulgarians to stop pushing forward in Greece and to vacate the territory they have already occupied. The Greek generals are reported to have refused to retreat before the Bulgarian advance. Despite the promises of the Bulgarians backed by the Central Powers that all Greek territory occupied will be given back, the Greeks are offering a stout resistance and volunteers are flocking to the aid of the Greek commander at Seres. The Greek government is powerless against the infuriated people.

TURKS FORCED TO EVACUATE BITLIS

RUSSIANS RE-OCCUPY MUSH AND ADVANCE ALONG WHOLE CAUCASUS LINE

(Special Service to Glendale Evening News)

LONDON, Aug. 25.—The Turks were compelled today to evacuate Bitlis, one of the important Caucasus towns. The Russians are advancing along the whole of the Caucasus front. The Russians have reoccupied Mush and have taken a large number of prisoners and war munitions. Pursuit of the retreating Turks is still being pushed in the region west of Lake Van. In a battle fought near Rachtia two entire Turkish regiments surrendered.

LINER WILLEHAD REACHES NEWHAVEN

MOTHER SHIP FOR THE BREMEN ARRIVES IN CONNECTICUT HARBOR WITHOUT MISHAP

(Special Service to Glendale Evening News)

NEWHAVEN, Conn., Aug. 25.—The German liner Willehad, which is to act as the mother ship of the merchant submarines coming to this country from Germany, arrived here this morning. The Willehad is the first German ship that has attempted to make a voyage along the coast since the German vessels were interned at the beginning of the war. Virtually the entire route from Boston to this harbor lies within the three-mile limit so that the Willehad was not subject to attack by any of the British or French ships outside the limit.

ALLIES ADVANCE THEIR LINES IN SOMME

FRENCH AND BRITISH PUSH FORWARD AND EXTEND THEIR LINE TO THE SOUTH

(Special Service to Glendale Evening News)

PARIS, Aug. 25.—Both the British and the French made substantial gains on the Somme front. The advance, however, is becoming more difficult as the Germans have brought up immense numbers of reserves and guns. The Allies are now extending their attack southward so as to compel the Germans to spread out and also to endeavor to make assaults in spots not so heavily defended. The French have now captured all of Maurepas and the Germans have retreated from that strong point.

PACKER'S TRIUMPH OVER CHARACTER ASSASSINATORS

THOROUGH INVESTIGATION BRINGS OUT FACT THAT CANDIDATE PACKER IS GENTLEMAN OF INTEGRITY AND ABILITY TO FILL THE OFFICE OF SUPERVISOR

Editor of the Glendale News,

Dear Sir:—

John T. Wilson, Supervisorial candidate in the Fifth District, and his hirelings, have ignominiously failed in their efforts to find material with which to assassinate the character of Stephen C. Packer of Glendale, just as their efforts failed to destroy the character of George Waite of San Fernando, and which attempt resulted in an unanimous verdict of the jury in awarding Mr. Waite \$3000 damages. For details, reference is hereby made to the records of the Superior Court of Los Angeles Co.

Several evenings ago at the Masonic Temple, Wilson, in referring to Mr. Waite's libel suit, stated that the same had been appealed. It is barely possible that the judgment of the lower court may be reversed by the Supreme Court of the State of California upon a technicality. Be this as it may, Mr. Wilson can never erase from the minds of the 12 jurors who brought in the verdict, that he was absolutely guilty as charged, no more than he can erase from the minds of the voters of Glendale the fact that he has made an attempt to destroy Mr. Packer's character, and has failed.

For some time past, Mr. Packer's intimate associates have known that a person signing herself L. B. Heyde, whose address is 912 W. Colorado Blvd., Glendale, has been going around with a more or less mysterious air, referring to a letter she had received from the Mayor of the City of Menominee, in the State of Michigan, dealing with the character of Mr. Packer. With a desire to unveil the mystery Mr. Packer's friends communicated with the Mayor and asked for a copy of his communication to the Heyde woman, and for the benefit of Mr. Packer's friends and for the citizens who believe absolutely in a square deal, we publish herewith, not only Miss Heyde's letter to the Mayor of Menominee, but his reply thereto, which Wilson was afraid to publish in full, together with his letter of retraction and other matters of interest which relate to an attempt of Mr. Wilson to tear down the character of Mr. Packer.

"Glendale, Cal., July 25, 1916.

To the Honorable Mayor, Menominee, Mich.

Dear Sir:—

It is consistent with your office to give me the record of one Stephen C. Packer, formerly sheriff of your county, and holder of other important offices in the City of Menominee some years prior to 1907. If you cannot give me this information, will you kindly refer my letter to those who might. It is of utmost importance and will be greatly appreciated by yours truly.

Very truly,
(Signed) L. B. HEYDE,
912 W. Colorado Blvd.

P. S. An immediate reply will be appreciated."

"Menominee, Mich., Aug. 2, 1916.

Mr. L. B. Heyde, 912 Colorado Blvd., Glendale, Cal.

Dear Sir:—

I am in receipt of your letter of July 25th, making inquiry in regard to Stephen C. Packer, formerly sheriff of Menominee County. I do not know the gentleman in question, this being before my time in Menominee, but I have made inquiry and am informed that he was sheriff for a period of two years. It seems that he was defeated a couple of times for sheriff, but finally obtained the nomination and was elected for two years, running again for sheriff but was defeated. Drank very heavily while he was sheriff, but apparently quit drinking after he was defeated. Am informed that he had a coal yard here as a business, but was not considered a successful business man here, but had a fair reputation. At one time, I am informed, he was also deputy treasurer. At no time was he treasurer. Cannot find that he held any other public office except that of sheriff for two years.

Most respectfully yours,
M. B. LLOYD, Mayor."

Evidently Mayor Lloyd, after writing this letter, sought additional information with reference to Mr. Packer's character and on the 19th inst., again addressed a letter to L. B. Heyde, retracting his former statements. We quote from said letter.

"Dear Sir:—

Referring to my communication of the 2nd inst., addressed to you in regard to Mr. Stephen C. Packer, formerly Sheriff of Menominee County, as stated in my letter of Aug. 2nd, I did not know the gentleman in question but simply made inquiry from one person who gave me the information which I wrote you. My attention has been called to the statements made. I have found it necessary to make a thorough investigation. I find that the information I received at the time of writing you was not the fact and misrepresented Mr. Packer. I am serving my second term as Mayor of this city. I am President and own controlling interest in the Lloyd Mfg. Co., a corporation of \$500,000 capital, and I am Vice president of the Wells Lloyd Co., and vice-president of the Auto Welding Company of this city. Mr. Packer held the position of city treasurer of this city during the years of 1895 and 1896. Was appointed treasurer during the years 1892, 1893, 1897 and 1898, the city charter making it impossible for the same person to hold the office of City Treasurer for over two years in succession. He also held the office of deputy oil inspector for this district. He was elected Sheriff of Menominee county and defeated for election on second term through treachery in the party. This was the only time he was ever defeated in running for public office in this State or county. His personal habits, I find, were good. I find while he was in the coal business here and the same did not prove as successful as it might have, the fault was due to an unfortunate partnership arrangement, and not the lack of business ability on Mr. Packer's part.

Trusting that this information may correct any wrong impression given by my former letter, and which I now desire to advise you correctly upon, I am most respectfully yours,

M. B. LLOYD.

Again we desire to quote from a letter addressed to Mr. L. B. Heyde, 912 West Colorado boulevard, as follows:

"Menominee, Mich., Aug. 19, 1916.

Dear Sir:—

Information has just reached this office that you are interested in being informed as to Mr. Stephen C. Packer, former Sheriff of this county, and presuming that you are desirous of having definite advice in connection with this gentleman's record, I am taking the liberty to address you in connection therewith. The writer has known Mr. Packer for the past twenty-five years, and was connected with the County Committee at the time Mr. Packer was elected and also defeated for Sheriff. Mr. Packer first took a part in politics in this community when he was appointed as Deputy City Treasurer. Was deputy for two years and then was elected City Treasurer for two. Menominee city very seldom elects a Republican City Treasurer, but Mr. Packer had little difficulty in being elected both times he ran. He then held the office of deputy oil inspector. Afterwards was elected sheriff and then at an election for second term was defeated through treachery in the party, and I say this knowing whereof I speak. As a man, Steve Packer was always honorable, true and clean as a hound's tooth, the kind of a citizen that is a credit to any community, and one whom any community may elect to represent them without fear of making a mistake in so doing.

The Menominee County Republican Committee sends greetings to the Committee of Glendale, California, and heartily indorses the candidacy of Mr. Stephen C. Packer.

Most respectfully yours,
C. W. HUTCHINSON,
Chairman Menominee County Central Committee.

Evidently Mr. Wilson's efforts were brought to the attention of Judge Stiles, Judge of the Probate Court of Menominee, who under date of August 18, 1916, writes:

The Mothers' Study Circle met Thursday at the home of Mrs. R. A. Puffer, Vine street. There was a fair attendance. The circle began the reading of Edith Mumford's interesting book on child development, "The Dawn of Character." It is expected that many of the members of the circle now away on vacation will be home shortly when further work will be undertaken.

Mr. and Mrs. John Hobbs of North Central avenue, Tropic, have as a guest at their home Miss Martha Moore of Oneida, Ill. Having spent last winter in this city the whole family was so delighted with the climate and the people that they determined to stay here. FLOWERS OF FAME

Kelley & McElroy have a wonderful dahlia display in their store at 422 S. Brand boulevard. Thirty varieties of dahlias are on exhibition. These are some of the finest blooms obtainable in California. Some of them are seven inches across and there are others that attain the wonderful measurement of twelve inches across the blossom. The flowers are the very finest specimens that can be obtained.

By cross-fertilization new blooms and varieties of blooms are produced every year. The same work can be done in any garden in Glendale. It is merely a matter of conveying the pollen on the pistil to the stamens. In this way, done carefully and according to rule, and by covering up the flowers proposed to be intermixed, no other mixture of breed can be caused.

Some of these blooms, like the F. W. Fellows, is what is called the cactus variety; it has a peculiarly spiky appearance; the Marguerite Bouchon is a delicate French variety. There is a pure white dahlia, called the Grand Duke Alexis; a curious deep red flower named Mabel Eckland; a light red, peony-style dahlia, named the Liberty; a strange harlequin-shaded blossom called Lavene; there is also another, a golden yellow bloom, styled Lady Daphne. The whole display is unique and well calculated to delight the heart of any Glendale dahlia fancier.

In front of Kelley & McElroy's store may be seen in full bloom and fruitage a curious plant with a curious name—Solanum Warszewiczii. This shrub has curious leaves with long prickles standing up on their surface. It is one of the Solanaceae, a wonderful family of which such opposite members may be found as the tobacco plant, the deadly nightshade and the common potato.

MRS. DANFORD GIVES CHILDREN AN EXPOSITION OF VACATION WORK AND PLAY

When the children who attended the library story hour assembled Wednesday in the library they found a great treat in store for them. The bulletin board exhibited a very tastefully arranged picture of the pleasures of vacation time and also a number of books that dealt with the amusements and serious employments of vacation time. To the great delight of the boys there were books on camping and scouting. Books on the pleasures of the mountain, the stream and the sea. A number of these books were entirely new and possessed naturally of a profound fascination for the boys who take delight in outdoor sports.

These and other exhibitions of what may be done with a vacation were cleverly told to the children by Miss Helen Wright of Glendale. The children listened with great delight as she told them of the pleasures they might enjoy in learning the names of the flowers, birds and other natural objects with which they meet in their outings.

She spoke of the marvelous wealth of natural beauty around Glendale, of the nearby canyons in the mountains where so much was to be learned about nature. She told of the wealth of life at the beaches and the beauty and variety of the wild flowers.

Miss Esther Sinclair gave several readings which were suited to the outdoor idea of the hour. Mrs. Danford then divided the children into two sides and set them to the congenial task of seeing which side can get the largest attendance before the close of these story hours. There are a number of new juvenile books recently acquired by the library which are occupying the attention of the boys and are specially adapted for vacation time. These were specially pointed out to the children and further instructions given them in the use of the catalogues.

RELIEF CORPS AT BEACH

Among the various organized bodies that attended the annual encampment of the Veterans of Southern California at Huntington Beach was the N. P. Banks Woman's Relief Corps. The N. P. Banks Post had the largest attendance at the encampment in proportion to its size. The gathering was a success in the highest degree. The fine weather added greatly to the numbers of the veterans who attended.
At the election of officers for the ensuing year N. P. Banks Post was honored by the appointment of two of its members. C. R. Norton was elected chaplain of the association and Comrade Barrett was appointed on the council of administration of the Southern California Veterans' Association.

POLITICAL ANNOUNCEMENT

Business Administration Saves Taxpayers Big Sum

That at least one of the candidates for county supervisor in the fifth district has been put to the test of fulfilling campaign pledges, and has made good, is shown in the record of Mayor Jonathan S. Dodge of South Pasadena. When Dodge was running for city councilman he adopted a platform of economy and efficiency. That he has, within six months, succeeded in clipping from the budget approximately \$7,000 per year, without in the least crippling the proper conduct of executive affairs, thus reducing the tax rate on the general fund seven cents, and that he would accomplish similar results if elected county supervisor, is clearly set out in the following terse article:

(From South Pasadena Record) Reports show that few cities in Southern California will have a reduced tax rate for the coming year. In fact, many towns will face an increase. No city thus far reported shows a decrease in rate equal to the seven cents reduction on the general fund in South Pasadena. It is the first time in ten years that the general fund has had a rate less than \$1.00. It is now only ninety-three cents.

Those unacquainted with the handling of municipal affairs will not understand the careful management and the thoughtful figuring required to bring about reductions in tax rates without injuring the efficiency of administrative affairs. But in this case it has been done.

Fulfill Pledges

During the last city campaign the present city councilmen were pledged to a policy of economy. They made good on that score. The first thing the new board did was to elect Jonathan S. Dodge as mayor. Then they got busy with tax problems—and South Pasadena had a tax problem, just like most other cities. A process of pruning was started. A sewer inspector, drawing \$5 per day, was dropped and the work added to the duties of the building and plumbing

inspector. One of the police officers was done away with, combining the positions of chief of police and motorcycle officer. This made a reduction of \$90 a month. An assistant city engineer was dropped from the payroll and the salary of the chief engineer was materially lowered. The pay of the city attorney was reduced from \$125 to \$100 a month. In fact, there was a general lowering of high salaries. On the other hand the wages of street workers were not lowered—in some instances they were raised. But the general saving to the city will run very close to \$7,000 per year.

Effective Work

For this saving—the taxpayers have the board of city trustees to thank. Mayor Dodge left no stone unturned to bring about the changes that would produce this saving in the handling of the people's money. He, and the members of his board saw it, however, that the efficiency of the executives was in no way impaired. The city has lost nothing in service but has gained much financially.

Mayor Dodge used in his official capacity the same careful methods that have marked his success in his private business undertakings—the same business tactics that he may be expected to adopt in the handling of county affairs if he is elected to office of county supervisor. It is a part of Dodge's nature to conduct business in that fashion. Perhaps he can't help it—it is his makeup, and the public he is serving, or may serve, is just that much the gainer. We of South Pasadena know these things. It will be unfortunate if the rest of the people of the Fifth supervisorial district do not find it out before election day. What has been done in South Pasadena, in a comparatively small way, may be done in the whole county in a larger way, and it is high time we had men at the head of county affairs who would see that it is done.
