

MEMORANDUM

To: Graham Allison, James Smith
From: Timothy Sandole
Date: May 17, 2013
Subject: 7/29/2013 – 8/2/2013 Weekly Wikipedia Research

Monday, July 29

- Began researching international security policy in history. Emphasis on the Cold War, especially the Cuban Missile Crisis, intelligence forecasts of Soviet threat vs. American elected officials' perceptions of Soviet threat (8 hours).

Tuesday, July 30

- Helped Professor Matt Bunn create his first Wikipedia page on a topic relevant to international security – his late father, George Bunn. I showed him every editing technique and Wiki guideline, in addition to how to upload images. His article is now pending approval from the Wiki community (3 hours).
- Drafted, authored/coded contribution Secretary of State Casper Weinberger's Wiki page, who was a lead proponent of the Reagan Doctrine, which called to roll back communism, rather than merely contain it (5 hours).
