WALTER M. WHITEHILL
TREASURER

To us, at the Brookside, it's perfectly clear
That washing's a serious matter
Especially, when you attempt it at home
With all of its splashing and spatter.

But here, with facilities ample, you see
It just keeps us happy and busy,
But visitors, seeing our piles of clean clothes
Say "Why, I should think you'd be dizzy!"

"How is it you know where each garment belongs,
And how can you do them so neatly?"
But having no secrets that might be disclosed
We show you our plan quite completely.

"Water a-plenty, best Ivory Soap,
Cheerful workers, with judgment unflinching,
Clean, sunny workrooms with plenty of air.
Don't you see, it is really plain sailing?"

The information in the above books consists of accurately compiled selected names, with post office addresses of from 1500 to more than 9000 residents of their respective towns in each book. They are widely used, especially in the homes. With the double lists, street and alphabetical, maiden names of married ladies, summer residences, at home days, club lists and members, theatre diagrams and other data, they are almost indispensable to those in the social life or the business world. They are issued so often that by their use in revising mailing lists, a saving in postage is effected, and a quick delivery of correspondence by having correct addresses made.

Don't think of STORAGE OF FURS in terms of FIRE INSURANCE that is a very small part of it.

Removing the dirt,
Straightening out the hair,
Closing the breaks while they are young,
Hanging in a cold room for six months,
Insurance against loss from any cause,
And returning to you clean and fresh
and repaired and safe.

THAT IS COLD STORAGE

And all the difference between our service and the other sort is our attention to the little things which spell "Carefulness."

All fine furs hung in muslin bags. Small minor repairs without charge. Full 100% Fire Insurance. An accurate system of registration and location preventing delay in delivery.

PREMIUM CHARGE THREE PER CENT

A CARD OR CALL WILL RECEIVE PROMPT ATTENTION

THOSE SEEKING THAT BETTER GRADE OF PRINTING

Which produces refined and pleasing mental impressions in conjunction with press impressions are invited to enter into communication or consultation with our Printing Staff.

Allow us to estimate upon your requirements in Printing of whatever kind or nature, and you will be highly pleased with our estimates—based upon quality of work delivered. This, of course, involves no obligation on your part.

We maintain one of the largest and most modernly equipped Printing Plants in Southeastern Massachusetts, and being free from the high labor costs and overhead of city influences we are in a position to quote satisfactory prices upon any class of work submitted.

For over Twenty Years we have faithfully served those who desire that better class of printing which pleases both the eye and the brain.

TO WHOM IT MAY CONCERN

I take great pleasure in recommending The Memorial Press to all those desiring that better grade of printing which is so much desired.

They have promptly, faithfully, and pleasingly served me for many years—this Blue Book comes from their presses.

Yours truly,
HORACE F. JONES, Publisher.

Monthly meeting of Executive committee

Annual meeting third Tuesday in March

Object: "To co-operate with and aid the probation officers of the Court, and to promote justice, good order and efficiency in the community".

Work Accomplished: (1), The League has supplied "Big Brothers" or advisers to 20 probationers since January 1, 1922, and has secured some 40 volunteers for such work; (2), The League has been instrumental in settling many neighborhood disputes so that they did not have to come before the court; (3), The League has done splendid work in keeping boys off the street by interesting them in home gardening and sports. The number of juvenile cases in the court this summer was 5 as against 25 last year.

Work Planned: (1), Continuation of Probation work; (2), Interesting boys and girls in healthful sports, home gardens, etc.; (3), Educational Campaign on law and order including sending members a brief digest of many laws now frequently broken through ignorance.

Membership: The League has been reorganized with three classes of members: (1), Constituent Societies, dues, \$10.00; (2), Active Members, dues, \$1.00; (3), Junior Members, dues, 25 cents.

Any organized society in town, civic or social, may become a constituent member and appoint a delegate to the council. Any person over 18 years of age may become an active member. The

active members may elect 10 delegates to the council. The council elects the officers and executive committee.

The League wishes to obtain 5,000 members and the membership dues from these would supply all the funds needed. It is hoped that every member of a family will join, especially those under 18 years of age as it is through these junior members that very effective educational work can be accomplished.

In order to pay the running expenses until this membership is attained, contributions in addition to dues are solicited.

Will you not have all the members of your family sign the enclosed application card and forward it with the dues to the League Headquarters?

If you believe in law and order, join the Brookline Municipal League.
