Our Vision

We want to provide software solutions that empower and support event organizers.

For experienced organizers, we want to simplify their workflows and provide more powerful tools.

For new organizers, we want to make it easier to become effective, long-term organizers.

Event:International Youth Day 2023

📍 Online event

🕐 07:00, 12 August 2023 – 08:45, 9 September 2023
Timezone: America/New_York

👥 4 participants
