INSECTS!!!

A NEWLY invented article which will effectually destroy all insects that annoy the public at No. 46 Chartres street opposite the Exchange. It is a fumigating blaster, of which a few will suffice to purify a house and annihilate bugs, and the whole family of combustible and unwelcome tenants, and the prejudice of many will be removed when it is known that it is perfectly harmless to human beings, and is a complete protection from mosquitoes and flies, when lighted and placed in a room, this tenant and inmate must leave the premises as
