## OPINION OF A Baronet

Sir W. W. Strickland Baronet, Zurich, Switzerland, is pleased to write:—I have used your Keshranjan Oil for some time. I have found it an exceptionally good remedy. The Keshranjan Oil dries up the Dermatitis satisfactorily. Western Dermatologists attribute ordinary baldness chiefly to scalpal forms of Eczema. The Oil may really be a scientific remedy. Anyhow I am glad to have a good supply of it.

The success of the Keshranjan Oil makes me curious to try some of your other medicaments. So I send a cheque and a list of those I should like to try.

**IN MANY WAYS**

the world has changed and is changing. Most of us live quite differently to our fore fathers many of our present day occupations were unheard of, undreamt of even a generation or two back whether the "Good Old Times" were actually as good as they are pictured is perhaps an open question, but if we have gained much—gained in wealth, luxury, refinement, art and science, modern conveniences, modern travel, and much else—yet there is no doubt that we have lost something. Life is no longer so quiet, steady and easy going as formerly. These are days of rush, strenuous work and often of equally strenuous amusement. Life now a days, tends to become more wearing. Our digestive systemse specially, are very liable to get upset by hurry and worry and as so many distressing ailments follow upon a disturbed and neglected condition of the organs of digestion it is well to have recourse to

Impaired vitality, Brainfag, Loss of Memory and Appetite, Weakness and Emaciation have, most unfortunately for the country become very common complaints among young men still in their teens. These are due to youthful folly or indiscretion, excess or abuse.

The serious injury done to the nerve and ducts in early life, leaves a weakness that leads to a steady drain of vital fluid that gradually but none the less surely undermines the constitution and thus slowly brings about an UNTIMELY DEATH.

Our world-renowned specific, named "MEYORES" will remove these symptoms root and branch. A few doses will check the progress of the disease and improvement will follow shortly. Every unfortunate sufferer is requested to try our MEYORES—no matter how many other medicines he has tried and how dark and discouraging his case may seem.

MEYORES and other preparations have been tried and recommended by Dr. U. Benerjee, L. R. C. P. and M. R. C. S.; Dr. S. A. Hossain, M. D. G. S. L. C., (Lond), Dr. S. Costa, L. R. C. P., L. R. C. S., (Edin); Dr. G. Anderson, M. D.; Dr. R. G. Kar, L. R. C. P., and many others all known to fame.

I RECEIVED its *recipe* from a Muhammedan faquir in the Nepal Jungle towards the end of the Indian Mutiny. It is free from all sorts of Mercury. It has hitherto been distributed gratis, but its increasing demand, consequent on the spread of its reputation for wonderful curative powers, and in consideration of delicacy, &c. prevent further gratuitous distribution. During the past 26 years, thousands of most inveterate and hopeless cases have been thoroughly cured within a very short time by its use. Infants and children suffering from hereditary disease, as well as women during gestation are not excepted: the latter cured by *external application* only. It is equally efficacious in all the forms of the disease. In fact no other non-mercurial medicine with such infallible curative powers has yet been discovered for this disease. To corroborate the above statements letters from some of the ablest Assistant Surgeons and other *competent* parties are printed with directions for use, and are to be found with the medicine.
