

CURRICULUM VITAE

QUINTOUS EARL CREWS, JR., M.D.

Personal Information:

Date of Birth: 19 September 1929
Place of Birth: Port Arthur, Texas
Marital Status: Married 19 December 1954
Wife: Maybelle
Children: Quintous, III (3 Oct 55)
Cynthia (6 Nov 57)
Patricia (17 Mar 60)
Victoria (2 Dec 68)

Education:

College: Lamar Junior College, Beaumont, Texas, 1948-1950
University of Texas, Austin, Texas, 1950-1951
Medical School: University of Texas School of Medicine, Galveston, Texas,
1951-1955, M.D. Degree 3 June 1955
Internship: Good Samaritan Hospital, Phoenix, Arizona (Rotating) 1955-1956
Residency: Radiology Residency, Naval Hospital, Oakland, California
1958-1960
Fellow Therapeutic Radiology, Los Angeles Tumor Institute,
Los Angeles, California 1960-1961
Fellow Therapeutic Radiology, M.D. Anderson Hospital,
Houston, Texas, 1968-1969

Certification: Diplomate, American Board of Radiology, 1963
Fellow, American College of Radiology, 1973

Professional Licenses: Texas #C-5017 (20 Aug 55)
California #18479 (8 Apr 57)
Guam, Marianas Islands #000111 (7 May 67)

Professional Societies: The American College of Radiology
The Radiological Society of North America
The Society of Nuclear Medicine
American Medical Association (Military)
American Society of Therapeutic Radiologists
California Radiation Therapy Association
San Diego Radiological Society
Association of Military Surgeons of the United States

QUINTOUS EARL CREWS, JR., M.D. (Continued)

Positions Held:

1956-1958	Medical Officer, Naval Dispensary, Long Beach, California
1958-1960	Medical Officer, Duty Instruction, Naval Hospital, Oakland, California
1960-1961	Duty Instruction, Los Angeles Tumor Institute, Los Angeles, California
1961-1964	Assistant Chief, Radiology, Naval Hospital, Great Lakes, Illinois
1964-1968	Chief, Radiology, Naval Hospital, Guam, Marianas Islands
1968-1969	Senior Fellow Radiotherapy, Duty Instruction, M. D. Anderson Hospital, Houston, Texas
1969-1970	Assistant Chief, Radiology, Naval Hospital, San Diego, California
1970-1976	Chief, Radiology, Naval Regional Medical Center, San Diego, California
1976-1978	Director of Clinical Services, National Naval Medical Center, Bethesda, Maryland
1978-Present	Commanding Officer, Naval Regional Medical Center, Long Beach, California

Appointments:

1964-1968	Consultant Radiologist, Guam Memorial Hospital, Guam, Marianas Islands
1964-1968	Consultant Radiologist, U. S. Trust Territories of Pacific, HQ Saipan, Marianas Islands
1964-1968	Consultant Radiologist, Andersen Air Force Base, Guam, Marianas Islands
1969-1976	Professional Director of X-Ray Technique School, Hospital Corps School, San Diego, California
1970-1976	Associate Clinical Professor, Department of Radiology University of California, San Diego, California
1970-1976	Assistant Clinical Professor of Radiology, University of Southern California School of Medicine, Los Angeles, California
1971-1973	Navy Alternate Counselor, American College of Radiology
1973-1976	Surveyor on Joint Review Committee on Education in Radiologic Technology
1973-1976	Clinical Professor of Radiology, George Washington University, Washington, D. C.
1973-1978	Radiological Advisor to the Surgeon General, Bureau of Medicine and Surgery, Department of the Navy
1974-Present	Navy Counselor, American College of Radiology
1974-Present	Fellow, American College of Radiology
1975-1980	Member, Joint Review Committee on Education in Radiologic Technology

QUINTOUS EARL CREWS, Jr., M.D. (Continued)

Appointments (Continued):

1977-1978	Associate Dean for Academic Affairs, Uniformed Services University of the Health Sciences
1977-Present	Navy Counselor, Radiological Society of North America
1979-Present	Associate Clinical Professor of Radiology, University of Southern California School of Medicine, Los Angeles, California
1979-Present	Attending Physician, Department of Health Services, Memorial Hospital Medical Center/UC, Irvine

Bibliography:

1. Crews, Q.E. : Observations on the Combined Use of 5-Fluorouracil and 2 MEV Radiation in Advanced Solid Tumors in Man. Cancer Chemotherapy Reports, No. 14, October 1961.
2. Hare, H.F., and Crews, Q.E. : Nasopharyngeal Tumors: Three to Five Year Survivals. The American Journal of Roentgenology, Radium Therapy and Nuclear Medicine. Vol. 89, No. 1, January 1963.
3. Rosenzweig, A.L., Crews, Q.E., and Hopwood, H.G. : Vinblastine Sulfate in Hodgkins' Disease in Pregnancy. Annals of Internal Medicine, Vol. 61, No. 1 1964.
4. Crews, Q.E., and Fletcher, G.H. : Comparative Evaluation of the Sequential Use of Radiation and Surgery in Primary Tumors of the Oral Cavity, Oropharynx, Larynx and Hypopharynx. The American Journal of Roentgenology, Radium Therapy and Nuclear Medicine. Vol. III:73, No. 1, January 1971.
5. Schroeder, A.F., Crews, Q.E., and Rotner, M.B. : Combined Treatment of Non-Seminoma Testicular Cancer. Frontiers of Radiation Therapy and Oncology. Vol. 5, pp 240-250, 1970.
6. Asher, W.M., and Crews, Q.E. : Radiation Therapy Applications of Diagnostic Ultrasound. Abstract published in the proceedings of the Third International Conference on Medical Physics, Goteborg, Sweden, 1972.
7. Hill, D.R., Crews, Q.E., and Walsh, P.D. : Prostate Carcinoma: Radiation Therapy of Primary and Regional Lymphatics. Cancer, 34-156-60, July 1974.
8. Safer, M.L., Green, J.P., Crews, Q.E., and Hill, D.R. : Lymphangiogram Accuracy in the Staging of Testicular Tumors. Cancer Journal, Vol. 35, pp 160-163, June 1975.
9. Williams, D.M., Wilcox, J.R., Asher, W.M., Crews, Q.E. : A Non-Invasive Technique for Estimating Renal Volume in Vivo. "Work in Progress," RSNA, Dec 1975.

QUINTOUS EARL CREWS, Jr., M.D. (Continued)

Bibliography (Continued):

10. Green, N., Kurohara, S.S., George, F. W., Crews, Q.E.: Postresection Irradiation for Primary Lung Cancer. Radiology. Vol. 116, No. 2, pp 405-407, August 1975.
