

## STAR TENNIS MATCHES MARK THE END OF THE LOCAL TOURNAMENT

**Justice and Grugan Win Thrilling Doubles Contest, and Kirkpatrick Retains Singles Championship—Planning to Award Prizes**

The finest tennis ever witnessed in Narberth marked what was practically the close of the annual tournament of the Narberth Tennis Association last Friday and Saturday. Two of the events in the consolation finals are still to be played—the Ladies' Singles and the Mixed Doubles.

What was unquestionably the best match ever seen on the local courts, was the Final Doubles, played on Friday afternoon, and won by F. M. Justice and A. T. Grugan against W. J. Kirkpatrick and R. M. Town. It was a five set contest and there wasn't one minute during the two hours consumed that the contestants and the spectators weren't keyed up to the highest pitch of excitement. In fact, Andy Greene, admitted to "your correspondent" that if the match had lasted five minutes longer he would have been a complete nervous wreck.

**Players Win Applause.**  
If there was one particular star perhaps it was F. M. Justice, a veteran of the game, whose steadiness and persistency throughout the contest, especially in the final set, won repeated applause from the audience. Mr. Grugan's driving smashes were particularly effective, scoring point after point, and pulling his side out of several dangerous situations.

Mr. Town played a strong game throughout, especially in the early part of the match when his fast work figured largely in pulling down the first two sets after Justice and Grugan had gained big leads.

Mr. Kirkpatrick's net work was dazzling at times; in one instance he scored three points in succession by his strong, deft wrist work in turning three hard driven balls and dropping them in his opponent's court, just inside of the net where it was impossible to reach them.

But the main interest centered around the magnificent uphill fight made by Justice and Grugan. After leading the first set 5 to 2, and finally losing it at the end of a gruelling 10-8 contest, and then losing the second set by a score of 6-4 after they had gained a lead of several games, the champions-to-be pulled themselves together and won three straight sets.

Several times it seemed as though Kirkpatrick and Town would come through with the necessary point to

finish a duce game, and then drive on to victory. But in every such instance either the steady, persistent returning of the ball by Justice or a vicious smash by Grugan saved the day.

The air was grey with the approaching dusk and redolent with the aroma of frying fish when the last point was scored, but not one of the spectators had left the courts. They were there to the finish.

**Kirkpatrick Wins Singles.**  
On Saturday afternoon W. J. Kirkpatrick retained his title of Singles Champion by winning three straight sets from R. M. Town. Kirkpatrick's cross court "shooting" and his deadly accuracy in fast placing of the ball undoubtedly won the match.

In the early part of the first set and throughout the second set, it seemed at times as though Town would win and force the contest to four or five sets, and possible victory. He played a hard, fast game and caused Kirkpatrick considerable trouble by repeatedly sending fast returns directly at Kirk's feet.

**Another Hard Fought Match.**  
Immediately after the Kirkpatrick-Town contest, Alfred M. Watts and R. O. Hall won a hard fought five set match from J. G. Foote and Miller Burkhardt, which gave them the championship in the Men's Consolation Doubles. It wasn't until the last point had been scored that players or spectators felt at all certain as to which way the honors would fall.

Owen Humphreys won the Consolation Singles from Dr. E. L. Kanaga in three straight sets, on Friday afternoon.

**The Champions.**  
The championship winners with the exception of the two events that are yet to be played are as follows:

Men's Singles, W. J. Kirkpatrick.  
Men's Doubles, Justice and Grugan.  
Ladies' Singles, Mrs. A. M. Watts.  
Ladies' Doubles, Mrs. W. R. D. Hall and Miss Carrol C. Justice.  
Mixed Doubles, Miss Carrol C. Justice and Mr. F. M. Justice.

## NARBERTH DOGS IN MAIN LINE SHOW

**First Local Exhibition Attracts  
Crowd to General Wayne  
Inn Last Saturday**

A number of Narberth dogs participated in, and a number of Narberth dog lovers attended, the first local dog show last Saturday afternoon at the grounds of the General Wayne Inn. The show was held under the auspices of the Main Line Kennel Club.

Among the Narberth folks who exhibited dogs were Mrs. W. Curtis Pollock, Jr., Mrs. Clayton F. Shoemaker, Jr., Laurence Tobin, and W. F. Fiedler.

The principal entries were Airedales or Boston terriers.

The best Airedale in the show was the matron Kenwyn Virginia, which defeated such good ones as Miss Polly, reserve in females, and Black's Rowdy, the winning dog. Black's Rowdy made a wonderful showing, going from puppy to winners. The Airedale puppy General Haig, bred by James Milne, of the Kensington Kennel Club, was one of the sensations of the show. Coming six months, this puppy, by Sylvan Marvelous ex Upsal Polly, both owned by Mr. Milne, was shown for the first time and won from a class of eight under six months. He is a full brother to Miss Polly, which has five points toward her championship.

Bostons brought out a newcomer which Judge MacFarlan sent to winners. This one is Rockybrook Pride of Pride, entered by Owen Fay and well handled by Jack Wamsley. His quality can be established by the fact that he defeated Charles Arthur's The Colonel. Judge MacFarlan had a good entry—the second largest in the show. There were twenty-seven dogs shown and had all the entries shown up there would have been forty in the ring. The females, while not of as high quality as the males, brought out one that was put down in better condition than ever before, and after the judging Charles Arthur announced that Brynavia had been sold to Dean Curry, of Gladson, Ala., and would be shipped South tomorrow. The reserve winner was Gossip, owned by Toni Grossi.

Doctor Mattern, of Germantown, showed a litter of black cocker spaniels, one of the features of the show. Several months ago Doctor Mattern won Lady Mollie, one of Miss Faber's breeding, at a prize drawing. Since then he has secured the five puppies, the best of which he named General Wayne, in honor of the place where yesterday's show was held. Summaries:

## R. G. DUN & CO. WINS IN THE 11TH INNING

**Bobbie Gibson and Reed in  
Pitchers' Battle—Hits Very  
Few and Far Between Except  
in Last Inning, When Single  
and Double and an Error  
Pave Way for Victory**

In what may be termed the best game of ball ever played on the Narberth field occurred last Saturday afternoon when the R. G. Dun & Co. defeated Manager Walzer's Boroughites in an eleven inning battle. It was evident from the start that the team which would be the lucky one to get the so-called "breaks" of the game would be the victorious nine, and the breaks fell Dun's way in the eleventh inning, when with two men out, Nig Koons dropped the third strike on Catcher Fahey and allowed Fahey to reach first base safely. Ben Gilbert, the next batter, came across with a single past second base. Swartz, the next batter, who up to that time had not secured a hit, cracked out a double over Fleck's head in left field, and allowed the visitors to score the lone two runs of the game.

After one man was out in Narberth's half of the inning, Bill Simpson poled out his second hit of the day, this time a double, but the next two men could not connect safely, and left Bill stranded at second, thus ending one of the best battles of Main Line League season of 1916.

The game was a pitchers' battle between our own Bob Gibson and Reed, who heretofore has been pitching in the Delaware County League. While Reed, it might be said, had the better of the pitching argument, yet the Dun men could do very little with Gibson until the eleventh inning.

Cgllins, the first man up in the first Gilbert fled to Howes in centerfield, and was sacrificed to second by H. Barnitz, but Catcher Fahey fanned, and Gilbert fled to Howes in centerfield.

Howes, the first man up for Narberth, fled out to short, and Wallace was given a free trip to first, but Wallace was out trying to steal second, and Davis fanned.

The Dun aggregation had a man on in the second inning, but he died trying to steal second.

It was not until the third inning that Narberth was credited with a hit. In this inning Simpson singled, but a fast double play by the Barnitz brothers to Swartz, cut down what looked to be a rally.

With two out in the sixth inning, Bob Gibson doubled, but his team-

The Dun team looked dangerous in their half of the seventh inning when, with one out, Mudie was hit by a pitched ball, and R. Barnitz singled, advancing Mudie to third base. The Narberth infield all played in and

**Narberth Must Win at Wayne  
This Saturday and Defeat  
West Philadelphia to Tie Dun  
& Company—One Defeat and  
Dun & Company Are Champs  
Follow the Crowd to Wayne  
This Saturday.**

The gruelling eleven-inning battle at Narberth last Saturday, when the title holders, Narberth, bit the dust as the shades of night were falling, by the score of 2 to 0, placed the pace-making Dun & Co. tourists in first place, with a record of 21 games won and 6 lost, closing their schedule in the Main Line League. This made the Champs standing 19 lost and 6 won. The exception in the number of games played, Narberth having only played 25, is due to the fact that on June 3rd, at Wayne, the Suburbanites played the Champs to a 1-1 tie game of eleven innings, and the morning game of July 4th, when Narberth won 4 to 3 over the West Phillies, was protested, and in a league meeting the protest was honored and the victory withdrawn from the Narberth percentage; the game to be played off.

## THE COMMUNITY BIBLE CLASS

**Re-convenes for a Fall Session  
of Ten or Twelve Weeks**

Twenty-four persons met in the Y. M. C. A. Building Tuesday evening of this week, elected officers and agreed to ask the Rev. H. S. Tillis, of the Weston Memorial Baptist Church, Philadelphia, and Thompson streets, Philadelphia, to conduct a Bible Study class in a series of studies, beginning Tuesday evening, October 3, at 8 o'clock.

This news will be welcomed by those who have enjoyed the previous several sessions under the leadership of Mr. McQuilkin and Mr. Rugh.

No pledge for regular attendance is exacted, although those who once attend frequently find pleasure and profit enough to be present again, and no admission fee is charged, but those attending usually delight in helping to pay the comparatively light necessary expense. All are invited regardless of sect or sex. Those present at the initial or organization meeting thought it wise to add stability to the class by electing Mr. F. H. Glanz, president; Mr. S. W. Foster, vice-president; Miss Edna Super, secretary-treasurer; Mr. W. B. Godfrey, chorister. There will, however, be nothing formal about these meetings which are conducted first and foremost and primarily for Bible study. Do not miss the meeting of October 3 (Tuesday) in Y. M. C. A. Building.

**MAIN LINE LEAGUE  
MAY BE DEADLOCKED.**

(Continued from First Page)

West Philadelphia A. C. would play at Narberth Saturday, September 30. This was erroneous and after the officials of the league took the matter up it was rectified in the proper manner. As already stated, the Wayne tie game being on June 3rd, is the first one to play off (which is as furnished to our readers in these columns in last week's issue) and the Narberth Club will journey westward to Wayne Saturday afternoon.

The Wayne-Narberth series stands with 2 won for Wayne and 1 victory for Narberth, with the tie game of June 3rd. All indications go to show that the champions will find the Suburbanites a rather hard proposition Saturday, but they will go their best to avoid a possible defeat which would put them out of the running for the pennant and give the touring Dun & Co. the championship.

By coincidence, on both occasions when the Narberth team displaced Dun & Co. in the lead for the pennant, Wayne came along the following Saturdays and by administering defeats dropped them back to second place.

Narberth, at the present time, is playing a wonderfully fast article of ball and would give most any ball team a hard tussle, in fact the game at Narberth last Saturday versus Dun & Co., was possibly the best exhibition of the national sport that had ever been witnessed by the Main Line fans. Had the usually reliable Koons gripped that third strike on Fahey, instead of letting it slip through and then slamming him in the back in the peg to first, the game would have ended in a scoreless tie, as Narberth failed to score in their end of the eleventh inning, and it was then so dark that the umpire would have been forced to call the game.

Many of the fans questioned the batting of Ogden for Bobbie Gibson. Gibson, always a reliable and hard hitter, having hit the ball every time up and garnered a two-base knock off Reed, might have come through with another safe drive that would have scored Simpson with one run across the rubber at least.

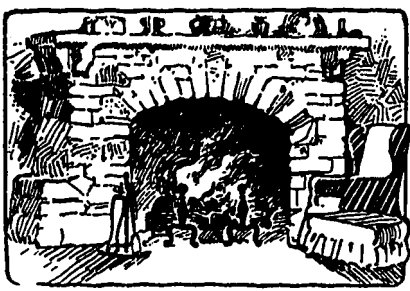

In any event Gibson twirled a creditable game and the Champs will likely have him on the mound again this Saturday at Wayne to wrestle in a duel with Cress Hallowell.

This gives every promise of being another good game and the fans can only hope for more good weather and be present to cheer on their favorites in the best of all sports, base ball.

The game will be played on the Radnor High School athletic campus, and the fans will be there in large numbers. Will you be one of them? Sure. Wouldn't miss it on a bet.

Our Boys' Department has been reorganized on a Self-Government basis, a Committee of seven boys being directly responsible for the activities. Needless to say the boys are very enthusiastic. A few minor changes will have to be made, and the Boys will have the most attractive quarters in the building.

A Wireless Club is also being formed, which will be supervised by a man who has had several years' study and experience with this interesting invention.

The expense of making the changes is estimated as follows: Remodeling, \$25; Five Tables and New Games, \$35; Cue Roque Table, remodeled, \$20; Boys' Magazines, \$10; Wireless Aerial, \$10. Total, \$100.

OF SUFFRAGISTS**

A large attendance is expected at the quarterly conference of the Woman's Suffrage Party of Montgomery county, to be held Wednesday, October 11, at Hatboro. In the absence of Mrs. J. Howard Brown, county chairman, Mrs. A. M. Snyder, of Ardmore, will preside. The morning session beginning at eleven o'clock will be devoted to business. In the afternoon Mrs. Snyder, county delegate to the National Convention held recently at Atlantic City, will give her report of the convention. Many women prominent in suffrage work will be present, and among the distinguished speakers of the afternoon will be Mrs. John O. Miller, vice-president of the Pennsylvania State

**HEALTH BOARDS TO MEET.**

Announcement was made Wednesday of plans for a meeting of representatives of the boards of health of Cheltenham, Abington, Haverford, Lower Merion, Radnor and Upper Darby townships and the boroughs of Jenkintown, Swarthmore and Narberth, to be held at 4 P. M., October 3, at the Union League, to consider the infantile paralysis epidemic. The meeting will also consider a plan advanced by the health authorities of Jenkintown for an unofficial union of all the health boards.

**PARALYSIS CASES.**

Notices have been posted in the Main Line stations of the Pennsylvania Railroad, warning passengers that children under sixteen years of age will not be carried on trains running into the city. This action has been taken by the railroad after a conference with Dr. Dixon, because of the number of cases that have developed in that section within the past two weeks.

Opposition to the emergency hospital for paralysis victims which is in operation on the estate of Samuel Vauclain, at Garrett Hill, Radnor township, is dying out, according to Dr. George S. Gehard, in charge of the work. There are now eight cases in the hospital. Plans are being discussed by the residents of Main Line towns for the establishment of a permanent hospital for the treatment of contagious diseases. Four new cases were reported on the Main Line during the past week.

The church fair that was to have taken place on the 7th of October has been postponed until some future date next spring. This will give the ladies of the church an opportunity to accumulate more articles for the fair.

There will be a second celebration of the Holy Communion at the 11.00 o'clock service next Sunday morning. Try and be present.

The entire church membership is expected at this Preparatory Meeting.

**THE CLOSING OF THE SCHOOLS.**  
Timely Discussion by State Superintendent N. C. Schaeffer.

"The closing of the schools by the order of State Health Commissioner Dr. Dixon has led to many inquiries for a correct interpretation of Section 1206 of the School Code:

"When a Board of School Directors is compelled to close any school or schools on account of contagious disease, the destruction or damage of the school building by fire, or other causes, unless otherwise provided in their contracts of employment, the school district shall be liable for the salaries of the teachers of said school or schools for the terms for which they are engaged."

"Various cases arise. First: Where the contract of employment specifies that teachers are not to receive pay for time lost on account of an epidemic, the directors are not obliged to pay the salaries of the teachers for the time lost on account of the epidemic.

"Second: Where the contract with the board specifies that the schools are to be opened on a given date and where the contract does not mention time lost through an epidemic, the directors will be required to pay the teachers for the time lost on account of the epidemic.

"Third: Where the contract does not specify any time for the opening of the schools, the directors can, no doubt, postpone the date for the opening of the schools without being obliged to pay the salaries of the teachers for the period during which the opening of the schools has been postponed, provided the date for opening the schools was not fixed prior to the making of the contract.

"Fourth: Where it is possible to make up the lost time at the end of the school term, this should, without doubt, be done; but the law does not require impossibilities of directors, and where lost time cannot be made up for lack of time, in such cases the school appropriation will be paid even if the district fails to have school during the minimum term specified by law for the different districts.

"Fifth: It is impossible at this time to foresee how long the epidemic will last, and any definite ruling as to the lengthening of the school term might lead to additional difficulties.

"Directors and teachers should try to adjust their differences in the most amicable way possible. An epidemic causing the closing of all the schools in the State was certainly not contemplated when the present School Code was enacted, nor are State revenues in sight by which the Legislature might reimburse the districts for financial loss due to the closing of the schools on account of infantile paralysis."

**MONEY RETURNS TO SINKING FUND**

County Will Get Three Per Cent. Interest.

The final act in the litigation growing out of the former Controller Jacobs and Treasurer Keeley, of the \$100,000 in the sinking fund, took place Wednesday morning at Norristown, when the Penn Trust Company, depository, paid over to the sinking fund \$100,016.06.

This amount represented the principal of \$100,000 and interest at 3 per cent. from December 28, 1915, until August 5, 1916, when repayment was first tendered, and interest at 2 per cent. from August 5 to August 13, when present check was dated.

County Controller William D. Heebner effected arrangements with County Treasurer George H. Anders by which this \$100,000 thus returned to the sinking fund will produce 3 per cent. interest until such time next spring when it will be needed to pay the county's bills.

**COMMUNITY CLUB OPENING POSTPONED**

The opening of the Community Club has been postponed until October 10, because of the fact that the Women's Gymnasium class meets in the morning of October 3, the date originally scheduled for the club opening. The officers, thinking that this might inconvenience the members of the Gymnasium class, some of whom are Community Club members, decided to defer the opening for one week.

The luncheon to be served at the opening meeting will be under the directions of McIntire, the caterer, and the menu selected promises a most enjoyable repast.

It is desired that all members intending to be present will phone or write Mrs. Cameron, as it is necessary that the caterer know the approximate number to be served. The price for the luncheon will be fifty cents.

The meeting will be addressed by several prominent speakers, among whom will be Mrs. Owen Phillips, who aims to establish in Narberth, a class in public speaking.

**TRI-COUNTY LAWN FETE.**

Every week greater interest is noted in the tri-county lawn fete which will be given for the benefit of the Woman's Suffrage Party and the Children's Country Week Association, Wednesday, October 4, at "Windy-brow," the St. Davids home of Mr. Ferree Brinton. Mrs. E. Nesbit Mitchell, of Ardmore, is chairman of a committee that has in preparation a play to be given out of doors. Mr. Joseph Craig Fox, of Philadelphia, whose participation in many operative productions has added greatly to their success, and Mr. D. L. Schwartz, of Wynnewood, are giving assistance to this interesting feature of the fete.

**LUNCHEON.**

Miss Jane Laird, of Woodside avenue, gave a luncheon on Tuesday in honor of Miss Hilda Smedley. Those present were: Miss Augusta With-erow, Miss Madelyn McCoy, Miss Elizabeth Speakman, Miss Mildred Harris, Miss Virginia Downes, Miss Estelle Cohic and Miss Hilda Smed-ley.

**LOWER MERION SCHOOLS PLAN TO REOPEN**

Superintendent and Teachers Will Have Everything in Readiness for October 2—Parents Advised.

Superintendent of Lower Merion Public Schools S. E. Downs and his force of teachers will have a busy time next week getting everything in good shape for the township schools to open October 2.

The teachers will report on Monday next and, after a business meeting, a reception will be held. And the remainder of the week will be spent by the teachers in preparing books and courses of study, preparatory to the opening of the school year. The schools will reopen on Monday, October 2, with two sessions, to all pupils who have been in the township ten days or more. Studies will be begun in earnest, and some hard work is expected to be done, in order to make up for lost time.

Pupils of the High School over sixteen years of age will meet next week. During the past week the parents of all school children have been notified that they must not allow their children to go out of Lower Merion township during the ten days previous to the opening of the public schools on October 2.

This order was sent out by the Board of Health as a precaution against the spread of the infantile paralysis. The Board deems it unsafe for children to visit other towns and cities during the present epidemic, and the parents should assist the authorities in their efforts to safeguard the health of the children. They want to open the schools, but they do not want to endanger the children who have careful parents by permitting children who have been in other sections to enter the school rooms.

Parents cannot be too careful and they should follow the advice of their physicians and the health officers.

From present indications, the largest enrollment of pupils will be recorded for the coming year in the township schools.

**BOWLING**

Interest is already centering on this sport.

The Main Line Bowling League is holding preliminary meetings and getting things ready to start. Announcements will be made later.

The Five-Man Team League.

A meeting will soon be called of last year captains and then get ready for the race. This league was one that caused considerable interest last year, and a number of men are already thinking about getting in shape.

The alleys are being put in first-class condition this week.

## R. G. DUN & CO. WINS

(Continued from First Page)

when Biggs shot a grounder to Davis, Mudie tried to score, but was caught at the plate when Davis made a good throw to Koons. Ree dended the inning by being thrown out by Gibson.

There was nothing exciting until the ninth inning when with one out, Howes singled and stole second, but Dick Wallace fled out to short and Davis fanned, ending the inning.

The game just went on until the eleventh inning related above.

The game was full of thrills and good plays, the double play by the Barnitz brothers being very good, while Howes excelled in center field for Narberth by making some very good catches of intended Texas leaguers.

While there were only two errors made in the game and they being both by the home players, one did not have much effect upon the result of the game, while the other did, yet the boys feel confident of winning the game next Saturday with Wayne at Wayne, and also the game with the West Philadelphia team which will be played at Narberth the following week. So all go to Wayne next Saturday and root.

What Manager Walzer says:—

While I regret that our boys did not win from the Dun & Co. team, yet we went down to defeat with our own boys, the ones who have kept us in the race all season.

In a game such as the one last Saturday, the team which makes a break at a critical time is the one to go down to defeat, and our team was the unlucky one.

I have all the faith in the world in Bobby Gibson and Nig Koons and I still feel we will cop the pennant. We will journey to Wayne next Saturday afternoon, and I hope that we will have a good big crowd of rooters go with us, and help us defeat them.

The game with Wayne is the tie game which occurred last June. The following Saturday we will play the West Philadelphia travelers on the Narberth field. Should we lose at Wayne next Saturday the Dun & Co. will win the pennant, but I think our chances for victory at Wayne are exceptionally bright, and the same applies to the West Philadelphia game.

Our boys were all very much broken up, but the thing to do is get up that old spirit and win the next two games and tie things up again.

In conclusion, let me express my desire that a large crowd of rooters go to Wayne and instill some new spirit into the boys.

Fred Walzer,  
Mgr. Narberth B. B. Team.

As Seen from the Press Box.  
Manager Walzer still has lots of confidence in Bobby Gibson.

We will go to Wayne next Saturday. Come along and root. We will need you.

The right fielders did not have a chance.

Things broke the wrong way at the right time for us.

Howes was on his toes in center field.

Koons felt very down hearted after the game. Never mind, Nig, we fully expect to have another shot at Reed. We hope for better luck.

Koons put the ball on Mudie at the plate in first-class style.

Fahey thought he had a double, but it was foul.

Two umps.

The mounted cops and Officer Hill kept perfect order.

The tin horn "sports" were there in all their glory.

Everybody was against Narberth, save their own people.

The regular team was good enough all season, why not now?

Reed is signed with Detroit. We wish him all the luck in the world.

Bill Simpson and Ben Gilbert were the star clouters, each having two hits.

Manager Walzer says "we'll be there soon again, and so will Dun & Co. Let's hope so."

Thirteen hits in eleven innings.

Twenty-seven strikeouts all told.

Bobby Gibson did issue a pass. Reed passed two.

## SHOULD ASSESSORS BE PAID \$10 A DAY

Suit Will be Brought Here; Act of 1915 to be Tested.

Whether the assessors of first-class townships are to receive \$10 per day for each day that they attend to the duties assigned them under the law and under the direction of the county Commissioners, as provided under a recent act of Assembly, or whether their former pay of \$5 per day is to be the proper compensation, is to be submitted to the Montgomery county Courts for adjudication.

Officials in this county are not willing to abide by the recent ruling of the Northumberland County Court, which declared that the recent act of Assembly raising the pay of assessors of the first-class township from \$5 to \$10 per day is illegal and unconstitutional.

The case which is about to be submitted to the Courts by Assessor William Lee, of Lower Merion township, is due to a difference of opinion between officials. When Mr. Lee submitted his bill recently to the county Commissioners [the latter, following the letter of the law, agreed to approve the bill at the \$10-per-day rate. However, when the bill was submitted to the county Controller for approval and the granting of an order, the latter called attention to the decision of the Northumberland County Court, which ruled out the \$10 per day, and upon which ruling other counties in the State are governing themselves at this time.

In consequence, Mr. Lee Tuesday made a formal demand upon the county Commissioners and the Controller for the face of the bill, at the \$10-per-day rate, and upon being duly refused placed the matter in the hands of his counsel for action against the county, refusing to accept the \$5-per-day rate.

Of course, on the outcome of the suit thus set in motion will depend the remuneration which all of the other first-class township assessors of the county will receive, these having so far withheld their demands, awaiting the steps to be taken by Mr. Lee.
