(PACIFIC)
C/O POSTMASTER, SAN FRANCISCO

INTERROGATION NO. 56
(Obtain from G-2)

PLACE: Tokyo
DATE: 17 Oct.
TIME: 10:00 A.M.

DIVISION OF ORIGIN: Military Supplies

SUBJECT: Shipbuilding and Ordnance

Personnel interrogated and background of each:

Commander Tsujimoto, member General Affairs
Section of Shipbuilding Headquarters under
Navy Ministry

Where interviewed (office): Navy Department

Interrogator: Lts. Hatcher & Bell

Interpreter:

Allied Officers Present: Lt Hatcher
Lt Bell
Lt(jg) Brown

Summary:

An organization chart of the Japanese Naval Technical Department prepared by Commander TSUJIMOTO, was obtained and has been translated.

A list of all Japanese Naval Yards and Commercial shipbuilders covering only naval vessel construction and ordnance manufacture was prepared by Commander TSUJIMOTO, and has been translated. The list covers the name and location of each yard, kind of work done as to type vessel construction and for ordnance manufacture, and the name of the superintendent of each yard.

DISTRIBUTION:
All Divisions.
