"FINESPUN - 2"

1. General:

a. This plan is for the purpose of executing an orderly withdrawal of USAFIK from Korea.

b. All United States Forces, except a predetermined Advisory Group, will be withdrawn.

2. Definitions:

a. "W Day" is defined as the date of initiation of the main withdrawal of USAFIK personnel or units from Korea under the provisions of this Plan.

NOTE: Pending the possible arrival of surface transportation prior to W Day, the 5th Infantry (Reinforced) will be prepared to outship its first echelon on such lift.

b. "O Day" is defined as date of completion of the actual withdrawal of USAFIK personnel or units from Korea under the provisions of this Plan.

3. Assumptions:

→ a. That "W Day" will be 31 May 1949.

→ b. That "O Day" will be 1 July 1949.

c. That water transportation will be made available for movement to final destination of all supplies, equipment, and personnel during the period W-27 to W+30.

d. That the military strength of USAFIK will not exceed 7,500 on "W Day".

e. That reasonable cooperation will be received from the Korean Security Forces and Korean Governmental and communication agencies for aiding the withdrawal of United States Forces.

SECRET

Secret

f. That USAFIK will retain control of the port facilities at INCHON until the completion of the withdrawal.

g. That no major incident of sabotage or incursion by North Korean Forces prior to "C Day" will be made.

4. Concept of Operations:

a. The withdrawal of USAFIK will be accomplished in two periods:

- (1) Preparatory Period, W-27 through W-1, and,
- (2) Withdrawal Period, W Day to W+30 (Except that the first echelon of the 5th Infantry (Reinforced), may, pending the actual date of arrival of the first transport, outship prior to W Day; plans must be made for this eventuality).

b. During the Preparatory Period, W-27 to W-1, the following operations will be completed:

- (1) Equipment and supplies will be consolidated, prepared for shipment, and shipped as indicated in Annex 3 (Logistics).
- (2) Supplies, equipment, and property will be turned over to the agencies of the Government of the Republic of Korea as indicated in Annex 3 (Logistics).
- (3) Outshipment of casualties will be handled by a Casual Detachment in the ASCOM area, under the AG, USAFIK.
- (4) Personnel will be screened for retainability in accordance with principles outlined in Personnel Annex #2.
- (5) Requests for shipping and transportation will be forwarded to CINCPAC.
- (6) Necessary agreements with the Republic of Korea will be reached concerning its assistance in the withdrawal of USAFIK.
- (7) Also during the Preparatory Period, the first echelon of the 5th Infantry (Reinforced) may, pending the actual arrival of surface transportation, be outshipped.

-2-
Secret

c. During the Withdrawal Period, W Day to W+30, the following operations will be completed:

- (1) Operations outlined for the period W-27 to W-1 (Preparatory Period) which were not completed, will continue.
- (2) Units will be progressively reduced and inactivated or outshipped as units according to Inactivation and Outshipment Schedule (Annex #1).
- (3) Equipment and supplies will be consolidated, prepared for shipment, and outshipped as indicated in Logistical Annex (Annex #3).
- (4) Supplies, equipment, and property will be turned over to the Government of the Republic of Korea as indicated in Logistical Annex. Weapons, equipment and property required for completing prescribed commitments to Korean Security Forces will be transferred as rapidly as they are received or as they become surplus to the needs of USAFIK through the reduction, inactivation, or outshipment of units, except that transfers of equipment for 15,000 augmentation for Korean Constabulary will be delayed, as set forth in Annex 3 (Logistical).
- (5) Military and civilian personnel will be shipped to the FPO or to the ZI in accordance with shipping schedules. Military Personnel will be outshipped with their units or as casuals until the closing of the Casual Detachment.

5. Responsibilities:

a. Commanding General, USAFIK, will:

- (1) Be responsible for the withdrawal of all United States personnel, supplies, and equipment as directed.
- (2) Establish and provide initial supplies for KMAC and the American Mission as directed.

Secret

- (3) Direct the necessary retention and disposition of tactical forces to insure the security of United States personnel and property against subversive activity, sabotage, and attacks by dissident elements or hostile forces until the completion of the withdrawal.
 - (4) Screen, process, and outship personnel to the ZI or to FEC, as directed, in accordance with principles in Personnel Annex (Annex #3).
 - (5) Process and outship supplies, property, and equipment to the ZI or other areas of FEC, as directed, in accordance with Logistical Annex (Annex #3).
 - (6) Turn over to the Government of the Republic of Korea, supplies, equipment, and property as indicated in Logistical Annex (Annex #3).
 - (7) Inactivate designated units in accordance with Inactivation and Outshipment Schedule.
- b. The Commanding Officer, 5th Infantry (Reinforced), will:
- (1) Within the Reinforced Regiment, consolidate and prepare for shipment or turn-over, equipment and supplies as directed in Logistical Annex.
 - (2) Transfer personnel within his command as indicated in Personnel Annex.
 - (3) Inactivate designated units attached to the 5th Infantry in accordance with Inactivation and Outshipment Schedule (Annex #1).
 - (4) Process for shipment and transfer to the Casual Detachment military personnel made available by inactivation of units as directed in Personnel Annex.
 - (5) Provide security for United States personnel and property against subversive activity, sabotage, and attacks by hostile forces and dissident elements in SEOUL-

INCHON areas, and in ASCOM area from W-21 by closing 1st Battalion (less Company at INCHON and less one Company to remain at UIJONGBU until further notice) in ASCOM area by W-22. The Commanding Officer, 5th Infantry, as coordinated with the Commanding Officer, Special Troops, will be responsible for the security of ASCOM-INCHON areas effective W-21.

- (6) Embark 5th Infantry (Reinforced) units as indicated in Inactivation and Outshipment Schedule (Annex #1). Combat units will retain arms, ammunition, and equipment vital to their security mission as long as compatible with meeting requirements of outshipment. The 1st Battalion, 5th Infantry, will outship with individual arms and equipment as directed by this Headquarters.
- (7) Terminate patrol activities on W Day.
- (8) Turn over necessary guard and security responsibilities to Korean Security Forces through the Chief, KMAG.

c. The Commanding Officer, Special Troops, will:

- (1) Transfer personnel within his command as indicated in Personnel Annex (Annex #2).
- (2) Progressively reduce and Inactivate Special Troop Units in accordance with Inactivation and Outshipment Schedule.
- (3) Process for shipment and transfer to Casual Detachment military personnel made available by the progressive reduction and inactivation of units.
- (4) Within ASCOM area until W-21 (when responsibility for security passes to the Commanding Officer, 5th Infantry), provide security for United States personnel and property against subversive activity and sabotage

by dissident elements or attacks by hostile forces.

- (5) Coordinate outshipments with the Transportation Officer, USAFIK, and the Chiefs of the several technical and administrative services as necessary.

d. The Chiefs of the various technical and administrative services will expedite the consolidation, preparation for shipment and out-shipment, or turn-over to Korean agencies, of equipment and supplies (including depot stocks and stores) peculiar to their particular service in accordance with instructions contained in Logistical Annex.

e. The Transportation Officer, USAFIK, will operate the Port of INCHON through W+30.

f. The Surgeon, USAFIK, will provide medical care and evacuation of United States personnel until W+22 (See Medical Appendix to Logistical Annex).

g. The Headquarters Commandant, USAFIK, will:

- (1) Progressively reduce and inactivate units and activities assigned and attached to the Headquarters USAFIK, as indicated in Inactivation and Outshipment Schedule.
- (2) Process and transfer to Casual Detachment military personnel made available by the progressive reduction in and inactivation of units.
- (3) Consolidate and process for shipment or turn-over, all supplies, equipment, and property of Headquarters USAFIK and attached units in accordance with Logistical Annex.
- (4) Transfer personnel within Headquarters and Headquarters Company, USAFIK, as directed in the Personnel Annex.
- (5) Insure continued operation of Headquarters USAFIK until W+30.

h. The Chief, KMAG, will:

Annex 2 to Plan "FINESPUN - 2" - Personnel

1. General:

a. The purpose of this plan is to establish policy for the orderly withdrawal of personnel of USAFIK from Korea.

b. General plan entailed herein is the orderly withdrawal from Korea to Hawaii, FEC and ZI of dependents, civilians, officers, warrant officers, and enlisted men assigned to or connected with USAFIK; the withdrawal to be based on current Department of the Army readjustment regulations and special criteria established by FEC.

c. Assumptions:

- (1) That the 5th Infantry (Reinforced) will be shipped as a unit as near T/O strength as is consistent with screening criteria announced by this Headquarters.
- (2) That all other units except KMAG will be inactivated and Personnel reassigned or shipped out as casualties.
- (3) That personnel from inactivated units will be assigned as necessary to KMAG or the 5th Infantry (Reinforced) in that priority. Personnel not assigned to KMAG or the 5th Infantry (Reinforced) will be cutshipped to FEC or ZI.
- (4) That water transportation for movement of casualties will be furnished in approximately three (3) increments on or about 10 June, 20 June and 25 June 1949.
- (5) That any change will be in the nature of an acceleration of the withdrawal.

d. The withdrawal will be essentially administrative, based on a time schedule of W-3 to W-30.

Secret

2. Missions and Responsibilities:

a. Mission: The mission is to screen personnel during a preparatory period W-30 to W-1 according to existing criteria and to outship as casualties those surplus to the needs of the command. During the period of withdrawal W Day to W+30: to progressively reduce and inactivate units according to Inactivation and Outshipment Schedule; prepare and process individuals for shipment as casualties and units for shipment as units. Prepare for and supervise the cessation of Special Service Activities, Army Exchange Service activities, and Army Postal activities and the disposition and shipment of their supplies and equipment. Supervise the processing, boxing, inspection and outshipment of administrative records of inactivated units.

b. Responsibilities:

- (1) The Adjutant General will be responsible for issuance of instructions relative to cessation of mail, inspection and disposition of records of inactivated units, civilian personnel section, operation of the casual detachment, receipt and disposition of publications made surplus by inactivation of units (See Appendix A, this Annex).
- (2) The Provost Marshal will be responsible for the evacuation of General prisoners, control of traffic, enforcement of law and order until W+25, and staff supervision of the closing of the stockade. (See Appendix C, this Annex).
- (3) The Special Service Officer will be responsible for cessation of Special Services activities, receipt, disposition and outshipment of Special Service property, to include Army Motion Picture Service.

Supervision, closing and final disposition of unit and sundry funds. (See Appendix D).

- (4) The Army Exchange Service will be responsible for the liquidation and disposal of surplus Army Exchange Service supplies and equipment (See Appendix E).

3. Tasks for Subordinate Units:

a. The Commanding Officer of the 5th Infantry (Reinforced) will be responsible for screening of personnel of the 5th Infantry and attached units according to criteria established by this Headquarters during the period W-30 to W-1 and for the processing of casualties for outshipment. During the period W-7 to W+30 he will be responsible for the processing of units under his control for outshipment, or reduction and inactivation according to Inactivation and Outshipment Schedule (Annex 1).

b. The Commanding Officer, USAFIK Special Troops, will be responsible for screening of personnel according to criteria established by this Headquarters during the period W-30 to W-1 and for the processing of casualties for outshipment. During the period W Day to W+30 he will be responsible for the processing, reduction and inactivation of units under his command in accordance with Inactivation and Outshipment Schedule.

c. Headquarters Commandant, USAFIK, will be responsible for screening of personnel according to criteria established by this Headquarters during the period W-30 to W-1 and during the period W-7 to W+30 for the reduction and inactivation of units under his supervision in accordance with Inactivation and Outshipment Schedule, and for the processing of casualties for outshipment.

4. Administrative Matters:

a. Personnel with Dependents: Personnel with dependents other than those assigned to KMAG and AMIK will be reported to this Headquarters prior to W-21 for proper disposition.

b. Military Personnel: The following criteria will classify

Appendix B, Annex 2 to Plan "FINESPUM - 2" - Adjutant General1. Purpose:

The purpose of this annex is to establish procedures for the disposition of records, of instructions relative to the cessation of mail, discontinuance of the Civilian Personnel Section, operation of the Casual Detachment and the receipt and disposition of publications made surplus by inactivation of units.

2. Missions and Responsibilities:

a. Mission: The mission is to provide a uniform procedure for the screening and disposition of all permanent record materials; to facilitate an early operation so as to expedite the receipt and re-addressing of mail destined to all personnel either remaining in Korea or being transferred to other commands; to establish a definite procedure for the payment, transfer and repatriation, and close-out of Department of the Army Civilian Personnel Section assigned to USAFIK; to provide for an orderly outshipment of casual personnel being re-assigned to other commands, and to establish a proper procedure for the disposition of surplus WD and DA publications and DA and WD AGO Forms.

b. Responsibility: The Adjutant General, United States Army Forces in Korea, is responsible for:

- (1) Issuance of instructions relative to the disposition of records, the cessation of mail, closing out of the Civilian Personnel Section, efficient operation of the Casual Detachment and to provide for the disposition of surplus publications.
- (2) Preparation of schedules and instructions governing the disposition of records, mail and publications.

SECRET

- (3) Coordination with other staff sections with regards to the disposition of personnel.

3. Tasks for subordinate units:

a. Duties of Records Administrators:

- (1) Screening of Records: The Records Administrator of each major command will conduct frequent screening of the records of the major command headquarters to insure the withdrawal and destruction of disposable records and the shipment to Records Depot of non-current records.

4. Administrative matters:

a. Disposal of records:

(1) References:

- (a) SP 345-920-1, "Records Administration - Disposal of Records", 15 March 1949.
- (b) AR 380-5 and AR 15-15.
- (c) Circular No. 29, GHQ, FEC, 21 August 1948.
- (d) Circular No. 15, Headquarters USAFIK, 8 March 1949, "Records Administration".

(2) Definitions:

- (a) Administrative Records: All records and files of units or organizations other than property records of Supply Depots.
- (b) Supply Records: Property records of Supply Depots only.

- (3) Assistance to Subordinate Units: The Records Administrator of each major command will instruct and assist the Records Officers of subordinate units within each major command in the procedures of screening and disposition of records.

-2-

(4) Procedures upon evacuation:

(a) In the event of evacuation to other areas as units or organizations, the following procedures will govern:

1. Disposable records will be destroyed.
2. Non-current records will be packed as prescribed in SR 345-920-1 and shipped to Central Records Depot No. 4, APO 343.
3. Current records will accompany unit or organization to new station.

(b) In the event of inactivation of units or organizations and evacuation of personnel as casualties, the following procedures will govern:

1. Individual personnel records will accompany personnel.
2. Disposable records will be destroyed.
3. Current and non-current records will be packed as prescribed in SR 345-920-1 and shipped to Central Records Depot No. 4, APO 343.

(5) Supply Records:

Property records of each Supply Depot will be maintained to reflect the exact status of all property, to include a record of final disposition of property items. When Supply Depots have effected final disposition of all property, supply records will be closed; will be packed as prescribed in SR 345-920-1 and shipped to Central Records Depot No. 4, APO 343.

(6) In accordance with SR 345-920-1 records will be shipped to the 4th Replacement Depot in the following increments. Boxes will be procured in accordance with SR 345-920-1 for records to be shipped.

Annex 3 to Plan "FINESPUN - 2" - Logistical

1. General:

a. Purpose: The purpose of this annex is to establish procedures for the disposition of all supplies and equipment, the release or turn-over of all military posts and establishments, the release of all real estate, the closing and inactivation of all Technical Service installations and units, and the orderly outshipment of the 5th Infantry (Reinforced) and casualties.

b. Concept of Operations: The withdrawal will be subdivided into two periods:

(1) The period W-27 to W Day will be utilized to segregate, pack, and prepare for shipment those supplies and equipment to be outshipped; to segregate, inspect, prepare and transfer such equipment and supplies as may be utilized for transfer to the American Mission in Korea, Korean Military Advisory Group, and the Korean Security Forces; to accomplish disposal action for residual equipment and supplies not required for support of troops up to their withdrawal; and to outship those elements of the 5th Infantry (Reinforced) and casualties as designated.

(2) The period W Day to W+30 will be utilized to complete action indicated in preceding paragraph; close out all Technical Service supply points and other supply installations and, where appropriate, effect transfer of such installations to the American Mission in Korea or to National Property Custodian, Government of the Republic of Korea; inactivate service units per

inactivation schedule and outship the remainder of the 5th Infantry (Reinforced).

- c. Assumptions: See basic plan.
- d. Plan of evacuation of supplies and equipment:
- (1) Except as modified herein, logistic responsibilities of the major commands presently in effect will continue in force throughout the withdrawal period.
 - (2) Upon the movement of units or individuals to ASCOM and/or INCHON, the Commanding Officer, USAFIK Special Troops, will assume logistical responsibilities except for the 1st Battalion, 5th Infantry, which will remain under the command of the Commanding Officer, 5th Infantry.
 - (3) The logistical responsibilities of the Commanding General, United States Army Forces in Korea, will terminate upon withdrawal of the last unit from Korea.
 - (4) Supplies and equipment requisitioned for the American Mission in Korea will be turned over to the designated Department of State Representative by inter-departmental transfer on a reimburseable basis. Commissary items will be transferred on locally reimburseable basis; reimbursement for other supplies and equipment may be effected by Department of the Army.
 - (5) Personnel embarking as casualties will be equipped with individual clothing and equipment as prescribed in Par 4 a and b, Section II USAFIK, Circular 18, 17 March 1949 (with change 1 and 2), plus organizational clothing and equipment as prescribed in Par 7, Section II, above circular.

will be equipped with individual and organizational clothing and equipment as prescribed in Section II, USAFIK, Circular 18, 17 March 1949 (with changes 1 and 2), plus two (2) blankets, wool, per individual as prescribed in Paragraph 7, Section IV, Circular 18, less the following items:

(a) Belts, cartridge, cal. .30.

(b) Helmet, steel M1.

1. The 1st Battalion, 5th Infantry (Reinforced), will be outshipped with complete helmet, steel, M1, Belts, cartridge, cal. .30 and individual weapons.

- (7) Units of the 5th Infantry (Reinforced) will move with Minimum Essential Organizational Equipment as prescribed in Appendix A of P.O.M. dated 15 January 1945, with the exception of individual weapons (See exception in Paragraph 6 above).

2. Mission and Responsibilities:

a. All chiefs of Technical Services and Chiefs of Special Staff Sections having supply and logistics functions will:

- (1) Cancel or cut back requisitions upon all supply agencies for supplies scheduled for Korea to conform to actual requirements based upon withdrawal.
- (2) Forward to Eighth Army, special requisitions for materials and supplies not available in Korea but necessary to execute withdrawal.
- (3) Reduce supply levels for all classes of supply by attrition and planned failure to replenish with the objective of completing the withdrawal with a minimum stockage for final shipment or disposition.

-3-
Secret

*Secret*Appendix E, Annex 3 to Plan "FINESPUN - 2" - Fiscal1. General:

a. Purpose: The purpose of this Appendix is to prescribe the detailed technical procedures to be taken by the Fiscal Section, Headquarters, USAFIK, and the 152d Finance Disbursing Section, during the period of W422.

b. Concept of Operation:(1) Fiscal:

(a) All existing contracts will be cancelled by W Day, with the exception of utilities contracts which will be cancelled as of W430. All work projects will cease as of W Day, and vendors informed to submit invoices not later than W410 for payment. State emphatically that no bills will be accepted after W410, with the exception of utility bills. Utility bills will be submitted not later than W440 and will be paid by Finance Officer, KMAG.

(b) All non-appropriated accounts will be ready for audit W45.

(2) Finance: All military personnel will be paid through W Day. Class A agent officers making payment to military personnel will be instructed to return paid pay rolls not later than W41

2. Missions and Responsibilities:

a. Mission: Broadly summarized, the mission and responsibility are as follows:

(1) Render normal fiscal and disbursing service to W Day.

Secret

SECRET

- (2) Settle Korean National Account activities and transfer responsibility to the Joint Administrative Section, American Mission in Korea on W Day.
- (3) Settle for sale of Won (450 to \$1) with Korean Foreign Exchange Bank (See Paragraph 2 g, Fiscal Memo #12).
- (4) Settle for supplies and services secured from Korean economy with Government of the Republic of Korea.
- (5) Insure that supplies and services are not procured after W Day; other than minimum essential utilities and employees.

b. Responsibility:

(1) Korean National Account:

- (a) Disbursing Officer, 153d Finance Disbursing Section will reconcile disbursement vouchers and records with fiscal ledgers of the Budget and Accounts Division.
- (b) Disbursing Officer will state SF 1034 in the Korean National Account for the value of supplies used at the then rate of exchange in Won and deposit check on SF 1044 in the 153d Finance Disbursing Section Funding Account (Won) as a Special Deposit.
- (c) Disbursing Officer will make final "agent" return to the Department of Finance, Government of the Republic of Korea, not later than W+10, supported by the vouchers for the amount of actual disbursements through W Day, in the Korean National Account, secure reimbursements, and bring checking account in Bank of Chosun up to original advance of 50,000,000 Won.

SECRET

Secret

- (d) Disbursing Officer will close out the 152d Finance Disbursing Section Korean National Account with the Bank of Chosun by transferring the entire original advance of 50,000,000 Won to the overdraft account with the Bank of Chosun entitled "Government of Republic of Korea" (USAFIK), and forward disbursing records (for period through date of settlement with Korean National Account) to Bureau of Accounts, Korean Government.
- (e) Transfer retained Fiscal Records and files of the Budget and Accounts Division, together with retained disbursing records of 152d Finance Disbursing Section (both pertaining to the Korean National Account) to the Joint Administrative Section of the American Mission in Korea.
- (f) Arrange with G-4 and Joint Administrative Section, American Mission in Korea, for latter agency to continue payment of repair and maintenance activities of facilities furnished rent free under provisions of Initial Financial and Property Settlement dated 11 September 1948.

3. Korean Foreign Exchange Bank Settlement:

a. Disbursing Officer will discontinue sale of Won and will draw Treasury Check out of Special Deposit of SF 1049 for amount of Won paid to Korean Foreign Exchange Bank and purchase Won necessary to replenish amount paid.

b. Disbursing Officer will deposit Korean Foreign Exchange Bank Won checks to the "152d Finance Disbursing Section Funding Account".

f. The Chief, B & A Division, in collaboration with the Chief, R & D Division, and Disbursing Officer, 152d Finance Disbursing Section, will prepare a SF 1034 in Dollars covering the pay-as-you-go settlement in accordance with the final settlement agreement. The SF 1034 will charge the applicable appropriations with the full amount of the Grand Recapitulation Statement and will make voucher collections of the dollar equivalent (at same rate of exchange) of the amounts in the Won Occupation Account on Special Deposit derived from the following and will credit the following Miscellaneous Receipt account and/or appropriation reimbursement accounts:

- (1) Provost Court Fines MR/GF 212240
- (2) War Booty MR/GF 213897
- (3) Engineer Stocks (Korean National Account) 2190905

8-C-91-130-99

g. Disbursing Officer will transfer the Special Deposit Accounts to the appropriation reimbursement accounts and/or Miscellaneous Receipt Accounts in his Won occupational accounts specified in sub-paragraph (f) above just prior to action in sub-paragraph (f) above.

h. Chief B & A Division will request necessary allotment of funds from Far East Command to cover requirements of this settlement. Request for funds to effect this settlement must be made in sufficient time to enable the Fiscal Director, Far East Command, to allot funds to this Headquarters and obligations be made before end of fiscal year.

i. Disbursing Officer will close out "152d Finance Disbursing Section Funding Account" (pay-as-you-go) records, and files, pack and deliver to the Central Records Depot, #4, APO 343.

j. Chief, B & A, will close out Won occupation (pay-as-you-go) fiscal records, ledgers, files, and inventory, pack and deliver to Central Records Depot, #4, APO 343.

- (4) That the Korean Coastal Station can fulfill the requirements of AMIK, beginning on W+25, in handling ship-shore radio traffic.

d. Plan of Evacuation of Supplies and Equipment:

- (1) Signal supply point will cease issues on W-30, except for emergency issues approved by the Signal Officer.
- (2) Cease 3rd and 4th echelon maintenance and repair on W-30.
- (3) Signal supply point will cease receipts on W-16, except for fixed installation equipment which will be turned in by W Day.
- (4) All transfers of signal property and supplies to KMAG and AMIK which may be made from stock on hand in depot or in hands of troops, will be concluded by W-16.
- (5) Transfers of incoming shipments between W-16 and W+15 to fill KMAG or AMIK requisitions will be processed to those agencies as received.
- (6) As the fixed installations at Koso, Eubei and the Communications Center are reduced, the equipment will be packed and turned in to the signal supply point for outshipment.

2. Missions and Responsibilities:

a. Missions:

-2-
Secret

Secret

- (1) Close out USAFIK signal installations not required for use by AMIK.
- (2) Transfer of equipment and operational and maintenance responsibilities of remaining signal installations to AMIK.
- (3) Outshipment of all signal supplies and equipment not required by AMIK and KMAG, and close the signal supply point.
- (4) Provide a detachment to support AMIK from C Day until C+30.

b. Responsibilities: The Signal Officer, United States Army Forces in Korea, is responsible for:

- (1) Issuance of instructions relative to the close-out of the signal supply point.
- (2) Preparation of instructions and schedules for the phase-out and turn-over of signal installations and activities of USAFIK.
- (3) Preparation of schedules regarding the phase-out of signal troops of USAFIK.
- (4) Coordination with G-1 and G-3, USAFIK, on personnel and unit shipping dates, with G-4 on property, and with other sections as required on matters pertaining to them.
- (5) Supervision of the execution of (1), (2) and (3) above.

3. Tasks for Subordinate Units:

a. The 5th Infantry (Reinforced) will:

- (1) Pack, crate, and outship all signal equipment and supplies in accordance with letter, "Shipping of Property", WFGDS 400.22, 25 April 1949.

b. Special Troops, USAFIK, will:

- (1) Pack, crate, and outship all signal equipment and supplies in accordance with letter, "Shipping of Property", WFGDS 400.22, 25 April 1949.
