We are sorry to see Mr. and Mrs. Charles E. Caldwell and young daughter Catharine leave Narberth. They will make their home in Atlantic City. Mr. Caldwell was one of the first residents here and his jovial manner won for him many friends. Come

back to Narberth once in a while, Mr. Caldwell, we will be glad to see you.

Work is soon to be started on the widening of Anderson avenue, under the Pennsylvania Railroad at Ardmore Station. The narrowness of the passage and the great traffic at the point have made it a dangerous one, and the Main Line Citizens' Association and the Ardmore Civic Association took the question up with President Rea, of the railroad company.

The Narberth High School Alumni Association has planned a remarkable lecture course consisting of four splendid lectures, beginning February 16. The Executive Committee has worked hard to get the very best lecturers in this course and they want the co-operation of the entire community. The course of four lectures will cost only \$1, which is exceptionally low when it is learned that such men as Dr. Chas. T. McFarlane, of Columbia University, who lectures to renowned Geographical Societies; Hon. L. Irving Handy, Dr. Francis Green, of West Chester, etc., will be some of the lecturers. The dates will be: February 16, March 9, April 6, and May 4. Keep them open!

The engagement of Miss Achsah M. Wentz to Mr. Dow Enfield has been announced by Mr. and Mrs. A. D. Wentz, of Spring Grove, Pa., the wedding to take place sometime this spring. Miss Wentz, who is a popular and talented young organist and instructor, received her degree of Bachelor of Music from the University School of Music, Lincoln, Nebraska, in 1913. Since when she has been living here in Narberth and continuing her studies under Ralph Kinder, of Philadelphia. At present she is organist at the Methodist Episcopal Church of this place. Mr. Enfield, who is private secretary to Congressman C. F. Reaves, of Nebraska, is a graduate of the University of Nebraska Law College of 1914 and also of Bellevue College.

Ruth E. Prescott entertained her sorority, the Kappa Sigma Phi, last Friday evening, at which meeting the engagement of Miss Achsah M. Wentz to Mr. Don Enfield, of Washington, D. C., was announced; also the engagement of Miss Nellie M. Jones, formerly of Narberth, to Mr. Charles Brennan, of Medina, N. Y., which leaves the single girls of the sorority very much in the minority. The decorations were pink roses and ferns. Miss Wentz's engagement was announced in a novel way by hiding a white heart on which was written the happy news in a large pink rose placed at the president's place—Mrs. R. C. Jones—who announced the tidings to the other members of the sorority. The next meeting will be held at the home of Miss Alice Green, 123 South Fiftieth street, on the 19th of January.

Our worthy and esteemed fellow-citizen, Kennedy Duff, is about to leave Narberth. Kennedy has been a respected member of this community for something like twelve years, during most of that time taking active part in local affairs, always to the latter's advantage. For a long period he served on the School Board and was also a director of the Building and Loan Association. His loss to the borough is deeply regretted by all who know him and he leaves behind the impression of an honorable and desirable citizen, the kind we cannot afford to lose. He goes away from us not without many regrets on his part, but he is taking an upward step on the ladder of success and New York City will claim him as her own. His many friends in Narberth are loath to have him leave and their best wishes and interest follow him.

THE COMING MUSICAL

A musical has been arranged for January 18th, under the direction of Miss Gertrude H. Wright, soprano, assisted by Mr. Piotr Wizla, distinguished baritone; Mrs. B. Franklin Armigee, reader, and Mr. Henry Lukens at the piano. To be held in Elm Hall, Narberth, Pa. Dancing will follow the musical.

Prolonged visits are apt to deal hospitality a death blow.

TWO LECTURES FOR COMMUNITY CLUB THIS MONTH

Dr. Charles F. Swift to be Heard Friday Night—Imogen M. Oakley to Speak on January 26

During the month of January the Community Club will offer two evening entertainments instead of the customary one.

On Friday evening, January 12, Dr. Chas. L. Swift, State superintendent of the Anti-Saloon League, will deliver a lecture entitled, "Uncle Sam Awakes." The subject of course deals with the liquor question and because of the imminence of prohibition in the United States, it should be found interesting to all of us.

The reputation of Mrs. Imogen B. Oakley, chairman of the Civil Service Reform of the State Federation of Women's Clubs is nation wide. Mrs. Oakley will address the club members on "Public Housekeeping." This is not alone a matter commanding the attention of women. In the years to come our social duties are bound to multiply. Men and women will increasingly be called upon to serve the public. What Mrs. Oakley has to say on such matters should surely win her a big audience.

Both meetings will be held in the Community Room at 8.15 P. M. Tickets for single lectures can be purchased at the door. Price fifty cents.

DR. CHARLES F. SWIFT

Dr. Charles F. Swift, who will be heard in our town next Friday night in the Community Club lecture course, has attained a wide reputation as an after dinner speaker and a popular lecturer. His addresses not only bristle with wit, but at times are characterized by the most inspiring oratory.

In addition to all this, he is a man of affairs, enjoying the acquaintance of many of the foremost men of the nation. A life-long student of governmental affairs and an experienced lawmaker, he will bring to the folks of Narberth a brilliant lecture on Friday night, his subject being "Uncle Sam Awakes."

NARBERTH BOYS' CLUB.

The Narberth Boys' Club defeated the Anthwyn Boys' Club of Narberth last Saturday night by the score of 32-11. The Narberth boys far outclassed the Anthwyn team, which secured all their points on fouls and were not able to get near their goal. Poor Dutch. Line-up:

Basket Ball Activities.

Well, well, well, here we are once again, the old team back with us, and believe me, for a starter they had some team to buck up against when they played the All-Scholastic Stars, composed of mostly of Northeast Manual Stars. It looked bad at the end of the first half for the Narberth boys, but in the second period. Well! They got the game, that's all, even if it was only by one point and you have to take your hats off to our team.

Particular mention is made of Referee Emmett's clean decisions. Ever alert and showing no partiality to one side or the other. Accept our thanks, Mr. Emmett, for your hearty co-operation, couldn't have done better.

 Fire 350.
 Police 1256.

We again call the attention of our readers to the annual meeting of the Narberth Y. M. C. A. that is to be held next Monday evening, January 15, at 8 o'clock. Let every member be sure to attend. It will afford an opportunity to those who have not yet met the new secretary, Mr. Schaeffer, to become acquainted with him. There is important business to be transacted, including the election of a number of directors to fill expiring terms, and a review of present conditions, with plans for the future.

The directors are reminded that they are to meet a half hour before the general meeting, at 7.30, to dispose of some routine business. Every member of the board is particularly requested to attend this meeting also.

THAT NEW EXPRESS TRAIN.

Editor of Our Town:

A few mornings ago—a couple of days after the new 5.40 express was inaugurated—I met one of our fellow townsmen who is an employe of the Pennsylvania Railroad, and was greeted with the words: "Well, the Railroad certainly put one over on 'em!" Seeking a little further light on the subject, I discovered that my friend seemed to regard the railroad company's meeting of the very reasonable demands of the Narberth commuters as expressed through "Our Town," as "putting one over" on either the people of Narberth or "Our Town." He seemed to have an idea that the Railroad just waited until it was ready to add the 5.40 express to the Narberth service and then went ahead and put the train on without saying "I, yes, or no" to anybody. Sort of a good joke on our own town (his own town as well as your town and mine). Let's all have a laugh on Narberth and "Our Town." The Pennsylvania Railroad handed us an express train and nobody (etc.) knew we were going to get it. Ain't that rich?

Now, as a matter of fact—and this is stated for the benefit of any other townsmen who may have failed to read last week's issue of "Our Town," or who for any other reason may have an idea that the Railroad slipped one over on our borough—the editor of "Our Town" and others who were active in urging the new express, knew about the new train several days before it was put on the schedule. The Railroad officials having the matter in charge, being intelligent men,

discussed the question with various representative citizens of our town, and the joint conclusion was reached that a 5.40 express was about the best arrangement that could be made. There was nothing of the "put it over" element in the whole transaction. Narberth has grown rapidly in the last few years; additional express service was needed; the matter was called to the attention of the railroad company through the columns of "Our Town"—an accepted and perfectly legitimate method of community action; the Railroad gave heed to the protest and considered carefully the arguments presented. In brief, the whole affair was a plain, out-and-out business transaction, with no need for either side to resort to "putting over" methods or tactics.

All of which is written with the hope that it will teach the little moral that it is always best to look before leaping—to crack a joke at the expense of your home town. I too love my company, but oh you home town! Yours very truly,
 E. A. Muschamp.

SUFFRAGISTS ELECT OFFICERS FOR 1917

(Continued from First Page)

The Suffrage Party wishes to call to the attention of all those who are interested in the work it is doing the following report, and at the same time to extend its thanks to everyone who helped personally or financially during the year of 1916.

Report of the Narberth Branch of the Woman's Suffrage Party for 1916.

On Tuesday, January 25, 1916, the Narberth Branch of the Woman's Suffrage Party met at the home of Mrs. Edwin Tomy to elect officers for the ensuing year. After the ballots were counted, the meeting was turned over to the following newly-elected officers:

Mrs. Edward A. Muschamp, leader.
 Mrs. Walter I. Dohard, vice-leader.
 Mrs. Charles Verna, secretary.
 Mrs. William H. Pugh, Jr., treasurer.

It was arranged to hold the regular meetings on the first Friday of every month at the homes of different members, the meetings to begin at 3 P. M. Later it was decided to have outside speakers at alternate meetings, and at the other meetings the members should discuss questions of the State and National Governments. This plan was followed throughout the year. On an average, twenty members attended these regular meetings.

The Year's Work.

In accordance with instructions received from the State headquarters at Harrisburg, we celebrated National Suffrage Day on May 1st. A committee of members was on duty at the station and distributed pansies to the men and daffodils to the women.

At the primary election in May we served at the polls from 7 A. M. until 7 P. M., giving out literature and securing signatures to yellow pledge slips.

In June a Butterfly Garden Card Party was given, and the funds raised were used to help pay our county and State assessments.

Our organization donated to the Tri-County Fete at Mrs. Feree Brinton's, St. David's, twenty-five pounds of candy. A number of card tables were also loaned by our members.

When the time came for the Presidential election, our women did their usual publicity work at the polls.

To complete the Narberth assessment of ninety-six dollars (\$96), a successful vaudeville show was given on December 4th, which enabled us to meet all our expenses.

As part of the year's work, two petitions were circulated, one to Hon. Henry Watson, representative from the Eighth Congressional District, and the other to the members of the State Legislature at Harrisburg, urging all these representatives to support suffrage. A number of letters were also written to the members of the Judiciary Committee of the House of Representatives at Washington, and New Year's cards were sent to

THE CUB ANNOUNCES A GREAT DISCOVERY

To the Editor of "Our Town:"

At last the secret is out. Frank Zentmayer has mystified his friends of late by his rather abstracted air. Furthermore, he has only been at the fire house six nights a week; whereas he and Charley Noel were never known before to be absent from it. The reason is now made apparent to all, and a lucky world comes into great good fortune through a discovery by the man who went to the extreme of self-sacrifice by giving up his pet hobby of sitting around the fire house, for one night a week. This discovery will prove to be the greatest boon bequeathed to mankind, without price, for many a day. Many of the most marvelous creations are often the result of pure accident. This happens to be one of those. It seems that Frank has a Victrola in his home. Somehow the Victrola was upset one night while the power was on. Frank was astonished to see the affair roll across the floor, the disc plate acting as a propelling force. Then came the great idea and Frank lost no time in taking advantage of his great opportunity. Charley Verna's Ford was standing at the door and it was only the work of a minute to transfer the insides to the walk and replace them with the motor from the Victrola. Do you get the idea now, boys? It means an automobile that will require no gasoline or electric power.

Frank has been pondering for some time whether or not to patent his discovery and that accounts for his absentmindedness. However, he has finally decided to be a good fellow and give his fellow human beings full benefit of his amazing discovery and will therefore not apply for a patent. For one thing, it would interfere with his pinochle.

The funny part of it is that Charley Verna knew nothing of the substitution in his machine and, happening on the scene just after Frank had finished the job, he invited the latter to take a little ride with him. The first remark Charley made was: "My, she is running better than ever and you can't even hear the engine." And to think this happened in dear old Narberth! Everyone is free to use this contrivance and from now on we expect the sales of gasoline to fall off perceptibly. However, I think it will be some time before this new motive power will be applied to our local fire engine.

Talking about mysteries—of course, you know Bill Claghorn. He looks like an actor. Well, Bill used to come around regularly through the summer, each time exhibiting a fine mess of fresh water bass. Said he caught them at a certain Jersey lake. Of course, the gang all liked for that lake, but all their attempts didn't result in one real healthy bite. That was some mystery, but it isn't any more. Last Friday morning, Bill was seen in the Reading Terminal buying a string of bass. Thus is another imposter exposed.

I have often wondered what would happen to you or your paper or to any editor or any paper whose columns always stated the absolute truth. Now, do not get mad—nobody said that "Our Town" or any other prominent newspaper was not veracious. What I am thinking of is this: Suppose somebody gave a show or entertainment and it was reported in the papers. You have been to many a show yourself (editors are on the free list, I understand) that was anything but good—in fact, you've seen many a bum show, haven't you? My question fits in right here. What would happen if the papers stuck to the facts? They would say: "The entertainment given last night by the —, etc., was rotten. How some people have the nerve to ask anyone to pay good money for the privilege of sitting through such a lot of rot, etc., etc." But instead the papers say: "The show was a big success financially and artistically, and the audience felt well repaid for leaving home on such a stormy night, etc., etc." Your reply is awaited with interest.

The population of London, Ky., is 1638; of Winchester, Tenn., 1351. The former gets a post office worth \$88,900.00, the latter gets one for \$55,000.00. Narberth's population is almost as great as that of the two towns combined. Her post office would probably be considered high at 75

"Live Wire" Challenges "Cub" For Literary Honors

To the Editor Our Town.

I don't suppose the Cub knew that the same lady who purchased the ten-penny nails at Ricklin's, also asked for a two-foot rule, and when she was given one, was heard to remark, "Oh, my; it's rather short, isn't it?" A well known man of Narberth left his Ford standing in front of Dr. Howard's the other evening, and a short time after a small boy opened the door and asked, "Mister, is that your car standing out here?" The man replied that it was. "Then," said the small boy, "you had better take it in somewhere, for the ants are dragging it under the sidewalk."

A very much respected lady of Narberth was riding along Narberth avenue the other day, when something got wrong with the engine. The lady, very much excited, said, "Why, what is wrong with the car?" "Beg pardon," replied Smith, "but one of the cylinders is missing." "One of the cylinders is missing? Oh, my goodness! Don't you keep the garage locked?"

EVANGELISTIC SERVICES

After months of desire and weeks of preparation, the Baptist, Methodist and Presbyterian churches of Narberth have arranged for a three weeks' series of evangelistic meetings, a week in each church, beginning Sunday evening, January 28, in the Methodist Church, with business headquarters in the Y. M. C. A. Building.

The Rev. Dr. Depfer, of Elmira, N. Y., with his corps of workers, will conduct these services and it is hoped great good will result from this concert of effort by the three churches.

Before the coming of the evangelist and his party, a series of cottage prayer meetings will be held on each Friday and Tuesday evening at from 7.30 to 7.55, beginning Friday, January 12, and the first of these cottage gatherings for these Depfer evangelistic meetings will be held at the following homes:—

- No. 1. Albert Walters, 124 Conway avenue.
- No. 2. (Name to be furnished by Mr. Jacobs later.)
- No. 3. F. H. Prescott, 226 Essex avenue.
- No. 4. W. J. Bailey, 514 Essex Ave.
- No. 5. James P. Rowbotham, 222 Wayne avenue.
- No. 6. T. M. Butler, 229 Essex Ave.
- No. 7. J. W. Shinn, 202 Woodbine avenue.
- No. 8. G. M. Colesworthy, 224 Iona avenue.
- No. 9. J. R. Bracken, 19 Elmwood avenue.
- No. 10. S. W. Foster, 131 Merion Ave.
- No. 11. T. C. Trotter, Jr., 209 Woodside avenue.
- No. 12. H. C. Gara, 404 South Narberth avenue.

As noted, there will be additional meetings in every district (twelve in all) every Tuesday and Friday, 7.30 to 7.55 P. M., at locations to be arranged for later.

Watch for the porch placards showing the places where subsequent meetings will be held. Those who are interested in more details will find in another column the boundaries of several districts and the names of those in charge and from whom information can be had.

Committees representing each of the churches have been appointed to arrange further detail as to music, publicity, finance, cottage meetings, personal workers, etc., with Mr. R. L. Beatty as general chairman. Other committees are to be formed as the work progresses.

Y. M. C. A. BOWLING NOTES.

The 911 score of the Narbrook team certainly was a noteworthy feat. This score would be a creditable performance for any professional team, and is liable to stand as a record for some time.

Lardie Davis' return to the alleys adds greatly to the strength of the "Park" boys. Lardie is one of the best bowlers in town, but it is a hard matter for him to get away from his other sporting interests to devote any time to bowling.

Talk about noise. The rooting at the Narberth-Rovers match the other night was one of such volume that it threatened to put a stop to an entertainment that was in progress overhead in the gymnasium. Even if the Rovers did get walloped two out of three, they sure did make a reputation as noise producers.

Hats off to Horace Smedley. His record of two consecutive 200 scores is most creditable for the college alleys, and is liable to stand for the present season at least. Some bowling, Horace.

Rodgers, of the Narbrook team, is a welcome acquisition to the league. Besides being a consistently good bowler, he is an all around good fellow. His 192 and 170 games had much to do with the Narbrook victory over Montgomery the other night. Incidentally Rodgers won a valuable high individual season average prize in a strong league in Pittsburgh before coming to Narberth. He will be a big aid to "Biddy" Kirk in the final race for the championship.

It certainly is a grand race, and the finish promises to be a hot one. May the best team win.

Luck may be a good servant, but as a master his pay days are uncertain. The man who weds an old flame often finds that she has a red hot temper.

APRON SOCIAL

One of our local poets, living not over one thousand miles from Merion avenue, is responsible for the following:—

APRON SOCIAL.

Around your waist a measuring line
Please draw, but not too tightly,
And for each inch a penny place
(Now please don't take this lightly)
Into this cunning pocket you see
On this little apron, made by me
Bring to the Presbyterian Church at eight,
On January eighteenth, and don't be late
Or you will miss a good time, I'm 'fraid
Prepared for us all by the Ladies' Aid.

The lines are, of course, self-explanatory and remind us of the last two lines of a much longer poem penned years ago by a western writer reading:—

"And sometimes I can't help thinking
when we reach the regions blest,
That the men will get the toll and
sweat and the Ladies' Aid the rest."

Remember the day and date, Friday, January 19, 1917; place, Presbyterian Church.

Addressing Parcel Post Packages.

Parcel post packages should be addressed plainly. The sender's name should be written inconspicuously on the upper left hand corner of the parcel. The address and return card on a parcel should appear but once, and that in the same relative position as a letter with return card would be prepared for mailing.

**Narberth H. S. Five Defeats
Jenkintown Five, 33-27**

Narberth High School basket ball team defeated Jenkintown Five by a score of 33-27 last Tuesday, January 9. The game was a fight from start to finish. The opposing team was full of snap and dash and moved the ball up and down the floor with lightning quickness. Time after time the Jenkintown boys led by two points and the Narberth Five would make a thrilling play, tying the score. The suspense was terrible, especially at the end of the first half, when the opponents led by score of 16 to 14.

But the second half showed better results. The Narberth boys showed the real stuff, and from that time on the Jenkintown boys did not even see the ball. The final score was 33-27. The line-up was as follows:—

Narberth.	Jenkintown.
Leslie Smith ..forward.....	Bloomer
John Dickie ..forward.....	Walker
Bill Durbin ..center.....	Chilcott
Perry Redifer ..guard.....	Rickert
Fred Harsch ..guard.....	Stringer

Score as follows: Leslie Smith, 2 field baskets; John Dickie, 2; Bill Durbin, 5 field and 11 foul; Fred Harsch, 1 field, and Kenneth Walton (sub), 1. Scorers for Jenkintown were Bloomer, 4 field and 13 foul; Walter, 1 field; Chilcott, 1 field, and Stringer, 1.

This Saturday the Narberth boys play Bridgetown away from home.

One of the best parts of the game was the fine spirit shown by the Narberth boys and girls. The galleries were filled with eager, enthusiastic pupils, whose cheers helped the team to victory. Never was there a dull moment, on the contrary, the singing and yelling rang through the gym continually. The boys felt that they were backed, and it spurred them on. School spirit is one of the best attributes a community can have. It stimulates loyalty and pride in your own institution.

On Monday evening, February 12 (Lincoln's Birthday), the annual dinner given by the citizens of Narberth to the active members of the fire company will be held.

The first annual dinner given for this cause was held last year, and, as you will remember, it was a great success. The committee for the coming event is planning to make this year's affair a greater success than before. The committee is as follows: Mr. J. Howard Wilson (chairman), Mr. Carden Warner, Mr. Frank Zentmyer, Mr. Tristan B. DuMarias and Mr. Frederick L. Rose.

A WORD TO THE NEW RESIDENTS

For the information of the lately arriving residents of Narberth we announce again that to purchase postage stamps and stamped envelopes in the local post office is of great advantage to the office as its advancement is based upon the sales. We aim to be courteous and obliging. We also want to do business with our patrons.

THE POINT OF VIEW.

"We had rather a nasty accident the other evening while motoring," said Mrs. Swanker, in a languid voice.

"What was it?" asked her friend "Oh, we were going along a dark road when the car knocked a man down and fractured his skull.

"Terrible!" exclaimed the listener with a shudder.

"But that wasn't the worst of it," said Mrs. Swanker, her voice rasping. "The wretched man had a sharp knife in his hand, and it punctured one of our tires."

RESULTS OF LIFE IN DARKNESS.

A scientist kept goldfishes in a roomy tank and with plenty of food, but in absolute darkness. He kept it up for over three years, and then observed the modifications that had occurred in the fish. The color first became black, but after the second year it became golden again, and the reason for this is interesting. In the first instance the dark pigment-cells spread out and covered up the subjacent layer of crystals which gives the goldfish its golden sheen. In the second instance the phagocytes devoured the dark pigment-cells, and thus re-exposed the golden layer. The changes in the eye were even more interesting. The structure of the eye was completely altered. The fish became totally blind. The experiment suggests that an individual fish imprisoned in a perfectly dark cave would become blind. But it does not throw any direct light on the origin of a blind race of fishes in caves.

FELT FOR HIM

Bobbie Smith, aged nine, was the shining light of the family, and his father was very proud of him.

"I shall call round and see your teacher," said his fond parent, "and thank him for the kind interest he is taking in you."

"If you do, father, I want to tell you that all the boys in our class are not known by name but by number only. My number is 25."

In due course the father called at the school and knocked at the door, which was after a few moments opened by the head master.

"Good morning, sir," said Mr. Smith. "I am the father of 25."

"Indeed," replied the schoolmaster, with surprise. "Come inside, my friend. I can feel for you, for I am the father of twelve myself."

NASAL CALAMITY.

Between Edinburgh and Carlisle a brawny, middle-aged Scotsman entered the train. Being in Highland garb he attracted the attention of the other occupants of the compartment, and more so when he took snuff freely from a large box and offered it to others to "help their ain sels."

At Newcastle the travelers were joined by an Englishman whom Nature had gifted with an extremely large nose.

He seated himself opposite the Scot, who beamed with pleasure, and at once offered his snuff-box. This was declined, when the astonished Scot said:

"Dinna ye snuff?"

"No," answered the Saxon.

"Man," replied the Scot, "it's a calamity, for ye hae wonderfu' accommodation for't."

Little Dick—What are you cutting out of that paper?

Little Johnny—Something I don't want mamma to see.

"What is it?"

"It's an article that says wooden slippers from Holland are coming into fashion."

On last Wednesday evening, at the mid-week service of the Presbyterian

Church, Miss Mildred Scott spoke of the work of the Federation of Churches along the Main Line, with special reference to the work in Narberth. There is a feeling among Main Line residents that we have no problems of poverty and bad housing, etc., and all that train of ills with which the cities have to deal.

To the churches of Bryn Mawr it did seem logical, and so they formed the Federation of Churches of the Main Line to which any church is cordially welcomed.

Last week some friendly people in Narberth sent Xmas baskets to some of the families whom Miss Scott may know and afterward were surprised to learn that in some of the homes more than one basket found its way.

Boys' Department. The boys are now under full swing and all activities are humming with great interest.

The game room still seems to be the headliner for the boys after school. Mr. Schaeffer had his Junior team, the Conway Boys' Club of Narberth, consisting of Lowe Cummer, Benj. Yewell, Robt. Ward, John Maguire, Billie Anderson and Louis Sicklin up to play the Ardmore-Franklin team, and although they lost the game 33 to 2, they gained a victory for perfect sportsmanship and clean playing.

Gymnasium activities are steadily increasing as there were some thirty boys out Saturday morning.

If your boy is not a member of the Y. M. C. A. and is not getting into this wholesome recreation, with fine companionship among our good fellows, you had better investigate for yourself and let that boy of yours join and join right now, so as to go right along with our rapidly increasing pace.

We have a great quantity of material cut and ready for needles and busy fingers, a portion of which we will be glad to carry to anyone desiring homework.
