

TRUSTEES' MEETING

RENUMBERING OF STREETS DISCUSSED BY CITIZENS LAST NIGHT

The Board of Trustees met in regular session at the City Hall at 7:40 p. m., February 28, 1918. All members present at roll call.

The minutes of the last regular meeting and of the Adjourned meeting, were read and approved.

On motion of Trustee Grist, it was ordered that bids for fire insurance on City Hall be opened, read and publicly declared.

On motion of Trustee Muhleman, it was ordered that bids for fire apparatus be opened, read and publicly declared.

It now being eight o'clock, Trustee Woodberry made a motion, which was adopted, that the reading of the bids be suspended for the purpose of hearing protests against the holding of an election in Municipal Improvement District No. 1, comprising the territory formerly the City of Tropic. The Clerk stated that no protest had been filed, and on motion of Trustee Muhleman, the City Attorney was instructed to prepare an Ordinance calling an election in said territory, as provided for by law.

On motion of Trustee Grist, it was ordered that the opening of bids proceed.

On motion of Trustee Muhleman, it was ordered that bids be now opened proposing to supply the City with an automobile.

Bids were read and, on motion, referred to the Committee of the Whole.

Trustee Grist made a motion, which was adopted, that when the Board adjourn, it be to meet at 7:00 p. m., March 1st.

The Clerk reported the filing of a petition from voters of Kenneth District, comprising territory contiguous to the Grand View District, and requesting that the trustees call a special election in said territory, at which there should be submitted to the qualified electors thereof the question whether said territory shall be annexed to the City of Glendale.

The petition was read by the Clerk and Dr. S. Black was sworn by the Chairman and interrogated by the City Attorney, testifying that he had circulated said petition and secured the names of the signers thereof; that the object of the petition had been fully explained and that all the signers thereof had signed of their own free will and accord and that all signers are bona fide residents of the territory described in the petition.

The Clerk reported the filing of a petition from the Valley View District, requesting that the territory described in the petition be annexed to the City of Glendale, and requesting the Trustees to call a special election in said territory, at which the question shall be submitted to the qualified electors thereof, whether the territory described shall be so annexed to the City of Glendale.

Mr. Phillip Gies, upon being sworn by the President and interrogated by the City Attorney, testified that he had circulated the petition and explained its object fully to all

INTERMEDIATE WINS

HOME TEAM MAKES FINE SCORE IN GAME WITH EAGLE ROCK PLAYERS

The team of the Eagle Rock Grammar School played the Intermediate team in a game of indoor ball on the Glendale court, Thursday afternoon.

In the first half of the first inning, Glendale scored eleven runs. The other side was unable to score except in scattered places. Frederick Easley knocked two home runs and Roy Jefferson one. The two-base hits and triples were too numerous to mention. The line-up of the home team was:

- Simmons Ely, catcher,
- Roy Jefferson, pitcher,
- Calvin Foss, first base,
- Albert Bryant, right short,
- Thomas Morgan and Robert McCort, second base,
- Ernest Lamaroux, left short,
- Wesley Aageson, third base,
- Theodore Dietzel, left field,
- Floyd Kinnan, center field,
- Frederick Easley, right field,
- Mike Camargo and the director, Albert T. Blanford, were the umpires.

A return game will be played with Eagle Rock next Thursday.

With the beginning of the hard ball season, the indoor team will lose Roy Jefferson, Simmons Ely, Theodore Dietzel, Fred Easley, and Tom Morgan. Their places will be filled by other boys in the school.

JOINS AVIATION CORPS

JOHN STAUFFACHER REPORTS FOR TRAINING AT BERKELEY TOMORROW

Mr. and Mrs. J. W. Stauffacher, 421 Orange Grove avenue, gave a family dinner party Thursday evening in honor of their son, John D. Stauffacher, who leaves this evening for Berkeley to enter the aviation school. John enlisted four or five months ago in the Signal Officers' Reserve corps, aviation section, and passed his examinations successfully but has just been called to report. John made a good record in Glendale Union High School, both as a student and an athlete, and the fact that the Southern California Edison company, with whom he has been employed the past year at Chino, assure him that his position will be open for him when he returns, is evidence that he has made good.

Those beside the family who gathered last night to bid John farewell were Charles Adams, of Los Angeles, Miss Josephine Ashby of Chino and E. R. Stauffacher and wife of Glendale.

AUTO RUN DOWN

TERRIFIC SPEED OF P. E. CAR ON BROADWAY CAUSES SERIOUS ACCIDENT

A serious automobile accident took place at Kenwood and Broadway about 12 o'clock today when a Dodge car going south, driven by Mrs. Tillie Copeland, of 144 S. Isabel street, and carrying as passengers her mother and brother, Mrs. Carrie E. Davies and Lewis W. Davies, was struck by a west-bound Pacific Electric car. The auto was hit opposite the steering wheel at which Mrs. Copeland was seated, and the momentum of the car carried it about 60 feet before both could be brought to a standstill. Mrs. Copeland was removed from the machine in an unconscious condition and taken at once to the Glendale Sanitarium, where her very serious injuries were investigated by means of an X-ray exposure. Her mother and brother, who were on the rear seat, appear not to have been hurt.

At this writing Mrs. Copeland is said to have regained consciousness. Her injuries are reported to be a fractured skull, a broken wrist and internal injuries.

The motorman of the P. E. car was A. C. Borden, the conductor A. N. McKee.

Men who witnessed the collision say the electric car was going at probably a speed of 90 miles per hour when the accident occurred.

PLAY BALL

The benefit ball game for the Junior Red Cross Auxiliary of the Intermediate School between members of the teaching staff and pupils, was pulled off Wednesday afternoon. The juvenile players were members of the A8 class, who range in age from eight to eleven. The score was tied almost all the way, but in the eighth inning the A8s got a three-run lead which the teachers were unable to overcome in the last inning, the boys winning by a score of 14 to 11. Teachers who participated were:

- Mr. Harkness, catcher,
- Mr. Blanford, pitcher,
- Miss Scholz, first base,
- Miss Noble, right shortstop,
- Miss Frances Jackson, second base,
- Miss McPherson, left shortstop,
- Miss Mallory, third base,
- Mr. White, right center field,
- Mr. Lehman, left center field,
- Miss Florence Jackson, Miss Jones and Miss Woodbridge sold popcorn and peanuts. A five-cent admission to the grounds was charged and between \$5 and \$6 was realized for the treasury of the Junior Auxiliary.

WORKING FOR IMPROVEMENTS

Glendale's newly annexed territory, formerly the city of Tropic, desires to be supplied as soon as possible with Glendale's cheap water and one cent per kilowatt electricity. The Glendale Gateway association is working toward this end as well as to unite the two school districts. They expect soon to have a shelter erected at Brand and San Fernando Road and are pushing the clean-up proposition this week. At the last meeting of this association there were many expressions of gratitude for what had already been done for this district since the consolidation of the two cities. A number of streets have been improved, the dangerous condition at Tropic and Central avenues has been removed, the fire house has been cleaned and painted and wonderful improvements made in the library.

DENY MOONEY NEW TRIAL

STATE SUPREME COURT DENIES PETITION OF ATTORNEYS OF MAN CONVICTED OF MURDER

(Special Service to Glendale Evening News)

SAN FRANCISCO, March 1.—The State Supreme Court today denied to Thomas F. Mooney, charged with complicity in the San Francisco Preparedness Day parade dynamiting outrage, a new trial, on petition of his attorneys.

HENEY STRIKES FOOD ADMINISTRATION

CLAIMS ADMINISTRATION OFFICIALS GAVE PACKERS SECRET INFORMATION TO THEIR ADVANTAGE

(Special Service to Glendale Evening News)

CHICAGO, March 1.—Letters from packers' files to show that J. P. Cotton, head of the Food Administration Meat Commission, and E. Dana Durand, another Hoover official, gave packers secret information to their advantage were read into the records of the session of the Federal Food commission today, when Francis J. Heney struck again at the Food administration. He intimated that profiteering is still going on under the eyes of the Food administration, and introduced evidence to show that Hoover's wheat substitute order is causing a hardship to the consumers.

PRESIDENT MAY CONTROL LUMBER

SENATE MILITARY COMMITTEE REPORTS FAVORABLY ON BILL TO GIVE WILSON CONTROL OF LUMBER OUTPUT

(Special Service to Glendale Evening News)

WASHINGTON, March 1.—The Senate Military committee reported favorably the bill putting the country's entire lumber production in the hands of the president.

CALIFORNIA MAN KILLED

W. H. SPAULDING OF JOHNSTONVILLE WITH CANADIAN FORCES ABROAD LISTED WITH THE DEAD

(Special Service to Glendale Evening News)

OTTAWA, Canada, March 1.—W. H. Spaulding of Johnstonville, Cal., was among three Americans reported killed in action with the Canadian forces in France.

LARGEST APPROPRIATION IN HISTORY

BILL REPORTED TO HOUSE BY APPROPRIATIONS COMMITTEE EXCEEDS THAT OF LAST YEAR BY \$13,000,000

(Special Service to Glendale Evening News)

WASHINGTON, March 1.—Carrying \$69,533,398.25—more than \$13,000,000 greater than last year—the largest legislative, executive and judicial appropriation bill in the history of the nation was reported to the house by the Appropriations committee.

RUSSIANS RESIST GERMAN ADVANCE

TEUTON OFFENSIVE HALTED BY REVOLUTIONARY FORCES—ARMED WORKMEN RISE TO DEFEND MOSCOW

(Special Service to Glendale Evening News)

PETROGRAD, March 1.—The German offensive has been stopped due to the resistance of Russian revolutionary forces, the Bolshevik official communique declared today. The enemy threw a large force against the Orsha front, 325 miles south of Petrograd. Thousands of armed workmen are arriving from Moscow and are driving several miles of trenches behind Orsha. Civilians are leaving several of the larger Russian cities. The Soviet is declaring that a "holy war" be declared against the German advance and advocates arming the entire population. Pskoff is reported in German hands, despite rumors to the contrary.

ACTIVITY ON FRENCH FRONT

HEAVY CANNONADING AND SHARP FIGHTING PREVAIL AT MANY POINTS OVER A WIDE FRONT

(Special Service to Glendale Evening News)

PARIS, March 1.—Sharp fighting is reported on the French front, including violent hand to hand conflicts. Southeast of Butte Mesnil, where American artillery is co-operating with the French, enemy attacks were beaten off except the advance element. The heaviest cannonading prevails at various points on a wide front.

GOING EAST

WM. F. NASH, JR., OF NAVAL RESERVE, ON WAY TO PHILADELPHIA

William F. Nash, Jr., of 346 North Maryland, who enlisted in the Naval Reserves last October was called February 1st and is now en route for Philadelphia. He was called to San Pedro February 1st and was in the detention camp there for three weeks. Within thirty-six hours after his release he was sent with others across the continent to Philadelphia. He sent his parents a long-distance 'phone message Washington's Birthday at one o'clock and by securing a jitney at once they were able to make the trip from Glendale to San Pedro in an hour and a half and so had a brief visit with him before he was entrained. They have received two letters from him written en route, in which he said he was feeling splendidly, that he was well treated and was having fine meals on the diner and was surprised that Uncle Sam could do so much for him. When he is located his parents expect to have news from him. Though but twenty-three years of age and young for the honors, William was elected Master of the Masonic Lodge last year, and his fellow members declared it had never been more prosperous than under his administration.

TUESDAY CLUB

MRS. FRANKLIN, MRS. WILLIAMS AND MRS. DUFFIELD REPORT CONVENTION

As previously stated, reports from delegates to the Santa Barbara Convention, February 6, 7 and 8, featured the program of the Tuesday Afternoon Club meeting, February 26th, at the Masonic Temple, at 2:30 p. m.

Mrs. Blake Franklin was the first to be called upon and she covered in a very interesting way the reports of the various chairmen and gave the principal points of the many splendid addresses listened to, which was no small effort considering that there were no less than twelve speakers appeared before the Convention.

Mrs. Menzo Williams gave a very intimate glimpse of the social side and enumerated the many social courtesies extended the visiting delegates, officers and club women, including teas, receptions, pageants and automobile rides.

Mrs. H. S. Duffield had a few words to say regarding the musical features, which were most inspiring from the opening of the Convention with the singing of the "Star-Spangled Banner," to the last drop of the gavel in the hands of the slender little woman who is so ably guiding the

(Continued on Page 4)

THEIR BRIDAL TRIP

Mrs. Clifton Taylor of 1547 Ivy street is having the pleasure of entertaining her brother, Jacob Stauffer, and his wife, who are here on their wedding trip. They will be the guests of Mrs. Taylor for a couple of weeks, and will then visit up and down the coast before returning to make their home in Monticello, Wisconsin. Mrs. Taylor entertained in their honor Wednesday evening, her guest list including Messrs. Bart Zumbunnen, Omar Kilgore and George Nixie, and Miss Helen Berni of Los Angeles and Miss Emille Stauffer, of Glendale, sister of the groom.

MOTHERS' CLUB ACTIVITY

The Mothers' Club of the Acacia school has been at work again. A group of members who are deeply interested, volunteered to attend a chain of tea parties to be started by Miss Cornwell and Miss Hamilton, the guests in turn to open their homes for similar functions in the near future. The money from these teas is to go to the treasury of the Mothers' Club which has been so generous with the Junior Red Cross that more money is needed to keep the little school chapter working. Volunteers who were present at the tea which was given Wednesday afternoon, were Mesdames Prieux, Todd, Wattles, Goodrich, Ferry, Richardson, Oliver, Tauxe, Vandever, Bennett, Chappius, Marek, Curtis, Grant, Erskine, Roberts, Gaarder, John, Will Peterson, George Peterson, Miss Cornwell, Miss Hamilton. The ladies were seated at small tables beautifully embellished with flowers and red and white decorations. Everybody had a good time, and there will be more parties to follow.

SCHOOL VAUDEVILLE

A TREMENDOUS SUCCESS AND VERY PROFESSIONAL IN EFFECT

The tremendous success of the vaudeville show given by eighty pupils of the High School Thursday evening, under the direction of Percy R. Davis, Chairman, should hearten everybody for tonight's repetition of the performance. Those who are best qualified to judge, declare it is the most successful production of the sort the school has ever given, and the most professional in finish.

The stage lighting was wonderfully good, and for that Hubert Wood and the Mechanical Department of the High School was responsible.

The Indian songs were exceedingly good, the costuming and setting for the Indian scene extremely pretty. The whistling girls made a tremendous hit and were encored and encored.

The two farces, "T-Bone Charley" and "The Best Man" were clever and put on in good style.

Any who failed to go last night should not miss tonight's last opportunity. When our students put on a program like this we should all get the benefit and show our appreciation of their artistic work.

THE NUMBERING SYSTEM

CITIZENS ASSEMBLE IN COUNCIL CHAMBER TO DISCUSS IMPORTANT QUESTION

The hearing on the question of street numbering drew enough interested men and some women to nearly fill the auditorium of the Council Chamber at the meeting of City Trustees Thursday evening. The sentiment for renumbering from Brand and Broadway as a starting point was almost unanimous and by vote the assembly so instructed the trustees. It also voted in favor of the block system as opposed to consecutive numbering. Some differences of opinion arose in regard to the distribution of the numbers, certain speakers favoring two numbers to a fifty-foot lot, others four numbers in order to provide for possible congestion arising from the building of apartment houses or from business development. This would be complicated by the irregularity of the blocks, which in some sections are twice the length of blocks in other sections. To overcome that handicap the suggestion was made to make an imaginary division and allow 200 numbers to such blocks, thus making the numbering of long and short blocks coincide right through the city. After some debate the audience voted to leave the adjustment of that matter in the hands of the City Engineer and City Trustees to work out a plan to be submitted to approval later.

The first contribution to the discussion was a letter from W. C. Wattles, the former city engineer of the City of Tropic, who urged making Brand the dividing line between east and west numbers throughout the municipality, and then beginning at the southern extremity of the present city and numbering north from that point.

C. J. Wolfe was the first speaker. He said in part: "I am of the opinion that the place to start numbering is the business center. Business is always fixed by the car line, and growth will radiate from that center. I am in favor of commencing in the center and numbering in all four directions. The numbers should be fixed not according to the blind streets but according to the main streets. If you have small streets coming in between, ignore them and number through to the cross street." Joseph F. Lilly said: "I believe under any system we ought to have enough numbers to go around. As the city grows we are necessarily going to be put into smaller quarters because we can not pay the rent. Even the 25-foot lots are going to be divided. As the city gets more populous we are going to have apartment houses. Let's fix it so those apartment residences can all have numbers."

Mr. Lilly expressed himself as favorable to numbering from a business center which he declared is always determined by transportation lines, as shown by Pasadena, where the low section is still the center because the car lines came in there. Relative to consecutive numbering as opposed to the block system, he said:

"Where the blocks are irregular as here and in Pasadena, consecutive numbering is the only system which

THE NUMBERING SYSTEM

(Continued from Page 1)

will cover the proposition without confusion. That means that 625 feet shall represent 100 numbers, or 4 numbers to each 25-foot lot. In that way, by a little figuring, you can locate any house at any time. I would favor putting on each lamp post the number of the house opposite." He then called attention to irregular blocks, citing as an instance the ten blocks between Broadway and Burchett on Central and five blocks between Broadway and Burchett on Louise.

Maurice Hartman sarcastically inquired: "When a boy comes to the age of adolescence, do you measure him for his funeral attire?" He considered any change in numbering unnecessary and premature at this stage in the growth of the city, expressing the opinion that the ultimate business center would be Colorado and Glendale avenue, and the principal residence district in the foothills.

F. McG. Kelley also opposed any change from the present system, declaring it made no difference where you began so long as you had a fixed point to start with, and ridiculed the consecutive numbering system proposed as quite impracticable, particularly at night, when it would be impossible to see numbers and so locate your situation. He stated the system proposed by Mr. Lilly had been tried in Los Angeles and abandoned because unsatisfactory.

Clem Moore agreed that it would be possible for residents who have learned their city to find their way about, but that it is the strangers we should seek to accommodate. He mentioned one case where a woman, misled by our numbering system, had gone alone at night from a street car to an unpopulated district, and been assaulted by a thug who heard her make inquiries of the conductor and who knew conditions. He said: "I am very much in favor of numbering from Brand and Broadway and in favor of numbering by blocks."

Mr. Preston suggested making First street the dividing line between north and south and so avoiding some of the changes which will otherwise be necessary, but he favored Brand as the dividing line between east and west instead of Adams. He added, however, that he did not believe now would be a good time to make any change, that it would be quite expensive and the money could be put to better uses.

Mr. Lagross declared when it is possible for old residents like himself to get lost in the town and have to seek directions, it is time to reorganize the numbering system. He instanced the case of a jitney driver who appealed to him to locate a number in the 1500's on Doran street and how he had to appeal to another person to get the information.

D. I. Nofziger of Mountain View avenue, as a resident of the former city of Tropic, urged that Brand be made the dividing line for east and west numbers, and urged block numbering as opposed to consecutive numbering.

A. T. Cowan told of his own troubles in locating the residences of patrons on streets running north and south like Central and Glendale avenues, how necessary it was to locate them as "Glendale" or "Tropico" under existing conditions and what offense he gave to certain persons in the annexed district by any reference to "Tropico." He appealed for relief, saying he had spent sleepless nights over the problem and hadn't even had the benefit of losing flesh by it as a compensation.

Fred Deal, manager of the Telephone Company, said he thought a change of numbers quite immaterial, that his company changed a lot of numbers every time it got out a new directory and the public always accommodated itself to the change. He mentioned the company's effort to place its new building in the center of the district and that its engineers had indicated Brand and Broadway as the center. "Tropico," he declared, will have to be carried until the street system is reorganized. Later in the session, to obviate the difficulty in locating numbers at night he suggested that the city provide free of charge to each householder a small light to illuminate the number, and the suggestion was received with great applause.

Wesley Bullis, of the former City of Tropic, said he had witnessed the development of the city since before the time numbering began, and he favored Brand and Broadway as the center from which numbering should begin, and favored 100 numbers to the block.

Mr. Belden expressed himself as emphatically in favor of Brand and Broadway as a numbering center. Said he: "If a person wants to think of a real lonesome place he should think of the place in this town where we begin to number, Adams and First streets." If you want to go hunting for jack rabbits, that is the place. It is no place for the center of a town. I think we should show our neighbors to the south a little courtesy in this matter. They made Brand their dividing line because they could not very well do otherwise. Let's begin and begin quick to renumber this town. It may be expensive, but it will be more so next year or the year after. Here is our chance to get even with the Telephone Company, which is always changing numbers for us."

C. W. Kinnan said: "The annexation of Tropic makes it absolutely

necessary for us to do something along this line. Let's do it right, do it completely and do it now. It will cost only 20 to 25 cents to buy a set of new numbers. The system in vogue all over the country is the Philadelphia System, which begins in the center and numbers in each direction, 100 numbers to the block. I know of no large city except Portland in which this system is not in use. We do not want to have to go out to find the location of a number. We should be able to locate it within our own minds. The system recommended by Mr. Wattle is a double system and would, I think, lead to confusion. As to the numbered streets, we should change all of them. First, Second, Third, Fifth, Seventh, Ninth and Tenth, is ridiculous. We could use the names of heroes in California history, say Fremont, or Rosecrans and others. I would give one number to each residence lot and a number to each 12, 15 or 20 feet in the business district. In a town so irregular as this we need to provide for a little elasticity."

The vote on the proposition to make Brand and Broadway the center stood 39 for. Seven voted to make First and Brand the central point.

Proposition C, to give two numbers to each 50-foot lot, got 5 votes.

Proposition D, to give four numbers to each 50-foot lot, got 24 votes.

The straw vote taken through ballots distributed to parents through the school totalled 118. No. 1, to make Brand and Broadway the center, got 79 votes; No. 2, making First and Brand the center, 37 votes; No. 4, to number north from southern city limits, got 2 votes. Proposition A, to allow 100 numbers to each average block, won 91 votes; Proposition B (Mr. Lilly's) 13 votes; Proposition C (2 numbers to each 50 feet) 81 votes; Proposition D (4 numbers to each 50 feet) 21 votes.

TO AVOCADO GROWERS

The California Avocado Growers' Association desires to make a census of the avocado trees in California. For Glendale and vicinity please communicate with the undersigned by letter, telephone or in person. It is desired:

The name and number of trees of each budded variety, also age of trees.

Number and age of seedling trees.

Personals

Mr. and Mrs. E. Hoskyn, Mrs. Jordan, Mrs. Fury of Pomona and Mrs. Thomas Meagher motored to Pasadena Thursday to attend the Sunday School Institute.

Ralph A. Moore of 255 E. Ninth street, who is with Company 144, Field Artillery, Battery D, at San Diego, is expected home for the week end.

Next Tuesday will be the regular business meeting of the Ladies' Aid of the Tropico Methodist Church. It will be held in the Social Hall of the church.

Baseball practice under direction of Mr. Lehman has begun at the Intermediate school. Mike Camargo, Melvin McCann and James McGowan are ahead in the tryout for pitchers.

Frank R. Mosher of 319 South Central avenue is now an ensign and instructor at the Mechanician Aviation Station at Pensacola, Florida. About fifty men are in training under him. Some of his pupils are doing fine work, others are a little slow.

Tom Morgan of 1610 W. Fifth street, who is in Company 7, Coast Artillery at San Pedro, secured leave and came home to spend Sunday with his parents. He has been acting as chauffeur for his commander, Colonel Light, who is now in Virginia.

Al Moniot of 414 W. Tropico avenue, who enlisted for mechanical work in Company 9, Coast Artillery, and who is now at Fort MacArthur, hopes to be sent to San Francisco to take training which will fit him for a higher rank.

The Music Section of the Tuesday Afternoon Club will be entertained March 8th at the home of Mrs. Calvin Whiting, 1442 W. First street. The speaker of the day will be Miss Doan of Los Angeles, who knew some of the great old masters of Europe, and who will give personal reminiscences.

E. Haley of Healdsburg, who has been in Glendale for a few days taking photographs for commercial advertising purposes, will leave Saturday for San Diego to join the Naval Reserve in which he enlisted about six months ago. He expects to be in training there for several months and eventually to be sent to foreign waters.

Mr. S. G. Sheller, who comes from Dayton, Ohio, where the cash registers are made, spent Thursday in Glendale as the guest of his uncle, Elias Ayers of Cedar street. Mr. Sheller came to Southern California last July and likes it very much after having tested it summer and winter. He has been dividing his time between Santa Barbara and Alhambra, where his daughter resides. A real estate and banking business in Dayton with which he is connected will make it necessary for him to return to Ohio, but he is hoping to adjust his affairs so he can come to California to make his permanent home.

Mrs. Lorena Cramer of 553 East Acacia avenue recently received a card from her son Wallace, dated at Chicago, stating that he was en route for France. She hopes to hear again before he sails. He has been with Battery D 18th Field Artillery at Fort Bliss, Texas, and is now a Corporal.

Mrs. A. D. Rosencrans of Chicago, daughter of Mrs. M. Viohl and sister of Mrs. J. H. Hearnshaw, arrived Wednesday, and with her little daughter Jane is at the home of her mother at 1546 West Colorado street. She plans to remain about three months. It is her second trip to California.

Mrs. F. R. Buchanan of 204 South Orange street is reluctantly saying good-bye to her parents, Mr. and Mrs. A. Hahn, and her aunt, Mrs. C. Kuhfuss, who have spent the early part of the winter with her and who leave Friday for Leland, Oregon, where they will visit other relatives. The Hahns have made their home in Hartford, Wisconsin, but have now come to the Coast to stay and will be with Mrs. Buchanan next winter.

John H. Crane, of Glendale and Tropico avenues, has just returned from Avalon, where he was the guest of his daughter and son-in-law, Mr. and Mrs. Charles Bruck. Mr. Bruck has for some time been employed as a mason on the splendid new hotel which is being built there, which is three stories in height and which will contain upwards of 150 rooms. It will be a very beautiful structure with lovely grounds, which will be laid out by a landscape gardener. Mr. Crane was at the Glidden Bungalow Apartments, where Mr. and Mrs. Bruck are staying, and is enthusiastic over the courtesy of the owners and the many comforts and luxuries they provide for their patrons at a reasonable price.

Mr. W. W. Jones of 1506 West Vine street and his brother, Mr. S. B. Jones of 1543 West Seventh street, were quite joyfully surprised Monday evening, when their sister, Miss Carrie Jones, accompanied by her friend, Miss Elva Jackson, arrived in the city from Philadelphia, Pennsylvania, to pay a visit to them and their families. The young women came out here with the intention of staying two months, but both decided that this was the place they had long dreamed of, and so are thinking quite seriously of making it their permanent home. Miss Jones will return to the East in the early fall in order that she may dispose of their property, and attend to other business. On her return to California, she will be accompanied by her father.

Mr. and Mrs. Peter Oliver of 429 South Kenwood are endeavoring to arrange their affairs so they can leave in the near future for their fourteen-acre ranch at Fallbrook, which is about twenty miles inland from Oceanside. Nine of their acres are in Eucalyptus and 3 in olives in bearing. Their eucalyptus wood, of which they will have about 700 cords, has already been contracted to a San Diego firm. They plan to specialize on hogs and poultry. Their land is opposite a \$25,000 high school and they are but two blocks from a \$10,000 station on a branch of the Santa Fe railroad. Fallbrook is an old settlement which has been surrounded by large old ranches which are now being broken up into small holdings. Several Glendale residents are interested and the Olivers hope to persuade some of them to become their neighbors.

CLASS EVENING

Miss Ruth Wilson, 326 South Louise street, will have a class evening at her home Saturday night, March 2d, at which a number of her pupils will play. The program will begin at 8 o'clock and a social time will be enjoyed. Parents and friends of pupils and any one interested in this work are cordially invited.

EIGHTY-ONE YEARS OLD

Mrs. John Fox entertained a few friends at luncheon Wednesday at her home, 415 East Palmer avenue, in honor of her mother, Mrs. Margaret A. Fox, who celebrated her 81st birthday on that date.

Those who came to enjoy the day with her were Mrs. Henry C. Phelps, Mrs. Preston S. Fox, Mrs. R. S. Todd, Mrs. Augusta Patterson, Mrs. T. B. Curtis and sons, Fred and Thomas, and Mrs. Will Peterson and little daughter Dorothea.

REGISTRATION

Attention of citizens is called to the fact that in order to vote at the coming municipal election on April 8th, all voters must have registered since Dec. 31st, 1917. The last day for this registration will be March 1st.

For any election occurring before April 1st the old register may be used.

There are a number of Deputy Registrars in Glendale; among the most centrally located are the following:

- Mrs. Bott, at Glendale Book Store.
- Mrs. Myton, Branch Postoffice, Glendale and Broadway.
- Miss Smith, Bank of Glendale, Brand Boulevard Branch.
- P. F. Rentfrow, barber, 409 S. Brand Blvd. 152tf

BOULEVARD BRANCH

340 Brand Blvd.

CITY TRUSTEES.

(Continued from Page 1)

the signers thereof that all of the citizens signing the same had done so of their own free will and accord, and were bona fide residents of the territory described in the petition. At 8:45 p. m. the meeting was thrown open to the general discussion of the question of renumbering the streets of the city in accordance with previous announcement that the matter would be taken up at this time. The report of the discussion

which followed is given under another heading.

The Chairman asked for a vote on the question of the central point from which numbers should start, and called for those in favor of starting from Brand boulevard and Broadway to indicate the same by rising vote. The result indicated a large majority in favor of that proposition against all others. The Chairman stated that a ballot had been taken through the medium of the public schools, and the votes as reported were 79 in favor of and 49 against Brand boulevard and Broadway as

a center. Another vote was taken on the question of the numbers to be assigned to a 50-foot lot; a large majority of those voting indicating their preference for four numbers as against two.

At 10:25 the discussion closed and the Board took up the regular order of business.

On motion of Trustee Grist, the City Attorney was instructed to prepare resolutions of intention to call elections on the propositions of annexation to the City of Glendale in the Valley View and the Kenneth Districts.

A communication was presented and read protesting against the annexation of territory described in the Valley View petition, signed by John W. Railsback and ten others. On motion of Trustee Muhleman, the communication was ordered to be filed.

Reports were received and read from the City Recorder and Tax Collector, and ordered to be filed.

A communication was read from the Secretary of the Library Board inviting the members of the Board to an evening inspection of the Glendale Branch Library March 4th at 7:30 p. m. On motion of Trustee Muhleman, it was ordered that the invitation be accepted.

On motion, Ordinance No. 326, "An Ordinance of the City of Glendale approving the annexation of certain territory known as "Grand View District" to the City of Glendale," was taken up for third and final reading, and upon being read was, on motion of Trustee Grist, adopted.

A report was made by the Finance Committee recommending that the bid of E. H. Kerker to furnish a policy of insurance in the sum of \$4000 on the City Hall at 45 cents per hundred for a term of three years, be accepted. On motion of Trustee Muhleman, the recommendation was adopted, and it was ordered that Mr. Kerker be authorized to furnish the policy.

TUESDAY CLUB

(Continued from Page 1)

destinies of the District, our fellow citizen and club woman, Mrs. Mattison B. Jones. The musical talent was drawn entirely from the Federated Clubs of the District and included such as artists as Gertrude Ross and Grace Widney Mabee.

Following these reports, Mrs. Grover gave a reading of a sparkling satire, entitled "Suppressed Desires," by Susan Glastell. Marked histrionic ability was displayed by the artist in the rendering, which so delighted the audience that it clamored for an encore and Mrs. Cable graciously responded with a childish recitation full of whimsical touches of sobs and laughter.

Mrs. H. R. Boyer gave two charming piano solos of her own composition, and the "Star-Spangled Banner" was sung by the audience in conclusion, Mrs. H. E. Bartlett playing the accompaniment.

Chief among the business matters discussed in the session which preceded the programs, were plans for Reciprocity Day, March 12th. On that date the local club will be hostess to visiting delegates from the various other women's clubs of Los Angeles and neighboring towns. A three-course luncheon will be a feature of this occasion. This will precede the regular program, which will be in the hands of Mrs. Wayland Brown, the hour decided upon being 12:15 p. m. on the afternoon of the date mentioned. Those desiring to

be present at the luncheon are requested to notify Mrs. H. D. Goss, corresponding secretary, Glen. 1346-W, in advance. It is also requested that each member contemplating attendance provide a luncheon sufficient for two—herself and a guest. This will be served at small tables with covers for four, and should consist of bread and butter sandwiches, fruit salad, two portions of cake and a relish of some sort: celery, olives, pickles or a similar item. A committee of four will provide an accompanying hot dish prepared in fireless cookers, and the hospitality committee will see to the serving of tea and coffee.

It is suggested that members get together in pairs and each group of two bring service for four, as follows: four knives and forks, four plates, four cups and saucers, four napkins, a luncheon cloth, etc.

We have been hearing from time to time of delightful reciprocity days enjoyed by delegates from our club to similar organizations, and a sense of pride should prompt us to reciprocate in as charming a way as possible.

ADDITIONAL CREDITS

The following list of teachers should have been included in the report of salvage work of the Junior Red Cross of last Saturday. Inter-

mediate teachers who assisted:

R. D. White,
Miss Carrie Noble,
Miss Frances Jackson,
Miss Lulu Woodbridge,
Miss Elizabeth Jackson,
Miss Pauline Scholz,
Miss Gertrude Mallory,
Miss Edno Jones,
Julius Lehman,
Albert Blanford,
Wilbur Harkness,
Fred Springer, Janitor.

GLASS INDUSTRY SAVING FUEL

After nearly three months of investigation and discussion with the interests involved, Fuel Administrator Harry A. Garfield has issued an order limiting the use of fuel for the production of common window glass to 50 per cent of the amount manufactured in 1917.

A survey of the field indicated that not more than 5,000,000 boxes of window glass would be used in 1918 and that competitive conditions were likely to result in an overmanufacture of this material by at least two or three million boxes, probably more. Each manufacturer was willing in the general interest to reduce his output to the extent mentioned, if assured that his competitors would be bound by the same restrictions.

Representatives of the workmen have taken part in the discussion and have agreed to make their part of the sacrifice. The order was delayed until this patriotic agreement had been made practically 100 per cent complete.

F. O. B. DETROIT

The above increases are absolutely necessary, not only on account of steadily advancing costs of material entering into the manufacture of Ford cars, but also due to the curtailment of the factory and assembly plant production. In past years it has always been the policy of the Ford Motor Company to permit the buying public to benefit by their increased production through the corresponding reductions in the list price of the Ford cars, so it is only reasonable to expect a proportionate increase now in price when their production must be cut down.

Any one of the authorized Ford dealers listed below will be pleased to show you the full line of Ford cars:
