1. In compliance with 2nd Ind, the following information is provided:

a. Attached as Incl. 2 is certified copy of record of property ownership obtained from the Gifu Taxation Office and indicating ownership of subject land and buildings by Mitsubishi Jukogyo K.K.

b. The land was acquired in various small parcels by Mitsubishi Jukogyo from 1926 to 1937. The plant was constructed in 1938 for final assembly and flight testing of aircraft built in the company's Nagoya Plant, for which purpose it was used during the war. At the termination of the war, the plant was closed and the machinery moved to the Nagoya Plant.

c. Information available to this headquarters is that no P.D. on the buildings and land exists.

d. The installation is not currently in use by Occupation Forces. It is understood to have been used from October 1945 to March 1946 as billets by the 27th Infantry Regiment. No. P.D. was issued at that time and return to the Home Ministry was effected 22 March 1946 per letter attached as Incl 3. Source of the information contained in this paragraph is Mitsubishi Jukogyo K.K., who have the original of the letter of release.
