As a Common Sense Business Proposition

No Man Who is Intending to Take up a Farm in Michigan
Can Afford to Overlook Wexford County.

I am offering choice Hardwood Lands from \$10.00 an acre upwards, with a down payment of one fourth the purchase price and the remainder will give ten years time if desired with interest at 6%.

We sell land on potato contract. Have you ever heard of the potato contract before? If not call at my office and let me explain my proposition to you, I am sure you will become interested.

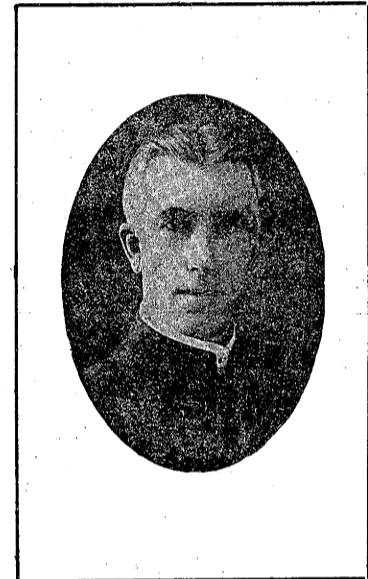

No taxes for five years to actual settlers who purchase unimproved lands of me in 80 acre tracts.

If you wish to buy or sell an improved farm see me and I will save you money.

The Greatest Cause of Disease!

Is germ life (Bacilli). Such germs cannot live in Tiger Oil, therefore Tiger Oil cures so many diseases. Do not take it clear internally, but in at least 20 times as much water, or sweetened water; it should be applied clear externally, rubbing thoroughly over all pain or disease until better. The dose differs according to age and disease. The common dose for an infant is 1-2 a drop to a drop. An adult dose is a teaspoonful; but in such diseases as Dyspepsia, Diabetis, Chronic Kidney Diseases, Nervousness, Etc., 1-2 a teaspoonful in a tumbler full of boiled water 1-2 hour before each meal. In LaGrippe, Neuralgia, Colds, Inflammations, Erysipelas, Diarrhea, Catarrh, Sore Throat, and such diseases, one teaspoonful every hour. In Croup, Pain, Colic, Cholera Morbus, Cholera Infantum, a common dose every 15 to 30 minutes. But in such diseases as Cholera, Yellow Fever; Sunstroke, Fits, Delirium Tremens, Paralysis, Cerebro Spinal Meningitis, from 1 to 2 common doses every 10 to 15 minutes, with continual rubbing with Tiger Oil over head, back and seat of disease. Give to stock 10 to 20 times more at a dose than to man. Testimonials sent on application, but to use Tiger Oil is the best proof of its merits.

I have about 500 cards recently returned to me with the following questions answered by ministers and others as on this card.

1. In your opinion is TIGER OIL the best family medicine of its kind known to you for general purposes? Yes.
2. Can you conscientiously recommend the use of TIGER OIL where such medicine is needed? Yes.
3. Have you known TIGER OIL to fail in doing good when used according to instructions on circular? No.
4. In what extreme special disease have you witnessed its good effect? This question is answered by 20 different diseases.
