

2012 Wikimedia Fellows

What we're researching, piloting, and building to support the community

WIKIMEDIA
FOUNDATION

Fellows Program

Launched in 2010 to:

- experiment with new ideas and approaches
- support community leadership and action in critical areas
- scale & increase sustainability of the work of volunteers

WIKIMEDIA
FOUNDATION

We fund and support members of the
Wikimedia movement to
pilot, experiment, research, or build
something new

2012 Theme: Boosting Participation and Retention
