We also have Columella, Razza, Corregiola, Oblitza, Grossaia, etc. The above prices on citrus and olive trees are F.O.B. Redlands, in quantities of 100 or more, nicely packed in moss. These prices are subject to change without notice. If you are needing 500 or more trees, write for quotations.

On orange and lemon trees, we prefer two year to one year, as being larger, if properly handled, they will make larger trees in the orchard in the same length of time, and we can carry one year over to another season better, we are offering two year, cheaper than one year in lemons. WE AIM TO MEET THE COMPETITION OF ANY RESPONSIBLE NURSERMAN AND WOULD BE GLAD TO HEAR FROM YOU.
