

Wm. L. P. Hunt Sir

New York Nov. 11. 1824

I have just received your book from the Franklin Bank, by which it appears that the balance of your account is more than what you anticipated; it being three hundred and ten Dollars. To enable you to correct the error (if there be any) I will copy the amount of the checks together with the initials to whom made payable.

Respectfully Yours Edward T. Haile

Our friend Mr. Foot made his appearance the day after you left Town he had been on a visit to the eastward, and following our good example taken to himself a rib. He paid on a \$ 1000 bill and purchased an additional bill of about 250 Dollars. v. C. L. J.
