WASHINGTON, May 7.—House —Mr. Clingman, from the 8th district of North Carolina, resigned his seat in the House, having been appointed to the vacancy is the Seastle. The vote on the Minnesota bill is pestipated until Tuesday.

oned until Tuesday. The House adjourned in consequence of a announcement of the decease of ex. Sen-tor George Evans, of Maine, who died sud-RIVER NEWS. RIVER NEWS.

For Louis, May 7.—The river is rising here.
We have no news from the upper streams.
Louisvills, May 7.—The river is rising,
with eight feet water in the canal and six feet
on the falls. Victsurac, May 7.—The Princess passed down at 5 this evening. There is no change in the river here, and nothing new from above. MARKETS.

STEAMBOAT NEWS.
St. Louis, May 7.—Arrived, Lackland
Republic; Departed, John J. Roe. EUROPE.

THE ARABIA'S NEWS. The steamship Arabia, from Liverpool April 17, reached New York on the 29th uit. GREAT BRITAIN. In the House of Lords on the 18th, the Earl of Malmesbury laid upon GREAT BRITAIN—In the House of Lords on the Ish, the Earl of Maimestury laid upded to the Ish, the Earl of Maimestury laid upded to the subject of passports of the subject of passports of the subject of passports at got had been taken in England to mitigate the annoyance attending England to mitigate the annoyance attending the subject of the subject of passports of the subject of the subjec

matters stood, and what stops had been taken in Eegland to mitigate the annoyance attendant upon the system. Lords Clarendon and Grey spoke strongly in condemnation of the whole system of pase-ports, contending that, instead of affording protection to foreign governments, it was simply a trap for the innocent and ignorant traveler. In the House of Commons, Mr. Locke King gave notice of a bill to abolish the property qualification how required to be held by members of the House. Notice was also given of a bill to replai the existing laws in relation to the standard of weights and measures.

and England. The Duke traveled to account and England. The Private and England as tate railway enrings. It was rumored that Queen Victoria intended to pay a visit to Prussia during the ensuring summer or autimm.

OTTY INTELLIGENCE.

Brance L Conversion of Louisian.—The representatives of the Spicoopal Church for the discoss of Louisians met at Christ church, in this city, Taureday. Sinhop Pollt precided, and if ministers and 24 ky members were present. The day was compiled principally with the beatman of organization, in the course of which W. Goo. S. Lacoy was chosen Secretary, and Mr. Greek Mr. Greek Converted to get of the president of the Destrick, Authority to the Exception Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Greek Converted to get of the Secretary, and Mr. Exception of the Secretary, and Mr. Exception of the Secretary, and Mr. Exception of the Secretary, and

See Section 2 countries, notworks, New Oriessas, and St. Margie church, New Oriessas, and St. Margie church, with the Convention.

The usual sermon was delivered by Rev. The proceedings of the state of the discose. The proceedings of the state of the state of the discose. The proceedings of the state of the s

tucky, it was farther resolved that the time for hearing the reports be limited to two hours.

The Moderator elect, Rev. Dr. W. A. Scott, of San Francisco, next named the various of manifestation of the Assembly.

The Treasurer's report was read, and properly referred for action,
The Bellief Fand Committee reported the relief of eight ministers, twenty widows and two families of orphans, at an expense of \$7750.

Indianapolis was selected as the next place of general assembly by the following vote: indianapolis on the third Thursday of May, 1869, ht 11 A. N.

A resolution was offered to refer to a committee, with instructions to report a minute expression of the views of the Assembly, upon an overture made to the following effect:

That the American Bible Scotlety, by the terms of its constitution, have no right to sitted in any way the common and accopted standard fanglish Scriptures from the way it atted at the creation of the secolety; that the scotlety have full power to grid them in the exact condition to which they stood at the formation of the scotlety; that the could will be succeed to the situation of the scotlety; that the scotlety have full power to grid them in the exact condition in which they stood at the formation of the scotlety; that the church and Assembly of the scotlety; that the church and Assembly and the scotlety have full power to grid them in the exact condition in which they stood at the formation of the scotlety; that the church and Assembly and the scotlety have full power to print and circulate, but on the scotlety have full power to print and circulate, but on the scotlety have full power to print and circulate, but on the scotlety have full power to print and circulate, and the sure scotlety have full power to print and circulate, but on the scotlety have full power to print and circulate, and the scotlety have full power to print and circulate, and the scotlety have full power to print and circulate, and the scotlety have full power to print and circulate, and the scotlety have fu

Rev. Fred. Monod presented an encouraging letter from the Commissioner of the Synod of the Free Church of Prance, expressing the strongest aympathy with the Presbyterian Church of the United States. A proposition for having a sermon on education delivered next Monday, was referred. On motion, it was agreed to have the hour for daily prayer meetings changed to ½ o'clock, A.M., and to limit each day's session to close at half past 10 clock every evening. After the announcement of a sermon for the aftersoon, a prayer was offered up, and the Assembly adjourned.

THE RIVER AND CREVARMS.—The influence of the Gulf breezes upon the river at this point is such that it is difficult to determine whether the river is rising or failing. Jack and the work of the Gulf breezes upon the wear have made, and making proper allowances for the most effective remedies of midding, however, from marks which we have made, and making proper allowances for titld effects, we are inclined to think that the river has remained nearly stationary during the last 49 hours ending last evening at 6 o'clock.
