The Senate meets to-day at 11 o'clock

In the House of Representatives on Saturday the consideration of the resolution offered some weeks sluce by Mr. Haynes, concerning a reduction of the duty on Sugar, was resumed. Mr. White, of Louisiana, commenced a very able and interesting speech, in reply to Mr. Haynes, &c., and fixed the attention of the House for an hour and a half, having obtained two successive sumpensions of the excluding rule for that purpose. He is still entitled to the floor in contin

Among the bills taken up on the question of a third reading, was the bill to authorize the subscription for 750 copies of Gales and Seaton's compilation of the old Documents. A debate arose on that question, which was cut short by a demand for the previous question. The House ardered the main question to be put by a vote of 108 to 78. The question was then put on the passage of the bill, and decided in the affirma-

ure—Ayes 98, Noes 93.

Mr. MDuffie moved to suspend the rules in urder to bring up his resolution to amend the Constitution. to 66, it was negatived.

Judge Spencer of New York has made various appeals to the House to take up for considwestion the bill to pro note the growth and man tagture of silk. The importance of this object has strongly impressed, not only the learned and portunity of formally denying it. No, he has respectable Chairman of the Select committee by which the bill was reported, but also a great many of the most reflecting of the members; and it is greatly to be re net el that tw ry e tr. to throwing all France into commotion. throwing all France into commotion.

Gen. Lamarque resumed. Let us then seek any kind of work whatever, or to purchase building the purchase of foreign silks: while for a single appropriation of about one-fifthen or one-fixed of that annual expenditions, proposed will edippend to reason the first or one-fixed or that annual expenditions proposed will edippend to find to sail liquors to them, or to suffer the refusal make in her name. CHAMBER OF DEPUTIES-15th Jan. maion of Belgium with France, being presentit was proposed to pass to the order of the

General LAMARQUE asked to be heard. Immediately many deputies who had left their pla-Namur, Mons, and Tourpay, as already be occes, returned to them, and marks of lively interest were excited. The chairman of the committee said, "whatever sympathy France might feel for Belgium, whose revolution was founded on the same principles as our own, the principle of the same principles as our own, the principle of non intervention p escribes it as a duty to us to propose to pass on to the order of the day."

General LAMARQUE. Gentlemen-If in any former session a minister, enjoying the confidence of Charles X., and ascended this tribune. General Lamarque, in the Chamber of Depu- and said to us, "Some Spanish rebels have wishties, which is highly worthy of perusal. It is a ed to reconquer their country, whence, by means will only be so many fruitless seeds of long and full expression of the views of the party in of French intervention, they were expelled; but cruel wars, and that we shall leave to our child-France, who are opposed to the ministerial doc- we have removed them from the frontiers, and ren a bloody inheritance. But it is not to France their chiefs are watched by gens d'armes; — Bel-gium has burst the bonds that united her with our social system, she desires to return to it;she offers us the belt of fortified places with Hotel, on Wednesday evening next, the 16th in- which the Holy Alliance has surrounded us; 1815; and some days of liberty have not consol-Mant, st 7 o'clock, to take into consideration and but we have rejected her offers, and even foradopt some mode of preventing the frauds prace gotten the resounding names of Fleurus and Jetised in packing tobacco and in the tare of the mappes; generous Poland, wearied of the regi- Jemappes, (who disdaining emigration, was still and guaranteed by all the foreign powers-Poland stretches out her suppliant arms towards loadstone; it surrounds a throne with such France, her ancient ally; but we will stifle our still murmuring the name of Poniatowski; she even without adequate motives, to seek for it.collections, and to be prepared with their reports. has raised the cry of liberty or death! and we But to reject it, when humanity implores, state by Saturday evening next, the 19th list., at 7 answer, Die'-and Prague and Warsaw shall interest invokes and justice demands it-that is, from one side of this house, applauding this who expelled the stupid Stuurts-and who was mighty holocaust of the friends of liberty: while in position identical with that of Louis Phi ne we, silent, desponding, could only have acknowledged that the Munister of Charles X. was recurring to arms and—extinguishing all the line; met at Grand Prairie, steamer Pilot, Shark. true to his previous opinions, and faithful to his parties which spring up in revolutions, the bet-

notions of government, to his interests and sen- the of the Boyne and the war against Louis But, Gentlemen, has nothing passed in France than any autograph letters or diplomatic promisince 1829? Does the coalition still reign un- second do .- (Bravos on the left.) fered upon our boards, takes place to-night; and der the name of a Prince imposed by it upon you? Have not the people vindicated their rights, and in three days expiated 15 years by ascend this tribune under the impulse of pro-shame and oppression? Why, then, when all found conviction, and in obedience to a sense of is changed around us, does not the language of duty, that is stronger than my will. It is not Aristippe appears this evening, for the last time eal principles which regulated the government of before an merican audience. We carnot but Charles X, to be followed by the ministers of vate misfortunes, have too surely destroy all vain hope there are, that his farewell benefit will be Phing! Far very far from me be the thought such a one that, when he goes hence, he shall ever retain a grateful precollection of America. Like us they desire that France should be prosperous and feee at home, powerful and respected abroad: like us they desire to efface the traces of witnessed the brilliant efforts of this distinguished her mistortunes. But, arrived too lately at powactor, will, of course, not fail to be present; and er they dare not turn the car of state out of the fatal rut, in which their predecessors had left it: and those predecessors acted, as though they had us engage them not to forget the principles of been the natural successors of those who went before them; as if the principles of our government were not completely changed; feeble and confiding, they believe that a few autograph lines would restrain the Sovereigns, and that con sequently, in their eyes Louis Philip would cease to be a usur er and our revolution a rebellion! (agitation.) They thought that in abandoning Peoples, we should become legitimate in the eyes of kings; and they have not perceived

nont at your cruel abands naient of them, will much the same state as our previous accounts. with not having known how to take advantage of fuzitive occurrences, which Providence places before nations as before individuals, and which return no more to those who know how to avail of them. But ministers will say to us, that -- Their promises! When Napoleon, conquered by the elements, had repassed the Rhine, what then did the coalesced powers proclaim in the face of the world? They desired, say they,
