An eight-plane napalm bomb strike led by Captain MC LEAN took off from Peleliu Field at 1005. The planes joined up west of Peleliu and proceeded toward Abappaomogan Island. The formation circled to the west of the island and attacked singly the runs being from west-southwest to east-northeast; diving from 3000 feet and leveling off for the bombing run. average altitude of release was 100 feet. All eight bombe hit in the target area Square 213 H and H. Air Cargot and Cummery Hap, Palau Islands, and caused fires which burned for about ten minutes. The planes reformed northwest of the target and returned safely to base landing at 1115. No A/A was encountered or

observed and no strafing was done.
