WIKIDATA LAB XXXV

MODELING ELECTIONS

This training aims to share resources and capabilities for the integration of Wikidata with other Wikimedia projects, specially the Wikipedia.

In this event, part of the Wikidata Labs series, there will be a presentation and a series of practical activities and discussions on modeling and reusing information about elections.

The event is aimed at training the community of editors of Wikimedia projects. The training coordination will be carried out by the wikimedian Amador Alvarez, in English.

The event will be online. Please, if you are interested in participating in the event, register on the registration page. There is no registration fee. Unlimited places.

Local: Online
Data: October 25, 2022 (Tuesday) at 17h UTC.
