REPORT MADE AT MEXICO, D. F.	DATE WHEN MADE 6/25/54	PERIOD FOR WHICH MADE 6/1,4,9- 11,16/54	REPORT MADE BY ROBERT L. LARSON	FO FO
TITLE CHANGED EDWARD BROWDER, JR., was., Edward Sabatino, John D. McCormick, Edward Browder Sabatino			CHARACTER OF CASE REGISTRATION ACT	

SYNOPSIS OF FACTS: Subject was apprehended at Mexico, D. F., by officers of the Mexican Bank Police 6/10/54 and placed in the custody of the Investigative Section of the Mexican Ministry of Government. His arrest resulted from the fact that he had ordered from a small Mexico City printing shop a quantity of blank "cashiers checks" on two U. S. banks. At the time of arrest, he was at liberty on bond as a result of charges of issuing bad checks. He claims to have sold arms to deposed Cuban President CARLOS PRIO SOCARRAS and to have recently conferred with Guatemalan President JACOBO ARBENZ. He also stated he has been in contact with the son of Nicaraguan President Somoza and claimed to be planning to use the check forms which he had ordered in connection with a plan to blow up the ammunition storage dump of the Guatemalan Government. He acknowledged utilizing the names JOHN D. MC CORMICK and EDWARD SABATINO but claimed he has not violated any U. S. Federal laws. Friends of Subject advise he is a pathological liar but claim he is useful for his imagination and resourcefulness. On afternoon of 6/16/54, BROWDER escaped from Immigration Detention House and present whereabouts unknown. (C) u

Re: EDWARD BROWDER, JR., with aliases
Edward Sabatino, John D. McCormick,
Edward Browder Sabatino

I. BASIS FOR INVESTIGATION

This investigation is predicated on information received from T-1, of known reliability, to the effect that one JOHN D. MC CORMICK had directed a letter to Costa Rican President JOSE FIGUERES in which he alleged that he was in contact with a group in Mexico which was plotting against FIGUERES and in which he offered his services to the Costa Rican Government in recruiting pilots and combatting any possible revolution. Source stated this letter also made reference to ROSENDO ARGUELLO, JR., as being engaged in revolutionary activities against the FIGUERES regime. (u)

II. INVESTIGATION TO IDENTIFY JOHN D. MC CORMICK

It had been advised by T-1 that in writing to President FIGUERES, MC CORMICK had furnished his return address as Calle Rio Hudson #7, Apartment 4, Mexico, D. F. (u)

Investigation by T-2, of known reliability, at the foregoing address, disclosed that an individual who was known to the building manager as JOHN MC CORMICK was a constant visitor at the apartment of a French "cabaret artist" named ODETT OLIVIER, who had occupied Apartment 4, Calle Rio Hudson #7, for approximately eighteen months until she moved from that address in April, 1954, stating she planned to return to Europe. T-2 was advised, however, by the building manager that in early June, 1954, ODETT OLIVIER telephoned her inquiring as to whether or not any mail had arrived at that address for her. (u)

T-3, a representative of another Government agency, advised of having received information from a confidential source who resided in the same apartment building as ODETT OLIVIER to the effect that one JOHN MC CORMICK had intermittently resided with OLIVIER at that address, and that MC CORMICK and two unidentified (u)

companions in a 1951 Oldsmobile or Pontiac automobile bearing 1953 San Salvador License Plates had assisted OLIVIER when she moved from that address. This source further advised that MC CORMICK did not appear to be employed and that on several occasions he remained at the apartment continuously and claimed he was awaiting long-distance telephone calls from Central America. (S)(u)

Information was received independently from T-4, of known reliability, in [April, 1954, to the effect that one EDWARD SABATINO had been spending considerable time in the company of ROSENDO ARGUELLO, JR., and that in the latter part of April ARGUELLO and SABATINO had departed from Mexico City for Guatemala in the automobile of ARGUELLO, which was described as a 1951 Buick bearing 1953 San Salvador License Plates. T-4 had also advised that SABATINO claimed to be a former U. S. Air Force pilot who is presently in the business of buying and selling U. S. Army surplus and to have delivered a substantial quantity of arms to associates of deposed Cuban President CARLOS PRIO SOCARRAS. T-4 stated SABATINO claimed that the agent who handled the matter for PRIO SOCARRAS had paid him for the arms in United States currency, approximately one-half of which turned out to be fraudulent. (S)(u)

III. DETENTION OF SUBJECT BY MEXICAN AUTHORITIES

Information was received from ALFONSO FRIAS, Assistant Chief of the Mexican Bank Police, to the effect that EDWARD BROWDER, JR., had been arrested in Mexico City on the afternoon of June 10, 1954, when he called at the "Imprenta Rocar," Calle Uruguay #77, in connection with his order for the printing of blank "Cashiers Checks" on two United States banks. FRIAS advised that investigation had disclosed that Subject had furnished cliches to the printing firm and had ordered the checks printed in accordance with a model which he had in his possession at the time of his arrest and which are described as follows:

- 2-1396-5

[The usual check form had been lined off in ink with indications in ink for such items as number, pay to the order of, amount, date, and at the bottom there appeared in handprinting, "Cashiers Check." Subject was questioned concerning the check forms which he had ordered and advised Mr. DEMETRIO FLORES FAGOAGA, Chief of the Investigative Section of Ministry of Government, that he had ordered these check forms for "political purposes." (u)

There follows a partial list of documents and material which was obtained by the Mexican Police authorities incident to Subject's arrest: (u)
