- 9.50 51 1793; chain or link; large planchet; this piece is quite peculiar in the rudeness and irregularity of the legend, "Liberty." The R is large, and open at the top, resembling a K; the Y is formed very much like a V; the date is also peculiar; the 1, 7 and 9 are well and equally separated, while the 3 is close to the 9; reverse, fine; obverse, worn somewhat on hair of Liberty; an excellent specimen; good color; rare. *Mason*
- 5.25 52 1793; wreath; obverse, hair of Liberty flowing back towards left centre of edge; small letters; twig at regular angles: reverse, sharp angles at bow on tie of wreath; fine; rare. *Auction*
- 5.00 53 1793; wreath; same obverse; reverse, round corners in bow at tie of wreath; different in many respects from preceding; extra good. *Darwin*
- 2.25 54 1794; splendid impression; "full cheek" variety; very fine; good color. *Auction*
- 2.12 55 1794; shielded hair variety (Maris' No. 32); dark color; fine. *do*

Haseltine, of Philadelphia; subsequently sold in Mr. Haseltine's sale, New York, November 16 and 17, for \$145; very fine and unequalled in color and condition by any cent of this peculiar and beautiful variety known; there are but few Jefferson Head cents—probably not over twenty-five specimens; nearly all of those known are in poor condition. *Passel* *do*
