Dear Sir, ANSD.....

M/V "DUNDALK BAY"

Further to our letter of the 23rd inst., we have now obtained from Mr. Griffith his views regarding the fees for the Classification of this vessel and which are as follows:

Hull Classification	£ 186 - 6 - 0	
Approval of plans	£ 10 - 10 - 0	
Machinery Classification	£ 108 - 0 - 0	✓
Electr. Equipment	£ 40 - 10 - 0	✓
Additions to Electr. Installation	£ 21 - 0 - 0	✓
Fitting of Reconditioned Donkey Boiler	£ 7 - 7 - 0	✓

Expenses: Trieste Lire 9.970.-
 Genoa " 7.416.-

 Lire 17.386.- = £ 7 - 10 - 0

We are not aware what fees may have been charged previously when the ship was under preliminary Survey at Hartlepool, particularly as regards the Freeboard assignment, so that some amendment may be required to the above list.

It is suggested an account be rendered to the Owners Belfast Office for payment in sterling and we should be glad if you would kindly advise us when settlement has been made in order that we may make the necessary entries in our books.

Yours faithfully,

The Secretary
LONDON.
