Establishments**

Pursuant to section 4 of the Act of August 27, 1958 (7 U.S.C. 1904), and the statement of policy thereunder in 9 CFR 391.1, the following table lists the establishments operating under Federal inspection pursuant to the Federal Meat Inspection Act, as amended (21 U.S.C.

601 et seq.), which have been officially reported as using humane methods of slaughter and incidental handling of the species of livestock respectively designated for such establishments in the table. Additions to and deletions from this list will be made from time to time as the facts may warrant, by notices published in the **FEDERAL REGISTER**. The establishment number given with the name of the establishment is branded on each carcass of livestock inspected and passed at that establishment. The table should not be understood to in-

Nor should the table be understood to indicate the the affiliates of any listed establishment use only humane methods.
