C. OF C. MEMBERS OFFERING IDEAS TO HELP CITY

Varied Suggestions Are Made
to Organization; Sewer Is
Leading in Importance

SUGGESTIONS for the Chamber of Commerce program are now being received by Secretary James M. Rhoades and it is his request that all members avail themselves of the opportunity of expressing their desires in civic accomplishments.

The replies already submitted show there is no more important thing than a sewer system, not alone for Glendale but for the entire district between the mountains and the sea. If you have views on this or other subjects, they should be mailed or filed at Chamber of Commerce headquarters prior to February 16 when the first Forum dinner will be held. At that time the suggestions will be referred to a special program committee.

Here Are Suggestions
Among the many interesting things sought by the membership the following are culled from the letters already received:

A hotel and resort for the top of Mount Verdugo.
Care for the unemployed.
Develop community spirit.
Improve the sidewalk system.
Plan for a district sewer system.
Obtain a Southern Pacific station permitting people to board all trains at Glendale.

Establish an art commission.
Work for more playgrounds and a civic center.
Electrify the Salt Lake branch of the Union Pacific on Glendale avenue and have it extended.

For School Survey
Appoint a special committee on schools to make a thorough survey (Continued on Page 8)

RAILWAY BUILDER GLENDALE VISITOR

Mrs. D. W. Cunningham Gets
Surprise Call of Close
Friend of Late Husband

Mrs. D. W. Cunningham of 725 Glenwood road was very happily surprised recently by a visit from Mr. and Mrs. Joe Heisler, Jr., of Santiago, Chile.
Mr. Heisler is a son of Joe Heisler, Sr., who was a close friend and business associate of Mrs. Cunningham's late husband. They were classmates at Harvard, and after graduation were recommended to the governor of Chile, by the government of the United States, when plans were to be carried out to build a railroad across the Andes mountains. The two men accomplished what was considered a very remarkable feat of engineering, when they completed a railroad across mountains where some of the peaks were crossed at an elevation of 9,000 feet.

Weds Governor's Daughter
Joe Heisler married the daughter of the governor of Chile, and his son, Joe, Jr., who has been educated abroad, has become one of the most eminent railway engineers in South America, married a member of the family of the present governor of Chile. He has been engaged in building railroads for the government of the Argentine Republic, and is taking some time for rest and recreation.

Mr. Heisler was delighted with Glendale and paid the city many compliments. He congratulated Mrs. Cunningham on her choice of a home with such an unbroken view of the mountains on every side, and predicts that Grand View section may one day be one of the choicest residence sections in the valley.

Boy Loses Fingers, Sister Breaks Arm

Francis Hilton, who had three fingers on his left hand amputated Monday at the Glendale Sanitarium and Hospital as the result of a severe burn received when he picked up a charged electric wire several weeks ago, and his sister, Margaret Hilton, 9-year-old pupil at the Columbus school who broke her left arm Tuesday at the family home, 605 West Lexington drive, are both getting along nicely now stated their mother, Mrs. E. A. Hilton, this morning.

H. S. RYEL COMES HERE

H. S. Ryel, formerly with the Long Beach branch of the F. A. Clark company, has joined the staff of the local branch at 310 East Broadway. He is making his home at 332 Ivy street. C. W. Hamman, manager of this electrical appliance stated that he was very glad to announce Mr. Ryel's arrival because he felt it meant even better service for the patrons of this establishment than they have received in the past.

WHOLE LOT OF THINGS HAPPEN TO BOY, YET ESCAPES TOOTHACHE

How many things can happen to one small boy?
And all in the same afternoon?
Little Sammy Dunbar of 335 West Doran street likely would claim the minor league catastrophic record were he able to do so.
But he's all banged up. Here's how it happened.
Tuesday at noon time he was struck in the mouth by a baseball and was sent home to have the injury cared for.
On the way home a bee took occasion to sting the lad.
That was terrible, but not all. Sam let his foot get in the way of something he dropped and—as a climax—he fell and broke a bone in one arm.

SEASON RAINFALL REACHES 21 INCHES

Total for 24 Hours Is .78; Last
Season to Date 7.02. So
H. E. Bartlett Reports

RAINFALL FIGURES
(Furnished by H. E. Bartlett)

Twenty-four hours	.78
Storm	2.16
Season to date	21.00
Last season to date	7.02

A surging storm of rain hit Glendale shortly before noon today after an intermittent downpour during the last forty-eight hours. Already the season's record has equalled that of many years past and 1921-22 will be known as one of the wettest winters in history.

The soil already is saturated and the water is rushing along the lines of lease resistance in a veritable flood. Brand boulevard, San Fernando Road, Central avenue, and scores of other highways and byways are literally navigable streams.

Through Window Sills
It is feared that great damage will be done unless there is some let up in the storm as the rain is driven into the ground by a southeasterly gale. Many homes, stores and offices report the water coming in at window sills and through lightly constructed walls.

Motorists are finding it difficult to drive in the face of the storm and many events planned for the week end have been postponed because of the inclement weather.

Warning of Flood
LOS ANGELES, Feb. 9.—A flood condition was expected to develop today as the result of the continued warm rains and which have caused snow in the mountains near by to melt with startling rapidity.

According to persons in close touch with the true situation the snow in the mountains is more than it has been in the last ten years and the effect of the melting is swelling the streams. With more rain predicted today, the streams may become so swollen they will reach flood condition. The weather bureau predicts more rain.

Mrs. J. B. Sherwood in Charge War Mothers

About twenty members of the Lester Myer chapter of the War Mothers of America braved the rain yesterday afternoon to attend their regular semi-monthly business meeting at the home of Mrs. Ella Richardson of 317 North Brand boulevard. Mrs. J. B. Sherwood, the newly elected president of the organization, was in charge of the gathering. Announcement was made to the effect that the women will conduct a home cooked food sale on Saturday, February 11, at MacBain's grocery on the corner of Broadway and Glendale avenue. The funds derived from the sale are to go toward the local city's charity work and the public is urged to make the affair a success.

Two new members, Mrs. Estella Stevens and Mrs. George Hastings, were taken into the chapter prior to yesterday's meeting.

The next meeting of the society, which is scheduled to be held on Wednesday, February 22, has been postponed until the following Thursday, February 23, it being voted not to conduct any meetings on holidays.

ROCK HITS HOUSE; 1 DEAD

SAN FRANCISCO, Feb. 9.—A huge boulder which rolled from the mountain top above the South Fork Tunnel Camp of the Hetch-Hetchy water project of the city of San Francisco, crashed into a boarding house, killing J. J. Marshall of Oakland, and probably fatally injuring F. W. Berry, according to a report received at the city engineer's office. Twenty others had miraculous escapes.

BACK FROM SAN DIEGO

Mr. and Mrs. G. H. Smith of 130 South Orange street returned last night from a several days' visit at San Diego. They were accompanied by Mr. Smith's parents of Long Beach.

MRS. C. G. JENNINGS VISITS

Mr. and Mrs. L. L. Gabaig of 330 Oak street entertained as their guest on Monday and Tuesday Mr. Gabaig's mother, Mrs. C. G. Jennings.

MRS. HELEN SAWYER SPANISH AMERICAN TELLS FEDERATION WAR VETERANS TO OF LEGISLATION ORGANIZE CAMP

Discusses Arms Parley in Her Report Submitted to P.-T. A. Session at Intermediate

"The very first matter we should think about today concerning legislation is that of the Disarmament Conference just ended in Washington," asserted Mrs. Helen Sawyer of 432 North Jackson street in her report yesterday afternoon at the Intermediate school before the Federated Parent-Teacher's association.
"Officially it was called 'The Conference on the Limitation of Armament,'" continued Mrs. Sawyer. "Its intent included a discussion of the problems of the Pacific and the Far East. The governments of Great Britain, France, Italy, Japan, China, Holland and Belgium, in response to President Harding's invitation, sent delegations, each government paying the expenses of its official delegation. As host our appropriation was \$260,000.

Three Treaties Signed
"The work of the Disarmament Conference will be remembered by the three treaties negotiated: The agreement providing for a four-power conference in case the peace of the Far East is threatened; the five fold agreement for drastic limitation of naval armaments; the treaty establishing the policy of the open door in the Far East. This last includes the return of the province of Shantung to China for at least a ten year period. The Pacific is closed to war and open to commercial development. Through the ratification of these treaties the United States will assume new relations with the Far East.

"Senator Cabot Lodge on December 10 submitted the treaty between United States, Great Britain, France and Japan for maintenance of peace in the Pacific to the Senate. This (Continued on Page 3)

'NISH,' TAXI MAN, REPORTED MISSING

Hasn't Been Seen By Friends Since Monday; His Car Also Gone, Claim

Nishon Pashikian, proprietor of the Nish Taxi service with headquarters at Spahr's drug store, Broadway and Brand boulevard, is reported missing with his car.

Mrs. Louise Stocker of the C. & S. cafeteria, where "Nish" dines regularly, states that she saw him last on Tuesday morning. Another driver working from the same stand has not seen "Nish" since Monday afternoon and feels quite concerned over his absence.

According to those who know the habits of this young fellow, he lives at the Central hotel and is always at his taxi stand when not in his room. His only diversion has been to attend the theatre occasionally or go to the American Legion meetings, having been in the service.

Enlists in Service
From those with whom he was most intimate, "Nish" revealed the story of his life. Brought here an orphan and educated by kindly Armenians in this country, he left his former home to enlist in the service. After being discharged from the army he first worked as a chauffeur in Los Angeles and then established himself in the "rent car" service here.
Many friends have been made by the energetic young fellow and it is feared that some mishap has befallen him. An investigation will likely be made by the American Legion if he does not show up before tomorrow night.

C. of C. Invasion of Long Beach Postponed

Long Beach and its industrial show is playing in worse luck than the local Chamber of Commerce building dedication program.

A week ago the tent and exhibits at the beach city were blown down by the high winds. Things had no more than been rearranged when the show opened yesterday in the face of a driving rain storm.

The Glendale Chamber of Commerce boosters have postponed their pilgrimage to Long Beach, scheduled for tomorrow night, until Tuesday of next week—if the weather permits.

ATTEND FUNERAL SERVICE

Mr. and Mrs. George U. Moysie of 322 West Harvard street were in Pomona this morning attending funeral services for the mother of Mrs. Moysie, Mrs. Huma Flood who died Tuesday morning in Los Angeles.

A. R. EASTMANS GUESTS

Mr. and Mrs. A. R. Eastman of 709 North Louise street were dinner guests last night at the Beverly Hills Hotel of Mr. and Mrs. George Hoag of New York City, who are spending the winter there.

Former President Of Long Beach Realty Board Makes Interesting Address To Glendale Dealers

Co-operation Between Local Realty Board and Chamber of Commerce Urged by J. M. Rhoades

THE IMPORTANCE of cooperation between the Glendale Realty Board and the Glendale Chamber of Commerce was the theme of a short address by Secretary James M. Rhoades of the Chamber at the meeting of the Realty Board yesterday.

"I have been in the real estate business twenty-five years," stated Mr. Rhoades "and, if there is any place I feel at home, it is with a bunch of real, live real estate men. You can't build a city without real estate men. Real estate built every important city in the country. Real estate men built Los Angeles, backed by civic organizations. They are men who know how to sell. It takes salesmen to sell anything in this day and age.

"The Chamber of Commerce needs your hearty support. We have got to have it, because without your help, it would be hard for the Chamber of Commerce to progress. You need a live Chamber of Commerce because without one your business wouldn't be worth anything."

Mr. Rhoades declared that he would as soon think of going without an office as of attempting to establish a real estate business

J. C. MUNHOLLAND TELLS OF MULTIPLE LISTING SYSTEM

Many Advantages Secured by Method, Is Claim; Values of Property Obtained

TAKING the topic, "The Multiple Listing System," John C. Munholland, former president of the Long Beach Realty Board, gave an address at the semi-monthly luncheon of the Glendale Realty Board yesterday in the Chamber of Commerce auditorium.

The meeting was considered a most interesting and instructive one. Local realty dealers are, it is evident, displaying much interest in the organization.

According to "The Multiple Listing System," as explained by Mr. Munholland, a bulletin is issued at frequent intervals to every realtor in the community. This contains a list of all real estate holdings on the market with the name of the firm which has the exclusive right to sell each. Should this firm sell the property, it collects the entire commission. If another firm is able to interest a client of its own in the property held by another but listed under this system, the commission is split as at present.

Where both firms are members of the realty board, the one having the exclusive agency obtains 50 per cent of the commission and the firm having the client collects 45 per cent. The remaining 5 per cent of the commission goes to the realty board to defray the expenses of operating the system.

Charge for Listings
A charge of 25 cents is made for each listing. By paying this fee, realtors, who are not members of the realty board, are permitted to list their property under this system. However, should a sale be effected, (Continued on Page 8)

Today's World News In Brief

(By International News Service to Glendale Evening News)

ORLANDO UNABLE TO FORM NEW CABINET, HE SAYS
ROME, Feb. 9.—Former Premier Orlando reported to King Victor Emmanuel at 10:30 o'clock that he was unable to form a cabinet and declined to continue further efforts.

IRISH LEADER SAYS ATTEMPTS MADE TO QUELL 'WAR'
LONDON, Feb. 9.—Arthur Griffith, president of the Dail Eireann (Sinn Fein parliament) called at Premier Lloyd George's office in Downing street today and assured both the prime minister and Colonial Secretary Winston Churchill that the Irish provisional government is endeavoring to quell the disorders on the Ulster border and prevent further raids across the frontier.

DISORDERS SPREAD TO BELFAST; STREET SHOOTING
BELFAST, Feb. 9.—Fighting which accompanied wholesale raids and kidnappings in the southern counties of Ulster province has spread to Belfast and one man was killed here early today. There was desultory firing in the streets throughout the night. Dublin Castle (now controlled by the Irish provisional government) is understood to have telegraphed to the Ulster commandant of the Irish republican army and his staff ordering them to investigate the cutting of wires which delayed information from reaching the ministry of defense.

HUGE BOYCOTT OF PROFESSIONAL BASEBALL, PLANNED
CHICAGO, Feb. 9.—A gigantic boycott of professional baseball is planned for the coming season, it became known today. The boycott will be in protest of Judge Kenesaw M. Landis' action in the Chicago building trades' council wage award. More than a million union men of the United States will participate in the boycott, it was said. "Oust Landis as baseball chief or bust professional baseball," is declared to be the union slogan, according to a high union official of Chicago. Judge Landis' wage award cut the wages of thousands of men.

MADALYNE OBENCHAIN NEAR COLLAPSE, IS CLAIM
LOS ANGELES, Feb. 9.—Madalynne Obenchain, on trial for the murder of J. Belton Kennedy, told the International News Service this morning that she is almost at the point of nervous exhaustion from the "battle of wits" that has been waged for the last three days in selecting a jury. "If a jury can be obtained by early this afternoon I will ask my attorneys to seek a continuance for the rest of the day," she stated. "I want to be in the best possible condition when the taking of testimony begins." Deputy District Attorneys Keyes and Efricke, representing the state, announced their opposition to any continuance. Immediately on the selection of the jury they were prepared to call D. J. Kennedy, father of the slain man, to the stand to tell of circumstances preceding the murder of his son.

DEATH WEAPON IN TAYLOR CASE FOUND, IS REPORT

LOS ANGELES, Feb. 9.—Trace of a revolver which may have been used by the slayer of William Desmond Taylor, film director, has been found and the weapon will probably be turned over to the district attorney's office within a few hours, it was learned today by the International News Service. The weapon was said to have been found by a man, whose name and address are known to investigators, in an alley near the Taylor home the day after the murder. With a revolver which may have been used by the murderer in their possession, investigators will have the most important clue discovered since Taylor was killed, it was declared. While all eyes were centered today on an investigation begun by the district attorney's office in an effort to bring an early solution of the murder mystery, much interest was shown in the revelation that the letters and telegrams written by Mabel Normand, film actress, to Taylor, have been found. They were turned over to Chief Deputy District Attorney W. C. Doran during the night and an inspection of them began today. Doran, who is working under the direction of District Attorney Woolwine, read the letters and telegrams in his office, declining to make their contents public or to comment upon what was written in them. The letters and telegrams formed a fair sized bundle. Doran declined to state where they had been recovered and in whose possession they were while detectives were searching for them. Charles Eyton, west coast manager of the Famous Players-Lasky corporation, with whom Taylor had a two-year contract, (Continued on page 2)

VALENTINE PARTY GIVEN FOR CLUB

Mrs. W. W. Walker Is Hostess at Social Affair Behalf of Bridge Organization

The members of the Wednesday Afternoon Bridge club were entertained yesterday by Mrs. W. W. Walker of 245 South Kenwood street with a Valentine luncheon. The table was centered with a silver vase filled with white sweet peas and red roses. The valentine suggestion was expressed in the cupid and heart decorations on the place cards and tables.

Guests who enjoyed the hospitality of the club included Mrs. Charles Meadows, Mrs. A. M. Draper, Mrs. Heloise Bondaux, Mrs. C. A. Parker, Mrs. Winchell of Winnipeg, Cal. Club members present were Mrs. Charles Carroll, Mrs. Claude G. Putnam, Mrs. E. E. East, Mrs. George Robinson, Mrs. Frank George and Miss Elma Misses, and the hostess, Mrs. Walker. High score for members was held by Mrs. Frank George, who was rewarded with a beautiful centerpiece. Mrs. Winchell received a pretty hand-painted plate as the guest prize.

Mrs. J. G. Huntley Is Hostess to Chapter L

Mrs. J. G. Huntley of 1434 Highland avenue entertained the members of Chapter L, P. E. O., at an all-day meeting at her home yesterday. She was assisted as hostess by Mrs. Ina Randolph, Mrs. Ama Timothy and Mrs. Letitia Lusby. After a short business session in the morning luncheon was served at noon.
This was followed by a program, including a talk by Mrs. Charles Temple on "Letters and Art" and vocal numbers by Mrs. Evangeline Smith, accompanied at the piano by Miss Wainita Emery. The remainder of the afternoon was devoted to sewing on comforts for the needy in Glendale. Guests of the chapter included Mrs. Warner of Colorado and Mrs. J. Herbert Smith.

SLAYER LEAPS TO DEATH

CHICAGO, Feb. 9.—Herbert Mul-janey, 24, desperate jewelry bandit, who shot down Detective Sergeant James Kane and was himself wounded Saturday after a hold-up leaped to his death from the sixth floor of the South Clark street police station today, breaking his neck.

Today's World News In Brief
(By International News Service to Glendale Evening News)

(Continued From Page 1)
stated that he was at the Taylor home when the letters were found but was not immediately present when the actual discovery was made. With the letters and telegrams Doran received a woman's handkerchief, a dainty lace and silk piece, with the initials "M. M. M." embroidered in one corner. The handkerchief was found among Taylor's effects by Henry Peavey, his negro valet, and will be retained at the district attorney's office during the investigation. The letters and telegrams had been accumulated by Taylor during the time he directed such noted stars as Betty Compson, Elsie Ferguson, Mary Miles Minter, Mary Pickford and other prominent actresses. Doran announced to the International News Service that Edward F. Sands, former secretary to the slain director, has not been eliminated from the case and that efforts to locate him will be doubled. While Sands has not been cleared of suspicion it was believed that the district attorney's office is working on the theory that Taylor was killed by some one jealous of his attentions to a woman. Considerable evidence to support this theory was reported to have been given Doran in the district attorney's office investigation, which has been carried on secretly for several days.

ENGLAND IS CONSIDERING CONFERENCE ON WAR DEBTS
LONDON, Feb. 9.—The British treasury has informed President Harding it is considering the calling of an allied conference to discuss war debt refunding after the international economic conference at Genoa is over, it was learned from a reliable source this afternoon.

HARDING SIGNS FOREIGN DEBT REFUNDING BILL
WASHINGTON, Feb. 9.—President Harding today signed the administration foreign debt funding bill. The bill which now becomes law, authorizes the president to proceed to the appointment of a world war debt commission of five members to negotiate the terms under which the United States will collect the \$11,000,000,000 owed this government by foreign governments.

PRICE FIXING OPPOSITION COMES FROM FARMERS
WASHINGTON, Feb. 9.—The first opposition from the farmers against price fixing was voiced before the senate agriculture committee today by Thomas J. Atkeson of the Farmers' National Grange. Atkeson declared that federal control of crop prices would be "unjustifiable and indefensible." He predicted that price fixing would ultimately cause greater distress among agriculture interests than it present conditions were permitted to continue without relief.

BOY FIFTH IN FAMILY TO DIE FROM POISONED MEAT
SANTA ROSA, Cal., Feb. 9.—Word reached here today of the death of his home near Signal Hill of Albert Zeni, 17, fifth member of his family to die from poisoning due to eating tainted pork a month ago. The grandmother and three children died during the month and the mother and two small children are still ill and expected to die as medical science has found no way of combatting the poisoning.

WORKING PERSONNEL OF NAVY YARDS IS CUT DOWN
WASHINGTON, Feb. 9.—The decisions of the Washington conference, reducing naval armament, began to produce concrete results today, when an order went forth from the navy department to reduce the working personnel of navy yards generally throughout the country 20 per cent. This resulted in Washington in 1500 men being dropped from the payroll of the Washington navy yard. Other yards will be similarly reduced, it was said, and in some instances the yards probably will be closed altogether.

SHIP PUTS INTO PORT WITH PART OF RESCUED CREW
NORFOLK, Va., Feb. 9.—The steamer Transportation of the North American line put into Newport News early today with twenty-two members of the crew of the former army transport Northern Pacific, which sank off New York yesterday after catching fire while en route to Chester, Pa., for repairs. Among the men picked up by the Transportation east of Northeast End light last night was the captain of the Northern Pacific, chief engineer and the first assistant engineer. The captain was unable to account for the four engineers of the Sun shipbuilding company who were reported missing after the sinking of the vessel.

WILL HAYS SAYS HE IS NOT COMING TO CALIFORNIA
MIAMI, Fla., Feb. 9.—Will H. Hays, new "czar of the movies," is not going to Los Angeles to "clean house" in the Hollywood film colony, he informed the International News Service today. Hays laughed when told of reports that he is contemplating a coast trip. "I have absolutely no plans to go to California," said the postmaster general. As a matter of fact, he said, I am doing nothing in connection with the moving picture business at all. My contract with the National Association of Moving Picture Producers and Distributors starts after March 4 and until that time I'm taking a rest, the first real one I've had in a long time."

'PEACEFUL SHIPPING WAR' ON COAST IS PROPOSED
WASHINGTON, Feb. 9.—Merger of the greater Pacific coast steamship lines into one parent company with individual companies holding priority stock and the general public buying in to the extent of 49 per cent is designed by the administration to place American commerce in Pacific waters on a parity with the enterprises of Japan and Great Britain. The plan is the first step in what is generally described as a "great, peaceful international shipping war," designed to restore American shipping to its old-time position. Having insured the peace of the Pacific and the open door in China through the armament conference, the United States now intends to step out and bid for an even split in the commerce of the Pacific and the far east. Officials of the shipping board informed the International News Service that if the Pacific coast merger succeeds, the same plan will be applied to the gulf district and later to the Atlantic, where Great Britain's supremacy will be challenged. The projected parent company, designated as a master marine corporation, would operate under the projected government subsidy.

COMMENT THAT'S ALL
What Do Tourists Think?
Necessity of Sewer Plan
One Chance in Million
Busy or Idle We Complain

By Gil A. Cowan

TWO automobiles parked in front of The Glendale Evening News office yesterday afternoon. They had Michigan license plates, bore signs of a long trip and carried the customary tourist baggage on the side.
One man was riding in each car. Both stepped out their machines and came into the business office of this paper.
"I am a brick contractor," said one, "who is now in Glendale, the fastest growing city in America, to help build up the burg. Haven't stopped any other place, but where is your hotel?"
Then the other fellow spoke up: "I am a brick layer by trade. Where can we get accommodations?"
They were shown the column of "rooms for rent" in the Evening News and they hurried away to even get a humble cot. Wonder what they think of a city this size without a hotel.

It has often been said that big hotel men have shied at Glendale because of its lack of a sewerage system. While that is to be doubted and no names were ever heard in connection with such rumors, it seems apparent that sewage disposal is one of the largest problems—yet in many ways simpler than others—with which southern California has had to deal.
Some of the most brilliant minds of this community are devoting time and energy to the solution and they are agreed on one thing:
Los Angeles now is showing some signs of handling its own problem satisfactorily. It is planning to establish activated sludge plants for the treatment of the raw sewage and then carry the effluent out to sea.

In other words, an outfall, sewer scientifically operated so as not to interfere with the beach resorts sounds good. It may be that a metropolitan district will be organized to do this on a greater scale than Los Angeles might attempt.

"Leaving home, never to return," was the note left by little Evelyn Horn, 15, who was an enigma at the Glendale Sanitarium and Hospital for several days.

Her father had died, her mother married the second time with the usual result that she is now supporting herself, and without proper parental care the girl left home and school to fight a losing fight of 48 hours or so.
Think of it; It took but two days for the police, the newspapers, and hospital authorities to fathom the mystery of the little miss who tried to beguile all who spoke to her. Which may serve as a lesson to those who would conceal things from other people, the newspapers or the police.

It's one chance in a million that William D. Taylor's murderer will get away. Wouldn't he save the public officials a lot of trouble by stepping out from behind the maze of mystery?

"When we are busy we complain; when we are idle we complain. Funny, isn't it?"

That's what a surgeon said to me yesterday as he completed a morning's work. And today I see by the paper that the chief of police at Arcadia wants to quit because he is the tax collector, street superintendent, president of the school board, head of the forestry department, fire chief, dog catcher, and what not—anything that the occasion demands. And his wife does out the books in the public library, acts as desk sergeant, cook and a half dozen other duties her husband hasn't time for in the course of a day's work.

Entertainment Given By Chapter Officers

The officers of Chapter C. J. P. E. O., which includes Mrs. Vernon Putman, president; Mrs. E. W. Hayward, vice-president; Miss Martha Cox, recording secretary; Mrs. Durham Porter, corresponding secretary; Mrs. J. T. Crampton, treasurer; Mrs. E. D. Yard, chaplain; and Mrs. Roy Kent, guest, entertained the members and a few guests yesterday afternoon at the home of Mrs. Roy L. Kent, 522 North Central avenue.

A program of music, readings and a guessing contest was very much enjoyed. The remainder of the afternoon was spent in getting acquainted, during which refreshments were served by the hostesses. The guests of the chapter included Mrs. Julian Hayward, Mrs. E. P. Hayward, Mrs. Minnie Patterson, Mrs. J. Gray, and Mrs. Charlotte Cady.

Parcel Post Shippers Warned by Postmaster

The increasing breakage of parcel post shipments resulted in a warning being issued by Postmaster D. Ripley Jackson yesterday advising all persons to securely wrap and label all fragile packages sent through the mails.
Many thousands of dollars' worth of property is broken on account of poor wrapping. Postal officials say that almost fifty per cent of the fragile articles sent through the mails are received broken, entirely due to carelessness of the shipper.
Several valuable cut-glass dishes mailed to a local citizen with historical value were received broken in many pieces. This is only one of many instances that could have been cited by the local officials as a warning. These cases result in heavy expense and loss of much valuable time.

Locals and Personals

Mr. and Mrs. D. L. Sturgess of 310 North Cedar street enjoyed a motor trip to Escondido over the week-end.

Mrs. E. K. Harris, Jr., of 532 Patterson avenue is still confined to her home with bronchitis and pleurisy.

Mrs. Ida Harris has taken possession of her new home at 140 South Cedar street.

The members of the Milford Street Card club will be entertained tomorrow at the home of Mrs. R. Vinton in Hollywood.

Miss Marguerite Myers of Los Angeles was the Sunday guest of Mrs. William Weger of 610 East Orange Grove avenue.

Mrs. Bert Spears of 718 East Acacia avenue has returned from Gardena, where she has been spending several days.

Mr. and Mrs. W. H. Robinson of 324 West Milford street entertained as their dinner guest Tuesday night T. Mathis, formerly of Tennessee.

C. B. Guittard of 524 Patterson avenue has returned from Casa Grande Valley, Ariz., where he has been for the past month.

P. J. Prialux of 128 West Park avenue will return the latter part of the week from San Francisco, where he has been since Monday on a business trip.

Mrs. A. Tanner, who has been a guest at the home of her son, W. A. Tanner, of 400 North Louise street, for the past six weeks, left yesterday morning for her home in Greenville, Pa.

Dr. and Mrs. C. R. Lusby of 329 North Louise street entertained as their guests at dinner Tuesday night, Mr. and Mrs. E. U. Emery, Gilbert Emery and the Misses Jaunita, Josephine and Olive Bell Emery.

Dr. and Mrs. R. L. Young of 1007 North Brand boulevard enjoyed a motor trip over the new Malibu road Sunday, and were accompanied by Mrs. Robert Cullen and cousin, Miss Margaret Kuntz, of Johnston, Pa.

The Yeoman women are planning to give a card party Friday night, February 10, at the Yeoman hall at 1500 North San Fernando road. There will be prizes and refreshments will be served.

Dr. and Mrs. Charles L. Marlenee of 301 South Central avenue entertained as their guests at dinner recently Dr. Herber of Whittier, Miss Patton of Pasadena, and Dr. and Mrs. Warkinton of Glendale.

Mr. and Mrs. S. B. Morse of 143 South Everett street enjoyed several rounds of golf at the Los Angeles Country club as the guests of Mr. and Mrs. O. J. Johnson of Los Angeles recently and in the evening were dinner guests at their home.

Mr. and Mrs. John C. Jordan, recently of Gordon, Neb., have located at 151 1/2 South Brand boulevard in the California apartments for the winter. Mr. Jordan is looking around for a suitable location for the erection of a bungalow court site in Glendale.

Miss Mabel Gommel, who has been in the government service for a number of years and is now a nurse on the hospital ship "Mercy," which is at present at San Pedro, was the guest over the week-end of her brother and sister-in-law, Mr. and Mrs. C. W. Gommel of 112 East Elk avenue.

The regular meeting of the Glen Eyrle chapter, Order of the Eastern Star, of which Mrs. Fannie M. Parke is worthy matron, will be held tomorrow night at Masonic temple, after which an informal card party will be held, to which each member of the local chapter is entitled to invite a guest.

Mrs. William Crawford of 800 South Central avenue motored to Chatsworth Monday with Mrs. Max Bayha of South San Fernando, accompanied by Mrs. Crawford's parents, Dr. and Mrs. J. H. Henry, who visited former friends at that place. Norman Johnson and family and Charles Johnson and family.

A short meeting of the Mutual Benefit Reading circle was held yesterday at the library building, at which time Mrs. E. D. Moore gave the review on "Food for Thought Is Still on the Free List" (Dorothy Canfield). Mrs. A. A. Barton, president, continued reading from the book "Moral Education." On account of the inclement weather there were only seventeen members in attendance.

The Rev. and Mrs. Mark A. Denman entertained at their home, 429 West Burchett street, Mr. and Mrs. W. G. Nease of Washington, Pa., who came to the coast with the Washington and Jefferson football team, and have remained for the winter. Mr. Nease is a prominent business man of Washington. He was a former pupil of the Rev. Denman while the latter was a teacher in Washington some years ago.

The members of the music section of the Tuesday Afternoon club, of which Mrs. Charles L. Marlenee is curator, have a treat in store for them at the meeting which will be held Friday at the home of Mrs. Frank Arnold. Mrs. Warren Roberts will have charge of the program and has arranged the following numbers: Mrs. Enona Hopkins, harpist, and her trio; vocal selections by Mrs. Porter Custer; piano numbers by Miss Helene Constance Morgan; paper on "Modern Music," to be given by Mrs. Paul Hoffman; vocal numbers by Mrs. Alice Farish, accompanied by Mrs. Spencer Robinson.

MILLINERY Special Reduction on Velvet Hats Miss Hoiseth WITH HEMSTITCHING SHOP 200 E. Broadway Glendale 1911-J

Locals and Personals

N. V. Dagnall of Los Angeles was in Glendale during the past week end visiting with friends.

Mr. and Mrs. L. P. Trounser and family have moved from 559 Oak street to 350 West Maple street.

Mr. and Mrs. Clark Christy of Downey were recent guests at the home of Mrs. Christy's parents, Mr. and Mrs. C. P. Brice of this city.

Morris Foster, grandson of Mrs. M. F. Foster of 236 North Louise street, and who has been ill for several days, is improving and will soon be able to return to school.

Mr. and Mrs. W. E. Evans of 333 North Orange street will leave tomorrow morning for a month's business and pleasure trip to New York City and other eastern points.

Mrs. J. H. Houle of 122 East Maple avenue entertained informally at luncheon Wednesday. Invited guests were Mrs. Jesse Chappins, Mrs. Charles Rudell, Mrs. J. Landrean.

Mrs. H. C. Levey of 811 South Glendale avenue entertained as her guests at dinner last night Miss Ruth Doolittle, Miss Elsa Bredt and Mr. Short, all of the California Academy of Music.

Albert Gabaig, Jr., is the name of the son which arrived Tuesday, February 7, 1922, in Los Angeles, to make his home with Mr. and Mrs. A. J. Gabaig of Owensmouth, formerly of Glendale.

Mr. and Mrs. F. A. Beach and Mr. Beach's parents motored to Santa Barbara and returned Tuesday of this week. The father and mother, who have been here for the winter, plan to leave in two weeks for their home in Wichita, Kan.

Mrs. Jack Hebert of Los Angeles was recently the guest of Mrs. Seymour G. Smith of 416 West Wilson avenue. The two young ladies are friends of several years' standing, having been former college chums when attending Pomona college.

The Home and Foreign Missionary society of the Casa Verdugo Methodist church will meet tonight at the home of Mr. and Mrs. Robert D. Jones, 322 East Dryden street. Mrs. E. E. Masters is president of this society.

Katherine Kent is the name of the baby daughter which arrived yesterday, February 8, 1922, at the home of Mr. and Mrs. George H. Kent of Vallejo. Mrs. Kent will be remembered at Miss Geneva Martin of Glendale and is a niece of Mrs. Robert Danner of this city.

Mrs. P. M. Carlisle of East Wilson avenue entertained with a luncheon yesterday in honor of her two sisters-in-law, Mrs. E. O. Carlisle and Mrs. L. O. Carlisle, who have recently moved here from Arizona. The guests also included Mrs. H. S. Cleveland and Mrs. Frank Matthiesen. The afternoon was spent in needlework.

The members of N. P. Banks Post and the Women's Relief Corps are planning to hold an all-day meeting tomorrow at G. A. R. hall on South Glendale avenue. This will be in the nature of a patriotic session in honor of the birthday anniversaries of Lincoln and Washington. Mrs. Bowen, patriotic instructor, will have charge of the program.

Mr. Butler of Waukegan, Ill., who has been spending the past month with his grandsons, the Austin brothers, of the East Maple avenue grocery store is now expecting a married daughter and her husband, to arrive in Glendale. They have been touring that state with the intention of locating permanently, but have not yet decided where they will make their future home.

The Nash owned and driven by W. C. Wodke of 1125 S. Rafael avenue yesterday noon sustained a broken wheel, a bent front fender and a bruised running board on the right side as the result of a collision with a car driven by Denver D. Hoff of Arlington. Mr. Wodke was driving west on Broadway. Mr. Hoff was driving east on Broadway and turned to go north on Maryland avenue.

Philathea girls today are hopeful that the rain will abate before tomorrow night, according to Miss Estella Small of 201 West Lexington Drive. She called attention this morning to the recital to be given at the First Methodist church tomorrow night under their auspices by the H. D. Jackson family of Pasadena. H. Dyer Jackson is an organist; Mrs. Jackson is a pianist and their daughter, Miss Mildred Jackson, is a soprano.

Rehearsal for "The Women of Deleghan Organize," a skit written by Miss Eva Daniels, and which is to be presented before the members of the Tuesday Afternoon club on March 21, was held yesterday afternoon at the regular meeting of the parliamentary law section, of which Mrs. Harry Greenwalt is curator, and which was held at the home of Mrs. B. O. Holbrook, 426 West Harvard street. The members of the section had as their guest for the afternoon Mrs. Zilpha Parker.

Mrs. C. L. Peckham of 615 North Central avenue entertained the members of the Kensington club at her home yesterday afternoon. In spite of the rain there were twenty-one members present. The afternoon was devoted to needlework and social conversation, during which refreshments of sandwiches, cake and coffee were served by the hostess assisted by Mrs. Tina Hammond, Mrs. Effie Ripley and Miss Gladys Peckham. The next meeting will be held March 8 at G. A. R. hall, at which time the eighth birthday anniversary of the organization will be celebrated.

Great Britain has the largest navy in the world. It ranks 49 per cent higher than the United States.

MRS. HELEN SAWYER TELLS FEDERATION OF LEGISLATION

Discusses Arms Parley in Her Report Submitted to P.-T. A. Session at Intermediate

(Continued from Page 1.) treaty would remain in force ten years subject to the right of the high contracting parties to end it upon twelve months' notice.

"Secretary Hughes' plan for limitation of naval armaments is guided by four general principles: The elimination of all capital ship building programs; further reduction through the scrapping of certain of the older ships; regard as to the existing naval strength of the conferring powers; the use of capital ship tonnage as the measurement of strength for navies."

"Limitation of Armaments," declares a British labor leader in Parliament, "is the first step toward general disarmament and it is an imperative economic necessity as well as a mutual obligation for the strongest powers to take the initiative." Herbert Hoover agrees: "There is no more inconceivable folly than this continual rite of expenditure for battleships at a time when great masses are dying of starvation." The Literary Digest stated that the cost of one battleship would build 18,500 homes at \$5,000 each or endow four universities like Princeton.

"A Los Angeles paper today stated that President Harding had ordered discontinued all work on fortifications on the Island of Guam and the Philippine Islands in recognition of a clause in the naval treaty without awaiting the approval of the Senate. Also, he will order suspended all work temporarily on a naval craft but not finally until the treaty has been ratified. The paper said also that it believed there would be some reductions in the personnel of the army and navy. The treaty reduction would save the government about \$200,000,000 as a result already from the Arms Conference."

"At any rate, we should all feel that the conference will be a historical triumph for the United States. President Harding and Secretary Hughes. You have only to read articles in yesterday's paper to experience a feeling of joy over the fact that nations have found another way besides war to settle their differences."

To Save Women "The Shepherd Towner maternity bill or better still the Better Baby bill was passed November 19. It authorizes the annual appropriation of \$1,480,000 to be paid to the states for the purpose of co-operating with them in promoting the care of maternity and infancy. Provision is made for instruction in hygiene through public health nurses and consultation centers. This bill seeks to save the lives of thousands of women and children, who are fated to die annually.

"Not only do we lose more mothers in proportion to births than practically any other civilized country, but we apparently lose more on an average each year than the year before. A decrease is shown in other countries. Stress is laid on the fact that several European countries have far outstripped us in child welfare legislation.

"This bill was delayed because somebody thought more of dollars than for the protection of babies and motherhood."

For War Veterans "The Bonus Bill is not yet settled. Secretary Mellon declares that funds to finance the measure must be raised by internal taxation as it would not be practical to depend on proceedings from the refunded foreign debts. We would have to use new resources as the taxes are abnormally high now for peace times. Secretary Mellon opposes increase in existing taxes. New revenue sources include three cent class postage, increase in second class postage, tax on bank checks and an additional tax of 50 cents per horse power on automobiles.

"Buron Pitts, ex-state commander of the American Legion, addressed a mass meeting in Los Angeles last week after having conferred in the east with administrative leaders. He stated that he learned that the bill was practically certain to pass in its present form."

ROB WOMAN OF BIG SUM

NEW YORK, Feb. 9.—Two bandits attacked Mrs. Max Gitelmacher, wife of a druggist, in her Manhattan street apartment, threw the woman into a closet and escaped with a large sum of money. It is reported the amount taken was approximately \$30,000, which the woman had shortly before withdrawn from a bank. The woman was alone in her apartment at the time. Her yells were heard by tenants, who released her from the closet.

GRANTS IRELAND POWERS

LONDON, Feb. 9.—A bill endorsing the Irish provisional government at Dublin with the powers granted under the Irish peace treaty and calling into actual existence the Irish Free State, was introduced in the House of Commons late this afternoon by Austen Chamberlain, government spokesman.

Deaths and Funerals

MARtha H. PADDOCK Funeral services were held in Los Angeles yesterday afternoon for Martha H. Paddock, who passed away February 7, 1922, at the age of 81 years. She was the aunt of Charles E. Hutchinson of 246 North Orange street.

What She Will Wear This Spring in Hats

Feather strands drawn tightly over a rolling crown and forming a veritable waterfall on either side are combined with straw to give this new spring bonnet a most unusual effect.

District Attorney Is Probing Murder Case

LOS ANGELES, Feb. 9.—Beginning the quizzing of all witnesses involved in the case, including the motion picture actresses who knew the slain man, District Attorney Woolwine and Chief Deputy District Attorney Doran today questioned Henry Peavey, negro valet, and Howard Fellows, chauffeur, in their sweeping investigation of the murder of William Desmond Taylor, film director.

Peavey and Fellows, who were employees of the slain man, were escorted to the district attorney's office by police detectives. Behind locked doors, with Doran doing the questioning, they made lengthy statements which were recorded by a shorthand reporter. Doran announced to the International News Service that following Peavey and Fellows, the other witnesses, including prominent film actresses, will be called in rapid succession. It was expected that before night Woolwine and Doran would have uncovered many new facts concerning the life of the slain director and other details which may bring an early solution of the crime.

Frank R. Lucke in Realty Business Here

Frank R. Lucke says February 8 is his lucky day. First, because it is his birthday and better yet because he became associated with A. L. Baird in the real estate and insurance department of the Roy L. Kent Company, 130 South Brand boulevard.

RUSSIAN RELIEF IS PROBED

WASHINGTON, D. C., Feb. 9.—An organization operating under the name of "The American Commission on Russian Relief" which is alleged to have collected large sums of money from persons throughout the country ostensibly for alleviation of Russian suffering, is under investigation by the department of justice, it was announced today by Attorney General Daugherty.

ROTARIANS AT LUNCHEON

Members of the Glendale Rotary club, at least those who braved the rain, enjoyed luncheon this noon at the Chamber of Commerce auditorium.

AT GLENDALE SANITARIUM

Mrs. Vincent Salmacia, 106-A East Broadway, went through a minor operation this morning at the Glendale Sanitarium Hospital.

OVER HALF MILLION DAMAGE BY FIRE AT MONTREAL

Standard Life Building Guttured; Structure Is Flame Swept More Than Six Hours

MONTREAL, Que., Feb. 9.—Fire which gutted the Standard Life building and threatened other buildings in the financial district was said to be under control at 11 a. m., with a loss estimated between a half and three-quarters of a million dollars.

The fire started at 5 a. m. and in six hours swept through the building, destroying it while firemen battled in dense smoke and against terrific difficulties to save the National Trust company, Royal Bank and Dominion Express buildings on one side and Montreal Star and Waterman buildings on the other.

Fire proof walls saved the district, but the adjoining buildings were flooded and it was doubtful whether the Star would be able to publish from its own plant.

American Interests in Mexico Plot, Charged

MEXICO CITY, Feb. 9.—American interests were said today to have been involved in the revolutionary plot which led to the execution of Major Jose Illescas Anaya on Thursday by a firing squad. The military authorities claimed that the Association for the Protection of American Interests in Mexico and Pablo Gonzalez, a rebel leader, were implicated.

Major Anaya was convicted late Wednesday night by a court martial of treason in having allied himself with General Aleman, a rebel leader in the state of Vera Cruz. General Roberto Cruz, federal commander of the military zone of the Valley of Mexico, said General Aleman was one of Gonzalez's lieutenants.

"We found evidence on the person of Major Illescas Anaya linking him with conspirators in the United States. We have good reason to believe that the Anaya episode is part of the Gonzalez revolutionary movement." General Cruz said he believed the execution of the rebel leader would have a salutary effect throughout the entire republic.

LOCOMOBILE RECEIVERS

NEW YORK, Feb. 9.—Elmer H. Havens and Edwin A. Travis were appointed ancillary receivers in this city for the Locomobile company by Judge Mack in federal court. They were required to give bond of \$100,000.

WESTS LEAD FIELD IN BOWLING ON ELKS' ALLEYS

H. C. Pennock of The Evening News Rolls High Score in Contest Last Night

The second round of play in Class B of the Glendale Elks' Scratch Bowling league took place last night, the three matches played resulting as follows:

The Wattles took three straight from the Salmacias, the Lawrenceces dropped two out of three to the Wests and the Bullards took the odd game from the Vogels.

The best bowling of the evening was exhibited by the Wests, who led the field for a total of 1493 pins in the three contests. Of the two high games rolled on the alleys both were made by members of this team, H. C. Pennock of The Evening News rolling up a mark of 233 and E. E. Brown amassing a 213 score in their last game. The averages of these two stars were 186 and 167, both of which are well over the Class B mark of 150.

The closest series played was that contested by the Vogels and the Bullards, their three games being decided by the narrow margins of 14, 7 and 24 pins. The second game, which was won by the Bullards to the tune of 472 to 465, was a battle royal throughout and was not decided until the last man had bowled.

Some High Scores

The high men on the various teams were as follows: Vogels, Vogel, 181; Bullards, Bullard, 181; Lawrenceces, Lawrence, 196; Wests, Pennock, 233; Wattles, Abbey and F. Salmacia, 180; Salmacias, Newkirk, 172. The total team scores were, Wests, 1493; Wattles, 1379; Lawrenceces, 1352; Bullards, 1329; Vogels, 1312; Salmacias, 1174.

Following is the present standing of the six teams in the games played to date:

Team	Won	Lost	Pct.
Lawrenceces	4	2	.667
Wests	4	2	.667
Wattles	4	2	.667
Bullards	3	3	.500
Salmacias	2	4	.333
Vogels	1	5	.167

R. E. Boyd Attending to Interests in Utah

R. E. Boyd of the Glendale Lumber company, who resides at 105 North Central avenue, is in Ogden, Utah, this week attending to his extensive business interests there where he operates the Boyd Lumber company. It is expected that he will be back at his office here the fore part of next week. F. H. Sawyer, city salesman, is caring for the business in Mr. Boyd's absence.

John E. Aitcher of St. Louis Visits Here

John E. Aitcher of St. Louis, Mo., was a visitor at the Glendale Chamber of Commerce headquarters yesterday. He is seeing southern California with a view of making his permanent home here.

URGES CUT IN JAP ARMY

TOKYO, Feb. 9.—The Kokuminto party, third in importance, today introduced in the House of Representatives a resolution calling for a reduction in the strength of the Japanese army. The extent of the cut was not specified in the resolution, but leaders said they desired a reduction of one-half. It is reliably stated the Seiyukai, dominant political party, is considering army reductions seriously, but may vote for a slighter cut than sought by the Kokuminto adherents.

IRISH ARMY IN CONTROL

CORK, Ireland, Feb. 9.—The Killarney magistrates have issued a proclamation giving the Irish Republican army control of the town on account of the widespread lawlessness. There has been an epidemic of robberies at Killarney.

The evacuation of Cork by British troops has been temporarily suspended owing to the partial strike of railway men.

Patrick Hannafin, adjutant of the Irish Republican army, who was recently wounded in disorders, has died.

There may be a greater thing in the world than loyalty, but just now we don't know what it is.

ITCHING ECZEMA DRIED RIGHT UP WITH SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth. It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Mentho-Sulphur from any good druggist and use it like a cold cream.—Advertisement.

Rev. Denman Urges Community Center

A community center is suggested for the north central district of Glendale by Rev. Mark A. Denman, who commented today upon the amount of criticism circulated by recent arrivals because of alleged indifference on the part of some of their neighbors.

Rev. Denman explained that citizens in his neighborhood were planning to unite in the support of either a community church or a social hall which would answer the need of this section of the city.

"The greatest difficulty lies in the fact that this adverse feeling is almost universal in this locality," stated Rev. Denman. "People do not realize that with the sudden growth of this city, their neighbors like themselves are new to the community and possess similar feelings."

"To establish a community feeling and to alter these conditions so convincingly real in this district, where we are so far away from churches and other common centers, a community center is an absolute necessity for the best interest and welfare of the city."

"Homes are being built at such a rapid pace and the present population is so new and unacquainted, that some crystallizing and unifying agency seems necessary. No community sense and no neighborliness can be felt. New people are so socially isolated and that they would be in the backyard of creation. No one in particular is to blame for this lack. All are new and strange. Perhaps a pronounced effort at sociability would seem officious and offensive. Hence each person goes his way and things which can be had and the progress which can be made only by community solidarity are not obtained."

Save \$100,000,000 by Budget, Harding Told

WASHINGTON, Feb. 9.—Operation of the bureau of the budget during the six months ending December 31, 1921, resulted in a saving to the United States of at least \$100,000,000, according to a report submitted to President Harding by Budget Director Dawes at the semi-annual meeting of the business organization of the government.

Through the complete reorganization of routine business methods by co-ordinating agencies created under executive order, Dawes said a saving of approximately \$32,000,000 had been effected through inter-departmental transfers of property alone. The value of the property thus transferred was placed at \$112,000,000. Large savings were being made, the budget report said, in the systematizing of government traffic and the co-ordination of the program of government hospitalization, and additional economies expected to be effected when the bureau enters the field of co-ordination in the letting of government contracts.

Dawes pointed out that the various boards now working under the aegis of the budget were operating without added expense.

Under the president's program for reduced expenses, Dawes stated the actual figures received from the departments for the first six months indicated the total expenditures for the fiscal year 1921-22, including transactions in the public debt, would not exceed \$3,967,922,366, a reduction of about \$580,000,000 under the estimates by the heads of the departments at the beginning of the year and a reduction of more than \$100,000,000, as compared with the expenditures for the fiscal year 1920-1921.

CLAIMS \$900,000,000 GIFT

WASHINGTON, Feb. 9.—A gift of \$900,000,000 was handed stockholders of American railroads in 1918 as a result of federal control, it was stated by William Gibbs McAdoo, former director-general of railroads, testifying before the senate interstate commerce committee.

Characterizing the roads as a "menace to the country" when taken under federal control, McAdoo declared the government's management had netted \$900,000,000 in rentals which private ownership never could have realized. He blamed a deficit of \$216,000,000 in 1918 on "inefficient private management during the first five months of the year."

MAN KILLED IN RIOTING

YORKVILLE, O., Feb. 9.—One man was killed and a number injured during a riot early today at the Yorkville plant of the Wheeling Steel corporation. The plant, idle since last July due to a strike, resumed operations yesterday. A threatening mob appeared before the plant at 3 o'clock this morning and a machine gun opened fire.

INDIA SITUATION IS WORSE

LONDON, Feb. 9.—The government's officials warning that it will adopt sterner measures to put an end to unrest in India was followed today by reports from various parts of India that the gravity of the situation is increasing. Lloyds announced increase in the rates of all kinds of insurance in India.

ALLIES ARE NOT SATISFIED

BERLIN, Feb. 9.—The Inter-Allied Reparation Commission's reply to the German note was received today and is understood to set forth the assertion that Germany's financial adjustment methods are not satisfactory to the allies.

MURDER MAN AND WIFE

OAKLEY, Wyo., Feb. 9.—Two masked men shot and killed S. Suzuki, and his wife, Japanese residents of this town, when Suzuki refused to give them information of the whereabouts of a \$25,000 pearl necklace owned by the Japanese. Poses are scouring the countryside for the slayers.

The Penalty of Leadership

Due to the fact that the Jewel City Undertaking Company have one of the most beautiful funeral homes in California; that they have a most complete and expensive auto equipment; that they offer the use of their well-appointed Chapel—and conduct a most impressive mortuary service—many people have the mistaken idea that their charges are greater than those of ordinary undertakers.

This is an error—as the policy of Mr. and Mrs. Phillips has been to give the utmost in service and value for the money, and the charges of this firm are even less than commonly charged in other cities for a far inferior service.

The Jewel City's Service has been time tried and tested. For over ten years we have given every call our best personal attention—and now we are the standard by which others are judged.

Plenty of Features at Dinner and Dance

A fire dance, balloon dance and the award of a beautiful silver loving cup will feature the afternoon and evening's entertainment and dinner dance to be given at the Chamber of Commerce auditorium Saturday, February 11, from 3 to 5 p. m. and 8 to 11:30 p. m. Crews Vaughn and his synchronized Yama Yama boys will provide the music for this event.

DEMAND THOROUGH PROBE

WASHINGTON, D. C., Feb. 9.—Attorney General Daugherty said, after a conference with District Attorney Gordon, that he favored the most sweeping grand jury investigation to fix responsibility for the Knickerbocker theatre disaster.

Attorney Gordon called upon Daugherty to report to him that he had instituted that investigation and to ask for special instructions.

F. V. EDMONDS
"Good afternoon, Ed."
That's the way to greet F. V. Edmonds, who is a partner with P. H. Dunning in the conduct of Glen Inn, Glendale's newest restaurant which already has the patronage of a place established for six months. It is located in the Citizens' Building, 152 South Brand boulevard, but Mr. Edmonds resides at 455 Patterson avenue.
To make a short story longer, he started in the confectionery business back in New York when that city was building the subway. The store in which he worked was under a couple of feet of ice water every day because of the lack of sewerage. In those days a man was ashamed to be seen at a soda fountain, so Mr. Edmonds has seen the business increase in popularity to such an extent that the men order sodas and sundries in combinations equal to any a matinee girl might imagine.
Among the many interesting things Mr. Edmonds has done in his line was originating the hot lunch idea for drug stores, having been brought from New York to Los Angeles for the purpose. This was such a tremendous success that the restaurants of the Angel City sought to have cooked food served only in licensed eating houses. Then he put in the twin fountains for a large department store and at Long Beach four years ago he opened America's first drugless drug store. In other words, everything to be found in a drug store except the prescription department was incorporated in this unique establishment.
Mr. Edmonds' next efforts were with Patents, Los Angeles, where he was general manager and was instrumental in opening the Ambassador hotel store for them. It was there he obtained the ideas for the unique furniture in the Glen Inn.

Girl Hears Telephone Through Her Fingers

Miss Katherine Steffens, who has been stone deaf since infancy, has made the startling discovery that she is able to hear telephone messages through her exceptionally sensitive fingers. By placing her fingers on the diaphragm of the receiving instrument, Miss Steffens has been able to catch every word through vibrations in the receiver. She has been a student at the Detroit school for the deaf.

'DAPPER DAN' SEEN IN LOS ANGELES, OFFICERS SAY

Department of Justice Secures Trace of Man Mentioned in Taylor Murder

LOS ANGELES, Feb. 9.—"Dapper Dan" Collins, said by the police to be known throughout the country as a daring gunman, black-monger and confidence man and whose name has been mentioned in the Taylor case, was in Los Angeles at least until January 26. Taylor was slain the night of February 1. This has been definitely established by the United States department of justice, it was announced here today.

Collins, together with a second man of many aliases and two women were at a Hollywood hotel until January 26, when they left the place, declaring they were going to Miami, Fla., it was stated by one government official.

This official pointed out that it was usual for such persons to have it appear they had left a city just before concluding a big swindle scheme.

The disclosures of the department of justice investigators proved of great interest to police detectives who said a taxicab driver told them that on the night Taylor was slain his suspicions were aroused by the actions of four "fares" two men and two women.

NO POISON OR SHARKS?

WASHINGTON, D. C., Feb. 9.—A treaty between the five great powers of the Washington conference, abolishing the use of poison gas in warfare and virtually making it impossible for a submarine to attack and sink a merchant ship was presented and adopted in open session.

The treaty is expected to form a new chapter of international law, as other nations will be invited to adhere to the pledges which the five great powers make in it.

The agreement in "humanizing warfare" was the direct outgrowth of the Root resolutions, agreed to earlier in the conference.

TOO LATE TO CLASSIFY

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know. The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.—Advertisement.

The World Over By Franklin B. Morse. Pacific Sports Service. Advertisement for sports services.

A number of men who are keen followers of track athletics have ventured the opinion that they do not think Charlie Paddock, world's champion short distance runner, will succeed in lowering any records should he attempt to run the quarter mile distance.

San Jose, California, will be the scene of the opening of the 1922 track and field season on February 12, when the mid-winter carnival will be held. On the same date the Pacific association holds its novice cross-country run.

Sports Chatter By Bill Unmack. Pacific Sports Service. Advertisement for sports news.

Ever since the A. A. U. of the United States officially recognized events as competitors in sanctioned meets, dating back to 1914, the swimming world each year has developed one or two stars of national prominence among the mermaids.

Now Miss Bleibrey has the ambition of being the first girl in the world to swim the century in one minute flat. There are many who believe she is capable of doing this. She has the strength and stamina and her stroke is one of great power and finish. There does not seem to be any girl at the present time capable of beating Miss Bleibrey over the century unless it be Marie Welshen of Honolulu.

The evolution of the girl's hundred is interesting and follows: 1:27 3-5, Alice Allard, England, 1904. 1:21, Mary McLaughlin, Scotland, 1906. 1:19 4-5, Dorothy Hill, Australia, 1907. 1:18, Jennie Fletcher, England, 1906. 1:11 4-5, Fanny Durack, Australia, 1912. 1:09, Fanny Durack, Australia, 1912. 1:06, Fanny Durack, Australia, 1912.

With Miss Gailigan in her prime, another great girl swimmer came to the fore in Olga Dorfner and these two had many a battle royal with victory divided. Then came Miss Frances Cowells the Pacific coast and later national champion, national and world record holder. For practically three years these three girls held a mortgage on American girl's records and the books were replete with the figures established. Each had her favorite distance but at times each attacked the marks of her rival.

Until Miss Bleibrey swam into international repute the world hundred yard record for women was 1 minute 6 seconds made by Fanny Durack in 1900. The mark stood until 1920 when Miss Bleibrey broke it with 1:5 1-5 and then last year twice

MOTOR VEHICLES

"The Cheerful Liar"

(Personally Produced by Wm. Brunton of Glendale)

J. C. MUNHOLLAND TELLS OF MULTIPLE LISTING SYSTEM

Many Advantages Secured by Method, Is Claim; Values of Property Obtained

(Continued from Page 1)
They obtain 45 instead of 50 per cent of the commission and the other 5 per cent goes to the realty board, together with the 5 per cent paid by the firm having the client. This makes a total of 10 per cent which the board receives in this case.

"The multiple listing system is nothing complicated," declared Mr. Munholland. "It is simply doing what you have continued to do in times past, only in a systematic form. It makes it possible for a realtor to sell property on which he does not have a direct listing."

For Exclusive Listings

One of the advantages of the use of this system, according to Mr. Munholland, is that it encourages property owners to list their holdings exclusively with one firm instead of giving a dozen or score of agents the right to sell it. After a trip from the east before this system was adopted Mr. Munholland found that his salesmen had lost about \$4,000 in commissions because, after they had succeeded in getting their clients interested in property and already to put the deal into escrow, they found that the property had just been sold by another agent.

The reason property owners hesitate to give exclusive listings ordinarily, stated Mr. Munholland, is because they fear the property will not receive as much attention from one firm as it would from several agents. Under this system that objection is overcome. Although a piece of property is only listed with one agent, every realtor in the community has an opportunity to sell it.

Mr. Munholland stated that this system was working very satisfactorily in Long Beach at the present time. He asserted that the last bulletin had listed over \$5,000,000 worth of property. The committee, which has charge of the operation of this system, consists of three members chosen from the membership of the Long Beach Realty board. One of these retires each year so that the committee always has two members who are familiar with its work. Its decisions are subject to review by the realty board.

Benefit to Community

The adoption of this system is a benefit to the community, according to Mr. Munholland, because, under its operation, a piece of property for sale contains only one sign instead of separate signs for each agent interested.

Another advantage of this system is that it enables agents, securing an exclusive listing, to obtain a signed contract from the owner to sell it. According to state law, such a contract is necessary before a realtor can collect his commission. Mr. Munholland called attention to the fact that a doctor or lawyer could collect for services rendered following verbal instructions but that a realtor could not. He admitted that the previous tendency had been to give verbal instructions verbally and in many cases over the telephone which handicapped the agent greatly in the litigation over the collection of his commission.

"I believe I could retire with the commissions I have lost," declared Mr. Munholland. "You often lose out with your friends because you don't want to quarrel, with them over your commission."

Posted As to Values

By observing the listings in the bulletins, a realtor is able to keep posted as to the trend of values. He is able to keep informed in his business and on account of this fact, is able to establish his client's confidence which is of immense assistance in the consummation of a sale. By knowing the prices of nearby property, an agent is able to make accurate and reliable comparisons.

Charles B. Guthrie of 103 1/2-A South Brand boulevard stated that the most serious handicap to real estate business in this vicinity was the tendency on the part of property owners to act as their own salesmen. Mr. Munholland admitted that the same difficulty had been experienced in Long Beach but declared it could be overcome by acquainting the owner with the services in salesmanship rendered by the agent as well as the guarantee of honest dealings made by every reputable dealer.

An invitation was extended by Mr. Munholland to those present to attend the picnic of Southern California real estate dealers at Long Beach during the last part of May, previous to the national convention in San Francisco. C. D. Thom, president of the Glendale Realty Board, stated his assurance that a large number of local realtors would be glad to attend.

"Long Beach used to claim the honor of being the fastest growing city in the country," declared Mr. Munholland, "but she is glad to transfer it to Glendale."

DIVIDENDS ON U. S. STEEL

NEW YORK, Feb. 9.—The United States Steel corporation has declared the regular quarterly dividend of 1 1/4 per cent on the common stock and 1 1/2 per cent on the preferred stock. The corporation reported net earnings for the quarter ended December 31, last, of \$19,312,033, compared with \$18,918,058 in the previous quarter and a deficit after all deductions and dividends of \$5,280,901, compared with \$6,965,505 in the quarter ended September 30, last.

Such enormous quantities of tinned milk are used today that the tins used every year would go five times around the earth.

Harry Carey Stars In "The Fox," His First Super-Feature

Harry Carey has won his spurs. The ace of the saddle has been made a Universal-Jewel star and in "The Fox," his initial super-feature, he proved to hundreds who attended the Glendale Theatre last night that he is worthy of the honor.

"The Fox" stacks up, all in all, as one of the best dramas of the open country ever filmed and it is particularly pleasing to those who regard Harry Carey as the foremost western actor on the screen. "The Fox" concerns a woe-begone tramp who is thrown from a freight train to play a most important part in the destiny of a small desert town. He uncovers the crooked doings of a grasping banker, leads regular United States cavalry into action to break up a gang of desperadoes, and wins a wife after the fastest whirl of action which he has ever experienced in his long career.

Al St. John also is "Fast and Furious" in his comedy and the program is rounded out satisfactorily for all sorts of picture patrons as evidence the large attendance yesterday.

SPANISH AMERICAN WAR VETERANS TO ORGANIZE CAMP

Application for Charter Is Signed by Twenty-five at Meeting Last Night

(Continued from Page 1)
Bechtel, R. S. Hall, Geo. G. Lemon, E. D. Johnson, Geo. D. Harness, Frank E. Peters, Dr. Wm. C. Mabry, H. S. Mereness, S. A. Warner, J. C. Sator, Delos Jones, Frank H. Crowder, William A. Laving, W. B. Kelly, Harry J. Svis, Forest W. Hill, Walter L. James, Edgar P. Beck, and Edgar E. Denslow.

In discussing a suitable name for the camp for consideration at the next meeting, the name "Glendale Camp" met with the approval of the majority. Others suggested a name in honor of one of the many heroes of the war, among them being "General McArthur" and "Commander Sly," which was followed by a discussion of adopting a name in honor of a local hero of the Spanish-American war. The name of a deceased hero from this community could not be mentioned by those present.

Following the meeting, the remainder of the evening was spent renewing old acquaintances and discussing the status of former companies.

Local veterans were assisted in organizing by Commander Morgan B. Galbreth of Los Angeles, who advised on the proper course to follow in presenting the application.

William Brunton, Glendale Actor, In Film at T. D. & L.

William Brunton, well known Glendale actor whose activities, especially in connection with the production for the local Elks of "Mrs. Temple's Telegram," last June, will be remembered here, is the producer of "The Cheerful Liar," the highly entertaining and clever vaudeville playlet presented at the T. D. & L. theatre last night. It is a comedy of exceptional merit and was enjoyed by all. There are many catch lines that entertain and the action is right up-to-the-minute. Members of the cast must also be mentioned—Miss Wanda Lamont appeared to very great advantage. She was acclaimed by the audience on several occasions during the short action of the playlet. Previous to associating herself with Mr. Brunton in "The Cheerful Liar," which will be played over the large eastern circuits shortly, she was leading lady for the Alcazar theatre, San Francisco, considered the best "stock" house west of Chicago, where she enjoyed a long and very successful engagement. Of her work one can only speak very highly. Mr. Kendall played his part well and is typical of the younger type of leading men of the stage today. Mr. Brunton, Billy Brunton, as he is better known in Glendale, as always, is very good, exceptionally good.

"The Cheerful Liar" will be given again tonight in addition to "The Three Live Ghosts," the Paramount picture that has just delighted thousands in Los Angeles—a comedy-drama of real worth, with some hearty laughs in it to "chuckle you under the ribs." George Olsen is playing "By-the-Old-Ohio-Shore."

SLAYS FATHER, IS CHARGE

BALTIMORE, Md., Feb. 9.—Charles Koehler, Jr., 18 years old, who, while under the influence of liquor, shot and instantly killed his father, Charles Koehler, Sr., 45 years old, millionaire sportsman, coal and ice dealer, garage owner and real estate operator, is under arrest. The youth is alleged to have made a complete confession to the police of the slaying of his father. The elder Koehler was known from coast to coast as the owner of a pretentious stable of race horses.

ORDNANCE PLANT CLOSED

CHARLESTON, S. C., Feb. 9.—The United States navy ordnance plant, located at South Charleston, manufacturing shells, guns and armor plates, was closed at noon today on orders from Washington. About 2000 employees are affected. Only enough workers will be retained to look after the equipment.

The action is regarded here as taken by naval authorities in anticipation of Senate ratification of the naval limitation treaty.

C. OF C. MEMBERS OFFERING IDEAS TO HELP CITY

Varied Suggestions Are Made to Organization; Sewer Is Leading in Importance

(Continued from Page 1)
of conditions and recommend the future policies.

Lower the Pacific Electric tracks on Brand boulevard.

Work for the annexation of Eagle Rock and Casa Verdugo.

Have a larger municipal building.

Install better lighting systems throughout the city.

Boulevard Verdugo wash.

Get a complete state university for southern California.

Urge a real building on the present Pacific Electric depot site at Broadway and Brand boulevard.

Merger Suggested

Merge all local organizations into the Chamber and have local committees on improvements for the San Fernando Road, Brand boulevard, Glendale avenue and foothill districts.

Advertise Glendale in the east with folders, etc.

Eliminate the telephone toll between here and Los Angeles.

Establish a community chest.

Fight the Pacific Electric fare increases.

Clean the streets of sign boards.

Work for a municipal bus line between here and Los Angeles.

Of course, it is understood that these are only suggestions of the members—things of which they think seriously. While many are admittedly impracticable at this time they may give someone else an idea which will be more than a possibility. That is why they are presented for your perusal.

Graft Portion of Egg Into this Man's Skull

SANTA ROSA, Cal., Feb. 9.—For the second time probably in medical science the very delicate operation of grafting into a man's skull the veteline membrane of an egg has been successfully performed here.

On Christmas day, last year, during a heavy storm in western Sonoma county, Charles Layton came in contact with a heavy voltage of electric wire. The live wire burned deep into the man's skull and scorched the fine tissue that covers the skull bones.

Dr. Roscoe Earl Hamlin, Santa Rosa surgeon, scraped the burned tissue from the skull for a space of two inches wide and six inches long. Recalling that once before the veteline membrane of an ordinary hen's egg had been used as a graft in a child's skull, he decided to try it on Layton. This was two weeks ago.

Today Dr. Hamlin stated that the membrane annexed itself as he had hoped and that the operation was a success. The new tissue, he said, is functioning like the former covering nature had given the skull bones. The physician said he sees no reason now why the applied membrane will not supply the blood diffusion that the former membrane carried out.

Layton is still paralyzed in the lower part of his body from the effect of the heavy shock of electricity that passed through him, but today Dr. Hamlin found that certain nerves and muscles were contracting and the further fact that Layton has recovered the use of two toes was taken by the surgeon as an indication that the patient would again become a well man.

Layton's case is attracting much interest among members of the medical profession and Dr. Hamlin is being besieged with inquiries from many quarters from those anxious to know of the membrane operation.

"I am pleased to tell you that the membrane has annexed itself in fine shape in Layton's skull and there is no question but that the operation has been a success," Dr. Hamlin told the International News Service correspondent today.

Rain Fails to Halt Education 'Factories'

Rain does not dampen the ardor of education, according to authorities at the headquarters of the grammar school system and at the high school. Miss Mae McPherson, secretary in the superintendent's office, stated this morning that all teachers were on the job today. Miss Carrie Noble, principal of the Intermediate school, declared that the number of absentees was comparatively small. A. L. Ferguson, vice-principal of the high school, asserted that the attendance there today was "pretty good"—admitting that what he meant was that the girls were pretty and the boys good.

ATTEND MISSION PLAY

Sixty pupils of the La Crescenta grammar school attended the Mission Play at San Gabriel yesterday as a result of arrangements made between P. L. Hatch, general manager of the Glendale-Montrose Railway, and officials of the Pacific Electric company, at Los Angeles.

The company furnished a special car to transport the students from their school and return without transfer or delay. The management of the play gave the students a special rate privilege, which is granted to all large student bodies.

The women's auxiliary of the American Legion in New York State is represented by 239 units and has a membership of 7,900 women.
