never in his sermons in the remotest degree introduced political topics, but has,
ever since the occupation of our city, and
the absence of our brothers, fathers and friends, who have goone out to fight for
their firesides and liberties, with chara--

consider into what a despotism they are
fast drifting, and if they are not already fast drifting, and if they are not already

power. Freedom of speech we expected to be
denied, but to undertake to manacle the
heart and suppress fervent prayer to Altyighty God for a just cause, is tyranny
tiberanized. Taxes! Taxes :-The Secretary of
the Treasury, in his special report to
Congress last week, says: "The receipts for the last quarter of the fiscal year just
closed were only $\$ 5.527,24633$." This
is less than $\$ 23,000,003$ a our expenses are now going on at the
rate of neary $\$ 400,000,000$ per year,
leaving a deficit of $\$ 377,000,000$, which in four years, would leave a debt of one

Very well, said Mr. Leftwich, be it so ;
but I give you to understand, sir, the but I give you to understand, sir, that I
shall pray for whom I please. Then
turning, he left his captors dumbfounded at the spirit of the man who had dared
assert his freedom and independence in their august presence. An anxious
crowd awaited Mr. L's release, (for all
felt sure he must be released) and when felt sure he must be released, and when
he appeared he was eagerly grasped by
the hand, and a number of anxious inquirers gathered round to listen to the

-San Francisco Spirit of the Times. No doubt the writer of the above does detest Northern Democrats whom, like
all of his class, he terms Secessionists, in the same sense that Wendal Philips and Gerrit Smith detest the same class of men being ruled and controlled by bigotry and fanaticism. They can't comprehend how others can be governed by justice and equal and exact rights to all faced, jaundice-skia, blue-bellied, nasaltwanging, etc. etc. etc., Yankees are not found among the advocates of peace in this or any other Northern State ; they
