MRS. HAZZARD'S LECTURE

After several weeks' absence on government business, Mrs. Jessica Hazzard will return to Glendale this week Tuesday to renew her food demonstrations. The lecture will be given as usual in the Council Room of the City Hall on Broadway tomorrow morning from 10 to 12 o'clock. Every woman in Glendale is urged to attend these very instructive sessions for which no charge is made.

AVENUES AND STREETS

DR. DUNCAN MAKES SUGGESTION FOR STREET NUMBERING SYSTEM

To the Evening News: Call all streets extending north and south in Greater Glendale avenues, and all others streets. The exceptions should be established boulevards and short parallels, the latter to be named places after the preceding street or avenue. This method would eliminate over twenty avenues and drives mostly advertising inheritances.

With numbers starting east and west from Brand and north and south from Colorado, or Broadway but for its fatal jog at Central, the inquirer could be easily directed, for all avenues run north and south and streets generally east and west.

This is not a new scheme, for Birmingham, St. Paul, Duluth and many other smaller cities are laid out this way, beside much of Detroit, Denver, Brooklyn, some of Los Angeles and most of New York City.

A. M. DUNCAN.

BURBANK VACANCY

CIVIL SERVICE EXAMINATION MARCH 23D TO SELECT RURAL CARRIER FOR THAT DISTRICT

A government examination in connection with a postoffice appointment which should be of interest to Glendale people is the Civil Service Examination for the County of Los Angeles, which will be held simultaneously at Los Angeles, Santa Monica, Long Beach and Ontario, March 23d, to secure a rural mail carrier for Burbank, California, our neighbor next adjoining, and to provide a list of eligibles to fill other vacancies which may occur. The salaries of such positions range from \$1500 to \$1800.

The examination will be open only to male citizens who are actually domiciled in the territory supplied with mail by a postoffice in the county and who meet the other requirements set forth in forms 2121 and 1977. Form 2121 may be seen posted at any postoffice in the county, and form 1977 and application blanks may be obtained from the offices at which the vacancy exists and where the examination is to be held.

The appointee to this position will be required to furnish, maintain and operate a modern motor vehicle with a carrying capacity of not less than 800 pounds and a cubic capacity of not less than eighty feet. Applicants must file with their applications a statement of the equipment they will be able to provide in the event of appointment. Applications should be forwarded to the commission at Washington, D. C., at the earliest practicable date.

ENTERTAIN PHOEBE HEARST

Mr. and Mrs. John H. Braly of 205 North Brand boulevard, had the pleasure Saturday of entertaining Mrs. Phoebe Hearst, who has been spending a month in Pasadena, where she took a house and received her little grandsons, who have been through a siege of whooping cough and were sent by their father, William Randolph Hearst, from New York to Southern California to recuperate. The youngsters are so far recovered that Mrs. Hearst is taking them to her own home at Hacienda today. Before leaving this part of the state she wanted to have a visit with Mr. Braly, whom she has known all her life, as his parents and her parents came from the same place. With her were Mesdames Clark and Sanford, also old friends of Mr. Braly. They were not so well acquainted with Mrs. Braly, but she was as delighted to meet them as her husband and pronounces them all charming women. The boys are fine, sturdy little fellows and will be with their grandmother for several months.

In telling of the visit, Mrs. Braly took occasion to declare that Mrs. Hearst is not at all pro-German. She and the other ladies busied themselves with knitting while visiting. Mrs. Hearst has knitted a number of pairs of socks and has donated several thousands of dollars worth of yarn to the Red Cross, in which she is greatly interested. She is a native of Missouri and is of English descent. Her husband was a native Californian.

ELISABETH IRENE SAWYER

A delightful recital was given at the home of Elisabeth Sawyer, pupil of Alma L. Gibbs, Saturday afternoon. Little Elisabeth, seven and one-half years old, proved a credit to her teacher. She showed unusual talent and diligent study in her rendition of several difficult numbers. Her ability in grasping the first steps in harmony was quite apparent when she answered many difficult questions asked by her teacher in this study.

Mrs. W. C. Bradley assisted Mrs. Edna Sawyer, mother of Elisabeth, in serving the ladies present with an elaborate luncheon after the program, and every one passed a delightful afternoon. Following is the program as given:

- a Studies, selected..... Czerny
- b Studies, Op. 340..... Parlow
- c Minuetto in G..... Beethoven
- a Voice of Spring..... Bert Anthony
- b Minuet..... Mozart
- c Humoresque..... Dvorak

PHILANTHROPIC SECTION

The Philanthropic section of the Tuesday Afternoon club will meet Wednesday, March 6th, at the home of Mrs. R. M. Brown, 116 N. Kenwood street. Mrs. G. B. Woodberry will assist Mrs. Brown as hostess. The ladies have three comforters ready to tie and those who can not find a place at this work will busy themselves piecing others.

PEACE TREATY SIGNED

OFFICIAL STATEMENT FROM BERLIN REPORTS NEGOTIATIONS CONCLUDED SUNDAY AFTERNOON

(Special Service to Glendale Evening News)
BASLE, Switzerland, March 4.—Peace between Germany and Russia was signed at 5 o'clock Sunday afternoon according to official statements from Berlin received here today.

RUSSIANS MAY CONTINUE FIGHTING

BREST-LITOVSK TREATY SIGNED SUNDAY ALREADY REGARDED AS ONLY SCRAP OF PAPER

(By Joseph Shaplen—Copyrighted by United Press)
PETROGRAD, March 4.—The peace treaty signed with Germany at Brest-Litovsk Sunday afternoon is now regarded as only a scrap of paper. The highest enthusiasm for continuing the fighting is prevalent throughout Petrograd. At Petrograd the Pan-Executive council has called an extraordinary conference of soldiers, peasants and Cossacks to be held in Moscow, March 21, to decide whether to accept or reject peace. The result of the German advance may be that the conference will decide to tear up the treaty and declare a "holy war." The movement to unite all democratic parties to fight in defense to the last is growing here.

BLOW UP SIBERIAN R. R. BRIDGES

RUSSIANS MAY BE ANTICIPATING JAPANESE INTERVENTION IN SIBERIA, OBSERVERS BELIEVE

(Special Service to Glendale Evening News)
WASHINGTON, March 4.—Russia is blowing up bridges on the Siberian railroad at Chita according to rumors forwarded to the State Department today. While the State Department sought to discount the importance of this news, observers here deemed it significant as meaning that Russia anticipates proposed Japanese intervention in Siberia. The department claims that no decision has been reached in the question of Japanese intervention.

U. S. BUILDS ORDNANCE BASE IN FRANCE

WAR DEPARTMENT ANNOUNCES CONSTRUCTION OF STOREHOUSES AND SHOPS AT COST OF \$25,000,000

(Special Service to Glendale Evening News)
WASHINGTON, March 4.—An ordnance base costing \$25,000,000 is under construction in France and is well under way, the war department announced today. This includes twenty large storehouses, 12 shop buildings, 100 smaller shops and magazine, machinery and tool equipment costing \$5,000,000.

TEXAS RATIFIES PROHIBITION MEASURE

SENATE PASSED RESOLUTION TODAY 15 TO 7 ENDORSING FEDERAL CONSTITUTIONAL AMENDMENT

(Special Service to Glendale Evening News)
AUSTIN, Texas, March 4.—The Texas House of Representatives' resolution ratifying the National Prohibition Amendment passed finally in the Senate today by a vote of 15 to 7.

CALL FOR 10,000 MECHANICS

WAR DEPARTMENT WANTS SKILLED WORKMEN FOR AVIATION GROUNDWORK OVERSEAS

(Special Service to Glendale Evening News)
WASHINGTON, March 4.—The war department has issued a call for 10,000 skilled mechanics for ground aviation work overseas today. About 98 per cent of these must be highly skilled. Transfer to the aviation service may be made by applying to the local exemption boards or at recruiting stations.

Is your Evening News a little late in being delivered to you this afternoon? No fault of ours--the Edison Company is to blame. Power off for more than two hours. Very embarrassing indeed.

FIREARMS LAW

DEALERS MUST REGISTER ALL SALES OF FIREARMS AND FILE RECORD WITH POLICE

Chief Herald has received a copy of the Firearm Law which became effective July 17th, and which is regarded as a very good and important piece of State legislation. Mr. Herald thinks it will be a great aid to the police in discouraging lawlessness and in helping them to maintain order in municipalities like Glendale, also in tracing offenders against law.

The portion in which he is chiefly interested and to which he wishes publicity to be given in this city relates to the regulation of purchases of fire arms, and reads as follows:

Sec. 7. Every person in the business of selling, leasing or otherwise transferring a pistol, revolver or other firearms, of a size capable of being concealed upon the person, whether such seller, leasor or transferrer is a retail dealer, pawnbroker or otherwise, except as hereinafter provided, shall keep a register in which shall be entered the time of sale, the date of sale, the name of the salesman making the sale, the place where sold, the make, model, manufacturers' number, caliber or other marks of identification on such pistol, revolver or firearm. Such register shall be prepared by and obtained from the state printer and shall be furnished by the state printer to said dealers on application at a cost of three dollars per one hundred leaves in duplicate, and shall be in the forms hereinafter provided. The purchaser of any firearms, capable of being concealed upon the person shall sign, and the dealer shall require him to sign his name and affix his address to said register in duplicate, and the salesman shall affix his signature in duplicate as a witness to the signatures of the purchaser. Any person signing a fictitious name or address is guilty of a misdemeanor. The duplicate sheet of such register shall on the evening of the date of sale, be placed in the mail, postage prepaid, and properly addressed to the board of police commissioners, chief of police, city marshal, town marshal or other head of the police department of the city, city and county, town or other municipal corporation wherein the sale was made; provided, that where the sale is made in a district where there is no municipal police department, said duplicate sheet shall be mailed to the county clerk of the county wherein the sale is made. A violation of any of the provisions of this section by any person engaged in the business of selling, leasing or otherwise transferring such firearms is a misdemeanor. This section shall not apply to wholesale dealers in their business intercourse with retail dealers, nor to wholesale or retail dealers in the regular or ordinary transportation of unloaded firearms as merchandise by mail, or other mode of shipment, to points outside of the city, city and county, town or municipal corporation wherein they are stipulated.

P. E. O. MEETING

The regular monthly business meeting of Chapter B. A., P. E. O., was held Friday morning at the home of Mrs. Claude Case, 105 South Maryland.

The business of most importance was the election of officers, which resulted as follows:

President, Mrs. Kate Parker, Vice-President, Mrs. Madeline Kelley.

Recording Secretary, Mrs. Nellie Case.

Corresponding Secretary, Mrs. Halie Stamps.

Treasurer, Miss Eva Cunningham.

Chaplain, Mrs. Laura Kille.

Guard, Edith Arnold.

Journalist, Jean Wilde.

Pianist, Mabel Parker.

The meeting was most enjoyable, the majority of members being present.

A vote of thanks was extended to the retiring president, Mrs. Elsie Weaver, for her faithful and devoted work during the past year.

The meeting closed with a roll call of current events.

CLASS BANQUET

Some time last year the men's and women's classes of the Christian Bible School entered into a membership contest, the losers to banquet the winners. The women won, so on Thursday evening, February 28, the banquet was served. There were 63 present and all seemed to heartily enjoy the feast. Elder Bruce Brown of South Park church, Los Angeles, was the speaker of the evening and his address, on the world task of the church in view of the present awful war, was most timely and interesting.

FLAGS OF THE ALLIES

INTERMEDIATE SCHOOL PUPILS PRESENT GROUP OF FLAGS TO THE SCHOOL

At the Intermediate School it has been the custom of the A 8 history classes to make some flag and present it to the school.

Last fall Section Two had the honor of making a service flag on which were three stars representing three teachers who are now in the U. S. service: Norman Whytock, at Camp Wadsworth, Spartansburg, S. C., Raymond Swain, at Camp Kearny, San Diego, and Edwin Sadler, with the Rainbow Division Engineers in France. Section One made the French "tricolor" and presented it on the occasion of the visit of Burt Richardson, who had just returned from service in the French army. This flag of France hangs in the auditorium, together with a handsome British flag, the gift of this winter's graduating class.

And now the pupils of Section Three have presented a group of flags, twenty in all, representing the Allied nations. They are arranged in a half circle with our own "Stars and Stripes" in the center. They are held in place in a wooden base designed by Owen Wright, and he was assisted in the making of it by John Richardson and Edward Thompson.

Earl Van Dyke, Stanley Niblack and Glenn Briggs gilded the flag sticks and fastened the flags thereon.

The class were very enthusiastic in the making of the flags and strict secrecy was kept until all were finished. Last Wednesday, at the assembly hour, the presentation speech was made by Howard Ralston and the group uncovered by Waldo Yard and Wilfrid Cline.

These flags of the nineteen Allies of the United States were made by the following pupils under the direction of Miss Clara Midcalf, their history teacher:

Belgium—Lucile Nelson, Dorothy Cotton.

Brazil—George Roach, Earnest Reed.

China—Merton Noyes, Joseph Psenner, Lloyd Van Epps.

Cuba—Minnie Kinser, Louise Smart.

France—Mary Young, Phyllis Straight.

Great Britain—Vera Watkins, Marion Springer, Kathleen Taylor.

Greece—Phyllis Straight, Mary Young.

Italy—Elizabeth Sternberg, Marjorie Yarick, Dale Woods.

Japan—Mildred Meeker.

Liberia—Mary Young, Phyllis Straight.

Montenegro—Lois Stubbs, Eleanor Sawyer.

Panama—Maynard Toll, Horace McRae.

Portugal—Benjamin Riskin.

Roumania—Helen Thompson.

Russia—Richard Taggart, Louis Fitzgerald.

San Marino—Louise Smart, Minnie Kinser.

Serbia—Julia Robinson.

Siam—Dorothy Huskins, Avis Thompson, Emily Verdugo, Gladys Sparr.

Uruguay—Hazel Walters, Marion Springer, Kathleen Taylor.

NEW TERRITORY

VALLEY VIEW TRACT AND KENNETH DISTRICT SEEK ANNEXATION

The public has not a very good idea of the two tracts which are seeking annexation to Glendale, one the Valley View Tract, the other the "Kenneth District." The present city limits are about 150 feet west of Pacific avenue. This Valley View Tract runs west to the San Fernando road, its northern boundary running between Broadway and Fifth street. The other section for which annexation petitions are circulating is in the northwest, adjoining the Grand View District recently annexed. This land is the property of Dr. Black, Dan Campbell and several other large land owners of that neighborhood, but does not represent many voters.

Next week a petition will probably be filed for the Arden avenue district, taking in the territory between the present northern city limits and running south of the wash and west of Brand boulevard, including Arden avenue. It is not a large territory, but there are probably 150 voters in it.

DORAN STREET P.-T. A.

The Doran Street Parent-Teacher association will meet Wednesday afternoon at 2 o'clock at the school. The program will consist of patriotic songs and exercises by the children.

Personals

Dr. and Mrs. Henry R. Harrower have returned from a week-end visit in Riverside with old friends.

William Cronin, of 1501 Milford street, employed at Desmond's Military Store in San Diego, spent Sunday at home with his parents.

Mr. and Mrs. Charles Carr and two daughters, Clara Barbara and Phyllis, of Azusa, were guests Sunday of Mr. and Mrs. Collins, 118 S. Kenwood street.

Mrs. J. A. Grant and children, of Blanche avenue, and Mrs. E. L. Earley, also of Blanche avenue, spent Saturday in Burbank as guests of Mrs. E. L. Watson of that city.

The front of the business buildings occupied by the Glendale Pharmacy, the Shaver Grocery, the Broadway Shoe Shop, and the Glendale Market, have been brightened up by receiving a coat of white paint from the brush of Page, the painter.

Mrs. Edgar W. Pack of 430 S. Adams entertained over the week-end Miss Edina Newby, art instructor, and Miss Isabel Vaughn, teacher of pipe organ in the Van Nuys high school. On Sunday Mr. and Mrs. C. H. Hubbard of Beechwood Drive, Hollywood, were guests of Mrs. Pack.

Mr. and Mrs. C. F. Archer of 621 West Seventh street are enjoying a visit from Mr. Archer's brother, Thomas C. Archer, and wife, of Sioux Falls, South Dakota. This is their first visit to California and they are enjoying the motor trips to the mountains and beaches and other points of interest.

The active members of the Philanthropic Sewing club met for their regular monthly meeting at the home of Mrs. Harry Bullinger, 237 S. Central avenue, on Friday, March 1st. The appetizing luncheon served by the hostess was enjoyed by all. The afternoon was spent in sewing, six members being present, including the hostess.

Mrs. Fred S. Curtis, wife of Captain Fred S. Curtis, has come with her two little sons, Donald and Roger, from Cleveland, Ohio, to visit for a time in California. They expect to stay on this coast until Captain Curtis comes back from France. They are the guests of Mrs. B. H. Nichols of 223 Adams street, who is a sister of Captain Curtis.

Mrs. Chas. W. Kirk and Mrs. James Herbert Moore of Santa Barbara motored to Los Angeles last week. Mrs. Herbert spent Thursday and Friday with friends in Pasadena, while Mrs. Kirk was the guest of her mother, Mrs. John Hyde Braly, 205 N. Brand boulevard, Glendale, where she was most delightfully entertained. The two ladies left Saturday morning for Santa Barbara and write that they had a most enjoyable trip.

The Bentley-Schoeneman Lumber Company is doing some landscape gardening with the parkway abutting on its yard, now enclosed with an artistic wall. It proposes to make a beauty spot with grass and flowers. It would be a fine thing if the City Forester and the property owners would get busy and do away with the weed plantations in all our parkways. If thrift demands that they shall be put to utilitarian uses, they could be sown to flax, which is beautiful, or to peanuts, which make a lovely ground cover.

Mr. and Mrs. A. A. Barton, of 330 North Howard street, entertained Sunday Mr. and Mrs. H. L. Miller, old friends from Rochester, New York, with an all-day auto trip to Riverside, Highlands and vicinity. It was a delightful ride as the air was balmy, the country beautiful after the heavy rains which washed the orange groves and which have stimulated the flowering of the deciduous orchards and the acacia trees, which are in full bloom. The Millers were the more delighted as they had but just come from Rochester, where an unusually severe winter had been attended by more than ordinary discomfort because of the shortage of coal. They will be in Los Angeles for about a month.

WEATHER FORECAST

Unsettled tonight and Tuesday. Probably showers. Southwesterly winds.

LUCKY THIRTEEN

The Lucky Thirteen met at the home of Miss May Church Saturday evening. Mrs. J. A. McKelvie had expected to be the hostess, but a slight indisposition prevented her from making the necessary preparations, and Miss Church substituted for her. Most of the members were present and Miss Gladys Anderson took occasion to announce her engagement to Frederick Humphrey and prospective marriage Monday, March 11th, at her home, 201 S. Orange street.

Orange and black, the club colors, were carried out in decorations and menu, a very pretty feature being the orange pennants cleverly disposed and bearing the number 13 in black. Marigolds furnished the floral decoration and in the menu the same idea was carried out by serving the salad in orange baskets with black ribbon handles. It was a hard times party and the refreshments were simple. Just preceding the serving, nuts were passed, one to each guest, which were discovered to contain slips announcing the engagement of the honoree of the evening, Miss Anderson. Guests amused themselves with dancing and with an art contest in which they drew portraits of each other. Miss Vera McPherson capturing the first prize, the booby trophy going to Miss Irwin, a guest of one of the members.

The hostess was assisted in receiving by her father and mother and by her sister, Miss Elsie Church. The latter part of the evening Mr. McKelvie joined the party.

SUCCESSFUL RECITAL

Last Saturday evening, March 2, at 8 o'clock, the pupils, with their parents and friends, gathered at the home of their piano teacher, Miss Ruth Wilson, of 326 South Louise street, to play in their first recital, which was certainly a success. The children demonstrated the fact that they worked diligently and were faithful in their practice by their playing.

Miss Wilson was assisted by Wilhelmina Fuller, a young violinist, accompanied by her sister, Miss Fuller, at the piano. These young ladies played their number in a very charming and artistic manner.

Mrs. A. D. Carter, vice-president of the Los Angeles Conservatory, of which Miss Wilson is a member, gave a short talk on "The Importance of a Firm and Correct Training for Beginners."

Light refreshments were served and a short social time ensued at the end of the program, which included the following numbers:

Grandfather's Song (Duet, Anon.)—Esther Ferguson.
 First Waltz (Mathews)—Muriel Billington.
 Bed Time (Orth)—Dorothy Houston.
 Folk Song (Sherwood)—Esther Ferguson.
 The Bells (Mathews)—Muriel Billington.
 On the Sea (Barcarolle) (Otto Hackh)—Lina Borthick.
 Morning Prayer (Streabogg)—Jessie Eachus.
 Concerto No. 9 (Ch. de Beriot)—Allegro, Adagio—Wilhelmina Fuller and Miss Fuller, accompanist.
 Moorish Dance (Carl Kerns)—Dorothy Van Osdoll.
 Romance (Streabogg)—Janet Stafford.
 Gavotte (duet) (Low)—Lina Borthick.
 On the Lawn (Greenwald)—Jessie Eachus.
 Farewell to the Piano (Beethoven)—Dorothy Van Osdoll.
 Martha (Selected, Arr. by Krug.)—Janet Stafford.
 Rondo in C, Op. 51, No. 1 (L. von Beethoven)—Ruth Wilson.

MY SMALL NEPHEW

Auntie, buy me a violet tune,
 (Meaning a violin).
 Get me a train that runs by itself,
 Not made out of tin.
 Play with me lots tomorrow day
 Like you did yestertime.
 (Auntie, a flea-bite bit me here)
 And give me another dime.

If I go high up on my kite
 And break the clouds in two,
 Could I see in Heaven then,
 And what would Jesus do?
 What do kitties look like inside?
 Where does the purr come from?
 Have they eaten a violet tune
 Auntie, do kitties chew gum?

My mama went to San Berdo,
 Went right in the rain,
 I wrote her a letter and told her sure
 Not to forget the train.
 'Cause she promised to bring me cars
 and track
 When she comes tomorrow day,
 And ain't I a good boy, Auntie dear?
 Now, won't you come and play?

If I had a million dollars,
 I would buy the ocean boat,
 And sail my ship clear to the war
 And get the Kaiser's goat!

YE COLONIAL DINNER

The Ladies' Aid and the choir of the First Methodist church will give a Colonial dinner in the banquet room of the church Tuesday evening at 6:30. This banquet was planned for Washington's birthday, but was postponed on account of inclement weather. Plates are being reserved at 35 cents. The "Symphony" orchestra has been engaged to furnish the entertainment.

GLENDALE SHOOTERS QUALIFIED MARKSMEN

W. E. Palmer, Secretary and Rangekeeper of the Club, is enthusiastic over some reports received from Washington recently on the lifting of the embargo on rifles and ammunition which had previously been issued to affiliated clubs. The Government does everything in its power to encourage target practice, selling guns and ammunition to chartered gun clubs at about one-fifth of their cost. \$2.00 a year is the very modest membership fee to the club, so that local men who care for rifle shooting at a minimum expense would do well to inquire into the proposition.

The California State Range where the shoots are being held is considered one of the most modern and best ranges in the State. From 50 to 600 yards rifle range equipped with telephone system. Also from 15 to 50 yd. pistol range and two expert traps for the clay birds trap shooting.

P. E. O. MEETING

Chapter A. H. of the P. E. O. met at the home of Mrs. J. Herbert Smith, 114 South Brand boulevard, Friday, March 1st.

The hostess was assisted by Mrs. Hal Davenport and Mrs. Joseph Webster. Mrs. E. F. Tholen being unable to attend, Mrs. William C. Watles kindly filled her place.

Luncheon was served at 12:30 o'clock, followed by a business meeting called to order by the president, Mrs. John A. Logan. The program was in charge of Mrs. John Hobbs and Mrs. C. R. Carmack.

Mrs. Patience Beatty, who was the speaker and who talked on parliamentary law, also sang several delightful numbers.

Guests were Mrs. Mary Garvin, State President, Mrs. Patience Beatty, Supreme Recording Secretary, Mrs. Dessa Fultz, Mrs. John G. Hunchberger, and Mrs. Delos H. Smith. Daffodils used in decoration suggested the note of spring.

HORSESHOE CLUB NOTES

Last Saturday Captain Head of the home club and ten players, with a goodly number of rooters, went via the automobile route to the city of roses on our east and played a match of 50 games with the Pasadena club. The home club did not present their usual lineup in a contest game, but won just the same.

There was no sensational playing done by either club or individual, just a good, interesting contest, and was really closer than the number of games won or lost would indicate. The points won and ringers made by each side show how close the game actually was.

Glendale, while winning 30 out of the 50 games, was only 45 points and one ringer in the lead of Pasadena. Luck (if there is such an animal) broke to the home club just at the right time. The game in detail and lineup was as follows:

Team	Glendale	Pasadena
Team One	6	169
Team Two	7	184
Team Three	10	215
Team Four	3	129
Team Five	4	157

INSTRUCTIONS FROM HEAD-QUARTERS

All Red Cross organizations have been advised from headquarters that Red Cross Chapters should not take any part whatever in any money-raising campaign for the benefit of other organizations. The National organization does not desire to discourage any organization from raising funds for relief purposes, but thinks it vitally important that all Red Cross Chapters, as such, should use their time and energy for the raising of Red Cross funds. A War Fund Drive for the Red Cross will occur in the very near future.

The National organization holds that participation in money-raising campaigns, where the money is not handled and spent by the Red Cross, however worthy the cause may be, would be an improper use of Red Cross machinery.

RED CROSS FRENCH CLASSES

In response to repeated requests, Mrs. Nanno Woods will resume her courses of French lessons on behalf of the Glendale Red Cross. A class for adults will be held every Monday afternoon at 2 o'clock, at the Red Cross headquarters, and a class for children will be held the same afternoon each week beginning at 3:30 o'clock. Adult fees will be 25 cents per lesson, 10 lessons to be paid for in advance; children's class, 15 cents per lesson, 10 lessons to be paid for in advance. All moneys to be paid to the secretary, Mrs. Blackburn.

Should there be sufficient applications for an evening class for men and women, such a course will be gladly arranged. These classes will begin next Monday, March 11. Please make all inquiries this week and hand in names and fees to Mrs. Blackburn, so that classes may begin with a good attendance.

Mrs. Woods teaches French in a novel and attractive manner. She has accumulated much up-to-date material, which she presents in a simple and understandable way. Dainty French songs, games, etc., assist greatly to interest her pupils, young and old. No money need be spent on grammar or text books, but pupils are requested to bring pencils and note-books, and to use them.

BOYS AND GIRLS CLUBS RAISE VALUABLE CROPS

WASHINGTON, Mar. 4.—Three hundred thousand members of the Boys and Girls Agriculture Clubs in 32 northern states produced a crop to the total value of \$3,000,000 last year, according to the Department of Agriculture.

This organized army of boy and girl farmers cleared a net profit of one and a half million dollars during the year.

In Utah the 35,000 members raised a crop totalling nearly a million dollars, also raising over a million pounds of pork as the yearly production, with a net profit of \$85,000. With a vast increase in membership, these clubs are expected to be of great help in the production of this year's crop. The Department of Agriculture at present is encouraging the organization of pig clubs and is enlisting the service of banking houses to finance pig raising projects.

With an investment of \$15 a member of a Utah pig club made a profit of \$105 from his sow in ten months. Since the organization of a pig project in one county in Utah during January, 1917, a net profit of \$9100 was realized by the young financiers. About 90 boys and girls were incorporated in the pig business. Within a short time each pig increased in value to the extent of \$25.

MEN AT ALL CAMPS RECEIVE INSTRUCTION IN GAS DEFENSE

At each cantonment in the United States a school has been established where every officer and man receives instruction in gas defense. The American gas mask, similar to the British, is as mechanically perfect as the best experts have been able to produce. The face piece, with glass or celluloid eyepieces, is connected by a flexible tube with a canister carried in a knapsack. The incoming breath comes through the canister, which is filled with several layers of chemicals which neutralize or render harmless the gas-laden air. Outgoing breath passes outside the face piece through a small valve.

The student in gas defense soon learns to get his mask on in a hurry, six seconds being the standard time when the knapsack containing the mask is hanging at his chest in the "alert" position. After intensive training a gas attack is arranged. The class is put in trenches, and without warning, clouds of smoke and chlorine are liberated by the instructors, masks are hurriedly put on, alarms sounded, and sleeping men in dugouts aroused. When the attack ceases the trenches are cleared of gas, the air is tested, and permission is given to remove masks.

The Government is today the greatest employer of labor in the United States, not considering railroad employees. In normal times approximately 400,000 civilians are employed, and in the last year the number has increased to 600,000. In comparison one steel corporation employs 300,000 men, and one railroad 250,000.

Divisional athletic directors who have received commissions will accompany their contingents to France, according to the War Department Commission on Training Camp Activities. Boxing instructors will not be sent with the troops, as at present the need for these men is considered greater on this side.

responds to a blind, unthinkable instinct, but man, proud man, who looks before and after, is able to realize and take pleasure in the pain he deliberately, and by subtle means maybe, sets out to cause. It is clearly absurd to speak of his conduct as brutal. Rather should we call it devilish, the devil usually being credited with a goodly share of intelligence. We must cease to libel the brutes by designating the basest acts of man as brutal. As a matter of fact, they cannot be charged with nonmoral conduct, seeing that they are devoid of self-consciousness.—Harry Campbell in the *Lancet*.

AMERICAN INDIANS TO FIGHT FOR DEMOCRACY

WASHINGTON, Mar. 4.—Wearing the uniforms of khaki and blue, many thousands of bronze-faced American Indian fighters will for the first time in the history of the race engage in modern European warfare side by side with their American "pale-faced" neighbors.

Government reports show that a large number of Indians, in keeping with their tribal fighting traditions, have enlisted in the American forces since the declaration of war.

Perfect specimens of physical health and trained in the art of modern warfare, the Indian lads, many of whom are descendants of famous chieftains, are the idols of the military camps.

Over 85 per cent of the Indian soldiers, according to government reports, are volunteers, and many of the Indian drafted men have been found to be non-citizens, but have been too proud to claim exemptions on this ground.

Up to date American Indians have purchased almost \$8,000,000 of the first and second issues of the Liberty Loan Bonds.

Officers' commissions have been granted to qualified Indians, while many of their race are engaged in Red Cross work.

GOATS DOING THEIR BIT

A thousand head of goats have been hired by the Forest Service to clear the brush from the fire-breaks in the Angeles National Forest, according to the Acting District Forester. The goats were shipped to the slaughter houses in Los Angeles and were destined to be sold in the butcher shops. The butchers, however, refused to accept them, whereupon the owner rented them to the Forest Service for \$20.00 a month to keep the fire-breaks clean.

The fire-breaks are trails 50 feet wide and about 35 miles in length, along the ridges in the San Bernardino Mountains. They were built for the purpose of preventing the spread of forest fires and, in order to be effective, they must be kept clear of all inflammable litter. To keep them clean has cost the Government in labor as much as \$5000 a year. The goats will do it for \$20.00 a month, and thrive on the feed besides.

SAVAGE GENERAL MANAGER APPOINTED

Mr. Raymond V. Morris was appointed General Manager of the Savage Tire Company and the Savage Tire Corporation at the annual meeting of the Directors of these companies, which was held recently in San Diego. As the title assigned to Mr. Morris indicates, he is to have complete charge of all of the activities of the Savage Companies.

Mr. Morris is nationally known through his former connection with the Curtiss Aeroplane Company. He possesses in a marked degree the ability and energy necessary for the successful performance of the high duties of his new office.

officers of all other encampments or organizations to which Red Cross representatives may be assigned in accordance with this order are authorized to furnish to the American Red Cross anything that they may request within reason, such as warehouses, offices, light, heat, telephone, etc., in order to enable them to properly carry on the work for which they are assigned.

By order of the Secretary of War:
 JOHN BIDDLE,
 Major General, Acting Chief of Staff.
 Official:

H. P. McCAIN,
 The Adjutant General.

GERMAN LIBERAL'S VIEW

Our adversaries are unshakably resolved not to allow the war to terminate until an international organization shall be assured which will render a second world war impossible. Either this organization will be established with Germany, or it will be established without her and against her. If we isolate ourselves anew, the Prussian minister of war will be required to elaborate, from a financial and military point of view, a plan of armament against the entire world, and to make that plan plausible to the German people.

But a continuation of armaments is already rendered impossible by the insurmountable difficulties which will be encountered if, after the war, there are no certain guaranties offering calculable perspectives to the spirit of the enterprise. In short, all the best reasons urge upon our fantastic annexations that they must hold their tongues unless they wish the German people are willing to have forced upon them an isolation which might, after the war, have the most catastrophic results.

Unless the world markets are reopened to our national labor after this war, we cannot recover and acquit ourselves of our gigantic debt—we, whose population has lived for centuries upon our exports; and this connection with the economic life of the world cannot be obtained by frightfulness; far rather each of the so-called guaranties which our annexationists are making such a hue and cry about, as well as all propositions of violent measures, can only provoke, on the opposite side, a corresponding policy of boycott.

Nothing remains for us but to direct our thoughts henceforth and unreservedly toward the idea of the union of peoples, and consequently to talk of and to seek, in a pacific and judicial organization of the civilized world, the surest true guaranties for the vital development of our people.—Prof. Foerster, in *Munich Post*.

CRUELTY HUMAN ATTRIBUTE

A cruel person is one who exults in the pain, mental or bodily, suffered by another. Cruelty has its basis in anger (and is thus related to the combative instinct) though there is a cold-blooded form of cruelty which may be enjoyed without any obtrusive feeling of anger.

Cruelty, implying as it does self-consciousness—the ability to realize the feelings of others—is essentially a human attribute. Children who impale frogs and eviscerate flies cannot be said to be cruel, for they know not what they do. Nor are the lower animals cruel, seeing that they are wholly unconscious of the sufferings of others. Therefore the charge of cruelty against the carnivora is unjust. These animals generally destroy their victims outright and in rare cases (e. g., cat and mouse) where they prolong the suffering they have no knowledge of the pain they are causing. When, therefore, we stigmatize the conduct of the cruel man as "brutal," we wrong the brutes.

The animal which attacks another, and in so doing causes pain, merely

FUNCTIONS OF THE RED CROSS

The functions of the Red Cross have been thus defined by the War Department:

1. To distribute sweaters, mufflers, helmets, socks, comfort kits, etc., and to receive the assistance and cooperation of all officers in making the distribution fair, equal, and where most needed.

2. To render emergency relief of every kind upon the request or suggestion of an officer in charge. All officers are instructed to avail themselves of this assistance whenever, in their opinion, advisable. Officers should be none the less diligent in attempting to foresee the needs of their department in order that they may be supplied through regular Government channels. All such requests must be approved by the commanding officer, who will cause a record to be kept of all such articles.

3. To relieve the anxiety and to sustain the morale of soldiers who are worried about their families at home and to promote the comfort and well-being of these families, authority is given to the American Red Cross to place one or more representatives of the home service bureau of the department of civilian relief at the service of the men of each division of the Army wherever located. The soldiers should be informed through official orders of the presence of such representative or representatives and that the Red Cross is able and willing to serve both soldiers and their families when in need of any helpful service. This representative and his assistants will be accredited to the division commander and will be subject to his authority and to military laws and regulations. This representative of the Red Cross will have the status of an officer in the Army and will be provided quarters when available. Such assistants and clerks as may be necessary will be provided by the American Red Cross and must be males. These assistants and clerks, if any, will have the status of non-commissioned officers. All reports and correspondence of this officer will be subject to censorship of the commanding officer.

4. To conduct canteen service stations for furnishing refreshments to soldiers when traveling through the country, to furnish emergency relief to the sick and wounded when en route and to see that they are conveyed to a hospital when necessary and requested by the commanding officer. All commanders of troop trains are advised of this emergency service and are authorized to avail themselves of it whenever, in their opinion, advisable.

5. A representative of the American Red Cross may be attached to each base hospital to furnish emergency supplies when called upon, to communicate with the families of patients, to render home service to patients and such other assistance as pertains to Red Cross work. The representative of the Red Cross so assigned, together with his assistants, will be accredited to the commanding officer of the base hospital and will be subject to the same regulations as to status, privileges, assistants, and censorship as provided in preceding paragraph applying to the representatives of the Red Cross assigned to divisions.

6. In order to render the above outlined service to the best advantage the accredited chief officer representing the American Red Cross at division headquarters will be a field director.

7. Officials of the Red Cross assigned on duty with the Military Establishment, as outlined above, will be required to wear the regulation uniform of the American Red Cross, together with the insignia, etc., as approved by the Secretary of War.

8. The commanding generals of all cantonments and National Guard encampments and the commanding
