Without Concealment Without Compromise.

VOL. XI....NO. 11.

NEW-YORK, THURSDAY, AUGUST 8, 1850.

WHOLE NO. 531

Bublished Weekly,

AMERICAN ANTI-SLAVERY SOCIETY

commerce—citien, supar, hump, behaves and rise. Sheri labor has been found according to American Aspertience, to be utterly valued as the superience, to be utterly valued as the superience, to be utterly valued as the superience of the superience

that expression.

Mr. CLAY—The Senator did employ it, for it was heard and noticed by more than myself.

Mr. Dayls—One cannot always remember precise-

ly the language he uses in the hurry of decoarcan only say have no recollection of naing the wore "breeding" and I think, if the reporters notes are preserved and referred to, the word will not there be found. I shall have the caricsity to look and see lift is so; but, according to the best of my recollection, I spoke of the capacity of the country for "traf for" in Slaves.

Mr. CLAY—That is the language of the genth mans speech as princiel; but the word 'breeding was used by the gentral Senators took note of it, as we expressed how much we were speeched and uprised at it. It was one of the principal topics we expressed how much we were shocked and us prised at it. It was one of the principal topics or the control of the senator had put it on the ground of the control of the senator had put it on the ground of the control of the senator had put it on the ground of the control of the senator had put it on the ground of the control of the senator had put it on the ground of the control of the senator had put it on the ground of the control of the senator had put it on the ground of the senator had put it on the ground of the senator had put it on the ground of the senator had put it of the senator had been as a senator had been as the senator had put it of the senator had put it of the senator had been as near the truth of history to my that the North had the senator had been as near the t

of numbers and the want of occupation. But to asy effectually circumselbe based is the purpose, about it is the purpose, about the six holds and the second of the second
