

We Believe in Brave, Friendly Spaces

The goal of this session is to create an encouraging space for collective learning. This requires intentional behavior, wherein participants are conscious of and accountable for the effect of their statements and actions on others. We respect our experiences and the experiences of others and recognize that we can't do this work without one another.

We agree to hold each other accountable to foster a Brave, Friendly Space.

Review the whole Brave, Friendly Spaces agreement here:
