BRYAN COMING TO SAN JOSE.

The coming of the Honorable Williams Jennings Bryan to San Jose next week to lecture, offers our people an opportunity of hearing one of the foremost men of the world. As a statesman he has proven himself a great man, as an orator without a peer, as an editor, brainy and interesting, as a man, sincere to a marked degree. It is said of Mr. Bryan that he has met and shook hands with more people than any other man in America. His recent trip throughout the Old World was marked by unusual demonstration wherever he went, receiving the highest honors ever given an American by the governments of Europe. This triumphant tour ended by a "home-coming" reception in New York such as never before been witnessed in this land. It is practically certain that he will be the standand bearer of the Democrats for President two years hence, for the third time, and be it said to his credit has conducted himself in such a manner that he stands higher in the estimation of the people than ever before. No one who heard Mr. Bryan in 1896 in San Jose will want to miss hearing him this time. —*East San Jose Post.*

Tickets for this unusual lecture have sold very rapidly since the box sheet was put on sale and from present appearances there will be a packed house to hear Mr. Bryan. Campbellites are lovers of good lectures and will no doubt take advantage of this opportunity of hearing one of America's recognized greatest platform speakers. The way political affairs are shaping themselves it is not unlikely that the next President of the United States will be the guest of our people next Saturday.

Another man of national reputation is to visit San Jose the first week of February in the person of Jacob Riis, of New York, who is to lecture at the State Normal School on the subject of his experiences in the slums of that great city. Mr. Riis' reputation is sufficient to guarantee a splendid audience.

It looks more than ever likely that Santa Clara county is in line for great railroad developments—both steam and electric.

Mr. and Mrs. W. A. Kennedy are now at home on Sunnyside tract, in A. E. Howe's cottage.

Miss Margaret Fablinger went to Sonoma county to resume her school work Tuesday.

Mr. Williamson of Nevada was recently a guest of J. C. Lloyd and family.

J. A. Greene of Johnson avenue has been critically ill for over a week.

F. G. Hanger of Campbell was a visitor at the Post sanctum this week, coming over to give us a job of printing.—*East San Jose Post.*

Cut this out and take it to Farmers Union, Agents, and get a free sample of Chamberlain's Stomach and Liver Tablets. These tablets are far superior to pills, being easier to take and more pleasant in effect. They correct disorders of the stomach, liver and bowels.

Mr. and Mrs. Hall of Los Gatos were guests of the Epworth League of the Methodist Church Sunday night. Mrs. Hall gave an excellent talk to the young people on the topic for the evening, "God's Consideration for His People." At the evening service the young ladies' choir sang the unison chorus "Sion" (Rodney) with good effect, Mrs. G. S. Robson accompanying. The pastor in his sermon gave a straightforward talk to the young people of the congregation which ought to do much good.

Prof. J. Fred Smith, Principal of the Campbell Union High School called at the Post office last Saturday and left an order of printing. The Campbell High has taken rank with the best schools of the county, and now has enrolled about 100 students, many coming from other parts of the State.—*East San Jose Post*

Mrs. William Howard has been very sick for several days.

HON. WILLIAM JENNINGS BRYAN

Coming to San Jose, Saturday, Jan. 26, at Redmond Theatre.

In addition to the popular Star Course of lectures and entertainments being given by the San Jose Young Men's Christian Association, arrangements have been made by which Hon. Wm. J. Bryan will lecture on the subject "The Old World and Its Ways." The lecture will be held in the Redmond Theatre, on W. San Fernando St., on Saturday evening, Jan. 26. The general admission price will be 50 cents, reserved seats 75c and \$1.00, on sale at Millard's book store.

"The Rivals."

The Junior Farce at the High School went off in fine style last Friday night. The play was long and rather difficult, and rehearsals had been much interrupted by illness of different members of the cast, but in spite of these drawbacks the parts were well taken almost without exception. We heard Miss Abbott as Mrs. Malaprop, Miss Ernestine Kennedy as Lydia Languish, Earl Brown and Stillman Benner especially commended.

If the young people are to try dramatic work, they are wise in choosing a play of standard character like this, in preference to the arrant trash sometimes given.

PROF. PANNELL PASSES AWAY.

The Funeral Was Held From Family Residence on Wednesday.

Mr. Charles Pannell died last Tuesday morning after a few days' illness, following a long decline in health. Mr. Pannell was one of the best known and most highly respected of our citizens. He was a musician of great ability, and for years had charmed our people with the sweet strains of violin and cornet. He was also an excellent teacher of music and had many pupils whom he taught faithfully, and as a band leader he had few equals. He led the Campbell Band for many years, as well as the Santa Clara College band. His standing was high among musicians; he was made a life member of the Musician's Union of San Jose several years ago in recognition of his services.

He was born in Gravesend, England, in 1837, and came to America while a young man, living for a long time in St. Louis, where he is well remembered in musical circles. He came to Campbell in 1896 and spent the closing years of his life here.

Mr. Pannell was a man of cheerful disposition, devoted to his family, and an excellent neighbor and friend.

The funeral was held at the family residence Wednesday afternoon. The Rev. J. W. Lewis had the services in charge and was assisted by the Rev. A. H. Needham and the Rev. George E. Atkinson. Interment took place at the Los Gatos cemetery.

Buys Property Here.

G. W. Page of Campbell, connected with one of the largest orchard irrigation systems there, made the Post editors a pleasant call a few days since. After the earthquake Mr. Page bought a damaged dwelling here, at the corner of Adams and Jefferson streets, which he has remodeled and rented. He will probably hold the same for an investment.—*East San Jose Post.*

Dangers of a Cold and How to Avoid Them.
 More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by Farmers Union, Agents.

Limitation of Wealth a Difficult Problem

By Professor JAMES WALTER CROOK of Amherst College

FORTUNES may be considered as swollen BEYOND HEALTHY LIMITS which yield from \$5,000,000 to \$20,000,000 a year. Let us consider the possibilities of handling such incomes. The millionaire who feels that he must pass the bulk of his wealth to heirs has a task that requires originality in arrangement. A wealthy father puts his son's wealth in trust till his thirty-second birthday, allowing him the small sum of \$2,500 a year. An indulgent mother raises his income to \$80,000 a year. HE IS NOW A RUINED MAN.

The three methods of relief sometimes proposed are: An arbitrary limit to the amount an individual may accumulate, progressive taxation of incomes and progressive inheritance taxes. Where should the limit be drawn?

The limitation is repressive, and is meant to be so. It would put a premium upon RELATIVE INEFFICIENCY and deprive society of the advantage of beneficial enterprises.

A progressive tax on incomes HIGH ENOUGH to accomplish the purpose aimed at has the same disadvantages.

There is left the progressive tax on inheritance. As a tax measure aiming at revenue I approve of it. It is easily collected. As a measure to limit fortunes, however, it seems to me more doubtful. To accomplish the purpose the rate must be VERY HIGH. A tax heavy enough would involve a problem of administration. Even so low a rate as 30 per cent would mean a tax of \$15,000,000 for every estate of \$50,000,000, and there are now many fortunes of that size.

There are said to be fifty men in Pittsburg alone whose fortunes EXCEED that amount, and in the case of some well known fortunes the tax would amount to upward of \$43,000,000.

The greatest objection is the encouragement which the heavy taxation of the wealthy will give to extravagant public expenditures. Our federal financial machinery is so organized and our sources of revenue are so arranged that it is WELL NIGH IMPOSSIBLE to check extravagance. Greater financial responsibility is one of the first requirements of good government. It is a maxim of public finance that those who spend must be HELD TO ACCOUNT by those who pay.

BY THIS PLAN THE MAXIM IS REVERSED, FOR BY IT THOSE WHO PAY ARE HELD TO ACCOUNT BY THOSE WHO SPEND.

Publicity Is the Great Need

By ANDREW D. WHITE, Former President of Cornell University

WHILE ambassador to Germany a number of years I learned the Germans were suspicious of American meat products. When I attempted to remedy the defect a great Chicago packer LAUGHED AT ME. A Russian minister of the interior, too, once told me that the practices of American meat companies were too corrupt to be tolerated EVEN IN RUSSIA. The bad repute of our railroads as regards safety is the reason so few Europeans visited the St. Louis exposition. Our railroads kill a comparatively larger number of passengers than those of any other country, chiefly because money that should be used for modern equipment is put into WATERED STOCK.

OUR LEGISLATURES SHOULD INSIST UPON COMPLETE PUBLICITY AND ACCURACY IN RAILROAD REPORTS AND THE BEST POSSIBLE EQUIPMENT.
