RENEWED ENERGY MARKS SECOND DAY OF DRIVE

BRITISH MINISTRY OF FOOD TO CONTINUE ITS WORK FOR SOME TIME

Uncertain Outlook Is Disturbing British People; McCurdy Says World Will Not Have Enough Meat to Feed Europe Next Year

London, Oct. 28.—Rt. Hon. Andrew Bonar Law stated in the House of Commons to-day that the Government had decided the Food Ministry must be continued for some time.

He also stated that the organization established by the Government in order to meet the recent railway strike would be continued.

London, Oct. 28.—Mr. McCurdy, Secretary of the Food Ministry, last night held out no hope for any great fall in food prices. He emphasized the necessity of food control, advocating its definite continuance over a number of years.

Mr. McCurdy indicated a very serious position regarding meat supplies, declaring that there would not be enough meat in the world next year to feed even Europe alone.

MARIE TEMPEST PRESUMED DROWNED

Disappeared from SS. Orduña Between Halifax and New York

New York, Oct. 28.—Sometime between 6.30 p. m. Saturday and 10 a. m. Sunday, Marie Tempest, the popular English comedienne, disappeared from the Cunard liner Orduña while the vessel was on her way from Halifax to this port.

A general search of the ship failed to find her, and it is presumed that she was drowned. There were travelers on the Orduña, however, who scouted this, as they had found Miss Tempest to be in good spirits throughout the voyage from Liverpool to Halifax.

A vigorous search of the vessel to-day failed to give any clue to her disappearance. Her effects will be turned over to the British Consul-General here.

LABOR CONFERENCE BEGINS TO-MORROW

First International Event at Washington Under Peace Treaty

Washington, Oct. 28.—The question of the admission of German and Austrian delegates with full powers to the International Labor Conference, which will open here to-morrow, was before the organizing committee of the Conference to-day. Members of the committee, reflecting the views of the representatives from the seven powers represented, it was said, favored granting full membership to the delegates.

The committee planned to dispose of this question before completion of organization of the Conference to insure the participation of the Germans and Austrians from the start.

No Delay

Secretary Wilson announced recently that if a sufficient number of nations had not ratified the peace treaty by the date set for the Conference to open, an adjournment would be taken, but it was said to-day he now was in substantial agreement with the organizing committee on the question of the technical validity that the acts of the Conference should be waived at this time. It is anticipated, therefore, that there will be no interruption of the sessions.

Hope is entertained in some quarters that a way may yet be found to allow the United States to have a voice in the Conference. Samuel Gompers, president of the American Federation of Labor, is a member of the organizing committee and the American Federation will be more formally represented through the Canadian labor delegate, as trade unions in Canada are affiliated with the American Federation of Labor.

WOULD PROVIDE "WET SPELL" IN U.S.

Wilson Against War-time Prohibition Until General Law Comes In

Washington, Oct. 28.—War-time prohibition in the United States will be brought to an end by Presidential proclamation immediately after the Senate ratifies the German peace treaty, it was said to-day at the White House.

President Wilson unexpectedly vetoed the Prohibition Enforcement Bill yesterday, and within three hours the House of Representatives had re-passed it over his veto by a vote of 176 to 55. The total vote was barely more than a majority of the entire membership.

"Dry" leaders in the Senate immediately began laying plans to repass the bill there. They said they expected to act on it by Wednesday at the latest.

The President refused to sign the bill because it included the enforcement of war-time prohibition.

The interpretation of the veto in official circles was that unless Congress should repass the bill over the President's head or immediately enact a similar measure, there would be a "wet spell" until national prohibition becomes effective under the constitutional amendment in January.

No Site For Naval Base in the Azores Given to the States

Madrid, Oct. 28.—Objections by a third power led to the refusal of Portugal to grant the United States a naval base in the Azores, according to information received here in well-informed circles.

Senhor Cardozo, Premier of Portugal, has denied the truth of reports that Portugal had granted the United States the right to establish a naval base in the Azores. He hinted that the United States had not asked for such a concession.

3,242 CANDIDATES FOR 508 SEATS IN ITALIAN CHAMBER

Rome, Oct. 28.—The various political parties in Italy have nominated no fewer than 3,242 candidates for the general elections to be held on November 16. The number of seats in the Chamber of Deputies is 508. Former Deputies to the number of 200 have declined to stand for re-election and fifty-eight died during their term of office.

Of the remaining 250, it is predicted that only approximately one-fourth will be returned. Thus it appears that the coming general election will witness the greatest peaceful, legally conducted parliamentary revolution that Italy has experienced since the present constitutional regime began seventy-one years ago.

A NEW FORCE AT WORK, SAY PAPERS

Comments of Toronto Globe and Other Papers on By-elections

Writers Discern Change in Attitude of Canadian People

Toronto, Oct. 28.—"The by-elections for the House of Commons yesterday should end empty boasting at Ottawa," says The Toronto Globe to-day. "Threats by the Government and challenges by the Opposition to make an appeal to the people are silly and insincere. Both parties must know now the temper of the electors. Each must realize that it is hopelessly out of touch and out of accord with the sentiment in the country. The 'ins' and 'outs' may continue to play their old game in Parliament, but the folk outside are looking for something better—and they will look until they find it.

No Doubt "The verdict of yesterday leaves no room for doubt. From the eastern province of New Brunswick come the tidings that in Carleton-Victoria the majority of the candidate of the United Farmers is close to 4,000. The significance of this overwhelming verdict is intensified by the fact that three Cabinet Ministers, Meighen, Robertson and Blondin, personally visited the riding and directed their influence and efforts in the campaign for some days in the cause of the Unionist standard-bearer."

A New Force. Winnipeg, Oct. 28.—Dealing with the Dominion by-elections of yesterday, The Winnipeg Free Press says:

"There were no surprises in yesterday's Federal by-elections unless it be in the size of the majorities which the Farmers' candidates rolled up in the three seats which they contested."

"After the results in Ontario, however, there was ground for expecting that their triumphs would be emphatic. It is now quite evident to even the blindest adherent of the old political system that the revolutionary force which ground into powder the traditional political system of Ontario is in free play throughout the whole of Canada, and needs only an opportunity to repeat its accomplishments there on a wider scale."

(Concluded on page 14.)

WOMEN'S CONGRESS AT WASHINGTON

First International Congress of Working Women Held

Washington, Oct. 28.—Women from practically all of the leading countries of the world gathered here for the opening this morning of the International Congress of Working Women, the first of its kind ever held, and which has as its object an interchange of ideas and experiences on subjects which most intimately affect women—legislation concerning employment, child labor, care of mothers and protection of their sex in hazardous industries.

Much of to-day's session of the Congress was expected to be taken up in perfecting an organization and the selection of committees. A large staff of interpreters was provided in order to facilitate the proceedings.

THE GUARDING OF W. HOHENZOLLERN

London, Oct. 28.—Cecil Harma-worth stated in the Commons to-day that the Government was not aware of the exact precautions the Dutch Government was taking to guard William Hohenzollern, the former German Kaiser, and F. W. Hohenzollern, former Crown Prince, but he had no reason to doubt that all necessary measures had been adopted.

AN EATON DEATH. London, Oct. 28.—The death is announced of Arthur Singer, an assistant master at Eaton.

WILLIAM COOTE DIES. London, Oct. 28.—William Coote, director of the Vigilance Association, died here yesterday.

ENDORSED AS MINISTER OF AGRICULTURE; Hon. S. F. Tolmie

DR. TOLMIE IS ENDORSED AS OTTAWA CABINET MINISTER FROM VICTORIA

Table with 3 columns: Ward, Tolmie, Barnard. Rows for Ward One, Two, Three, Four, Five and Names on list.

The Hon. S. F. Tolmie was re-elected at yesterday's Federal by-election over Thomas A. Barnard, of New Westminster, and with this endorsement becomes Victoria's member of the Federal Cabinet, as Minister of Agriculture. He is the second minister in the cabinet from British Columbia.

Although Dr. Tolmie won out by more than 2,000 votes, two of the five wards of the city, Wards One and Two, actually gave small majorities for his opponent. These were the Victoria West and North districts, which Mr. Barnard all through the campaign claimed as his strongholds. Ward Three, embracing the Fernwood district, only gave the Minister a small majority. Ward Four, taking in the high class residential part of the city and some of the principal business areas, however, went three to one for Dr. Tolmie. Ward Five, Fairfield and James Bay, went two to one for Dr. Tolmie.

Interest in the election ran so high that eighty per cent of those registered on the voters' lists turned out and cast their ballots. Mr. Barnard, after the result of the poll was announced from the newspaper offices, expressed himself as well satisfied with the fact that he could come here as a stranger and secure 5,000 votes as against 7,000 cast for the Cabinet Minister. He showed a copy of a letter he wrote his wife on Sunday in which he predicted the results. His figures in this letter were 7,000 votes for Dr. Tolmie and 5,000 for himself.

Dr. Tolmie was glad the fight was over. Soon after being greeted by his friends and supporters at the committee rooms, he went home with his family.

(Concluded on page 4.)

NEW YORK DRUG CLERKS WILL STRIKE

Want Eight-hour Day, Closed Shop and Higher Pay

New York, Oct. 28.—A strike that will vitally affect New York's millions was voted early to-day by representatives of 4,500 drug clerks. After an all-night meeting, the men voted to walk out during the week, leaving the date to be determined by their officers. Union officials said that the men involved comprised ninety per cent of all the drug clerks in the city.

The clerks demand an eight-hour day, a closed shop and an average increase in wages of thirty-five per cent.

In France Paris, Oct. 28.—Extremist elements in trade union circles plan to call a general strike in France on November 7, according to The Excelsior, which says that leaders in the General Federation of Labor are opposed to the movement.

MOVE TO CREATE ORANGE PARTY IN BRITISH COMMONS. London, Oct. 28.—Sir James Craig, Grand Master of the English Orangemen, proposes establishing an Orange Lodge in the British House of Commons.

TWENTY LOST LIVES IN SHIPWRECK

Passenger Vessel Hit Pier at Muskegon, Michigan, and Sank

Tragedy Was Caused by Northwest Gale and Heavy Sea

Muskegon, Mich., Oct. 28.—Caught by a gigantic wave as she was trying to make this harbor after riding out a terrific gale on Lake Michigan on a voyage from Milwaukee last night, the Crosby steamship City of Muskegon crashed into the south pier at Muskegon Channel this morning and sank in less than ten minutes, carrying to death at least twelve of her passengers and crew. The exact number of dead has not been determined, but may reach twenty.

The bodies of four men and three women have been washed ashore and the beach for miles in being patrolled for additional victims.

Without Warning. The crash came without warning, most of the passengers being caught in their staterooms. The lights went out and the screams of women passengers added to the confusion. Then followed a scramble for safety. Most of the passengers escaped by jumping from the decks to the pier.

The crash came almost within the shadow of the coastguard station, but the heavy sea rendered futile efforts to launch lifeboats. Launching of boats and rafts from the steamship was impossible.

The exact number of dead may never be known, as the passenger list went down with the vessel. Nothing is left of the ill-fated vessel except tons of wreckage strewn along the shore of Lake Michigan.

Crown Prince of Turkey Has Joined the Nationalists

Constantinople, Oct. 27.—Via London, Oct. 28.—Abdul Medjid, Crown Prince of Turkey, has joined the Turkish Nationalists in opposition to the Sultan and the old regime. He lives near Scutari, on the Asiatic shore of the Bosphorus, and refuses to cross to the European side.

Abdul is a young man of modern democratic ideas and has attained quite a reputation as a painter and sculptor.

\$2,500,000 WORTH OF SEAL SKINS

Seattle, Oct. 28.—Twelve live blue foxes, valued at \$500 each, and 26,185 seal skins, estimated to be worth nearly \$2,500,000, were brought to Seattle last night by the naval collier Nashin from the Government sealing stations on the Pribilof Islands. The seal skins are to be shipped to St. Louis for the winter fur auction. The foxes are to be shipped to New York, where they will be placed on experimental farms of the United States Biological Survey.

COAL IN U.S. DUMPED ON GROUND AND CARS SPEEDED

Washington, Oct. 28.—Officials to-day pinned their hope of avoiding the strike of bituminous miners throughout the United States, called for Saturday, on the meeting to-morrow in Indianapolis of the executive board of the United Mine Workers of America.

Study of union by-laws, officials said to-day, revealed that the executive board has power to call off the strike, or at least to order a postponement. Should President Wilson's appeal to the miners be heeded to the extent of a postponement, officials here are of the opinion that the strike would be averted, for postponement would be certain to bring with it negotiations for a new wage agreement.

Steps to be taken by the Government to deal with the strike, if it takes place, will be considered finally to-day at a meeting of the Cabinet. There was a more hopeful view in Cabinet circles, but this did not alter the Government's determination to be ready with all its machinery to meet the situation if the miners quit.

REPORTS INDICATE LOAN CAMPAIGN IS MAKING BIG STRIDES

Election Over, Bond Salesmen Achieve Splendid Results; Cassidy and Parkville Reach Objectives First Day; City Invests \$100,000

With the smoke of the Federal by-election cleared away and conditions in the city once more normal, the Victory Loan drive started this morning its second day in the race for \$5,000,000. Reports received up to noon indicated that the campaign was making far greater strides than on the first day, which has never been one of the most profitable in any previous campaign.

Official figures regarding the canvass yesterday issued at noon to-day showed that \$91,550 had been invested by 212 applicants. This, however, does not represent the actual results obtained by the drive, for a large amount of work was done among firms which will make investments during the course of the week. "Considering that the public was chiefly engrossed by the election, and

the fact that the first day of a loan drive is never one of the most profitable, I consider that we got off to a most excellent start," Brigadier-General Clark, Island Loan chairman, asserted this morning.

Noteworthy developments in the drive yesterday was the decision of the City Council to invest \$100,000 of sinking funds in bonds, and success of Cassidy and Parkville in reaching their objectives by the middle of the day.

One of the most interesting events in the loan campaign will be a special Victory Luncheon of the Rotary Club at the Empress Hotel on Thursday when Gypsy Smith, the famous evangelist, will speak on the Loan. The luncheon will be of a public character and tickets will be obtainable at the Victory Loan headquarters, Government Street, until 6 o'clock to-morrow afternoon.

Cassidy "Goes Over" The heads of the Loan drive are very much elated over the magnificent performance of the people of Cassidy's, that go-ahead little town where the Granby Consolidated Company's Mines are situated, and where last year's Loan was so successful. Cassidy's went over the top, gained all objectives, obtained its full quota, and when last heard from, were busy consolidating by securing Crests.

At 3 p. m. yesterday they had obtained their quota of subscriptions, which entitled the town to receive the much coveted Prince of Wales' Flag, then at 3.30 p. m. they obtained twenty-five per cent more, which entitled them to a Prince of Wales' Crest, while at 4 p. m. they wired in that they had obtained another twenty-five per cent, and bang went another Crest.

It must be explained that all these subscriptions are from employees, with not a dollar included from the Company, just a peoples popular subscription, for the Company subscription is handled in another way. Then Parkville rang in, at 4 p. m. to report that the quota had been reached there, and not only that, but they had exceeded it by twenty-five per cent, so they get both Honor Flag and Crest.

Both the above Districts report that they have only just scratched the surface.

General Clark, Island Chairman of the Loan, reports that Shawigan, Nanaimo and Courtenay are speedily up and making fine progress.

The End of a Perfect Day. At five o'clock last evening the Victory Bond salesmen trooped in to Headquarters, a little bit damp outside but brimful of enthusiasm in the neighborhood of their hearts, for they had had a busy and most encouraging day of it, in spite of the wet and the election.

J. Mowat took a selling team out to Colwood, had a good time and did not do so badly, bringing in a little over five thousand dollars, with promise of a good deal more to follow.

Then Charles E. Bishop burst open the door with a happy smile on his face, for he had applications for twenty-five thousand dollars worth of Bonds.

J. W. Hudson and his team were too busy making out their report to give details, but Hudson remarked in that effusive way of his that their reception was "The best on Earth."

Sergeant-Major Hillyer, Chairman of the Committee representing the Returned Veterans' Association, was also one of the cheerful ones, for his team took in applications for over ten thousand dollars.

R. N. Ferguson, a veteran of three Victory Loan Drives, brought in over eight thousand dollars with that little prize team of his, and says there is plenty in sight.

Wood. Washington, Oct. 28.—With a coal famine looming imminently above (Concluded on page 14.)

MUCH SUGAR IN CUBAN WAREHOUSES

Washington, Oct. 28.—Nearly 400,000 tons of sugar, enough to meet the American demand until the next crop is produced, is held in Cuban warehouses, according to a cablegram from President Alejo Careceno, of the Cuban Sugar Manufacturers' and Planters' Association, to Chairman McNary, of the Senate Sugar Investigating Committee.

"Cuba is willing on reasonable returns to protect future contingencies," said the cablegram, "but the blame is not with Cuba, which should be penalized because the American market is unbalanced."

PARTIES FAR APART IN SOUTH AFRICA

No Merging of South African and Unionist Parties

Cape Town, Oct. 28.—That the Government would resign if defeated in the coming election, and that it would not under any consideration agree to a union of the South African and Unionist Parties, was the declaration of Minister of Mines Malau in a speech here.

He vigorously opposed the suggestion for the appointment of a South African as Governor-General, and especially any who had taken part in South African politics at any time.

VON HAESLER DIES.

Berlin, Oct. 27.—Via London, Oct. 28.—The death of Field Marshal Gottlieb von Haesler, aged eighty-four, Germany's veteran soldier and strategist, from heart disease, is reported in The Lokal Anzeiger.

STOP PAIN! RUB OUT NEURALGIA TORTURE

Instant relief! Rub neuralgia pain from your face, head or body with "St. Jacobs Liniment."

You are to be pitied—but remember that neuralgia torture and pain is the easiest thing in the world to stop. Please don't continue to suffer; it's so needless. Get from your druggist the small trial bottle of "St. Jacobs Liniment," pour a little in your hand and gently rub the "tender nerve" or sore spot, and instantly—yes, immediately—all pain, ache and soreness is gone.

Safe and Sound—Victory Bonds.

A SCHOOL SOVIET IS PUPIL'S DEMAND

High School Pupils in Belleville, Illinois, Threaten Strike

Belleville, Ill., Oct. 28.—A demand that a "High School Soviet" be established here is made in a memorial to the High School Board by students of the Belleville Township High School. The memorial states that if demand is not met by November 1 the students will "go on strike."

BRITISH COMMONS ACCEPTED CHANGED ALIEN MEASURE

London, Oct. 28.—The Commons yesterday adopted unanimously an amendment to the Alien Bill offered by Rt. Hon. Andrew Bonar Law.

The Government's defeat last Thursday was over an amendment to modify the restriction withholding pilotage certificates from all aliens, the Government desiring to make it applicable to French pilots who were allowed privileges in British ports in exchange for corresponding privileges to British pilots in French ports.

GAS IN THE STOMACH IS DANGEROUS

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are signs of indigestion. The presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

THE NEW LUXEMBURG CHAMBER OF DEPUTIES

Luxemburg, Oct. 27.—Reports from the election members of the Chamber of Deputies, which will replace the Constituent Assembly, tend to show that the vote of newly-enfranchised women will give a majority in the Chamber of Clericals.

\$125,000,000 ASKED FOR CREDITS

Re-establishment Committee at Ottawa Hears Finance Ministry Official

Ottawa, Oct. 28.—Illuminative figures dealing with the financial commitments of the Dominion for the next year or two were submitted to the special Commons Committee on Soldiers' Civil Re-establishment yesterday by T. C. Boville, Deputy Minister of Finance. The Committee, in deciding to take more evidence on the point before making its report to the House did so with the object of securing the latest information available.

Mr. Boville submitted a statement showing that in addition to the capital expenditure of \$529,122,445 covered in the estimates for the current fiscal year passed by Parliament at its regular session, there must be added to the commitments:

To meet the cost of the Grand Trunk receivership, including interest and deficits on operation, \$15,000,000; provision for credits for Great Britain and Allied countries, \$125,000,000.

These figures increased the country's obligations other than current expenditures to an amount in excess of \$699,122,445.

ONLY THIRD OF EQUIPMENT USED

War Disables Two-thirds of Italy's Railroad Equipment

New York, Oct. 28.—Italy's lack of fuel was so desperate during the war that dried orange peels were burned under boilers to generate motive power in munition plants. This statement was made by Signor Luiggi, Italian delegate to the International Trade Conference just concluded at Atlantic City, before the clerical conference of the New York Federation of Churches here.

Only a third of the railroad equipment of Italy is in operation, and now most of the woods of the country have been cut down to furnish fuel for them, Signor Luiggi said. A big part of the floors and other woodwork of houses have been consumed also.

LIVESTOCK EMBARGO AGAINST BRITAIN

Ottawa, Oct. 28.—Cable advices having been received by the Department of Agriculture telling of fresh outbreaks of foot and mouth disease in England, a new order has been issued cancelling all permits for the importation of cattle and sheep and other ruminants and swine into Canada from the United Kingdom, except Scotland, with the exception of those covering animals already on shipboard en route to Canada.

P. WRIGHT MAYOR OF NEWPORT, WALES

Winnipeg, Oct. 28.—Peter Wright, noted British Labor leader and president of the Seaman's Union, who has been in Winnipeg during the past ten days, was elected Mayor of Newport, Wales, on Saturday, according to a cable received from England.

JENDERS IS NEW LETTISH PREMIER

Stockholm, Oct. 27.—Via London, Oct. 28.—Premier Karl Ullmanis, of the Lettish Government at Riga, has resigned. Several of the extreme Socialist Ministers have also resigned from the Cabinet. M. Jenders, a Socialist, has been selected as the new Premier.

Noble's VALUE IS WORLD FAMOUS

Famous, not only in the Old Country, but throughout the World, are the superb values obtainable from John Noble's.

You should send to-day for the wonderful 68 page Catalogue, giving full particulars and hundreds of illustrations of the very latest styles in Women's, Men's and Children's Wear, Dress Materials, Footwear and all kinds of Household Requirements, such as Linens, Sheetings, Curtains, Bedding, Cutlery, etc.

By all such goods direct from England—from Noble's, the actual manufacturers, and thus save middle profits. Everything offered you by Noble's will give you extreme satisfaction in quality of material, design, workmanship and price.

To save writing to England in the first place, copies of John Noble's Catalogue may be obtained post free, from John Noble Ltd., P.O. Box 155, Toronto

PATTERNS John Noble, Ltd., will gladly send a splendid selection of patterns of dress materials, post free, on application to Manchester.

REMITTANCES (in full) should wherever possible be sent by Money Order, or by Bank Draft, payable at sight on London or Manchester.

JUMPED OR FELL FROM A WINDOW

Guelph, Ont., Oct. 28.—Suffering from serious internal injuries received yesterday when he jumped or fell from a second story window at his residence, Adam Taylor, secretary-treasurer of the Taylor, Forbes Company, lies in a critical condition at a hospital here.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

Guaranteed to Put On Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Weak, thin people—men or women—are really always nervous wreckers; thus conclusively proving that thinness, weakness, debility and neurasthenia are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.

eminent specialists state that the best nerve food is an organic phosphate known among druggists as Bitro-Phosphate, a five-grain tablet of which should be taken with each meal. Being a genuine nerve-builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often strikingly astonishing.

A little capital

"IF ONLY I had a little capital, look where I might have been to-day!"

Are you going to be one of the men who say that after you have passed middle age, or are you going to be one of those who "got there" because you had that "little capital" when your chance came?

Most big business concerns and large fortunes had small beginnings.

The men who accomplish things are not the idle rich but the ambitious, industrious men, rich or poor.

A little money saved each week and deposited in the Bank of Toronto can be the beginning of your life venture. With the interest it earns it does not take long to accumulate capital sufficient for a start. The more you have for your beginning, the surer is your success.

THE BANK OF TORONTO

PEOPLE ARE URGED TO WORK AND SAVE

Sir Thomas White Speaks at Montreal of Canada's Future

Montreal, Oct. 28.—"Work and save" was the precept given by Sir Thomas White, ex-Minister of Finance, in the course of an optimistic address to the Montreal Canadian

Club yesterday on Canada's financial future.

Sir Thomas, while painting a rosy picture as to Canada's ability to meet all her war obligations and continue the national programme, insisted that thrift and prudence are absolutely necessary, and threw out a hint that it would be part of wisdom for the wealthy to stop flaunting their wealth in the faces of those less blessed by engaging in unnecessary and startling extravagance.

INCOME TAX FINES IMPOSED AT WINNIPEG

Winnipeg, Oct. 28.—Wm. Bell, F. Larque, A. Dunslough, H. Radinovich and L. Clingman were each fined \$600 and costs in police court

here yesterday for breach of the Income War Tax Act, and H. J. Clark was remanded till Monday.

The men were found guilty of having failed to make a report of their incomes for 1919, and the fine is the minimum.

D.D.D. Prescription for Eczema

For 15 years the standard remedy for all skin diseases. A liquid used externally. Instant relief from itch. Your money back if the first bottle does not bring you relief. Ask also about D. D. D. Soap. C. H. Bowers & Co., Druggists, Victoria.

Temporary Aid for Clutch.—If your clutch slips a temporary repair may be made by applying a little Fuller's earth to the face of the leather.

BRITAIN NOW HAS A PEACE CABINET

System Which Grew Up During the War Is Abandoned

London, Oct. 28.—The War Cabinet has been changed into a Peace Cabinet, according to announcement made yesterday by Rt. Hon. Bonar Law in the House of Commons, the following having been invited to become members:

Lord President of the Council, Lord Lieutenant of Ireland or Chief Secretary for Ireland, Lord Chancellor, Home Secretary, Secretaries of State for Foreign Affairs, the Colonies, War, Air and India, First Lord of the Admiralty, Secretary for Scotland, President of the Board of Trade, President of the Board of Agriculture, President of the Board of Education, Ministers of Labor and Transport, Lord Privy Seal, Rt. Hon. George Nicoll Barnes (Minister without portfolio), and the Minister of Health.

Cost of Strike.

The approximate cost of the recent railway strikes to the British Government was £10,000,000, according to announcement made by the Chancellor of the Exchequer in the House of Commons yesterday. The Chancellor added that the publicity campaign against the strike cost the Government more than £22,000.

Reforms.

London, Oct. 28.—Last week's defeat in the House and the approval of the country's finances revealed in the revised estimates submitted to Parliament yesterday, showing that the estimated deficit for the year exceeds £447,000,000 instead of £250,000,000, as fixed in the budget, seems to have induced the Government to yield certain reforms long demanded by the press. Foremost among these demands was that for a return to Cabinet responsibility, and also more regular attendance of the Prime Minister in the House of Commons. The former apparently has been granted in the announcement of a return to the peace-time form of Cabinet, whereby all the Ministers will be responsible for the decisions taken instead of the few Ministers forming the War Cabinet.

Will Answer Questions.

With regard to the second demand, an inspired statement was issued last night to the effect that as soon as his duties in connection with the Peace Conference are ended, the Prime Minister will revert to his old practice of personally answering questions in the House of Commons. He will begin

BRIDGE BUILDER ASSERTS TROUBLE IS AT AN END, NOW

Could Hardly Bend Over to Tie His Shoes; Is Feeling Fine Again

"For fully three years before I began taking Tanlac my stomach was in such an awful fix I was not able to eat breakfast a single morning," said J. S. Holles, a well-known bridge builder who lives at 1349 Parker Street, Vancouver, B. C., while talking to the Tanlac representative recently.

"There was hardly a minute during the day that I could say I was feeling good," continued Mr. Holles. "My stomach was in an awful fix, and no matter how little I ate, I was sure to suffer from gas and indigestion the worst sort right after eating. I had a chronic case of constipation and never a day passed that I didn't take a laxative of some kind, and I was so nervous I didn't know what it meant to get a good night's sleep and rest. My back ached and pained me just about all the time. In the morning I could hardly bend over to tie my shoes, and during the day I had to be very careful in not moving too quickly for the pain would simply take the breath right out of me, and at times I was hardly able to stoop over at all."

"Well, sir, when I started taking Tanlac things began to change almost at once, and now I have just finished my fourth bottle, and I can just feel that my whole system has been built up. My stomach is in fine condition, and I am not troubled any more with gas or indigestion and my appetite is so good that I eat three square meals a day, and don't suffer any bad effects. I am not constipated now and the pain in my back has left me altogether, and I can bend over and straighten up without any trouble, and I can do as good a day's work as any man. My nerves are steady now, and I am instead of the few Ministers forming the War Cabinet."

Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas—Advt.

by doing this once weekly, and later may attend on two days.

The Cabinet, at a meeting yesterday drafted a motion which will be proposed by Rt. Hon. Austen Chamberlain, Chancellor of the Exchequer, on Wednesday, "that this House, realizing the serious effects upon the trade and industry of the nation of the enormous financial burdens resulting from the war, promises its hearty support to the Government in all reasonable proposals, however drastic, for the reduction of expenditure and the reduction of debt."

It is expected the debate on this motion will be held on Wednesday by the Independent Liberals and Laborites will extend over at least three days. The Laborites advocate a levy on capital and a reversion to the state of all fortunes made as a result of the war.

Irish Question.
The Irish question still provides the Government with a difficult problem, and it is said that the Cabinet Committee having the matter under consideration will not likely be able to present a satisfactory scheme in the limited time now available. It is thought the Government will be compelled to introduce a bill again postponing the operation of the Home Rule Act, which otherwise would become automatically operative with the formal ending of the war.

HOW TO MAKE YOUR HAIR BEAUTIFUL

Ten Minutes' Home Treatment Works Wonders. Stops Falling Hair and Dandruff and Makes the Hair Soft, Brilliant, Lustrous and Fluffy.

Better than all the so-called "hair tonics" in the world is a simple, old-fashioned home recipe consisting of plain Bay Rum, Lavona (de Compoese) and a little Menthol Crystals. These three, mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona, 6 oz. Bay Rum and 1/2 drachm Menthol Crystals. Dissolve the Crystals in the Bay Rum and pour in 8 oz. bottle. Then add the Lavona, shake well and let it stand for an hour before using. Apply it by putting a little of the mixture on a soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust and excessive oil and makes the hair delightfully soft, lustrous and fluffy. To stop the hair from falling and to make it grow again rub the lotion briskly into the scalp with the fingers tips or a medium stiff brush. Apply night and morning. A few days' use and you will not find a loose or falling hair. They will be locked on your scalp and will not fall out. Dandruff will disappear. You will find fine downy new hairs sprouting up all over your scalp and this new hair will grow with wonderful rapidity.

Any druggist can sell you the above. The preparation is very expensive and we know of nothing so effective and certain in its results.

PURSUES PROFITEERS.

London, Oct. 28.—A woman inspector has been appointed by the Profiteering Council of Thomsenburgh, a big London industrial district, to hunt down profiteers because of the alleged unwillingness of the general public to make industrial complaints through fear of being boycotted.

TWO AMENDMENTS MET WITH DEFEAT

Straight Party Votes on Grand Trunk Measure in Commons

Ottawa, Oct. 28.—Two amendments to Clause 2 of the Grand Trunk Railway Bill were defeated while the House was in committee on the bill last evening, the first, by Hon. W. L. Mackenzie King, would have provided "that this agreement shall be submitted and subject to ratification by Parliament." This was defeated by 49 to 26 on a straight party vote.

The other amendment, moved by J. F. Denis, P. M. A., asked that the five stocks of the Grand Trunk Railway, instead of four, be submitted to arbitration. This would have meant arbitration of the value of the debenture as well as common and preferred stocks. Mr. Denis' amendment was defeated on a division of 49 to 25.

Opposed.
Earlier in the evening J. A. Robb quoted two members of the Drayton-Acworth Commission as being opposed to public ownership, and asked the Government to have a little more concern for the taxpayers of Canada and less for the shareholders of the Grand Trunk overseas. He said a receivership for the Grand Trunk would not impose any hardship on the people of Canada.

The debate became warmer when Hon. N. W. Rowell and Hon. W. S. Fielding entered the lists later in the evening. The former declared that without the Grand Trunk system, public ownership of railways in Canada was doomed to failure. The present system could not exist without feeders. Opposition to these feeders was little short of a crime, and the men who fought against the acquisition of the Grand Trunk would make Canada shoulder a debt for years to come.

Lack of Logic.

"Would my honorable friend approve the Canadian Pacific Railway Company's application?" asked Mr. Rowell.

Mr. Fielding retorted that this was another example of the lack of logic on the part of the Government.

"Would you?" he asked Mr. Rowell who replied in the negative. "It is time we ought to talk of the when such a measure comes before this House," declared Mr. Fielding. There had been a cry as to the urgency of the taking over of this road. All the urgency was on the part of the Government, he thought. If the President of the Privy Council was afraid of the Canadian Pacific Railway interests bribing anyone if the bill stood over, Mr. Fielding asked who there was to be bribed and corrupted. Did the Government fear of the men on its own benches? Surely they had nothing to fear from public opinion if the country was in favor of public ownership.

Hotels.
Mr. King asked if the Government was to take over all the assets of the Grand Trunk, and did it contemplate going into the hotel business? Mr. Robb asserted after the vote on the King amendment that the members of the Government side had denied to the people of Canada the right that Sir Alfred Smithers had been careful to safeguard for his shareholders, that of ratifying the agreement.

Inflated Value.
Mr. Fielding asserted that if Mr. Denis' motion was defeated the people would pay in addition \$13,000,000 for inflated value of the debenture stock because the Government was guaranteeing interests.

E. B. Devlin accused Mr. Rowell of putting up straw men to knock down again. His favorite straw man so far had been the C. P. R. He had put up the C. P. R. and hammered it for all it was worth. He now created another straw man, namely, the motives of the Opposition in asking for information, but the Opposition would not be deterred from its search for information by Mr. Rowell's hammering.

When Mr. Denis' amendment was voted down, the Deputy Speaker asked if Clause No. 2 would carry. Government supporters shouted "Yes," but Mr. Cahill again rose.

Agreement.
At a late hour discussion of the agreement which will be drafted between the Government and the Grand Trunk Company, should the bill carry, was pursued at some length.

Mr. King and Mr. Fielding took the ground that this agreement could be submitted to Parliament. Failing this, the Grand Trunk shareholders would have the advantage of seeing the agreement and basing their conclusions on the information contained in it while Parliament was in the dark.

Mr. Meighen, on the other hand, declared the agreement would be based on the bill and could not contain anything in opposition to the terms of the bill. It was perfectly open to the Opposition to suggest any amendment it saw fit.

Wish To See It.
Mr. Meighen stated that the terms of the agreement were being worked out, whereupon Mr. King stated that it was the desire of the Opposition that it should be brought down before the House prorogued.

Mr. Robb, Chief Liberal Whip, suggested that the House pass other legislation before it and that it adjourn for a month in order to allow the Government and the Grand Trunk to come to more definite terms. Mr. Meighen replied with some heat that there would be no adjournment as suggested. If the Opposition desired to keep the discussion going until the agreement was ready, the

A HALIFAX DEATH.

Halifax, Oct. 28.—The death occurred yesterday afternoon of Dr. M. S. Dickson, one of the best known medical practitioners in Nova Scotia.

"It Has Sung Its Way Into the Heart of the Nation"

THREE weeks ago, when we announced the Curtiss Aeromola, we felt that we had produced a perfect instrument—"The Last Word in Talking Machines."

But—it was for the public to say. They—you—had to be pleased; and you know that if you had been in our position you would have felt the tension—as we did. Judge of our pleasure and pride then at the reception which buyers have given us.

Music dealers who put in a few models reported sales within a few hours. Some were so enthusiastic they wired for more machines the same night. The Curtiss Aeromola is a success.

Curtiss Aeromola

It is a success because, first of all, it is a magnificent production from a musical point of view. Second, it is a handsome piece of cabinet making, made with all the skill and precision with which our craftsmen built Aeroplanes for the Allied Governments.

It will play every record and play them a little better than you have ever heard them played before.

If you really want to be charmed by a talking machine go and see and hear the Curtiss Aeromola. Dealers will gladly demonstrate it to you.

HON. DR. TOLMIE'S ELECTION.

The election of Hon. Dr. Tolmie by a majority of two thousand was largely a personal triumph. He had to contend against a strong current of hostility to the Union Government, which, if he had been less popular and his opponent had been some well-known local man, would have swept Victoria into the opposition column.

Dr. Tolmie may be expected to render very useful service to the Dominion as Minister of Agriculture. Indeed, his desire to improve the conditions prevailing in Canada's basic industry—to make agricultural activity more attractive and thereby stem the exodus from the farm to the city which has been going on for some time in certain sections of the country—is his chief inducement for remaining in public life.

MR. BARNARD'S VOTE.

Whatever some of his supporters may have thought, Mr. Barnard did not expect to defeat Dr. Tolmie, although he expected to poll a large vote. That expectation was realized, for he polled a vote which, considering all the circumstances was a conspicuous feature of the contest.

On the other hand, Mr. Barnard had certain manifest advantages. His candidature represented an appeal to numerous elements and tendencies in the community. A returned soldier, he sought the support of his former comrades. The candidate of the Federated Labor Party, he looked for the support of labor.

WAY FOR THE FARMERS!

The capture of three Federal constituencies by United Farmer candidates yesterday, following the success of the farmers in the recent Ontario

elections, is a political development of exceptional significance. It marks the entrance of the farmers as a political unit into the Dominion field, while the fact that the victories were won in three widely-separated constituencies—at Carleton-Victoria in New Brunswick, Glengarry-Stormont in Ontario, and Assiniboia, in the Prairies—indicates the scope of their political movement in Canada which, as The Times last year predicted, would become so formidable as to arouse serious concern in both the old-time parties.

The policy of the United Farmers in Dominion politics is well known. It includes reciprocity with the United States, the extension of the British Preference to fifty per cent, with a view to free trade within the Empire in five years, sweeping reductions in the customs duties on agricultural implements and numerous other commodities, an effective graduated income tax and the taxation of land values.

This policy originated with the graingrowers' associations on the Prairies and eventually was taken up by the farmers' organizations of Ontario and other eastern provinces. It had been urged upon both the old line parties, and there is no doubt that if either had endorsed it or anything approximating it, and had shown that it sincerely intended to carry it out, the organization of a farmers' party as a political unit would not have taken place.

The recent Liberal convention, however, made a long stride in this direction, but by that time the farmers' party already had come into existence. The truth is, as The Toronto Globe points out, both parties in the House have been marking time too long and the farmers have beaten them to the country with the policy which, however much it may be open to criticism from various angles, contains many provisions the majority of the Canadian people want.

THE G. W. V. A.'S NEW HOME.

Whether the Victoria branch of the Great War Veterans' Association of Canada is successful in raising sufficient funds to permit of its removal to more commodious premises or not will depend upon the response to the organization's appeal to the people. It should not be forgotten that the G. W. V. A. has grown from small beginnings into a nation-wide force with a definite influence on public thought.

SEELED AGAIN!

Although more than three score returned soldiers have waited for weeks in the hope that the Victoria City Council would change its attitude towards participation in the housing scheme, even the possibility of a resumed discussion appears for the moment remote.

On that account a number of returned men and the Superintendent of British Columbia Soldier Settlement himself were present in the Council Chamber fully anticipating at least some progress to be made towards a settlement or final rejection of the whole proposal.

In consequence another week's delay will have to be added to a most remarkable period of indecision, while those returned men who are desirous of owning their own homes in this city, ready and willing to accept and discharge the obligations attaching thereto, must perform "cool their heels" until the City Council feels that it can deal with the question.

In the meantime the municipality of Saanich has commenced building operations under the terms of the Act; it failed to detect any reason why it should not add useful citizens to its community under such favorable circumstances. Can there be an Ethiopian in Victoria's wood pile, and if so, just where is he?

W. COORFIELD DIES. London, Oct. 28.—Wilmot Coorfield, an author, is dead.

LABOR CHARGES IRREGULARITIES DURING ELECTION

Barnard Asserts Harry Price Left Alone With Ballots in Polling Station

That "unmistakable irregularities" occurred during the polling yesterday; that Harry Price was in Semple's Hall, Victoria West between eight and nine o'clock in the morning prior to the opening of the poll; that the election had been a great "moral victory" for the forces of labor and that Ottawa would see the effects of a by-election in which a labor candidate opposing a local man and a Cabinet Minister had polled 5,000 votes, these were the assertions made at a meeting of Barnard supporters in the Crystal Theatre following the closing of the polls last night by the candidate and his friends.

Alleges Irregularities. "There have been in this election unmistakable irregularities," declared E. S. Woodward, president of the Trades and Labor Council, who took the chair. In Mr. Woodward's opinion, labor should not let the other side of the campaign "get by" with this sort of thing. He himself was in favor of fighting the election to a finish, meaning, apparently, that, if sufficient evidence could be secured regarding alleged irregularities, he favored a protest on the legality of the poll.

"Are we downhearted?" demanded W. E. Peirce, the second speaker. A thundering chorus of "no's" was the reply from the meeting. "We have fought a good fight," pursued Mr. Peirce. "We have fought a clean fight. The election has been put over the people of Victoria. In talking to people about the city today I found that the sentiment was all in favor of the labor candidate. But he was not elected. If we can find sufficient ground to contest the election we will do it. If there is any chance of having the fight over again we will have it. We are not downhearted, but we must get ready right now for the next fight. There will be one before two or three years." "After all," Mr. Peirce admitted, "this election may be a good thing. We are going to have hard times this winter. There's no use disguising that fact. If Mr. Barnard were elected, he would be blamed by the people for those conditions. Now they cannot blame them on the labor party."

"We have had two big papers against us," Mr. Peirce continued. "Personally, I would not envy the chair of the Colonist editor. Some men would like to do some pretty hot things if they were not restrained. Lies during the campaign came thick and fast. We need a labor press in this city. Besides the labor press we need a labor school where the young people could learn economics, and the party they will have to play in the future. How many would favor the establishment of a labor school?" All right hands in the audience were raised promptly. A labor church such as was conducted by Rev. William Woods in Winnipeg, also was advocated by Mr. Peirce, who declared that the "gospel should be preached from the economic side."

Form "Own Machine." "I have striven to play the game straight," asserted E. W. Ellis, Mr. Barnard's campaign manager. "The great lesson I have learned is the lack of organization among the workers as far as political activity is concerned." Mr. Ellis urged the men and women present to join the Federated Labor Party and to form "their own machine," so that they would have "something to fight with." "We have achieved results that have never been achieved here before," Mr. Ellis averred. "Within a few months we should have an organization that can lick them off their feet."

At this juncture in the meeting Dr. Ernest Hall entered the building, and when he mounted to the platform was given a tremendous ovation.

Something Wrong. "There was something wrong with the works to-day," declared Sergeant-Major "Jimmy" Robinson, D.C.M., referring again to the alleged irregularities. The Sergeant-Major challenged the heads of the big returned soldier organizations by name to meet him on the platform and "say that they did not play the game for Tolmie." The speaker said he was "here to fight." J. Axom, President of the Great War Veterans' Association in Victoria, Mr. Axom, the speaker, had no doubt, had voted for Tolmie. "Until we clear our skirts of traitors there will be no harmony in the camp," the Sergeant-Major said.

The speaker strongly urged labor and the returned soldier organizations to form a "Labor and Returned Soldier Association of British Columbia," and promised that he would inaugurate it in Vancouver immediately in a "soldier-labor party." The election in Victoria had been the thin edge of the wedge, the Sergeant-Major insisted. "I have fought in South Africa, India, Egypt and twice in France," the speaker informed the gathering. "But never again. I'll let the men who invest in real estate who have the money fight in the future. The hand writing on the wall is turning the other way."

A Great Moral Victory. "From the soil and the workshop there is coming a tremendous force

Select Your China From Weiler Bros.' Big Stock of Beautiful Patterns

For china—and for all other details of the home furnishing—Weiler Bros. is the store you should come to for variety and economical values. No matter how much or how little you wish to expend on your stock of china this store is prepared to offer you a broad variety to choose from at almost any figure you name. To illustrate our meaning we outline below a few dinner sets at medium prices which are to-day laid out on the main floor display tables. All of them are high grade semi-porcelain and artistically decorated in designs and colors that no purchaser will find difficulty in choosing from.

Fine Quality Dinner Sets at Moderate Prices 97-Piece Dinner Set, in the white Marquise pattern. The price is low at \$20.25 97-Piece Green Peacock Ophelia Dinner Set, superior quality, at a most moderate price \$21.60

97-Piece Dinner Set in the Blue Yuan pattern. Price \$32.00 97-Piece Dinant Dinner Set, green and gilt border and medallion decoration. Price \$35.00 97-Piece Dinner Set, in neat blue band and gilt design \$36.00 97-Piece Dinner Set, with Bleu-de-Roi decoration. \$42.75

that the forces of Liberalism and Toryism cannot stop," said Dr. Ernest Hall. "I am proud that we have five thousand men and women in Victoria who voted the right way." The Doctor continued, referring to the Barnard voters. "The prospects of Victoria were never brighter. This is the greatest moral victory Victoria has ever had! When I considered that the labor candidate came here a few weeks ago an almost unknown man, and the prejudice against the mainland why, I personally thought up to a short time ago that it would be foolishness to run a candidate. If we had had one week more in which to campaign we should have swept the polls. It has been the old story of hogs versus men. The message that I have seen no indication in Dr. Tolmie's speeches that he has a spark of humanity in him. The vote that Mr. Barnard has received to-night is the greatest tribute any man could receive. All honor to him! If this had been a general election we should have had 2,000 votes in our favor. The Labor Giant is waking up, is rubbing his eyes, and he is not going to stop at this election."

"Torrents of Slime." "That there was no net committed in the election campaign of which the labor party need be ashamed, was the statement of Den Poupard. "There would have been no mud thrown from our platform," Mr. Poupard asserted, "had it not been for the torrents of slime on the other side. Everything that has been said about us that would make us look like Bolsheviks, blackguards and murderers."

Barnard Expected Defeat. When Mr. Barnard rose to speak he was greeted with deafening applause and three hearty cheers. The defeated candidate frankly admitted that he did not expect to win the election.

Semple's Hall Story. Referring to the alleged irregularities which Mr. Woodward had mentioned, Mr. Barnard observed "I was not sure that my figures were going to be right until I went out to Semple's Hall in Victoria West in the morning. When I saw what was going on there I was afraid. The ballots were left where anyone could take them, and Harry Price was there alone. The returning officer told me that the ballots were taken out there. I told my solicitor that nothing could beat a machine operating like that."

Explaining how the Labor Party had lost the election, Mr. Barnard said that, in his opinion, the larger part of the women voters had cast their ballots for Dr. Tolmie because they were not going to take any chance on the drydock not being built.

Ottawa Will Feel Effect. The subscribers at Ottawa would feel the effects of a by-election in which a labor candidate polled 5,000 votes, Mr. Barnard prophesied. "We lost hundreds of votes because the polls closed at five o'clock," the labor candidate asserted. "Many people were turned away from the polls at five o'clock. All things considered, this cause has got a tremendous send-off. The fire has been kindled, it's up to you to keep it burning." Mr. Barnard proceeded to deny some of the charges made against him during the election campaign. "I never left the G.W.V.A. to join the 'One Big Union,' he asserted. "I was never a delegate from the G.W.V.A. to the Trades and Labor Council. I

Burglary and Theft

Insure against this risk and you can leave your home in perfect comfort and safety. Rates are low. Gillespie, Hart & Todd Tel. 2040. LIMITED, 711 Fort St.

ister, with the drydock and two newspapers, the forces of Conservatism and the organization slander and lies that sometimes cloaked acts of intimidation—in the face of them, the people of Victoria recorded 5,000 votes for the labor candidate. If I were Dr. Tolmie I would go to Ottawa like a man with his coat tails cut." Mr. Stevenson declared that Dr. Tolmie's campaign had been conducted on one of lies, and asserted that he knew a lady who had sent three sons to the front and who had been refused the right to vote because she was not born under the British flag. Dr. Tolmie's satisfaction, Mr. Stevenson continued, would be of short duration. The election had been the most noteworthy in the history, and he was satisfied that labor had won. Labor had made a name in Victoria that would never die. Urging the ladies and gentlemen present to join the Federation Party, Mr. Woodward concluded the meeting by asserting that the workers could form an organization that neither Dr. Tolmie nor his friend Harry Price could beat.

DR. TOLMIE ENDORSED AS OTTAWA MINISTER

"Had I been defeated I would have felt far worse as a property holder in the city of Victoria than any effect it might have had on my personal feelings," said the Minister. "I would have regretted very much being defeated, not for anything personal, but rather because it would have given the city of Victoria a black eye for turning down a Cabinet Minister, when he had been given to her as the second Cabinet Minister from this Province. Up until now the Province has had only one Cabinet Minister. It would have been poor appreciation to have turned the other down. Victoria's Prominent at Ottawa. "The attention of the Government at Ottawa has now been brought to the city of Victoria. When in 1917 Mcintosh and I proposed the steel shipbuilding industry for Victoria, the Minister smiled. "You don't want industries in that town; it is a golfing centre," he said to us. "We had to work hard to bring him around. "While we can have progressive industries in this city we will have prosperity as smokestacks won't interfere with our fine climate. "I am proud to feel that I am again the representative of the people of Victoria and that they have rightly appreciated the things presented to them in this campaign. Now as we have got these things started we can go ahead to bring continued pros-

perity to Victoria and Vancouver Island. Not Enemy of Opponents. "There are a lot of good fellows who have been on the other side opposing us in this election. Everyone is entitled to his opinion. When I leave for Ottawa I will have no hard feelings against any of them, but will represent every citizen of Victoria irrespective of the part they have played in the election. "I want to say that since my election in 1917, I have kept Victoria before me all the time. Now that I have been promoted to the office of Minister of Agriculture through the endorsement of the people of Victoria, I will continue to keep Victoria to the forefront of my interest as well as the department that has been committed to my care. "I can hardly find words to express my gratification at the results of the polls. I most deeply appreciate the work that the various committees have accomplished. I have watched our citizens right up to night staying away from their homes to win this election for good government. Appreciates Ladies' Efforts. "The ladies have shown that they just as much as the men are able to show a sound judgment in a case such as this. "Dr. Tolmie heard the returns as they came in at his committee rooms, 1317 Douglas Street. He sat on the edge of a table smoking a cigar. He did not say much, but smiled with pleasure when favorable returns would come in from various sections of the city. "When the final came through showing that he had a majority of

more than 2,000 the crowd broke out into cheers for the new Minister, Dr. Tolmie, spoke briefly to the crowd and thanked them. He was introduced by Joshua Kingham, his campaign manager, as "the man who is now our Minister of Agriculture." Thanks to Workers. "I wish to thank those workers who have given up their time, their cars and did everything possible to bring about the results that we have this evening," said Mr. Kingham. "The victory we have achieved after the campaign that we have been through is magnificent. I saw a great deal of what was going on today under the other side. With all their dirty work, and there was quite a good deal of it, the respectable element of this city got out and showed they didn't want any of the red here." PRINCE OF WALES VISITS MONTREAL Montreal, Oct. 28.—The Prince of Wales this afternoon will review 5,000 veterans of the great war here and distribute a number of decorations. One of the features of the review will be the presence of eight great guns captured from the Germans by Montreal troops and the original colors of the Princess Patricia's Canadian Light Infantry, which was carried by a guard of veterans. After the inspection the troops will parade through the city and post a cenotaph erected on Sherbrook Street. The Prince will attend a military ball given in the Windsor Hotel in the evening.

**URGE ATTENDANCE
AT PORTS MEETING**

Council Requested to Be Represented at San Diego Gathering

The City Council filed a letter from T. C. Sorby, Secretary of the Inner Harbor Association, last evening with regard to the annual meeting of the Pacific Coast Association of Port Authorities at San Diego, in which he recommended it as advantageous to the community to send a representative. The Council tabled the matter.

Lights are wanted on Empress Avenue and Laurel Lane, it was reported.

Removing Tracks.

The Victoria Terminal Railway & Ferry Company has undertaken to tear up its rails from the city limits to the terminus of Blanshard Street. City Engineer F. M. Preston and City Solicitor H. S. Pringle reported on the matter and stated that the city should see that the railroad was left in proper condition following the operation. Intersections of paved streets are to be left in good condition, lines on macadamized streets to be made like those adjacent, and on unimproved streets the holes are to be filled in and leveled.

Alderman Cameron thought the recommendation of the officials should be carried out, irrespective of whether it affects the Victoria Terminal Railway & Ferry Company, and the Victoria & Sidney Railway Company, from the city limits to Blanshard Street. He knew the incorporations were quite satisfactory. In this suggestion he had the approval of the aldermen, and the course will be adopted.

Proposed Amendment.

An amendment to the Municipal Act to prevent the City Council from "continually breaking the law" was proposed by Alderman Sargent.

The alderman referred to the technicalities that should be performed from time to time and which often escape the notice of the Council until something happens to bring them forcibly to its mind. The Municipal Act, as at present drawn up, makes it obligatory upon the Victoria Council to post notices of motion at least twenty-four hours before action is taken in respect to all matters dealt with, thus making it impossible for the Council to "cover up" its error or oversight without considerable delay. City Engineer F. M. Preston reported that he was still building inspector, despite the fact that J. Barr was appointed to that position as from October 1. According to law, the Council will have to wait until the meeting before a resolution relieving Mr. Preston can be passed.

Alderman Sargent argued that an amendment to the Municipal Act to prevent the recurrence of "embarrassing situations like this" was advisable.

City Solicitor H. S. Pringle was asked to report on the matter.

Hired Vehicles.

The Council finally passed the Hired Vehicles By-law amendment relative to the parking of autos on Belleville and Menzies Street, and issued instructions to Chief of Police Langley to the effect that the south side of Belleville Street, from Menzies to Government Street, is to be reserved as a vehicle stand for the general public.

Lang Street.

An application for the extension and opening up of Lang Street was received from Mrs. J. P. Mackintosh and sixty-two others. The petition set out that persons living within the city limits north of Smith's Hill reservoir were isolated in the section between Cook Street and Cedar Hill Road. The petition will receive attention.

Other Matters.

To the chairman of the Streets Committee and City Engineer was referred an application to negotiate for the crossing plant owned by the city, which was made by the Prince Rupert Supply Company, Limited.

**LOAN NEWS FROM
UP-ISLAND CENTRES**

Nanaimo, Oct. 27.—All preparations for the big drive are complete. The three weeks' campaign has been mapped out in every detail. For the first three days the canvassers will concentrate their energies in lining up those who have not as yet paid their civic taxes and if possible induce them to pay them in 1919 Victory bonds. The city will accept these bonds at 100 cents on the dollar so that the taxpayer will lose nothing by paying his taxes in Victory bonds, but on the other hand will materially assist the committee in reaching its objective of \$500,000.

The headquarters of the Nanaimo committee is located in the Windsor Block next the Electric Light Company's office, and the telephone number is 600,000. All information regarding the bonds will be cheerfully given and a hint to headquarters will immediately send a canvasser out for a subscription.

The territory to be covered by the Nanaimo committee in this campaign extends from Grant Mine on the north to Nanaimo River on the south and includes Morden, South Wellington, Chase River, Reserve Mine, Harwood, Five Acres, Nanaimo City, Jingle Pot, East Wellington, Northfield, Wellington, Departure Bay, Brechin and Gabriola Island.

If You Require a Garage Built or any other carpenter work done, phone 1116K.

A BEDTIME STORY

UNCLE WIGGLY AND JACKIE'S COLLAR.

Copyright, 1919, by McClure Newspaper Syndicate. (By Howard R. Garis.)

You might have thought him proud, but he was not. I'm speaking of Jackie Bow Wow, the little puppy dog friend of Uncle Wiggly's, and his collar. I mean Jackie's collar, not the rabbit gentleman's.

For Jackie had a new collar. It was made from a piece of shiny, black leather, with a buckle that shone like silver and a plate with his name on that glittered like gold. Every dog that met Jackie Bow Wow, digging up hidden bones, or chasing cats, could know who Jackie was just by looking at his collar. There was his name as plain as print.

Jackie Bow Wow.
But still, as I say, Jackie was not proud. With his new collar around his neck he trotted over to Uncle Wiggly's hollow stump bugaloo, tapped at the door with his paws, taking care not to scratch it with his toenails, and, when Nurse Jane opened it, Jackie asked:

"Is Uncle Wiggly in?"
"Yes, but he isn't coming out to go to school with you," answered the musk rat lady housekeeper, with a laugh. "Besides, it's too late to go to school to-day. Why aren't you at your lessons?"

"I didn't have to go to-day," barked Jackie, as he made believe to chase his tail. "Mother took me down to the three and four-cent store to buy me a new collar. I got it on now. I came over to show it to Uncle Wiggly. Can't he be out?"

"Oh, yes, I suppose so!" laughed Nurse Jane again, and her whiskers curled around the back of her neck she felt so jolly. "I'll call him. And that certainly is a nice collar you have, Jackie!"

Uncle Wiggly said the same thing, when he had looked at it.
"And now, since you have no school, and since I have nothing special to do, suppose we take a walk through the woods and see if we can find an adventure," suggested the bunnies rabbit gentleman.

"Oh, that will be fun!" barked Jackie, making believe turn a somersault. He was as pleased as a piece of strawberry shortcake, and nothing is more pleasing than that. So Uncle Wiggly and the little puppy dog, with the new collar around his neck, started off.

IN WOMAN'S DOMAIN

Lord and Lady Colville, of Point Colville, are staying at the Empress Hotel.

Major and Mrs. Maguire have arrived here from Vancouver to make their home in this city.

Mrs. Blackwood Willem is in the city for the Vancouver Island Conference of Women's Institutes.

Doctor R. Eden Walker and Dr. G. E. Drew, of New Westminster, are guests at the Empress Hotel.

Dr. James M. Robertson, of Ottawa, arrived in the city yesterday, to speak at the Canadian Club luncheon to-day.

Mrs. Brainer, of Whittier Avenue, has returned to this city after an enjoyable trip to England, extending over several months.

Mr. and Mrs. E. P. Yarwood, who have been visiting their parents, Mr. and Mrs. E. Yarwood, of 238 Lee Avenue, have returned to Vancouver.

Miss Grimmer, city school nurse, of Victoria, is one of the delegates at Vancouver for the Child Welfare conference.

Mayor Porter has appointed Ald. Patrick Cameron and Clark to act with the committee of the Navy League arranging for the reception to Admiral Viscount Jellicoe early next month.

Mrs. H. P. Newcombe, W.C.T.U. national lecturer and former state lecturer and organizer for the same organization at New York, arrived to-day from Ontario and is staying at the Hotel Strathcona.

The Sidney Athletic Association will hold a masquerade dance in Herquist Hall, Sidney, on Hallowe'en, Friday, October 31. Perry's orchestra will supply the music for the occasion. Prizes will be given to the best dressed lady and gentleman, also for the best comic costumes. Refreshments. The Victoria-Sidney stage will leave Woods Store, Douglas Street, 8 o'clock, returning at 2 o'clock.

The Esquimalt Recreation Club will hold a dance at the Alexandra Club on Thursday evening. Dancing will commence at 9 o'clock to the tune of Miss Thain's five-piece orchestra and will continue until 1 o'clock. The supper arrangements are being provided by "T" Unit Chapter, I.O.D.E. filling a noble purpose in the life of the neighboring municipality. It has furnished most of the sports equipment for the use of the patients at the Esquimalt Military Hospital and also keeps "The Hut" at Esquimalt supplied with periodicals. It is expected that there will be a large attendance at the dance. The proceeds will be used in carrying on the work among the Esquimalt patients.

Miss Agnes Stewart Robertson is progressing favorably after her operation at St. Joseph's hospital.

On Saturday evening at the home of Mr. and Mrs. Jacob Hughes, 1023 Burdette Avenue, Miss Florence Dales and Mr. William Battle, both of this city, were united in marriage by Rev. B. H. West. Mr. and Mrs. Battle intend to reside in the city.

Right Rev. A. de V. Schofield, Bishop of Columbia, is leaving to-day for Vancouver to attend a special conference of the Anglican and Presbyterian Church representatives, which will meet in the Terminal City to-morrow and Thursday.

The Foundation Club dance at the club quarters to-morrow evening has produced a great deal of interest for the waltzing competitions, for which the entries are coming in steadily. Six prizes will be given, in pairs of first, second and third. Ozard's orchestra will render selections.

Lieut.-Colonel W. B. Anderson, C. M. G., D. S. O., who for long was D. A. & S. Q. M. G. at Canadian corps headquarters, is here with Mrs. Anderson. Colonel Anderson has many years' service in the Canadian militia to his credit and obtained his commission in the permanent force in 1905. Before the war he held many important staff appointments and went to France with the First Contingent.

Brig.-General D. M. Ormond, C. M. G., D. S. O., formerly G. O. C. Ninth Brigade has, whose home is at Portage la Prairie, went to France as an "original" with the Tenth Battalion, which he commanded for a long period before succeeding Brig.-General F. W. Hill, C. B., C. M. G., D. S. O., as G. O. C. Ninth Brigade. Following the armistice he was appointed G. O. C. of the big Canadian camp at Rippon, Yorkshire. General Ormond is a barrister.

Miss Frances Woodworth was elected vice-president of the University Women's Club at a general meeting of the organization held last evening at the home of the president, Miss Bertha Winn, 940 Fairfield Road. The election was made necessary through the resignation of Mrs. Clarke, which had been accepted with regret.

Mrs. E. M. Smith and Miss Lexa Dene, who were the Victoria delegates to the recent meeting of the Federation of University Women in Canada held in Winnipeg, reported on the work accomplished there. They stated that Victoria, with Toronto, Edmonton and Winnipeg formed the charter members.

Miss Winn spoke to the members for several minutes, outlining the work which was proposed for the winter.

The Gift Centre

"To the Last Man and to the Last Dollar"

In this strain we did a lot of talking a couple of years ago. The soldier has played his part; but Canada does not need your last dollar or any where near it. Canada does need you to take a liberal portion of your present savings or borrow a reasonable proportion of your future earnings and

Y. W. C. A. HOLDING BAZAAR TO-DAY

Many Attractions Planned For Event at St. Andrew's Schoolroom

In order to raise funds for the continuance of their excellent work among the girls of the city, the Board of Directors of the Y. W. C. A. hold a bazaar this afternoon in the school-room at St. Andrew's Presbyterian Church, placed at their disposal by Rev. Dr. Clay. Mrs. W. J. Bowser formally opened the proceedings at 3 p.m.

Mrs. J. L. Beckwith, president of the Y. W. C. A. is assisted by all the members of the Board of Directors on this occasion.
Mrs. George Piercy is convener of the bazaar committee, assisted by Miss Gilbert. Mrs. Collis is head of the decoration committee and the following ladies are responsible for booths: Fancy work, Mrs. Rowlands; afternoon tea, Mrs. Hanby; aprons, Mrs. C. H. French; flower and plant, Miss Bromley-Jubb and Miss Dowie; lavender, Mrs. Frank Adams; home cooking, Mrs. Kingham and Miss Foxcroft; advertisement competition, Miss Stephens; generous goose, Miss Ryall.

In the evening an illustrated lecture will be given by C. H. French "Indians of North America," also "Furs and Fur-bearing Animals." The lecture will be illustrated with over 100 slides and should prove of great interest. In addition to the lecture the following artists have kindly consented to sing during the evening: Mrs. R. G. Morrison, soprano; Miss Olive Dettor, contralto (late of Regina); J. Peirce, baritone. J. Smith will officiate as accompanist.

FUNDS GO TOWARD CHRISTMAS CHEER

Navy League Chapter, I. O. D. E., Dance To-morrow Night Arranged

Considerable interest is being displayed in the dance to be held to-morrow evening at the Alexandra Club by Navy League Chapter, I. O. D. E., the proceeds of which are to be devoted to the patriotic work of the chapter, especially in connection with the annual event of the entertainment of the children of the seafarers during the Christmas festival which has been yearly undertaken by this chapter. Heaton's orchestra has been engaged for the occasion and has prepared an excellent programme of dance music which includes some of the most popular dance melodies, and, as a special feature, Mr. McCreedy, a returned soldier, has kindly consented, aided by his dancing partner, Miss Richardson, to give an exhibition of the latest steps in ballroom dances as seen in the ballrooms of New York and other large centres.

The refreshment committee has completed arrangements for the supper, which will be looked after in such a way that part of the entertainment will be quite a feature. Dancing will commence at 9 p.m. and will continue until 2 a.m.

The programme is as follows:
Waltz, "Lilac Domino"; fox trot, "Chong"; one step, "Come On, Papa"; fox trot, "Mammy O Mine"; waltz, "Maid of the Mountains"; one step, "Take Your Girls to the Movies"; exhibition dances by Mr. McCreedy and Miss Richardson; fox trot, "Vamp"; one step, "Me-ow"; supper waltz, "I'm Always Blowing Bubbles"; one step, "Arabian Nights"; fox trot, "Take Me to the Land of Jazz"; waltz, "Beautiful Ohio"; one step, "Going Up"; fox trot, "Bells of Bagdad"; one step, "Western Lands"; fox trot, "J. D. A."; waltz, "Blue Danube"; one step, "Johnny's in Town"; one step, "Down on the Farm"; waltz, "Till We Meet Again"; "God Save the King."

CABARET AND BAZAAR PROMOTED BY "I" UNIT, I.O.D.E.

An attractive programme, to which Mrs. Selden Humphries (nee Dunsmuir), who has not been heard in public in Victoria for some years past, will contribute a special number, is being arranged by Mrs. Harry Pooley for the cabaret to be given at the Empress Hotel ballroom on Wednesday evening, November 5. The cabaret is to be given under the auspices of "I" Unit Chapter, I. O. D. E., and is to be the culmination of a big bazaar to be given by the chapter in the ballroom, during the afternoon from 3 till 7 p.m.

This dual event is a big undertaking for the chapter members, and they have been engaged for some time in making the necessary preparations. The bazaar is to be opened by Lady Barnard, and the patrons of the cabaret will be the Lieutenant-Governor and Lady Barnard, Major-General Leckie, Capt. Martin, Major O'Hagan and Hon. Dr. Tormis. Major-General Leckie has announced that ex-service men attending the cabaret may wear uniform.

Professor Lou Turner's orchestra will furnish the music for the cabaret.

MISSIONARIES LEAVE FOR ORIENTAL FIELD

Representatives of Baptist and Methodist Churches to Sail This Week

Two large parties of missionaries will sail this week on the Empress of Asia. A few weeks ago a party of missionaries representing the Presbyterian Church left for their work in the Orient. Those sailing next Thursday are being sent out by the Foreign Mission Board of the Baptist Church and by the Methodist Church.

A large farewell gathering was held for this band of missionaries in Moresby Hall, Toronto, on October 19 when an immense congregation met to bid God-speed to the devoted band. A farewell meeting has been planned for to-morrow, in Mount Pleasant Baptist Church, when all the Baptist churches of Vancouver will be united to do honor to the outgoing band.

This party includes Rev. R. C. and Mrs. Benson, Dr. E. G. Smith and Mrs. Smith, Rev. I. C. Archibald and Mrs. Archibald, Rev. G. P. and Mrs. Bers, Dr. and Mrs. Eaton, Miss Ellen Priest, Miss A. C. Murray, Miss Eaton, Miss Blackadder, Miss Machum, Miss Mathieson, Miss Day and Miss Brothers.

Returning to India. Dr. and Mrs. Smith are returning to the Telugu Mission, India. Before they came to Canada for their furlough they were stationed at Pithapuram, in the Godavari district, where they spent a successful term. Rev. R. C. and Mrs. Benson were at Vuyuru, in the Kistna district, Miss Priest was at Tuni and Miss Murray at Yellamanchilli. Rev. I. C. Archibald and Mrs. Archibald were successful missionaries at Chicacole. The others of the party are new missionaries going out for the first time.

The board of foreign missions now has about fifty missionaries in Telugu and reports from the missionaries state that there is great interest being aroused in Christianity and people everywhere are flocking to hear the gospel preached. In relating of a visit to one of the villages, Mrs. Scott, who is stationed at Tuni, says: "We had a great welcome. There is not a Christian in the whole village, and the evangelistic Sunday school teacher had gone, thinking we were not coming. But the work was there. Immediately we were surrounded by a crowd of heathen children. They were so quick in responding to the questions asked them about the scripture lessons and especially ready with singing the Telugu Christian hymns. Four years ago not one of them would have anything of the kind in their minds and they would have run away from fright at the sight of a white person. Now they crowded to welcome us and almost the whole village was around us and we had a splendid hearing for the gospel message."

For Methodist Fields.
A party of missionaries sent out under the auspices of the Methodist Church will also leave for China and Japan on the Empress of Asia. Among those who are included in the party are Rev. R. E. S. Taylor and family, Dr. C. B. Leiby and family, Mr. F. E. Dale, returning from furlough; Dr. and Mrs. T. H. Williams, Rev. J. A. Walker and Mrs. Walker, Miss Isabelle K. McIntosh, Miss Mary E. Hatstone, Miss M. B. Ross and Miss Elizabeth A. R. V. Wilson, who are going out for the first time.

Rev. R. E. S. Taylor, with Mrs. Taylor and the children, have spent a large part of their furlough in British Columbia and have visited the Methodist churches in the interest of

A Sound Investment—Victory Bonds.

missions. Mr. Taylor is a member of the British Columbia conference and is a graduate of Columbian College. Dr. C. B. Kelly returns to Chentu, West China, where he was attached to the Methodist Hospital and also to the medical college of the Union University as a teacher.

In Western China.
Mr. F. E. L. Aberly is an architect who has superintended the erection of many of the handsome buildings now owned by the Methodist Church in West China. He will have the oversight of a large number of new buildings which have been under consideration during the war period and upon which actual construction will commence immediately. Churches, schools and hospitals in different parts of the province of Szechuan, China, which has been allotted to the Methodist Church as their field of action, Miss E. E. Dale was superintendent of the hospital of Jungshan when she came home on furlough and will be assigned to similar work for her next period of service.

COL. FOSTER TO LECTURE.
The members of the Christ Church Cathedral branch of the Anglican Young Peoples' Association are gratified to be able to announce that a lecture will be given on Thursday, October 30, at 8 p.m. in the Schoolroom, Quadra Street, by Colonel W. W. Foster, D.S.O., illustrated by official war record slides, showing the localities where the Canadian Corps was engaged, Ypres, the Somme, Vimy, Passchendaele, and the great advance of 1918, also giving an idea of some experiences of a Canadian battalion. There will be a collector at the door in aid of the piano fund

The Nujol Treatment as Sickness Prevention

Science, with anti-toxins, serums, and modern sanitation, has done much to prevent dangerous disease; but the diseases so checked are comparatively few. On the other hand, 90% of all diseases have one common origin—constipation.

The dangers of constipation are so far-reaching, because the blood receives poisons from an infected mass within, and carries them directly to every organ of the body; and because constipation itself keeps the system in a run-down condition so that any infectious germs from without readily gain foothold.

Keep clear of constipation and you guard against serious disease. Nujol will remove constipation and prevent its return.

The action of Nujol is entirely different from that of any other constipation remedy. It is not a drug. Nujol softens the food waste and encourages the intestinal muscles to act naturally.

Nujol helps Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Get a bottle from your druggist today.

For valuable health advice—"Thirty Feet of Danger"—from, write Nujol Laboratories, Standard Oil Co. (New Jersey) 50 Broadway, N.Y.

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark, as shown here. Secure products represented by "the same as Nujol". They may differ from substance.

SUMAS RECLAMATION

Dyking Commissioners Will Call Meeting of Property Holders at an Early Date.

Apparently with the idea of tendering for the work, Mr. Smalles, consulting engineer for the Northern Construction Company, of Winnipeg, was a caller at the Parliament Buildings this morning in search of information in connection with the Sumas Reclamation scheme.

Appropos of the project which has been under the consideration of the Oliver Government for some time

past, the Premier announced this morning that the Sumas Dyking Commissioners would call a meeting of the property holders at an early date and place before them full details of the scheme.

On Suspended Sentence.—Robert E. Morgan, who was charged in the Police Court with threatening Violet Simmons, of the London Bakery, was allowed out on suspended sentence by Magistrate Jay when the case was disposed of this morning. Accused was warned that he should be very careful of his actions.

VICTORIA IS ONE OF FOUR Canadian cities to have this "UNCROWNED PRINCE OF PREACHERS" for a series of meetings. Beginning

THURSDAY, Oct. 30

he will speak every night (except Saturdays) at 8 o'clock in

NEW DRILL HALL

Commencing **FRIDAY, OCT. 31**, he will address afternoon meetings in **ST. ANDREW'S PRESBYTERIAN CHURCH** at 3 o'clock.

GYPSY SMITH is a striking personality; has a positive message and holds the crowd.

DAYLIGHT SAVING FOR NEXT SUMMER

Board of Trade Lends Support to Movement to Have Measure Once More

Every effort will be lent by the Victoria Board of Trade to the movement now being launched throughout Canada to have the Daylight Saving Bill introduced again next year. At the council meeting of the Board of Trade this morning a letter was read from the Toronto Board of Trade, in which it was stated that a campaign must be inaugurated immediately by public bodies on both sides of the boundary if the measure is to be introduced again next year.

The letter met with an enthusiastic reception. All the members believed that the measure was of inestimable value to the people and was decidedly popular. Some members wished to have the date of expiration set as October 1, instead of October 26, as was the case this year, but others thought it better not to stipulate any dates but lend all possible assistance to the principle, which was finally agreed.

The Board of Trade will enlist the support of all other organizations and public bodies in this city and will keep in touch with Toronto as to the progress of the campaign.

SAYS VANCOUVER IS CONTROLLING TRADE

Board of Trade Dislikes Action of Foundation Company and C. P. R.

Considerable indignation was aroused at the meeting of the council of the Board of Trade this morning when George J. Warren announced that the Foundation Company of British Columbia, which had secured a contract for the construction of seven miles of railroad from Alberni to Spport Lake, was obtaining practically all its supplies and material for the work from Vancouver.

Mr. Warren saw no reason why the Foundation Company should not purchase the necessary supplies in Victoria. "I think that this is just a move on the part of Vancouver to take another industry away from the island," commented Mr. Warren.

J. L. Beckwith, who occupied the chair, stated that this was a very serious matter, and went on to deal with the service provided by the C.P.R. from Vancouver to the west coast of Vancouver Island. Although the regular passenger and mail steamer Princess Maquinna operated out of this port, the steamer Tees ran out of Vancouver.

"The whole business is controlled and handled in Vancouver," stated Mr. Beckwith. "If a merchant here wishes to ship from this port he must wait word from Vancouver. The service to Alberni is from Vancouver and not from Victoria."

All members of the council were indignant at the state of affairs, and it was decided to appoint a committee to interview officials of the Foundation Company and protest against the action of the company.

HOW SOOTHING POSLAM FEELS ON FIERY SKIN

Nothing that you can apply to ailing, itching, irritated skin can be more welcome than Poslam, for its relief is immediate. Angry surfaces are soothed, cooled, pacified. These quick indications of benefit, showing that Poslam is taking hold, have made many sufferers glad. And this directness—this getting right at the trouble in a quality noteworthy in Poslam—of those pimples, that rash, itching eczema, scalp-itch, any disordered condition. Sold everywhere. For free sample write to Emergency Laboratories, 243 West 47th St., New York City. Urge your skin to become clearer, fairer, healthier by the use of Poslam Soap, the tonic soap for the skin.

BALLOT "MIX-UP" IS EXPLAINED BY RETURNING OFFICER

Dominion Elections Act Impossible, States Capt. H. W. R. Moore

NO MONEY ALLOWED FOR PROPER FACILITIES

The "mix-up" in ballots and other arrangements at the Temple's Hall polling station, Victoria West, at the opening of the polls yesterday morning and inadequate voting arrangements in other parts of the city, is the subject of a statement issued to-day by Captain H. W. R. Moore, returning officer.

"Ballots were put up in separate envelopes the day before for each of the sixty-seven deputy returning officers and addressed to them," states Mr. Moore. "My clerk and myself each took half yesterday morning and went out to distribute them in the various parts of the city."

"I went to Temple's Hall, myself, at 8 o'clock. All the returning officers for some reason were not there. I gave the envelopes with the ballots to one of the returning officers there with instructions to distribute them. I then had to go on to other stations."

Helped Themselves to Ballots. "Apparently this man did not distribute them and the other officials there helped themselves. One returning officer who arrived late at the Hall found that the ballots were all divided and that none were left for him. He did not borrow ballots from the other people. This was section 1, division 1. As soon as I heard of this I went out with more ballots, but found that some of the men had too many, and I had the surplus ones turned over to this man."

"Harry Price, about whom a good deal has been said, was not there at 8 o'clock when I called and left the ballots. Chairs Late "Another reason for the confusion is that chairs for the stations did not begin to arrive until 9 o'clock and many of them much later. This was because the contract for supplying the chairs was given to one big firm of this city on the understanding that the chairs would be delivered before 8 o'clock in the morning. This firm arranged to get the chairs from Dr. Tolmie's committee room, and although arrangements were made to get them early in the morning, no one turned up at the committee rooms, and the first man did not turn up there until after the chairs were supposed to have been delivered at the stations."

"Then the contractor for the polling stations misunderstood his instructions and thought that there was to be a table only for each section instead of one for each booth. "In my efforts to meet the situation I covered fifty miles in a motor travelling from station to station from 7.30 o'clock in the morning until 1.15 at night without a chance to get anything to eat during the whole of that time."

"Some of the returning officers did not carry out their instructions. Some of them even put the keys of the ballot boxes after locking them into the boxes. So to open these this morning we had to take axes and break into the boxes. Had to Bunch Voting. "The Elections Act itself is impossible. "The scheme of the Act is that people shall register their votes in separate sections and record their votes in those sections. This the Government rendered impossible by refusing to allow me to appoint a different registrar for each section. I wanted to appoint thirty-eight registrars, one for each section, but they allowed me to appoint only twenty-four."

"In any event it is financially impossible because the Government only allows \$10, and not \$50 as stated in another newspaper, which has to include rent, light, heat, furniture and screens. You can't get that for \$10. Thus the only way to finance the election is to bunch the voting places so as to be able by saving on the rent to obtain money to pay for the accessories."

Government Slow to Pay. "In the last election in 1917, the bills were not paid by the Government for over a year, and the returning officers have to pay several hundred dollars out of their own pocket. As I cannot afford to finance the election and as I did not wish people to be kept waiting indefinitely for their money, I determined to keep the election expenses within the act. The result was bound to be unsatisfactory."

"As under the Act I am obliged to have voting places scattered through the city, I had to take such vacant buildings as were available. Sufficient space was not available in suitable locations. The result of this was congestion. Predicted a Muddle. "If I had seen the Act before, I would never have taken the position, but there were no copies then available. When I did see it I said at once that there would either be no election or a muddle. It is my third experience as a returning officer."

"I questioned all my deputy returning officers and they agree that notwithstanding the difficulties everyone with the possible exception of a few, who had to go away on an early morning train, succeeded in recording their votes. Many of the deputy returning officers reported that they had little or nothing to do during the last half hour of the day."

MINISTER RECEIVES NUMEROUS MESSAGES

Congratulations on Re-election Pour in on Hon. S. F. Tolmie

So many congratulations poured in over the telephone to his residence to-day that it took the Hon. S. F. Tolmie, new Minister of Agriculture, two hours to get his breakfast this morning. Everybody wanted to congratulate him at once over his re-election yesterday over Thomas A. Barnard.

When he arrived at his office in the old Customs House Dr. Tolmie found some twenty-five telegrams of congratulation from all parts of Canada.

"Well done, Victoria; hearty congratulations from all the farmers," telegraphed George W. Allen, M.P. for Winnipeg.

Other telegrams came from Sir Henry Drayton, Minister of Finance; General McBurn, Hon. Martin Burrell, Hon. J. D. Reid, F. B. Stacey, M.P. for Chilliwack; Professor Fuller, of the Agricultural College, Truro, N.S.; E. L. Richardson, of Calgary; Miss E. Cora Hind, of The Manitoba Free Press; J. D. McGregor, of the Manitoba Cattle Breeders' Association; C. D. Fisher, of Saskatoon, and a joint wire from a number of friends in New Westminster, his opponent's home.

Dr. Tolmie expects to leave for Ottawa in about a week.

ADMIRAL JELICOE CABLES SUPPORT OF VICTORY LOAN

Admiral Viscount Jelicoe has sent the following cable from Honolulu concerning the present Victory Loan drive to Sir Frank Barnard, Lieut-Governor of British Columbia:

"Sir Frank Barnard. "Have sent message President Victory Loan Committee wish all success to patriotic efforts Loan workers for great cause. "JELICOE."

PROVINCE WILL NOT PURCHASE PROPERTY

Oliver Government Turns Down Mr. Lundy's Offer; Price Up \$600,000

At yesterday afternoon's meeting of the Oliver Cabinet it was decided that the Province would not acquire the Coldstream Ranch, recently offered to the Government at \$1,500,000 by the personal representative of the Cowdray interests. Mr. Oliver has written to Mr. Lundy, who came to this country to dispose of the property, to this effect, pointing out to him that the estate was offered to the Government less than two years ago for \$800,000 and that it was refused on that occasion because of the fact that the Land Settlement and Development Act did not contemplate the purchase of large estates but rather the assistance of the individual settlers.

To the suggestion that it be obtained for the purposes of soldier settlement, the Premier has replied with the reminder that the Government has been asked to avoid the duplication of policy by the Federal Soldier Settlement Board, which takes the stand that this phase of repatriation is one to be dealt with by the Dominion Government and not by the Province. Community areas already undertaken by the Oliver administration and settled exclusively by returned soldiers are cases where the Dominion authorities have refused to recognize the community proposal until such times as those participating could qualify for the requisite financial assistance under the Federal Act. The statute recognizes the individual and not the community; moreover, each applicant must pass the test set by the Board.

In conclusion, Mr. Oliver suggests that the acquisition of the Coldstream estate is a matter entirely for the Dominion Government. He advises Mr. Lundy, therefore, to take up the question with the Dominion Soldier Settlement Board officials at Ottawa.

Judgment For Plaintiff.—In the County Court action of Imburt vs. Milne, Judge Lampan this morning handed down judgment in favor of the plaintiff for the sum of \$30 and costs. Frank Higgins, K.C., appeared for the claimant and the defendant was not represented by counsel.

TRACK WIZARD TO DEFEND HIS LAURELS ON THE BOARD FLOOR

New York, Oct. 28.—Undismayed by two defeats administered by Mike Devaney in as many races at the fag end of the outdoor season, Jole Ray is mobilizing his strength for an arduous campaign on the board floor. Report has it that the Chicago track wizard intends to shelve his running shoes months before the revival of the Olympic games at Antwerp, Belgium, but no verification as to when he intends to stop has been forthcoming from the athlete.

To Defend Laurels.
Ray's first important engagement behind closed doors will be the national senior 1,000 yards, in which he will defend his 1918 laurels against such good local middle distance runners as Devaney, Jack Sellers, Homer Baker and possibly Eddie Fall, the former Oberlin youth, who made Ray run at his fastest on Franklin field recently, to annex the national mile crown in new championship figures. Ray defeated Devaney and Fall last year handily, covering the route in two minutes and fourteen seconds, which time equaled the late John Overton's 1917 record. The dead marine made his figures on a Philadelphia board floor track, on which occasion he showed his heels to Ivan Meyers, a club mate of Ray's, and several other good men. Many close followers of athletics believe Ray runs his best on the board floor. They point to his great number of accomplishments in the three indoor seasons to prove the argument. In that space of time he endeared himself to the hearts of the athletic populace by his many stirring victories over distances from 1,000 yards to two miles. He holds the indoor records for one and a half miles of 6m. 40 3-5s., as well as the fastest time over the two-mile trail of 11 2-5s., both of which Ray made in the space of two months two years ago in the Madison Square Garden.

LOCAL GOLFERS LOST U. S. LADIES' PLAY OFF

Next Tuesday at the Seattle Golf Club will be played the first of a series of five matches between the women golfers of that club and of Tacoma Golf Club to decide whether the Henry trophy will remain in Seattle or go to Tacoma permanently. The American team composed of ten women from each of these clubs recently defeated the Victoria team in the fifth and deciding match which took the trophy to the United States to stay.

These matches will be for 18 holes and scored on a one point basis for each of the ten individual matches. The next one will be played in Tacoma in the near future. Mrs. Corse is captain of the Tacoma team and Mrs. Carl Huiskamp will pilot the Seattle women. The matches will be hotly contested as the prize is one of the most coveted in the Northwest.

McGILL TRACK CHAMPS.
Montreal, Oct. 27.—McGill won the inter-collegiate track championship held here Saturday afternoon, the standing of the clubs follows:
McGill, 68 points; Varsity, 39 points; Queen's, 10 points.

AMATEUR SUSPENDED.
Toronto, Oct. 28.—Cecil Dye, Hillcrest southpaw ace, hard hitting outfielder and hockey star and rugby player, was suspended by the T. A. B. A. "indefinitely," at a special meeting of the executive held at noon yesterday, for playing in five baseball games for Lias-towel, in the North Wellington League. Dye says he received no money for playing.

McAFFREY'S GONE.
Calgary, Alta., Oct. 27.—It is reported that McCaffrey, the Toronto Dental hockey star, has checked out, having left for parts unknown. He came here some time ago to play for the Wanderers.

VICTORIA THE NORTHWEST THE WORLD

RENOVATING CLUB AS IDEAL ATHLETIC HOME FOR MEMBERS

Contractors Are Working to Get James Bay House in Shape

At a meeting of the executive of the James Bay Athletic Association held last night the action of the trustees in ordering the work to proceed on the renovation of the clubhouse was endorsed, and a determination was expressed to leave no stone unturned to have an ideal club to accommodate the rapidly growing membership by next summer.

Work on getting the clubhouse, which has sunk three or four inches out of plumb into plumb again is already under way. A new sill is also to be placed in the front of the building and it is anticipated that the famous home of many of the cleverest athletes Victoria has produced will then stand the test of another ten years or so in addition to the thirty years during which it has been the headquarters of the James Bay sportsmen.

Membership Growing.
Fifty-six new members have been secured from the business and professional men of the town, it was announced, and from a membership of fifty in the early part of the year the roll has now reached a little over 200, and is still growing. It is hoped to reach a membership of 700. There is little doubt that by next summer the Association will be playing an important part in the athletic life of the city as it did before the war. Rugby and rowing have been among the chief sports featured by the club in the past and the fifteen to be fielded under Boss Johnson's captaincy this season is regarded by the other teams of the city as well worthy of the James Bay Club.

The club is to be completely renovated inside, and to be provided with a comfortable library, reading room and lounge. The gymnasium is to be fixed up, and provided with large electric lights and complete apparatus.

PLAYERS' TRIBUTE TO FATHER OF SOCCER GAME

Arthur Manson

Soccer players of the city will honor their late president, Arthur Manson, at the Knights of Columbus Hut tomorrow night, when a smoking concert is to be given with Mr. Manson as the guest of the occasion. It was with regret that the soccer men accepted the resignation of the man who had done so much for soccer, after he had held the chief office in the league for two years, but being also one of the executives of the B. C. Association in addition to president of the B. C. branch of the Amateur Athletic Union, he was unable to spare the time the position demands. Few men have done more for soccer in British Columbia than the former president of the Victoria League, and he is generally regarded as the father of the game in this city. All soccer players and those interested in the game are invited to the smoker at the K. C. Hut.

AMATEUR HOCKEY MEET TO-MORROW

Officers For the Ensuing Year Will Be Elected

Final arrangement for the 1919-20 season for the amateur hockey race are expected to be completed at the organization meeting which will be held at the Y. M. C. A. to-morrow night. Secretary J. P. Watson reminds all clubs that their entries must be sent to him in readiness to submit to the meeting.

The committee on by-laws is prepared to submit a set of amended rules and officers for the season will be re-elected. It is expected that Lester Patrick will submit playing arrangements for the season.

The Elks, Senators, Two Jacks and Foundation, last season's clubs, have again entered the competition, and the new clubs seeking admission are the Knights of Columbus, Fitz's septette, and the Great War Veterans.

The Veterans' team is the latest addition to the new applicants, being an outcome of the recent organization of a sports committee to promote sports among the members. The returned men's organization numbers a lot of clever amateur puckchasers in its ranks, and should be able to put a capable septette on the ice.

YOUNGSTER IN LINE TO HEAD JOCKEY LIST

New York, Oct. 27.—Little Clifford Robinson, the youngster who has led all the jockeys in the country throughout the summer, starts well in the fore, and there is small chance of his losing the honors unless he meets with an accident. Robinson has ridden more horses than any other jockey this season, which is probably the main reason why he has ridden more winners.

The youngster was a great disappointment when he came East to ride at the Saratoga meeting. He appeared here to be only an ordinary rider, but in Maryland and Kentucky Robinson has done exceedingly well. Johnny Loftus, as usual, has the highest percentage of winning mounts. He still is in a class well above the other riders, despite the many glaring errors he has recently committed.

HAGEN RETIRES FROM ACTIVE GOLF DUTIES

Although Walter Hagen has withdrawn from active professional duty at the Oakland Hills Country Club in Detroit, he will continue to play in the open events during the coming winter and summer, thus emulating the example of Gilbert Nicholas, who gave up his golf duties to enter upon a business career.

The question has been asked by many golfers as to the probable effect which this change will mean to the game of the open champion. There are not a few who think that it will mean the dulling of his game.

A professional golfer always feels sure of a very fine berth if he is a crack player, with possibilities for future greatness. If he has reached the top, he knows the additional emoluments, and likes them. But when one is actively attached to a club, and it may be many times harder to succeed, and it will probably be the same with Hagen despite all his efforts to the contrary. It is a mental condition which business will not stimulate.

INVITE LOCAL DIVERS

Victoria divers are invited to take part in the indoor men's junior championships of the Amateur Athletic Union of the United States to be staged by the Multnomah Club at Portland, Saturday, November 22. The A. U. gold, silver and bronze medals, emblematic of the championship of the United States, are to be given for first, second and third places respectively. Entries close Saturday, November 19, to O. J. Howford, chairman of the swimming committee of the Multnomah Club. The diving will be from a ten-foot board and is open to divers who have not taken a first prize in a senior event.

SEMI-FINAL RUGBY TILT FOR WESTERN CANADA

Winnipeg, Oct. 28.—The Winnipeg Victorias will visit Regina next Saturday to battle the Regina Tigers in the semi-final of the Western Canada rugby championship. President Patterson made this statement this morning following a telegraphic correspondence with the Regina Club in which the Saskatoon game scheduled for the capital city next Saturday had to be called off in order to make way for the championship contest as the Regina team were declared winners of Saskatchewan by virtue of their victory over Saskatoon last Saturday.

JAMES BAY RUGBY MEN PRACTICE TO-DAY

There will be a rugby practice in the gymnasium of the J.H.A.A. this evening at 8 o'clock, when a full turn-out of all members is requested. The first league game of the season in which the team will participate will be on Saturday at Oak Bay against the Wanderers, and Capt. Boss Johnson is anxious to have his team in first-class condition.

SEND TEAM TO AUSTRALIA.
London, Oct. 28.—The National Rifle Association is sending a rifle team representing the United Kingdom to Australia next Autumn.

TROEH MAY LOSE TRAPSHOOTING CROWN

But Washington Man Will Be Still Regarded as Best of Year

After having shown the way to the amateur trapshooters of the United States and Canada for nine months, Frank M. Troeh, of Vancouver, Wash., has given way to Mark Arle, of Thomashoro, Ill., and Woodfolk Henderson, of Lexington, Ky., with Arle out in front by some fractions of a point.

As the season on registered targets is just about over it is extremely doubtful if Troeh can regain the ground lost and once more finish at the top of the heap. Leading the trapshooters in the season averages gives the shooter as much credit in this particular sport as "Ty" Cobb gets for topping the American League batting averages or "Eddie" Roush for doing the same thing in the National League. He is regarded as the best trapshot of the year. In connection with the averages these facts want to be taken into consideration: Troeh has shot at 6,225 targets—many more than any other amateur trapshooter while Arle and Henderson have each shot at but a few more than 2,000.

Averages are better this year than for many years past, the shooters having thoughts of the 1920 Olympic team. If the original idea of sending the ten highest shooters is adhered to the United States will be represented by a wonderful aggregation of shooters.

Rush Razez, of Curtis, Neb., still leads the professional shooters in the averages, as he hasn't shot in registered tournaments since he topped 98 per cent.

Fifty-two amateurs and thirty-two professionals are averaging 95 per cent or better on 1,750 targets or more. Nineteen of the amateurs average better than ninety-six and six better than ninety-seven. Fourteen professionals average better than 96, five better than 97 and one better than 98.

MITCHELL RE-ELECTED TO MANAGE THE CUBS

Chicago, Oct. 28.—Rumors that Fred Mitchell, manager of the Chicago National League Baseball Club, would be supplanted before the next Spring training season, to-day had been put to rest with the announcement that Mitchell would guide the Cubs' destinies in 1920. The directors passed a vote of thanks to Mitchell for his efforts the past year and expressed confidence in his ability to land a pennant next year, in order to silence the rumors. The directors said a substantial profit was shown for the first time in several years.

G. W. V. A. RUGBY PRACTICE.

All G. W. V. A. rugby players are requested to be at the New Drill Hall at 7.45 p. m. to-night for a work-out.

NAME COMMITTEE TO ACT WITH BOARD

Council Debates Letter From Minister of Education on Technical Instruction

The City Council last evening decided to appoint a committee to take up with the School Board the question of technical instruction in Victoria.

Dr. MacLean, Minister of Education, wrote with regard to earning a grant for a building here. He stated that no assistance from the Dominion and Provincial grants for technical education can be received by the city of Victoria until the School Board decides to organize a technical course in the High School. After receiving training at such a school, which would give instruction in the more elementary technical work, students would be in a position to take advantage of the more advanced work of a technical school, according to the Minister.

"It would seem desirable for the city of Victoria to at once take steps in this direction," wrote Dr. MacLean, "thus providing means in their system of education whereby the boys and girls may be brought to realize their natural gifts, as well as means of training them in the fundamentals of the productive vocations best suited to their talents. It may be remembered, too, that the equipment for such training in the High School could also be used for the training of adults at the night schools.

THE WEATHER
Daily Bulletin Furnished by the Victoria Meteorological Department

Victoria, Oct. 28.—5 a. m.—The barometer has fallen over Northern B. C. and milder weather is becoming general from the Coast to the prairie provinces.

Reports.
Victoria—Barometer, 29.07; temperature, maximum yesterday, 43; minimum, 40; wind, 14 miles N.; rain, .20; weather, cloudy.

AMUSEMENTS TO-DAY

Pantages—Vaudeville.
 Royal Victoria—Mabel Normand in "Upstairs."
 Dominion—Marguerite Clark in "Girls."
 Variety—John Barrymore in "Raffles."
 Columbia—Bessie Barriscale in "A Trick of Fate."
 Romano—Margarita Fisher in "The Tiger Lily."

DOMINION

Comedy is rampant in the new Paramount picture, "Girls," starring charming and dainty little Marguerite Clark, which will be shown at the Dominion theatre all week.
 One of the delightful situations in the film is that confronting a young man who has fallen hopelessly in love with a beautiful girl, and is seeking admittance to her home that he might woo her. But his beloved is living under the impression that she is a man-hater, having been jilted in her younger days and having sworn a hatred of all men, has hung above her door a sign reading, "No man shall cross this threshold."
 Such a glaring defiance might have intimidated most young men, but not Edgar Holt. He is a young

lawyer and a man who perseveres. He simply goes around to another room across the courtyard, crawls across a suspended shutter and enters her window. Thus he gains admittance into her presence without crossing the threshold. And he wins the girl too. How? Oh, it is all an accident, but it's too good to give away. See the picture and find out.
 Walter Edwards directed this production, which is the first to be made on the Pacific Coast by the charming little star in four years. It was adapted from a play of the same name by the late Clyde Fitch, a celebrated dramatist. Hal Young and James C. Van Trees were the cameramen.
 Supporting the star are Mary Warren, Helene Chadwick, Harrison Ford, Lee Hill, Thomas D. Peresse, Virginia Foltz and other prominent players.

ROYAL VICTORIA

Mabel Normand's latest Goldwyn picture, "Upstairs," which is now playing at the Royal Victoria Theatre, is a unique adventure for this popular star. In her new vehicle Miss Normand plays the part of a helper in the kitchen of a fashionable hotel. Her costume, during the first half of the picture, consists of trousers, a cap and a pair of brogans about six sizes too large for her. Her one ambition in life is to take part in the gay social affairs which go on above the ceiling of her underground working place.
 Making moulds for grape fruit and ice cream do not dull the enthusiasm of the girl, for she is seen dancing to the strain of the jazziest music, while the screen flashes views of the hotel's guests dancing upstairs.
 How she manages to have her hour of joy is brought about when she sneaks upstairs and peeps into the hall. Here she is seen by a millionaire guest who is interested in the strange antics of the "boy." He changes clothes with a bellhop, goes downstairs, and manages to smuggle a dress to the "boy" so that she may have her little taste of the joys of the world.

ROMANO

"The Tiger Lily," America's latest offering, starring Margarita Fisher, has for its locale an Italian settlement in an American city, and for its heroine a vividly beautiful girl, born in Italy, but passionately devoted to her adopted land.
 Garbed in the paint and highly becoming costume of an Italian peasant, Carmina dispenses spaghetti and Chianti to the guests on her uncle's inn, and nightly dances the tarantella for their entertainment. It is said

WHEN OTHERS FAIL

Zam-Buk cures the most stubborn skin diseases and sores. This is because Zam-Buk's method of healing is entirely different and superior to that of ordinary ointments!
 When Zam-Buk is applied it does not remain on the surface skin, as an ordinary ointment would. Because of its unusual refinement it penetrates to the underlying tissues. This is where all skin troubles have their origin. The germicidal properties of Zam-Buk then destroy all germs and thoroughly cleanse the diseased parts. Having done this, the healing essences contained in Zam-Buk so stimulate the tissues that new, healthy skin is quickly produced. The result is a complete and permanent cure of the sore or injury.
 Zam-Buk is best for eczema, ringworm, scalp sores, boils, pimples, itching rash, ulcers, abscesses, running sores, "barber's rash," blood-poisoning and piles. As a first-aid, too, Zam-Buk is indispensable. It stops bleeding, ends pain, draws out soreness and inflammation, prevents blood-poisoning and heals quickly. All dealers 50c. box.
FREE SAMPLE.—Send name of this paper, and 1c stamp to Zam-Buk Co., Toronto, and we will send you free trial box.

that when the scenes of "The Tiger Lily" were shot, two tons of spaghetti, fifty pounds of spaghetti and a hundred quarts of "diago red" were delivered to the Santa Barbara studios of the "Flying A," to play their parts in creating realism for the interiors of the picturesque inn. "The Tiger Lily" will be shown at the Romano again to-day.

GOOD ALL ROUND BILL AT PANTAGES

Mystery and Comedy Together With Dancing and Song Makes Good Fare

Mystery and comedy forms the principal ingredients of an acceptable bill of vaudeville fare this week at the Pantages.
 The stamp of public approval was placed on every act at the three opening performances. An elaborate Oriental wonder act is staged by K. T. Kuma & Company, and to these mystifying performers must be accorded top-line honors.

Undoubtedly it is one of the best mystery offerings that has been put on the Government Street playhouse for some time. Kuma appears to possess supernatural powers. At a wave of his hand, Japanese girls appear and disappear with amazing rapidity. Another is apparently supported in the air and at a motion from the Japanese wizard the vision is wiffed away and re-appears from a box on the opposite side of the stage. The mystifying powers of Kuma will go unchallenged and the elaborately-presented Oriental wonder act will hold its popularity during the remainder of the week.
 "Tarzan, billed as the most "wonderful Chimpanzee in the world," is a novel act that is bound to please. Tarzan has all the attributes of a human being and the comedy that he introduces literally brings down the house.

Dominique Amoros, a French comedian, assisted by Jeanette, an English girl, make a tremendous hit with a comedy oddity entitled "Mon Chapeau."
 William Wolfe and Helen Patterson present a novelty turn which makes a good opener. They describe their act as "artistic melange of everything in song and dance." Helen's dancing is very acceptable and the team was given a big hand by an appreciative audience.

Belle Oliver sings a number of new songs and makes a distinct hit. She is a bouncing girl with a pleasing personality and an unusual voice. All her songs are new and her "Keep Them Up in the Air, Boys," has a swing to it that presages its popularity.
 As a comedy ventriloquist, W. E. Whittle can be stamped as the best performer in his particular line that has ever been seen over the circuit.
 An excellent show would not be complete without the picture serial "The Carter Case," which uncovers new thrills as the plot is unfolded.

HOUSEHOLDERS' REGISTRATION

To give householders and license holders an opportunity to register the City Hall will be open this evening, to-morrow evening and Thursday evening from seven to nine o'clock. The opportunity to register closes at five o'clock on Friday by statute.

A Surprise Party—The first of a series of parties and dances was given last night by the Friendship Club when a surprise party was held on Miss A. Black at 1430 Begbie Street. About thirty-four young people made the attack, the wet weather not dampening their spirits, as a most enjoyable evening was spent; games, dancing and singing being indulged in until 1 a.m., when the party dispersed. A buffet supper was served at 11 p.m., when an interesting speech was made by Mr. J. Black, father of the hostess.

Buy Victory Bonds Through the Banks on the Instalment Plan

CANADA'S banks will make it possible for every Canadian man and woman to buy all the Victory Bonds they can pay for in ten months.

The Finance Minister has made arrangements with the bank managers throughout the Dominion to give every co-operation to enable you to buy all the Victory Bonds you can possibly pay for on the instalment plan.

You do not need to be a customer of a bank to buy bonds under this instalment plan—it is open to everyone.

Put every dollar you can gather together into Victory Bonds—and then go to any bank and buy on the instalment plan all the Victory Bonds you can pay for during the next ten months.

Under this plan you pay ten per cent. on or before November 15th, and ten per cent. each month till August 16, 1920, when you will get your bond. The interest charged you by the bank is balanced by the interest you get on your Victory Bonds.

Any branch of any bank will store the Victory Bonds of small investors for safe keeping for a year without charge.

Buy all the Victory Bonds you can pay for—then buy more on the instalment plan. The banks will help you.

Employers' Credits—The banks have decided to make loans to employers of labour covering the subscriptions of their employees—the rate of interest to be the same as the yield of the bonds—5½%—the loans to be made for 90 per cent. of the amount subscribed—and to be paid off in monthly instalments. The banks have unanimously agreed that these loans will not be considered as impairing the amounts of credits for other purposes.

Advances to Investors—The banks have agreed also to grant reasonable credits to subscribers to the Loan at the rate of 5½% per annum, on loans to be repaid within one year. The amount loaned will be 90 per cent. of the subscription.

Issued by Canada's Victory Loan Committee, in co-operation with the Minister of Finance of the Dominion of Canada.

PRINCE RUPERT IS RUNNING ON TIME

Fire Outbreak Failed to Affect Schedule; Service by S.S. Prince John

Despite the fact that she was delayed several hours on her last northern trip through an outbreak of fire in her hold, the Grand Trunk Pacific steamship Prince Rupert, Capt. Duncan McKenzie, is running on time, and will reach this port at 7 o'clock to-morrow morning from Anyox and Prince Rupert.

The plans of the company for the annual overhaul of the northern steamers are as yet indefinite, but it is expected that the present semi-weekly schedule will be maintained until the beginning of the new year.

Effective with the sailing of the steamer Prince John from Prince Rupert on Oct. 29 to Stewart the Portland Canal service will be reduced to fortnightly by that steamer. The Prince John will also maintain the Masset service, leaving Vancouver at 11 p. m. on November 7 and 21, December 5 and 19, January 2, 16 and 30 and February 13 and 27, touching at Ikeda, Jedway, Sedgewick Bay, Lockport, All Inlet, Thurston Harbor, Pacoft, Cumbeewa (monthly), Skidegate, Queen Charlotte City, Sandspit, Prince Rupert and Stewart.

BROUGHT SEAL PELTS WORTH \$2,500,000

Collier Nanshan Arrives at Seattle from the Pribilof Islands

Carrying a cargo valued at \$2,500,000 and composed of 26,188 seal skins and twelve live blue foxes, each worth \$500, the United States naval collier Nanshan is at Seattle from the Pribilof Islands.

The Nanshan, sailed from Seattle August 23 for St. George and St. Paul Islands. Soon after the vessel sighted the Pribilof a great storm came up, making it impossible for her to discharge for several days. There would be a few days of favorable weather and then a week of storms which made the discharging of the collier a difficult undertaking.

GRACE DOLLAR DROPS PROPELLER BLADE ON VOYAGE FROM 'FRISCO

With a blade from her propeller missing the steamship Grace Dollar, bound from San Francisco to Vancouver to load cargo for the Orient, was expected to put into Seattle today for repairs.

MAQUINNA FOR VANCOUVER.

The C. P. R. steamer Princess Maquinna, which reached port yesterday from the West Coast, will get away for Vancouver to-morrow night with a cargo of Oriental levers.

MEXICO OAT FRIDAY.

The O. S. K. liner Mexico Maru will leave this port about 6 o'clock on Friday night for Yokohama and Hongkong.

CANADA EXTENDS ARCTIC DOMAIN

Farthest North Regions Policed, Says Capt. A. Allan, Veteran Trader

Seattle, Oct. 28.—Five years ago the natives of Forsythe Bay, on the south side of Victoria Land in the Arctic, had no conception of modern weapons, such as the rifle, or of the white man's food products.

"On the Hudson Bay side of the Arctic, the police have a station at Bakers Lake. The new Copper Mine River station links up the Bakers Lake station and the Herschel Island station. Wherever the Mounted Police, speaking from a westward viewpoint, Before its establishment the Herschel Island station near the mouth of the Mackenzie was farthest east."

Trading Posts Linked. "Commercially, also, the Northern regions are now linked together. On Hudson's Bay, the Hudson's Bay Company has trading posts at Churchill, Nelson and Fullerton and also at Ponds Inlet, on the north coast of Baffin Land.

RUSSIA REPORTS

The C. P. O. S. liner Empress of Russia reached Manila October 22 from Victoria.

AFTER MANY DAYS.

The wooden steamer General Pau is due to leave port to-day for Tacoma to load machinery at Tacoma for delivery in France.

A TRIO OF HUSTLERS

Three men who know a thing or two about ship outfitting. On the left is George H. Wayland, superintendent of the Foundation Company's outfitting plant at Ogden Point. The booted individual on the right is Ed. (Boss) Bennett, installation engineer, who claims a big share of the responsibility for the "one a week" schedule which has been consistently maintained since George H. Wayland perfected his organization at the Point. In the center is Al Craver, superintendent pipe-fitter at Ogden Point, popularly known as the "Fitting Kid."

G. T. P. WILL LEAVE ALASKA RUN ALONE

Capt. C. H. Nicholson Says Company Will Develop British Columbia Ser.

The Grand Trunk Pacific has no intention of again invading the Alaska tourist field.

"We have no plans for entering the Alaska field," said Capt. C. H. Nicholson, manager of G. T. P. coast steamships, when questioned as to the possibility of his company operating the larger boats to Skagway next tourist season. His statement was in regard to a rumor that the G. T. P. would put on boats to the Far North next spring.

It is stated that in one season of its operations to Alaska ports the company found that it made no more money in the end than if it confined itself to giving better service on the established run between Victoria, Seattle, Vancouver, Prince Rupert and Anyox.

CHICAGO MARU HAS 600 TONS OF CARGO FOR LOCAL DELIVERY

With 600 tons of Oriental cargo for Victoria and 100 tons for Vancouver, the Osaka Shosen Kaisha liner Chicago Maru sailed from Kobe October 13 and is expected to reach here about November 10, according to local agents for the line.

The liner has ten first class and sixty-one steerage passengers for the United States, including ten Russians, and five steering passengers for Canada. No Chinese passengers are carried by the Chicago Maru.

CHICAGO MARU COMING. S.S. Chicago Maru will be the next Osaka Shosen Kaisha boat to arrive here from the Far East. The Chicago Maru is now en route across the Pacific from Yokohama and is due to reach this port about November 7.

MARY IS BRINGING NORTHERN CREWS

All But Two of the Yukon Boats Made Winter Quarters Safely

Vancouver, Oct. 28.—Every boat of the White Pass and Yukon Railway made winter quarters safely despite the cold weather which prevailed in the Yukon during the closing days of navigation with the exception of the steamer Nasuttin and Hazel B., according to word received by E. J. Farr, local agent for the company.

The crew of the Nasuttin are reported to have followed the trail along the river at the mouth of the Stewart, where they were picked up and brought out.

When the steamer Princess Mary sailed on Saturday from Skagway she carried a large number of employees of the company who are coming south to remain with their families during the winter. These include crews of a large number of the boats. The Mary is scheduled to make port on Thursday.

The steamer Jefferson of the Alaska Steamship Company sailed on Sunday with crews and the City of Seattle of the Pacific Steamship Company, clears during the day.

ALLIES REPLACING DEPLETED TONNAGE

Lloyd's Report 4,800,000 Tons Under Construction End of June

London, Oct. 28.—Lloyd's shipping report for 1918-1919 states that at the end of June, 1919, a record amount of shipbuilding was going on throughout the world, namely, 4,800,000 tons, of which two million were being built in the United Kingdom.

LIBERAL AND THREE FARMERS ELECTED

This With Election of Tolmie Here; Dominion By-elections Yesterday

Ottawa, Oct. 28.—The net result of the by-elections for the House of Commons yesterday is that though the Government loses three seats, the regular Opposition has not been strengthened. In three seats lost to the Government—Victoria-Carleton, N. B.; Gleggery-Stormont, Ont., and Assiniboia, Sask.—United Farmers' candidates have been elected to sit on the cross benches. In 1917, Victoria-Carleton elected Hon. F. E. Carvell by acclamation and Gleggery-Stormont did the same thing for John McMartin, Unionist. In Assiniboia, J. G. Turritt, Unionist, now in the Senate, was elected by a majority of more than 4,000. The seat now goes to Mr. Gould, Farmer candidate, who took it over from a Liberal, Mr. Motherwell, the Unionist not having a candidate in the field.

HINDENBURG TO ATTEND INQUIRY

Ludendorff Also to Appear at German War Guilt Investigation

Berlin, Oct. 28.—Field-Marshal von Hindenburg and General Ludendorff probably will participate in the deliberations of the committee investigating the guilt of those responsible for the war when it meets on October 31 to hear the testimony of Dr. von Bethmann-Hollweg, former Imperial German Chancellor, according to The Tagblatt.

THOSE HOHENZOLLERN FILMS.

Copenhagen, Oct. 28.—A competent German court has acceded to the application of Wilhelm Hohenzollern, former German Kaiser, for the seizure and confiscation of the "Kaiser film," according to The Zeitung Am Mittag. The action against the actor Ferdinand Bonn, who prepared the film, has been abandoned.

PILOTAGE DUES NOT TO BE INCREASED

Board of Trade Enters Strong Protest; Talks of Making Victoria Free Port

Strong protests have been entered by the Board of Trade against any effort to increase the pilotage dues of this port. At this morning's meeting of the Council of the Board a report embodying the protests was submitted and will be forwarded to Ottawa.

The report is as follows: "The Council of the Victoria Board of Trade having read the report of the Royal Commission on conditions in the pilotage districts of Vancouver, Victoria and Nanaimo note with satisfaction that the proposed new charges for pilotage under the plan for creating a central pilotage authority to embrace the three districts approximate the fundamental conditions considered necessary by the Boards of Trade of the cities named when approving the change."

"The reason for the Victoria Board of Trade agreeing to the change was a report that pilotage can be efficiently maintained at a lower cost under a central authority than appearing to be possible with three separate pilotage districts and the three Boards of Trade agreeing that corresponding reductions in charges for pilotage should be made pro rata in each of the present three districts, based upon the pilotage charges now obtaining."

"The three Boards of Trade unanimously resolved that 'if at any time higher rates are proposed for any port than those now being charged, such port, on the application of the City Council and the Board of Trade, should be formed into a separate pilotage authority.'"

"The Victoria Board of Trade has always contended that pilotage at Victoria should be optional and that pilots should be available if wanted. In becoming a party to the proposed plan for placing the three districts under a central pilotage authority the Victoria Board of Trade was careful not to recede from that position and was influenced entirely by the prospect of securing a reduction of the present pilotage charges."

"It is observed that the Royal Commission has recommended that the new charges be on a per foot draught basis; 'Williams Head to Victoria, seventy-five cents per foot. 'Williams Head to other southern British Columbia ports, \$3.50 per foot. 'The charge for pilotage to Victoria would therefore be approximately 2 1/2 per cent. of the charge for pilotage to the other ports.'"

"In the opinion of the Victoria Board of Trade this is the maximum percentage charge warranted at Victoria for the slight service to be rendered and; 'It is therefore resolved that any departure from this basis which will in any way increase Victoria pilotage over and above the present charge, as recommended by the Royal Commission be strongly protested.'"

QUEBEC EAST.

Ernest Lapointe's election in Quebec East had been conceded since his nomination. His majority will not equal that of Sir Wilfrid Laurier in 1917, when the Opposition leader had a majority of more than 6,000.

The Liberals, as the result of by-elections, including the acclamation of Hon. W. L. Mackenzie King in Prince, P. E. I., stand where they did after the general election by retaining Prince and Quebec East.

The Government retains Kingston, which returned Sir Henry Drayton by acclamation, and Victoria, B. C., which has elected Hon. S. E. Tolmie, but loses Assiniboia, Gleggery-Stormont and Carleton-Victoria. In North Ontario, which was a Government seat, the voting is still to take place, having been deferred on account of the death of Mr. Cowan after nomination.

There are in addition vacancies in Temiskaming, owing to the death of Hon. Frank Cochrane, and in Kamouraska, on account of the resignation of Mr. Lapointe to contest Quebec East. For these two seats writs have not been issued. Majority of 3,540. Fredericton, N. B., Oct. 28.—Complete returns from Carleton-Victoria county by-election show that Thomas W. Caldwell, the United Farmers' candidate, has a majority of 3,540. A total of 9,702 votes was polled, of which Caldwell got 6,221 and Lieut.-Colonel W. W. Melville, 3,081, the Independent Unionist candidate thus losing his deposit. An analysis of the vote shows the people in towns voted against the Farmers' candidate very largely irrespective of political affiliations.

AT OTTAWA BEFORE THE SESSION ENDS

Opinion Is Members-elect Will Appear Before Pro-rogation

Ottawa, Oct. 28.—Members of Parliament this morning are wondering whether the five members-elect who received the endorsement of the majority of their constituents yesterday would be able to take their seats in Parliament before pro-rogation takes place. If the House remains in session until the end of next week, as is supposed likely, they will be able to do so.

The special Act passed last session, under which the by-elections were held, provides that the Returning Officer in a constituency where a by-election has taken place is allowed six days in which to mail the writs to Ottawa. Even should the returning officers not return the writs until the sixth day, there will likely be time for all the new members, with the possible exception of Hon. S. F. Tolmie, to take their places in the House. Still the probabilities are that all the new members should be able to come to Ottawa, will make their bow to the Speaker of the Commons before the House recesses.

for the measure may not be a wide one and that the situation is one which will keep the Ministerial whips on the alert until the final vote is taken. This being the situation in the Senate the progress of the bill in the chamber will be watched with intense interest at the capital.

WILL LOAD SPRUCE.

The steamship War Chariot, built by Coughlan's at Vancouver, will go to Prince Rupert this week to load 1,500,000 feet of spruce for the United Kingdom.

FRASER VALLEY GARDENS DAMAGED

Vancouver, Oct. 28.—Gardens in some sections of the Fraser Valley were severely damaged by last night's storm. At Huntington, three inches of snow fell and immediately froze, innumerable fruit trees, especially peaches, and raspberry canes were broken down. No estimates are available of the amount of damage.

Births, Marriages, Deaths

BORN
MINNIE—At St. Joseph's Hospital, on October 26, Mr. and Mrs. A. N. Minnie, 1121 McKenzie Street, Victoria, B. C., a son.
(Saskatchewan papers please copy.)

LIVELY—On the 26th inst., to Mr. and Mrs. J. B. Lively, 1155 Finlayson Street, a daughter.

DIED
MUNRO—At the Royal Jubilee Hospital, on the 27th inst., Margaret A. Munro, nee 44th year, and a native of Cape Breton. She is survived by one daughter, Miss Ethel Munro, residing at 734 William Street.
The funeral will take place on Wednesday at 2:30 p. m. from the Thomson Funeral Home, Quadra Street, under the direction of the Rev. Dr. McLean. Interment at Ross Bay Cemetery. No flowers, by request.

CAIRNS—On the 27th inst., at the residence of her son, Alex. T. Cairns, 517 Bisset Street, Elizabeth Taylor Cairns, aged 83 years, a native of Scotland. She is survived by a son, Mr. Alex. Cairns, residing at 1231 Government Street. The remains are resting at the Thomson Funeral Home, from where the funeral will take place on Thursday, Oct. 29, at 2:30. Interment at Ross Bay Cemetery.

COOK—On Oct. 25, 1919, at the residence, Browning Street, Hamilton, Ontario, Henry Cook, aged 36 years; born at Lowestoft, England.
The remains are resting at the B. C. Funeral Chapel, from whence the funeral will take place on Thursday, Oct. 27, at 7 p. m. The Rev. Wm. Stevenson officiating. Interment will be in Ross Bay Cemetery.

WILSON—On October 27, 1919, at the residence, 1315 McNair Street, Elizabeth Wilson, nee 66 years; born at Glasgow, Scotland.
The remains are resting at the B. C. Funeral Chapel, from whence the funeral will take place on Thursday, Oct. 29, at 2:30. Interment in Ross Bay Cemetery.

HOUSTON—On October 28, 1919, at Jubilee Hospital, Cordelia Jane Houston, widow of William Houston, aged 80 years and 3 months; born at Erneston, Ontario.
The remains are resting at the B. C. Funeral Chapel, from whence the funeral will take place on Wednesday for interment.

IN MEMORIAM
SINGLAK—In ever loving memory of Ernest Daniel (Erny), the fondly loved and dearly missed son of Mrs. J. D. and the late Daniel Singlak of Oxford House, Wilmiston, Alaska, who passed away at his home, 871 McClure Street, October 23, 1919, aged 39 years and four days. A good and noble son never absent from his mother's thought.

Funeral Notice

All members of the Queen of the Island Lodge, No. 209, L. O. E. S., are requested to meet at the Orange Hall, Courtney Street, Wednesday, Oct. 29, at 7 p. m., for the purpose of attending the funeral of the late Sister M. Munro. Sister and brother lodges are invited to attend. By order of Worthy Mistress Sister Coleman.

TEARING UP TRACKS

Board of Trade Protests Against City Council Allowing V. & S. Rails to Be Removed.

At the council meeting of the Board of Trade this morning George I. Warren drew to the attention of the members the decision of the City Council to allow the tracks of the Victoria & Sidney Railway to be torn up inside the city limits. Mr. Warren did not like the idea.

"Once the rails are torn up the connection will be gone forever," said Mr. Warren. "I know we have tried many ways to have this service resumed and have failed, but we must keep on trying."

It was explained that no doubt the bondholders were anxious to get some returns and had decided to sell the rails. Some members thought it advisable to direct all efforts to have the Canadian Government take over that portion of the road from Trip's Crossing to Sidney in order to maintain a connection with that town.

It was suggested that a resolution be passed and sent to the City Council protesting against the removal of the rails and asking the council to use further efforts to have the road maintained.

"Why a resolution of that kind would only be laughed at in the council," remarked J. D. O'Connell. "That wouldn't be the first thing they've laughed at," scored J. L. Beckwith.

NEW INVESTMENT WILL MAKE CITY'S TOTAL \$842,000

With the \$100,000 investment decided upon by the City Council last night, the City of Victoria will have purchased \$842,000 worth of Dominion Government issues. The amount actually subscribed by the city since Victory Bonds were placed on the market is \$890,000, but \$45,000 worth were converted a few months ago into provincial bonds. Last year the city bought \$900,000 worth of bonds.

"VICTORIA GIVES TWO LEADERS TO NATION," HE SAYS

Canadian Clubs Cheer Reference to General Currie and Dr. Tolmie

HEAVIER TAXES COMING, WARNS DR. ROBERTSON

One hundred and fifty men and women jumped to their feet twice, and cheered at the Canadian Club luncheon at the Empress Hotel this afternoon when Dr. James W. Robertson, of Ottawa, referred to General Sir Arthur Currie and the Hon. S. F. Tolmie as Victoria's noteworthy war contribution to the nation.

"Victoria emerged into a new eminence from the contribution she gave Canada in the commander-in-chief of her army," said Dr. Robertson, who sat at the right of Dr. Robertson, and the audience arose and cheered.

Another Victoria C-in-C.

"The army of Canada has not brought us within reach of the real fruits of peace," the doctor proceeded. "So Victoria has just provided another commander-in-chief for this in Dr. Tolmie, our Minister of Agriculture."

There was another outbreak of cheering at this as Dr. Tolmie was also sitting at the head table.

Dr. Robertson has just returned from Europe, where he has been as special representative of the Canadian Government, looking into the economic conditions and possibilities for the extension of the Canadian foreign market.

"My sales sheet had on it when I came back \$50,000,000 worth of foodstuffs from Canada," he said.

Necessity of Peace.

"We need money in Canada to pay our way, and we will get it by better agriculture and marketing of our foodstuffs and the establishment of new contracts and markets.

"I am now completing my mission by helping our people at home to understand the situation and then when we understand we will go out and do our work. We should learn from war every lesson we can on how to carry on in peace.

"There is first the need for thorough organization, clear thinking, skilful doing, skilful managing and then those spiritual qualities that exalt a man and dominate his being so that he will say, 'I will do that; that is duty.'"

Call For Production.

"The situation in Canada now calls for production and the using of as little of materials and of anyone's time, unless it is absolutely in the interests of the country. Production was a necessity of war or we would not have won. Production is a necessity of peace or we won't come through to stabilize prosperity, to eliminate unrest, we must do that."

Head Off Hard Times.

He said that wisdom and proper advice might ward off hard times by getting people out on the land to produce more instead of waiting until they are forced out from the cities by the pressure of economic necessities. He pointed out that there are now 6,000,000 more acres in Canada under production.

To keep down the cost of living the British Government is subsidizing Canadian wheat to the extent of seventy-five cents a bushel and cheese at three cents a pound, he continued. This money has to be paid by the taxpayer through general revenue.

Have to Pay More Taxes.

"It will take two years before the world's bread basket is full of grain, and it will be five or six years more before we will catch up in our bacon and fats," the doctor continued.

"When the British and other governments guarantee prices in order to get enough there is no fear of prices coming down yet. When I hear people here talking of the high prices of foodstuffs and saying that the farmers are profiteers, I tell them that the British Government has fixed the price there at 2 1/2 cents a quart to the producer. At the price of 15 cents a quart here milk is the cheapest food we have.

"It is no use blinking the fact that we will have to pay more taxes. Any man who doesn't pay his extra share of taxes becomes in peace a despicable slacker."

Politics Sacred Profession.

Dr. Robertson deprecated as an "insane notion" the practice of belittling politics and politicians.

"This belittling of men engaged in the highest profession and art, that of

ONTARIO AWAITS NEW GOVERNMENT

No Change Yet; Farmers' Committee Held Session To-day

Toronto, Oct. 28.—Having practically exhausted the list of eligibles for the leadership of the proposed United Farmer-Labor coalition and the Premiership of Ontario, the political prophets here to-day refrained from naming any more probabilities and confined their attention to the Farmers' committee of nine, which went into session early this morning to formulate its report on leadership and policy following its conference with the Labor men in Hamilton on Saturday.

On adjournment at noon the members of the committee gave not the slightest intimation of their progress or decision. Outside opinion, however, continued to suggest that Sir Adam Beck would have the opportunity to take over the leadership if he wanted it.

Will Report

The committee will report to the United Farmer members and defeated candidates at a general meeting to-morrow.

There is still no intimation from the Parliament Buildings of the date set for the resignation of the Hearst Government. It would seem that Liberals and Conservatives are waiting for the United Farmer-Labor coalition to make the first move.

United Farmer members to-day expressed delight at the results of the Federal by-elections yesterday, when their fellow candidates were returned in Carleton-Victoria, N.B., Gengary-Stormont, Ont., and Assiniboia, Sask.

"It is just a sign of the times," was the general comment.

GEN. LECKIE MAY RETIRE AS G. O. C.

Reported That Major-General Lindsay Will Replace Prominent Local Officer

Vancouver, Oct. 28.—The World says in part:

Major-General S. C. Mewburn, Minister of Militia, arrived in the city on Sunday evening without any blare of trumpets, and since then has not been much in evidence.

"It slundered an excellent opportunity that the object of his trip from Ottawa is in connection with the command of Military District No. 11. It is reported that Major-General Leckie will soon retire from the command and that he will be succeeded by Major-General W. Bethune Lindsay, C.M.G., D.S.O., who is also in the city.

Major-General Leckie has been in command of the district since his return from overseas three years ago, succeeding Colonel Duff-Stuart, who was in temporary command."

It is rumored that General Leckie has been anxious to return to civilian life. It is understood he has been awaiting orders from the Militia Department.

Major-General W. Bethune Lindsay, member of the Imperial War Council, commanded the Canadian engineers in France throughout the war. General Lindsay was a member of the Canadian permanent forces at the outbreak of the war. He has been kept busily engaged ever since the 4th of August, 1914. Throughout the war he has been in command of the corps engineer and attached to General Currie's headquarters in that capacity ever since the Canadians took their place in the field as a separate army corps. At the outbreak of war he was given the task of organizing the first Canadian divisional engineers, being at the time C. R. E. at Winnipeg on the staff of Major-General Sir Sam Steele. For his services in France he was mentioned four times in dispatches and was awarded the C.M.G. in 1916 and the D.S.O., in 1918.

CATARHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or are even just a little hard of hearing or have had noise go to your druggist and get 1 ounce of Parmitin (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing or become easy and the mucous stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing or who has Catarrhal Deafness or head noises should give this prescription a trial.

WHEN RHEUMATIC PAINS HIT HARD

Have Sloan's Liniment Ready for Those Sudden Rheumatic Twinges.

DON'T let that rheumatic pain or ache find you without Sloan's Liniment again. Keep it handy in the medicine cabinet for immediate action when needed. If you are out of it now, get another bottle to-day, so you won't suffer any longer than necessary when a pain or ache attacks you.

Apply it without rubbing — for it penetrates — giving prompt relief of sciatica, lumbago, neuralgia, lameness, soreness, sprains, strains, bruises. Be prepared — keep it handy.

All druggists — 35c, 70c, \$1.40. Made in Canada.

WOMEN'S INSTITUTES ARE IN CONFERENCE

Vancouver Island Session Proceeds Here; Public Health Is Considered

The Vancouver Island Conference of the Women's Institutes of British Columbia opened its sessions in the History room of the Provincial Library yesterday afternoon. Mrs. A. Blackwood-Wileman, of Duncan, president of the Vancouver Island Branch, opened the sessions, which conclude here to-morrow night.

Yesterday afternoon a committee on resolutions was appointed, which includes Mesdames Whidden, Gourlay, Birkett, Swanson, Service, Lawrie, Brown and McNaughton.

This morning Mrs. Bartlett, Professor of Public Health Nursing, University of Washington, gave an address on Public Health Nursing and gave a resume of the successful work carried on across the border which has resulted in decreasing the death rate to a very large extent. Nursing homes and rural nursing were the chief features of the work.

Dr. J. G. MacKay, of New Westminster, read a paper on "Mental Hygiene of School Children," and pointed out to the necessity of properly maintained schools where the mentally deficient boys and girls might be taught something useful in the way of manual work.

Yesterday's opening session in the afternoon was mainly occupied with addresses by Mrs. Fadden, who brought greetings from the Lower Mainland Women's Institute, and by Mrs. V. S. MacLachlan, whose subject was "Goat Breeding."

In the evening Dr. James W. Robertson, L.L.D., C. M. G., special agent of the Federal Department of Trade and Commerce, who has just returned from France and Belgium after investigating the economic situation there, and Very Rev. Dean Quinlan were the speakers.

WOMEN'S INSTITUTES ARE IN CONFERENCE

Vancouver Island Session Proceeds Here; Public Health Is Considered

The Vancouver Island Conference of the Women's Institutes of British Columbia opened its sessions in the History room of the Provincial Library yesterday afternoon. Mrs. A. Blackwood-Wileman, of Duncan, president of the Vancouver Island Branch, opened the sessions, which conclude here to-morrow night.

Yesterday afternoon a committee on resolutions was appointed, which includes Mesdames Whidden, Gourlay, Birkett, Swanson, Service, Lawrie, Brown and McNaughton.

This morning Mrs. Bartlett, Professor of Public Health Nursing, University of Washington, gave an address on Public Health Nursing and gave a resume of the successful work carried on across the border which has resulted in decreasing the death rate to a very large extent. Nursing homes and rural nursing were the chief features of the work.

Dr. J. G. MacKay, of New Westminster, read a paper on "Mental Hygiene of School Children," and pointed out to the necessity of properly maintained schools where the mentally deficient boys and girls might be taught something useful in the way of manual work.

Yesterday's opening session in the afternoon was mainly occupied with addresses by Mrs. Fadden, who brought greetings from the Lower Mainland Women's Institute, and by Mrs. V. S. MacLachlan, whose subject was "Goat Breeding."

In the evening Dr. James W. Robertson, L.L.D., C. M. G., special agent of the Federal Department of Trade and Commerce, who has just returned from France and Belgium after investigating the economic situation there, and Very Rev. Dean Quinlan were the speakers.

WOMEN'S INSTITUTES ARE IN CONFERENCE

Vancouver Island Session Proceeds Here; Public Health Is Considered

The Vancouver Island Conference of the Women's Institutes of British Columbia opened its sessions in the History room of the Provincial Library yesterday afternoon. Mrs. A. Blackwood-Wileman, of Duncan, president of the Vancouver Island Branch, opened the sessions, which conclude here to-morrow night.

Yesterday afternoon a committee on resolutions was appointed, which includes Mesdames Whidden, Gourlay, Birkett, Swanson, Service, Lawrie, Brown and McNaughton.

This morning Mrs. Bartlett, Professor of Public Health Nursing, University of Washington, gave an address on Public Health Nursing and gave a resume of the successful work carried on across the border which has resulted in decreasing the death rate to a very large extent. Nursing homes and rural nursing were the chief features of the work.

Dr. J. G. MacKay, of New Westminster, read a paper on "Mental Hygiene of School Children," and pointed out to the necessity of properly maintained schools where the mentally deficient boys and girls might be taught something useful in the way of manual work.

Shirt and Drawers, \$2.00 to \$4.50
Stanfield's Union Suits, \$4.00 to \$9.00

WEATHER AIDS BOLSHEVIK TROOPS

Yudenitch Probably Will Not Capture Petrograd Before Winter

London, Oct. 28.—Winter, moving southward from the Arctic regions, is coming to the aid of Bolsheviki troops in Petrograd and the ability of General Yudenitch to capture the former Russian capital before cold weather puts an end to his campaign seems doubtful.

Soviet forces have succeeded in recapturing Tsarskoe-Selo and Pavlovsk, south of Petrograd, and appear to be in a position to prolong the defence of the city for an indefinite period.

Gurila Taken.

Yudenitch's troops are reported to have fallen back along the front south of Petrograd, but unofficial reports would seem to indicate they have moved nearer Petrograd on the line running from Gatchina to Kransnik Gorka. It is said the town of Gurila, on that front, has been taken from the Bolsheviki.

Furious fighting is going on in and around Kiev. At some points the Denikins troops have been forced to retire slightly.

Lettish troops now are holding Dunamunde, below Riga, and have maintained their control of the right bank of the Duna River.

Bolsheviki Report.

Paris, Oct. 28.—A wireless report from the Bolsheviki military headquarters picked up by the station here, reports that the counter-offensive against General Yudenitch in the vicinity of Petrograd has been successful.

It further reports the capture of Dmitrovsk, a town fifty-seven miles southwest of Orel, from General Denikine.

WANT WATERWORKS A PUBLIC UTILITY

Esquimalt Council Dissatisfied and Petitions Government

Disatisfaction which for so long has prevailed in Esquimalt Council circles over the domestic water supply and that required for fire protection came to a head last night when the Council unanimously approved of a petition to His Honor, the Lieutenant-Governor, asking that the Esquimalt Waterworks Company be brought under the Public Utilities Act and operated as a public utility.

The reasons given for this important move is that the company, in the Council's opinion has failed to live up to the conditions of the Act of 1885 under which they were empowered to operate in Esquimalt and that the health and property of the residents is placed in jeopardy as a result. The petition will be presented at once, and the result will be awaited with general interest.

The petition in full is as follows: The petition of the Council of the Corporation of the Township of Esquimalt in the Province of British Columbia, humbly sheweth: That under and by virtue of an Act of the Province of British Columbia, being 48 Vict. chap. 36, and entitled "Esquimalt Water Works Act, 1885" (hereinafter called "the said Act"), the Esquimalt Water Works Company (hereinafter called "the said Company"), were empowered and directed to provide an adequate supply of water to the inhabitants of the town of Esquimalt.

That under and by virtue of the Municipal Incorporation Act, R.S.B.C. 1911, chap. 172, the said town of Esquimalt on or about the 15th day of August, 1912, was duly incorporated as a municipality under the name or style of "The Corporation of the Township of Esquimalt (hereinafter called "the said Municipality.")

That the primary objects of the said Company were and are to provide an adequate supply of water to the inhabitants of the said Municipality, and in the said Act there were provided (inter alia) terms and conditions upon which the said Company was and is to supply such water and the rates or charges to be made therefor.

Failed in Terms.

That the said Company has failed in divers ways to carry out the terms, conditions and intentions of the said Act, or has exceeded the powers therein conferred, and in particular: (a) That the said Company has failed to lay mains in numerous public roadways situate within the boundaries of the said Municipality and as a consequence thereof the residents on lands adjacent to the said public roadways are unable to obtain any supply of water from the said Company for domestic or other purposes, and the owners of lands adjacent to such public roadways are unable to obtain any supply of water from the said Company in order to cultivate their said lands.

(b) That in cases where a water main has been laid by the said Company on a public roadway situate within the boundaries of the said Municipality and application has been made to the said Company by a resident on lands adjacent to such public roadway to be supplied with water therefrom, the Company has exacted and continues to exact payment of 40 cents per foot frontage of the land of the applicant adjacent

WHERE COLDS STRIKE

The throat, breathing passages and lungs are the weak spots at which colds strike. And these are the very organs most difficult to treat, because only a breathable remedy is capable of reaching the trouble lodged there.

Peps provides a breathable remedy, and their superiority over remedies which are swallowed into the stomach is therefore obvious. For convenience, this breathable remedy is condensed into tablet form. To take the treatment, merely dissolve Peps in your mouth, and the medicinal vapor that is released is carried by the breath to the remotest parts of the breathing passages and lungs, healing, soothing and strengthening every part with which it comes in contact. At the same time, by destroying all disease germs, these medicinal fumes prevent the development of colds, coughs and serious chest trouble.

Carry Peps with you, and when you go from an overheated building to the bitter cold of outdoors, put a pastille in your mouth. Also as a protection against germs, keep a Peps in your mouth, when breathing the impure air of a crowded theatre or store.

For colds, asthma, or chest troubles, which have already developed, Peps are equally invaluable; also for bronchitis, sore throat, laryngitis, etc. All dealers, 5c. box.

PEPS

to such public roadway, and the land between said property and the nearest main, and has exacted and continues to exact further payment of the sum of \$15 as a condition precedent to making connection to the said water main, all of which said payments, your petitioners submit, are excessive and contrary to the terms, conditions and intention of the said Act.

(c) That the charges made by the said Company to the inhabitants of the said Municipality for the supply of water, when the said connections have been made to the said water main, are excessive and contrary to the terms, conditions and intention of the said Act.

Unable to Enforce Regulations. That your petitioners, as the health authority, have inaugurated a combined drainage system within the said Municipality and have been prevented from making such system effective and have been unable to enforce the sanitary regulations in connection therewith by reason of the aforesaid failure of the said Company to supply numerous public roadways situate within the Municipality with the necessary water for domestic purposes and for the houses of the inhabitants of the said Municipality situate on the lands adjacent to such public roadways and for the flushing of the pipes in connection therewith.

That your petitioners are responsible for providing adequate means of protection from fire within the boundaries of the said Municipality, and by reason of the aforesaid failure of the Company to supply a large portion of the public roadways situate within the said Municipality with water mains, such protection from fire cannot be provided by your petitioners, and in connection therewith the danger from fire is emphasized by the proximity of the City of Victoria and the recent decision of the Council thereof, that in the event of fire, assistance will not be provided by the fire brigade of the said city of Victoria within the confines or boundaries of the said Municipality.

That your petitioners have made numerous endeavors to induce the said Company to carry out the terms, conditions and intention of the said Act, but the Company has, at all times, refused and still refuses to relieve such grievances as aforesaid. By reason of the facts aforesaid, the health of the residents of the said Municipality has been and continues to be endangered, their reasonable comforts have been and continue to be lessened, and their property has been and continues to be in jeopardy of destruction by fire.

Your petitioners therefore humbly pray that Your Honor may be pleased to declare that the business of the Esquimalt Waterworks Company be a Public Utility within the meaning of the Public Utilities Act, Chap. 71 of the Statutes of British Columbia, 1919, in order that the Corporation of the Township of Esquimalt and the inhabitants thereof may obtain the relief therein provided from the grievances aforesaid.

Tenders For Fire Hall Repairs.—Tenders were received from nine firms for repairs and alterations at the fire halls at the City Council meeting last evening, and referred to a committee for action. The tenders showed a great fluctuation in prices. British-Israel Association will meet at 1293 Richardson Street on Wednesday, October 23, 8-p.m.

Pains About the Heart

ANY derangement of the heart's action is alarming. Frequently pains about the heart are caused by the formation of gas arising from indigestion.

Relief from this condition is obtained by the use of Dr. Chase's Kidney-Liver Pills.

Chronic indigestion results from sluggish liver action, constipation of the bowels and inactive kidneys.

Because Dr. Chase's Kidney-Liver Pills arouse these organs to activity they thoroughly cure indigestion and overcome the many annoying symptoms.

Dr. Chase's Kidney-Liver Pills
