Dear Miss Clay:

The Republic of Vietnam Armed Forces Language School takes it a great pleasure and pride to extend its warmest appreciation for your generous donation of ten thousand piasters (\$10,000.00) for the organization of the Mid-Autumn Tree for the School personnel's children.

We do hope that the faces of children beaming with joy when receiving your gifts will express their most sincere thanks for your kindness and will be a rewarding happiness for your motherly heart.
