SUMMARY OF ELECTION
(Reports Control Symbol MG-22 R1)

1. Type of election: Agricultural Land Committee Election
2. Date of election: 18 August 1949
3. Location of election: Yamagata Prefecture
9. Number of violations reported or observed.

a.

b. Interference with free and secret voting.

The admission card for the election of Agricultural Land Commissioner, under the name of SUZUKI, Shigeko (22) #139, Emata Kanai Village, Higashimurayama Dist. was delivered to SUZUKI, Akiko (39), # 85, Emata, Kanai Village, Higashimurayama Dist. who had no franchise, by the mistake.

The receptionist at the voting place took it for the mistake on making admission card, so he put the latter's name on the card instead of the former's and let her vote for the election when she showed up to the voting place with wrong admission card.

Meantime, the Village Election Control Committee found above fact and also found that Akiko's husband's father had not voted yet, so they gave it to SUZUKI, Shigeko in order to let her vote.

Above case has been reported in to Investigation Section N.R.P. Yamagata Pref. H.Q. and has been examined by Yamagata Dist. N.R.P. without arrest or detention.

c.

d. Bribery, either by money, gifts or entertainment.

At Takahata Town, Higashiokitama Dist. the candidate (section #1) KUSAKA, Ryosuke recognized the campaign was considerably tough, and decided to deliver the printed letters to voters. Meantime his son Shinichiro enclosed 50 yen to each envelope and sent them out for 25 people.

Although 21 of the people to whom he delivered them sent them back to him but since rest of the people did not, so he was put under the suspicion of the bribery.

He was arrested by Takahata Town Police on 21 August and turned over to Yonezawa Procurator's Office on 23 August (he is out on bail)

Administrative Election Committee, Yamaguchi-ken

August 25, 1949

SUBJECT: Reports on Agr. Land Commissions Election.

TO: Commanding Officer,
Yamaguchi Civil Affairs Team.
Att: Legal-Government Section.

In compliance with your instructions AMGL 091 to hand August 19 re above subject, we have to report as follows:-

- (1) Re Operational Directive No. 19
Par. 7a (2); 7c (3); and 7c (4):

We have nothing to report on these items.

- (2) Re MG 22 RI:

- (a) The name, location of committee to which elected, and name of supporting political party, if any, of each successful candidate. No report of independent candidates elected will be required:

We have to report in the attached lists.

- (b) General account of the election:

- (A) Voting interest of the electorate:

The voting interest was generally low until the election-day drew very near, due probably to the fact that the agr. land purchase program was practically over. However, as stimulated by various propogandas, they grew interested towards the voting day, and the voting rate showed 71%. After all, the voting interest was rather low as compared with that for M.P. and Members of Local Assemblies.

- (B) Publicity given the election:

In order to raise voting interest, demonstration was made twice each through newspapers and radio. Youngmen's oratorical meetings for the purpose were held at Tokuyama city and Okaeda-mura, Toyora-gun.

(C) Prominent campaign issues:

Nothing of the kind appeared.

(D) Significant political strategy:

Due to low voting interest, no significant activities of kind was discernible.

(e) Any serious violation of election laws:

The answer for this item, being coincidental with the Par. 7a (2) of the foregoing Directive shall be omitted.

--- --- --- --- --- --- ---

We may take the liberty to add a few remarks for your reference as under:

- (A) Most of the successful candidates are more or less rightist's colour and leftists are conspicuous by their minority. The B class voters were remarkable in their voting interest.
- (B) The official expenditures for the election are to be borne by the national budget. But its allocation for this prefecture on account of the Agr. Land Commissions Election Both local and prefectural amounts only to ¥2,549,654.00 which is far from covering the necessary expenses. It goes without saying that the election at issue was effected largely at the expenses of local administrative organizations, which is quite unreasonable.
- (C) It is for the first time in the history of election that the two independent offices took charge of the election management and publicity separately. But the division of these functions is easy to go incidentally against the smooth operation of each function. We are going to point out the drawback for the reconsideration of the Agr. and Forestry Ministry.

Yours faithfully,

1 Encl

g. Comments:

Voting interest was very high in this Prefecture as indicated by the high percentage of voting. This is the highest vote ever polled in this Prefecture. Voting increased from 76% in the last Diet election to 85.1% in this election. Of interest is the large number of women that voted, indicating that women in this Prefecture are taking an interest in public affairs.

It is believed that pre election surveillance by different sections of the Civil Affairs Team aided in creating interest in the election. Media used included: newspapers; radio; public address systems on the streets, in the theatres, and railway stations; sound trucks; city and town bulletins; theatre slides; pamphlets and leaflets; and personal visits to towns and villages by Civil Affairs personnel.

There were no major political campaign issues by any of the candidates backed by political parties.

h. There were no serious violations of the election laws. One or two minor violations occurred.
