TO: U. Alexis Johnson

1. The police of Osaka have made an extensive search in Osaka in an effort to locate

Julia, Catalina and Pablo ARAKAKI,
Daishoku, Iturumachi-2-53, Osaka

2. The police report that the address should be Tsurumachi 2-chome, Taisho-ku, Osaka City. The police from Taisho Police Station informed us that the area surrounding the above address was completely devasted during the war, and that in the immediate vicinity of said address, no one is living at the present time. The police further state that at no time in the past had any Argentine national, Foreign National, or Nisei resided at said address or in the immediate vicinity thereof. In spite of the above negative report, search will continue.

Yokohama Division,

Commanding Officer,
Osaka Military Government Team,
APO 660.

Sir:

Upon the request of the Argentine Government, this office has been instructed by the Department of State, Washington, to assist in the repatriation from Japan to Argentina of certain designated Argentine nationals.

Three of these persons are believed to be resident in your area, but all efforts to reach them by mail have been unanswered. Inasmuch as their repatriation ship is due to sail shortly, the matter is urgent. It would be appreciated if you, through the Japanese police or other expeditious channels, would attempt to locate the persons named below. As the information was received through several translations and telegraphic relays, there may be numerous errors in spelling and it may well be that the persons are known in Japan by different given names:

Julia, Catalina and Pablo ARAKAKI, Daishoku,
Iturumachi-2-53, Osaka

In the event you are able to locate the persons named, would you please inform them that the Argentine Government has guaranteed all expenses in connection with their repatriation, and that the ship sails from Yokohama on February 20, 1948. If they desire to sail on this ship, they should immediately notify both this office (American Consular Service, No. 6 Yamashita-cho, Naka-ku, Yokohama) and the steamship company (American President Lines, Kaigan-dori 1-chome, Naka-ku, Yokohama), and should come here at their earliest convenience to make final arrangements.

At time of coming here they should bring with them five passport-style photographs each and whatever papers

they have

they have in evidence of nationality and identity, including a certificate of identity (shashin-shomeisho) issued by the local police and bearing photograph under official seal.

If they do not desire to sail on this ship, they should notify this office of their plans in order that the Argentine Government may be informed.

I shall greatly appreciate your help in the matter.

Very truly yours,

U. Alexis Johnson,
American Consul General.
