

NARBERTH IN FIRST PLACE

Defeat R. G. Dun & Co. in Pitchers' Battle, 5-4—Dun Threatens to Tie Score in Ninth Inning—Wallace, Fleck and Bennis Star

The Narberth Champions displaced the R. G. Dun & Co. team from the first place in the Maine Line League last Saturday in one of the best games of the season. The Walzer aggregation played a wonderful defensive game, not a single error being charged against them. The local boys obtained a five-run lead in the first five innings of the game, which proved too much of a handicap for the Dun & Co. team.

It All Came This Way.

What was thought to be one of the very few runs of the game was scored by Narberth in their half of the first inning, when Bell was safe on Collins' error. Wallace was out, pitcher to first base, advancing Bell to second base. On Walter Humphries' grounder to Reed Barnitz, he (Barnitz) chose to get Bell at third, which he did when Bell slid past the bag. Humphries advanced to second when Collins booted Fleck's grounder, and on Koon's fly to left field, which Mudie muffed, Humphries scored the first run of the game, without a hit being made.

Narberth Earns Their Second Run.

Such was not the case in the second inning, when Narberth put across their second run of the game, when Bennis led off with a two-base hit to left, and scored on Simpson's single past second. Simpson was left on second when Mayer and Bell both fanned.

Up to this time the Dun & Co. team had not secured any hits, but R. Barnitz cracked out a single in the third inning, but his teammates could not score him.

The fourth inning started out as if Narberth would score again, when Richard Wallace started off with a single, but was out trying to steal second. Humphries then fanned, but Fleck pushed a single past second, and Koons ended the inning by being thrown out by R. Barnitz.

Narberth Scores Three More Runs.

Narberth started off with a rush in the fourth inning, when George Mellon led off with a sizzling three-bagger between the pitcher and second base. Bennis then flew out to short, but Bill Simpson was safe at first on Swartz's error, Mellon scoring when Fahey threw over the third baseman's head trying to catch him napping. Bert Bell then scored Simpson with the second run of the inning with a three-base hit to deep center, and Wallace scored Bell with a single to right field, but ended the inning by being thrown out trying to steal second base.

That ended the scoring for the Narberth team, and the lead looked very good, but the Dun & Co. team scored two runs in the fifth inning when Swartz started off with a single, and Chew followed with a three-base hit, scoring Swartz. Deegan then scored Chew with a single to right.

The Dun team did not look dangerous until the ninth inning, when H. Barnitz led off with a single back of second, and Gilbert tore off a two-bagger to center, scoring Barnitz, but Gilbert was out at third trying to stretch his hit. Bennis threw the ball to Humphries and Walter made a perfect throw to Mellon, retiring Gilbert.

Had Gilbert not have been out, he would very likely have scored, as Mayer then threw a high one over Koon's head. With the score then five to three, and one out, Swartz cracked out his second single through short, and Fahey scored Swartz with a scorching three-bagger to left field, close to the foul line. Things looked mighty bad, as there were only one out and a man on third, and one run needed to tie the score, but Mayer fanned Chew for the second out and forced R. Barnitz to fly out to Walter Humphries in deep center for the final out of the game.

The game was spectacular in sev-

AN OPEN LETTER

To the People and the Board of Health of Narberth

First of all we ask every one that reads this letter to get this straight—we are neither for nor against any individual, either connected or not connected with the Board of Health.

What we are against is any possibility of the contagious and infectious diseases now existing in Narberth being communicated to others, when rigid, but necessary precautions would prevent any spread of these diseases.

We are wondering whether a "yellow sign" placed on the "back door" of a dwelling is going to prevent people from entering this same dwelling through the front door?

We are wondering whether it is wise for delivery boys from stores to enter a dwelling placarded with a "yellow sign"?

We are wondering whether it makes for the health of the community to have a child, suffering from whooping-cough, standing on the sidewalk in the business section, coughing violently?

We are wondering how strict a quarantine should be kept on a dwelling in which there is a case of some such disease as diphtheria?

Are the warnings on the "yellow cards" meant to be obeyed, and if they are violated who is to blame?

We have made this a general letter because, it seems to us that the responsibility for the health of the community rests jointly on the residents and the members of the Board of Health.

E. A. MUSCHAMP,
W. ARTHUR COLE,
J. F. LONNELLY.

UNION TWILIGHT SERVICES

These meetings are growing in popularity. Last Sunday 168 gathered on the Justice lawn and enjoyed this service in the open.

Rev. E. L. Swift, pastor of the Narberth Baptist Church, gave the address. Next Sunday evening the address will be made by Rev. John Van Ness, pastor of the Presbyterian Church.

We will use the "Sunday Hymn Books" commencing next week. Don't miss these meetings.

The Union prayer meetings are as follows:

July 19 — Presbyterian Church. Leader, Baptist.

FOOTWALK TO BE CONSTRUCTED ON OVERHEAD BRIDGE ON NARBERTH AVENUE.

At a meeting of Council last Monday night the following communication was received from the Division Engineer of the Pennsylvania Railroad:

June 30, 1916.
Mr. Charles E. Humphreys,
President Borough Council,
Narberth, Pa.

Dear Sir:—Referring to your letter of the 29th inst., we have just received within the last forty-eight hours, authority to place a footwalk on the west side of the overhead bridge at Narberth and the iron work has been ordered; and the same will be placed in position when received.

Yours truly,

George H. Brown,
Division Engineer.

The above improvement has long been needed, as this bridge is a dangerous one to pedestrians who have been obliged to use the roadway.

UNCLAIMED LETTERS AT NARBERTH POST OFFICE.

POST OFFICE NOTES.

Private correspondence as well as that for business purposes should be marked showing to where it should be returned, if undelivered at post office of address. If this precautionary measure could be generally observed it would greatly assist post office officials in the handling of mail matter.

IMPORTANT SCHOOL DISTRICT ELECTION

Saturday of This Week—
July 15th

Next Saturday will be held one of the most important elections ever conducted in this borough. So much depends on the future welfare of our school children that every voter should make it a point to vote in favor of the proposed bond issue. A few weeks ago an opportunity was given to every man and woman in Narberth to designate their choice of location, by a ballot to be sent through the mail. The result of that test vote was overwhelmingly in favor of the most economical plan, and the location of the new building on the present school site, on the hill.

In spite of this, it must not be taken for granted that the assent of a majority of the voters will be given at the coming election. While the number of votes in opposition to the location on the hill at the recent test election was small, it must not be forgotten that a small and active minority can accomplish much, especially if the majority is over-confident and careless. It could very easily happen that through the forgetfulness or apathy of those favoring the loan, it will again be defeated, thereby indefinitely subjecting our children and teachers to the present intolerable, overcrowded and unhealthy conditions. It must be borne in mind that nobody whose opinion is worth considering has denied the necessity of more room. The only point at issue was that of location. An absolutely fair and open opportunity was given to everybody to vote on this issue, and a surprisingly small number of votes was cast in favor of the much-discussed central location. This demonstrated that either those favoring it were not as numerous as supposed, or that they were not willing to meet the issue squarely. If those who refrained from voting at that test election now come out and defeat the loan, they stultify themselves, and the burden is on them of continuing a state of affairs that is prejudicial to the health and safety of their children.

MEN—VACATION

The Country Club of the Young Men's Christian Association of Philadelphia, at Dwight Farms, Downingtown, Pa., opened for the season on Saturday preceding Decoration Day and will close October 1st. The resort is open to members of any branch, department or division of the Young Men's Christian Association of Philadelphia and to the members of any other association who may be the temporary guests of these associations. Those who are members of other associations and not the temporary guests of the Philadelphia associations may, upon presentation of their membership cards, secure a pass from the executive secretary entitling them to the privileges of the resort, limited to the time of the stay. By the terms of the trust, the resort is open only to white members over eighteen years of age. Members may bring guests to spend the day, and excursions may be arranged for through the executive secretary or the secretaries of the different associations, departments or divisions.

Equipment.

Six comfortable cottages, each equipped with single beds, bath room and running water. An attractive dining hall, situated on the edge of the plateau, where an unsurpassed view may be had, and where refreshing breezes constantly keep the dining hall cool and inviting. The club house, with its library, victrola, writing tables, pocket billiard and billiard tables, chess, checkers and other games, has two extensive fireplaces and wide verandas, one side overlooking the base ball field.

In the open, one will find a particularly good base ball diamond, tennis courts ready for use, hand ball

JUDGES REPORT ON BEST KEPT YARDS

At the meeting of the Narberth Civic Association held a week ago, the following judges were appointed to award the prizes for the best kept and most attractive premises in Narberth: Mr. Hugh Barclay, superintendent of the estate of Miss Anna Thompson, of Merion; Mr. Joyce, superintendent of Miss Gibson's estate, Narberth, and Mr. Parker, superintendent of the estate of Mr. Percival Roberts, Narberth. As a substitute judge was named Mr. A. E. Wohlert, of Narberth, who is to act when it is impossible to get all the gentlemen above named.

A good start was made at this judging and rather a thorough inspection was made last Friday. Among the particularly noted places the following can be mentioned: To be sure, there are a great many others but the space in this week's issue will permit only the mention of a few. On Wynnewood avenue, the very attractive place of Mr. Charles H. Roberts was particularly noted, and his premises as seen from the front were possibly the most picturesque for the natural tendency of old shade trees with the house nestling quaintly among the beeches and dogwoods, and nice spacious green lawn in good condition in front completing the picture. The only thing the judges found marred the picture was some rather large bushes planted near the front walk of the foot-path of Wynnewood avenue; as these bushes to a great degree obstructed the view of the charming picture. The whole effect was most restful and beautiful, even if no flowers were in sight at the time. Mr. John B. Williams' property as well as his immediate neighbors' were particularly attractive premises, and the Artman Estate on the corner of Windsor and Wynnewood avenues was also noted. The two corner houses on Shirley road and Haverford avenue were particularly attractive and commanded the admiration of the judges. Dr. Snyder's premises also caught the judges' eye. The treatment of the place showed great care and thought on the part of the owner. Mr. Shand's place was much commented and the judges particularly commented on the fact that the beauty of this place was not screened from the street; abundant vistas allowing the passerby an uninterrupted view of the scenery, particularly on Narberth avenue. The fact that this big property was kept in a spick-and-span condition was very pleasing to these experts. The property of Mr. Wm. T. Harris, on Price avenue, was also noted. The effective rustic fence and vines were very pleasing, but in the opinion of the judges, planting was needed at the base of the house. Mr. Savill's bungalow was considered very attractive; the only detriment was the condition of Sabine avenue, grass and weeds growing freely on that street. The two adjoining properties south

LIBRARY MATTER PLACED BEFORE COUNCILS

Mr. Carroll Downs made a formal report to Councils last Monday night concerning the proposed new Carnegie library building. He stated that if request would come from the proper borough officials, we had excellent prospect of procuring a handsome, fully-equipped building, which would be a credit to our borough. The only obligation on our part would be to furnish a suitable site and guarantee the building would be properly maintained. We are to be congratulated on this opportunity which Mr. Downs has secured for us after the expenditure of considerable time and energy, and trust his efforts will not have been in vain.

Mr. Downs in his report called attention to the importance of placing good books within the reach of children at a time when their minds were in process of development, and pointed out the inconveniences of obtaining books from the Philadelphia Library, which practically prevented its use by the vast majority of our people. As Mr. Downs stated, one of the purposes of the public school system was to give the boy and girl a taste for good literature, an appetite for good reading; yet, after they get this appetite, there is no way to satisfy it. The proper authorities have it in their power at a slight cost; have a splendid opportunity to do something not only for every boy and girl, man and woman in this community, but those whom we expect to come to us. We want good citizens—good citizens demand good churches—good schools—good roads and good library facilities. If you want to give the boy and girl—the future citizen—a chance, tell your Councilmen they have the authority to provide the community with library facilities.

Before going to town on Saturday next, July 15, go to Elm Hall and vote for the school loan. If you have not time in the morning, vote immediately on your return in the afternoon.—Adv.

"Oh, mother, what do you think?" remarked the high school girl. "Our minister has an amanuensis."
"You don't say," replied the old lady with much concern. "Is he doctorin' for it?"

On the first page of this issue is a strong plea from the standpoint of the School Board, for our voters to come out and support the loan at the election on Saturday of this week. The argument is a perfectly reasonable one. If a central location had really been wanted by the majority, it could easily have been obtained, simply by casting a vote in favor of it at the time of the test ballot. The School Board had most positively announced that the application for the loan would be based on the location selected by the majority. The vote having been by a very large majority in favor of the hill location, the board asks for a loan based on that expression of the public demand. It is an obligation due to our school children that this long-deferred question be settled at this time. To neglect to vote now would be to shirk a duty that rests on every citizen qualified to vote.

NOTICE OF SPECIAL PUBLIC ELECTION

Pursuant to an Ordinance providing for a special election for the purpose of obtaining the assent of the electors of the Borough of Narberth, Montgomery County, Pennsylvania, to an increase of the indebtedness of the School District.

Notice is hereby given to the qualified electors of the Borough of Narberth, Montgomery County, Pennsylvania, that on Saturday, the fifteenth day of July, A. D. 1916, between the hours of seven A. M. and seven P. M. at the building of the Narberth Fire Company, Forest Avenue North of Haverford and Merion Avenues, in the said Borough of Narberth, an election will be held for the purpose of obtaining the assent of the electors of the said Borough of Narberth to the increase of indebtedness of the School District is the sum of Fifty-eight Thousand Dollars (\$58,000.00.)

The following is a statement of the indebtedness of the School District of the Borough of Narberth:

The last assessed valuation of taxable property within the Borough was.....\$2,202,920
The amount of the existing indebtedness of the School District of the said Borough is 23,888
The amount of the proposed increase of indebtedness thereof is 58,000
(Which includes the payment of present floating indebtedness in the sum of \$9,000.00.)

The percentage of the said proposed increase to the last assessed valuation is.02632
The total amount of funded indebtedness after said increase is made will be.... 72,888

The percentage of said total amount of funded indebtedness to the last assessed valuation is03308

The purpose for which the indebtedness of the said School District of Narberth is proposed to be increased is to erect, upon the grounds owned and occupied by the School District, a new building for school purposes to consist of eight rooms and a well lighted basement for gymnasium purposes, and to install a new heating plant capable of adequately heating both the present building and the new building, the total cost of which will require an expenditure of Forty-nine Thousand Dollars (\$49,000.00), and to provide for the payment of the present floating indebtedness of the School District in the sum of Nine Thousand Dollars (\$9,000.00.)

The said electors may at the time and at the place aforesaid cast their ballots for or against the said proposed increase of indebtedness of said School District.

Said election is pursuant to Ordinance approved by the Board of School Directors and enacted into an Ordinance on the tenth day of June, A. D. 1916.

C. Howard McCarter,
President.

Attest:

Mary S. Melchior,
Secretary of the Board of School Directors.

Do not forget the School District election on Saturday, July 15. Every voter should turn out.

A WORD TO THE NEW RESIDENTS

THE NARBERTH KICKER BREAKS LOOSE AGAIN

To the Editor of Our Town:

At the start I want you to understand I am not knocking the P. R. R. I have traveled all over this country and have yet to find a railroad that in point of equipment, organization or personnel can compare favorably with it.

However, nothing is perfect on this terrestrial sphere and it is only in a spirit of inquiry, rather than criticism, that I ask you or any of your readers to answer the following questions:

No. 1—Why do so many trains from the city which are advertised to stop at Narberth, really stop at South Wynnewood or Narberth and a half?

No. 2—Why do so many Paoli locals start from about Nineteenth and Market streets, rather than Fifteenth and Broad streets? The answer might suffice to explain why so many trains that are supposed to take one to Broad Street Station over the Main Line drop us about half a mile from that point, in spite of the fact that we have paid fare for the full trip.

No. 3—Is there no way that the P. R. R. can overcome the necessity of roasting its passengers alive before they board the trains in the city? Anyone that walks along the platforms where the electric trains are standing doesn't need a diagram to explain what I am getting at.

No. 4—And last—but positively not least. Does the Full Crew Law contemplate the shanghaiing of passengers into the service of the railroads? Take any train leaving here in the morning and notice that when Broad Street Station, or rather Nineteenth and Market streets, is reached, you will look in vain for one of the efficient and courteous guards to open doors and lift the vestibule floors. If you want to get off that train, you must do that little job yourself, or depend on some other passenger, never a railroad employe.

Narberth Kicker.

AN ORDINANCE.

Requiring the laying of sidewalks, curbs and gutters on Haverford Avenue from Montgomery Avenue to Narberth Avenue.

The Council of the Borough of Narberth does ordain:

Section 1. That owners of properties abutting on the North and South sides of Haverford Avenue between Montgomery Avenue and Narberth Avenue be, and they are hereby required to lay within thirty (30) days from the date of service of notice to lay sidewalks, curb and gutters in conformity with existing ordinances.

Section 2. Failure on the part of any owners to comply with the provisions of Section 1 shall justify the Borough Authorities to have the work done charging the expenses to the owners, with an addition of ten per centum, as a penalty, collectible in such manner as the law directs.

Section 3. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and they are hereby repealed.

Passed this 19th day of June, A. D. 1916.

C. E. Humphreys,
President of Council.

Attest:

Chas. V. Noel,
Secretary of Council.
Approved this 10th day of June, A. D. 1916.

HAVE YOUR MAIL ADDRESSED TO YOUR BOX NUMBERS

Patrons of the post office should endeavor to have their mail addressed to their box numbers, as delays are frequently caused in the delivery of letters due to the address being simply given as Narberth, even when street and number is given it is frequently necessary to look up the name in directory before the mail can be cased up, causing extra work as well as necessary delay.

BETTER FACILITIES

FOR POST OFFICE

Narberth post office is unable to take complete advantage of the second-class privilege owing to the lack of room in which to place the equipment that a second-class office is entitled to, such as modern casing racks, sorting tables, cancelling machine, filing cases for supplies and records, sack racks for outgoing mail and many other things too numerous to enumerate. These will be secured when new quarters are provided.

Vernon Fleck almost backed down to the pike to take in Swartz's drive in the very same inning. In the sixth inning Dick Wallace speared Collins' intended two-bagger with one hand, making a wonderful stop, much to the delight of the bleacherites.

While the Dun & Co. were charged with five errors, yet they too made some very excellent plays. Mudie collected Fleck's drive in the eighth inning in a very creditable fashion, and H. Barnitz at second base being very alert.

To the Editor of Our Town:

There is no doubt excellent reasons why, but it is a little difficult for the average person to understand why particularly dangerous holes in the roads of our town should remain for months at a time when it would seem they could be fixed sufficiently to prevent actual danger for which the borough would no doubt be liable. One of the places in question is at the intersection of Dudley avenue and Windsor avenue. Within a few days, at least one automobile was seen to stop after "going through" and pick up the pieces of the rear spring which was smashed so that the body of the car rested on the axle. The peculiar actions and comments of driver and occupants of a car on an occasion such as the above are not of a character to elevate society to any great extent.

Another recent incident was the passing over this "landmark" of a truck containing several workmen, one of which was bodily bounced from the vehicle landing heavily on the hard roadway, his companions assisted him to arise and after first aid remedies were applied he was helped into the vehicle and taken away.

These are samples of what is occurring at this place hundreds of times every day.

It would take perhaps an hour at a cost of about two or three dollars to at least fill up this hole with stone.

There is no doubt some excellent reason why it is not done, there are many things we are not permitted to understand clearly.

Resident.

"Johnny," said the Sunday school teacher, "what is our duty to our neighbors?"

"To ask 'em to tea soon as they get settled," said Johnny.

The afternoon services have been discontinued until the third Sunday in September.
The duet sung by the soprano and tenor during the taking of the offertory was appreciated by those who heard it at the service last Sunday morning.
The church busses leave Narberth and Wynnewood stations at 10.40 on Sunday mornings.

Remember the election on Saturday, July 15, for authorization of bond issue, to provide urgently needed accommodations for our school children.—Adv.

THE FIRESIDE

Betty Baxter's Gossip.

Mrs. Edward H. Cockrill entertained friends over the week end.

Mr. Arthur Haight and family spent the week end at Atlantic City.

Mr. and Mrs. Charles A. Verna motored to Atlantic City for the week end.

Mrs. Irwin S. Hepler, of Essex avenue, will entertain at bridge this afternoon.

Mrs. W. R. D. Hall, of Dudley avenue, has as her guest her sister for a few days.

Miss Fanny Loos, of Haverford road, will spend the remainder of July in Massachusetts.

Mrs. Frank M. Calvert and daughter Margaret are spending a week in Staten Island N. Y.

Miss Mary Rowland is the guest of Miss Vera Artman at their summer home in the Poconos.

Mr. and Mrs. Whitam, of 106 Merion avenue, have returned from a sojourn at Atlantic City.

What has become of the petition asking that Essex avenue be cut through under the railroad?

Mr. and Mrs. H. Keim and children have been spending their vacation at Harmonyville, Chester county.

Mrs. Arthur Llewellyn, of Iona avenue, is entertaining her mother from Ohio for an indefinite length of time.

Miss Helen Duff, of Woodside avenue, is spending a week at Tidouate, Pa., being a guest at a large house party.

Miss Sara McClain, of Norristown, formerly of Narberth, is spending the week as the guest of Miss Mildred S. Smith, of Elm Terrace.

Mrs. Clement Booth and family have returned from Springfield, Mass., and have as their guest Mrs. Geo. R. Lyon, of Springfield, Mass.

Mrs. C. P. Fowler is home from the hospital and expects as her house guests Mrs. Edgar Patenall and Mrs. Guy and daughters, of Pittsburgh, Pa.

Friends of Mrs. Walter Dothard are sorry to hear that her two little children are victims of the whooping cough, now so prevalent in Narberth.

Mrs. H. H. Siler, mother of Mr. A. K. Siler, and Miss Joyce Edwards, of Siler City, N. C., are visiting the Silers at their home on Wynnewood avenue.

Mr. W. Leroy Robertson, of Essex avenue, who was injured in an automobile accident several weeks ago, is much improved and has returned to business.

Miss Marguerite Horlander, Miss Gertrude Johnston and Mr. Russel B. Kneidler and Mr. Thomas C. Conklin, of Philadelphia, were the week-end guests of Miss Mildred and Mr. Earl Smith, of Elm Terrace.

Sunday, July 9th, Mr. and Mrs. Robert Coleman, Jr., gave a dinner in honor of their daughter's first birthday. Only members of the family were present. The table was beautifully decorated and the cake with one candle in made quite a pretty centerpiece.

Miss Mary Small, daughter of Mrs. J. P. Small, of Dudley avenue, was married to John R. Ritter, Monday, in St. Margaret's Church, the Rev. F. R. Cowley officiating. After the ceremony a small reception to the rela-

tives was held at the home of the bride's mother.
Principal William T. Melchior, accompanied by Miss Melchior, secretary to the principal and to the Board of Education, attended the meeting of the National Educational Association which convened in New York City last week. Vice President Carroll Downes was in attendance.

July 19th and 20th are the days set for the Cape May trip of the Narberth base ball team, and plans have been made for the accommodation of the players. Those who would like to accompany the team had better get in touch with Manager Walzer immediately, so that arrangements can be made at the hotel.

Members of the Narberth High School Alumni Association met in the Y. M. C. A. Building on Tuesday evening for the purpose of formulating plans to aid in passing the school loan. The executive committee requested the presence of the board and the principal. Narberth can be proud of an Alumni Association that is alert to its opportunities for helping the school.

Little things like rain drops never interfere with any arrangements a determined woman may make. Mrs. Van Ness chartered a palatial Delaware river launch last Monday evening and treated her Sunday school class to a daylight and moonlight trip up the river and return. Did they enjoy it? Ask any of them. Mr. Van Ness will need a new straw hat to replace the one he left in the river.

The committee on improvements and prizes for best kept gardens would like an amateur photographer to take pictures of some of Narberth's attractive places for publication in Our Town, and in other horticultural papers. No doubt the Philadelphia papers would be delighted to have some of the pictures. The committee would like to have one or more photographers communicate with Mr. Wohlert and he will point out the best views, or places where, in his judgment, the best pictures could be taken. No doubt some of the photographers would know more about where a good picture should be taken than Mr. Wohlert does, but he can at least have the assurity of his advice. Unfortunately, some of the most attractive places do not make good pictures. The committee would like to have some pictures for publication and wants the services of an expert amateur photographer.

PARENTS!

Would vacation time not be a good time to attend to our children's teeth? Thoughtful parents always have their children's teeth carefully "gone over" at least once a year, generally oftener. Why not attend to it before school opens and thus avoid early dismissals and absences? Children affected by poor teeth, adenoids or enlarged tonsils and poor eyes are handicapped sufficiently, without missing school time when it can be avoided by forethought. Statistics show that 48 per cent. of rural school children have teeth defects; 28 per cent. enlarged tonsils, and 23 per cent. adenoids; 21 per cent. of eye defects.

Decay of the teeth, defects in the nose, throat and ears, were not always as common as they are to-day. Of every thousand children examined, more than half of them will be found to have one or more decayed teeth, and a large number will have adenoids, large tonsils and defective hearing. Few men and women have perfect teeth, unobstructed noses and throats and sharp hearing.

We do not know just why or just when these defects in the teeth, nose, throat and ears began to appear; they probably came when man left the coarse food, pure air and freer life of the fields to dwell in cities. No one can tell us whether the children of old suffered from adenoids and large tonsils, but we do know that in Egypt, more than four thousand years ago, decay of the teeth was as rare as decay of the bones.

All that we as parents can do is very little perhaps, but are we sure we are all doing all we can for the physical well being of our children?

NARBERTH OFFICE, Open From 8 A. M. to 4 P. M.
Friday Evenings, 7 to 9.

The visitors commented on the fact that some very attractive places were marred by conspicuous dead branches in some of the trees, mostly in willows here and there, and by dead evergreens the owners have permitted to remain marring the beauty of the otherwise attractive premises. Mr. Norman Jefferies' home on Narberth avenue was also noted and the personal care and attention of the place did not escape the keen eye of the visitors. The personal interest displayed on Mr. Kreamer's place and the diversified planting was immediately noted. At this place, hardy plants and greenhouse plants were used promiscuously as well as vines, climbing roses, etc., producing a very good effect. At the home of Mr. Carroll Downes, the thought and care bestowed did not pass unnoticed. Mr. Albert Golze's home grounds, facing as it does on three streets directed much favorable comment; the only regret being that more of it was not visible from the street, a rather high hedge obstructing view. The evidence here of personal care, supervision, and free expenditure of money very favorably impressed the judges.

Messrs. Felton, Hillegas and Jacobs were also favorably noted, but bound to be entirely too new to compare with some of the older premises. The corner lot adjoining Mr. Golze's was note, and the home-like effect as well as good upkeep drew attention at once. The experts commented on the opportunity of planting of rock plants on the walls of the stream on the properties of Messrs. Felton and Jacobs. On Chestnut avenue, it would be very difficult to say who had the most attractive premises. Among the newer improvements of this street were noted Mr. Wright's place on the corner. This was particularly clean and attractive. The opposite corner was equally good and added very materially to the attractiveness of

our town. Places like that are of a great credit to Narberth, and it is very fortunate indeed that such places are located on such a prominent thoroughfare as they are and will be after the new improvements are completed. Mr. E. P. Dold's place shone as bright as a new dollar and was very attractively planted forming a very fine complete picture. Numbers 5, 7 and 9 were also very prime. Charles J. McIlvaine, Jr., of McIlvaine & Company, deserves part of the credit for these fine appearances. When Mr. McIlvaine secured these houses by purchase, he immediately saw the need of planting and spent quite a sum for that purpose. We are informed that he did this within a week after he secured the properties and the result shown is that he made no mistake; as some of these properties are still in his name, or the name of his company, and the value has been greatly enhanced by his planting and the good care of the occupants. The premises occupied by Dr. and Mrs. Blackall on a nearby corner of Wynnewood avenue is or was also one of the properties of McIlvaine Company. The planting done by McIlvaine Company and labor by the doctor has added greatly to the value of the property, to the owner and to the Borough of Narberth. It is safe to say that very few suburbs outside of the Main Line can compare with Narberth in any way along the line of attractive suburban lots. Numbers 101, 105 and 116 Elmwood avenue were noted as very attractive, very neat and particularly well kept. At 116 Elmwood avenue, Mr. Bowman has a very attractive bed of herbaceous plants and they no doubt will show up fine in September. A background is needed here, but the trees planted promise to supply this very much needed relief.

court and swimming pool. These features and the good fellowship that prevails, the impromptu entertainments, music, sports and competitions, the camera room and the shower baths, make the Country Club an ideal summer resort for the man of moderate means.

The plateau upon which the club is placed rising over 500 feet insures cool breezes, invigorating air, and extensive views overlooking the Chester Valley, which form ever-changing pictures.

Much of the vegetables, fruit, milk, cream and other supplies are produced on the place, which assures an abundant and attractive table.

Rates.

There are no fees or charges beyond those for board and lodging. The rate for board and lodging, covering all other privileges, is \$1 a day. Saturday afternoon to Sunday evening, \$1.50; dinner, 50c.; breakfast and supper, 35c.; lodging, 35c. The moderate cost and the absence of fees and extras make this a vacation place second to none other.

Why shouldn't Narberth get a party to go up over some week end?

Are you interested? If so, see Secretary Hampton for details, booklet, etc.

Do it now.

CAMP

Well, the boys left Monday A. M. on the 7.29 with Secretary Hampton as pilot. At Central they met the rest of the party, nearly thirty in all, and started for "Camp Tohickon."

The boys all enjoyed the trip and began their real camping experience with vim and vigor. The ten boys going from Narberth will average about two and one-half weeks apiece. No boy could spend his vacation in a better way.

POST OFFICE NOTES.

Box rents for the quarter ending September 30th will be payable between the 20th and last day of June. Every box in the post office is rented, and there is a waiting list of more than a dozen applicants.

There has been received at the Narberth Post Office a bulletin from the Department of Labor at Washington, containing a call for 30,000 to 40,000 men to help harvest the crops in Kansas. The rate of wages range from \$2.00 to \$6.00 per day. Bulletin is posted in the lobby.
