1 year ago, this institution was found in a deplorable condition, with no chronological data being maintained on those persons found wandering the streets. Today the reverse is now true of this mental asylum.

OFFICE OF THE ATTORNEY GENERAL
WASHINGTON, D.C.

INVESTIGATION OF MENTAL ASYLUMS
AND THE NEED FOR REFORM
REPORT OF THE ATTORNEY GENERAL
JULY 1954

1. The purpose of this report is to provide a comprehensive survey of the mental asylum system in the United States. It is based on a study of the conditions in a number of representative institutions and on interviews with officials in charge of these institutions.

2. The study was conducted in 1953 and 1954. It was carried out by a committee of the American Bar Association, of which the Attorney General is a member. The committee was composed of the following members:

Chairman: [Name]
Members: [Names]

3. The study was conducted in a number of representative institutions in various parts of the country. These institutions were selected on the basis of their size, their type, and their location. The institutions included in the study were:

[List of institutions]

4. The study was conducted in a number of representative institutions in various parts of the country. These institutions were selected on the basis of their size, their type, and their location. The institutions included in the study were:

[List of institutions]

5. The study was conducted in a number of representative institutions in various parts of the country. These institutions were selected on the basis of their size, their type, and their location. The institutions included in the study were:

As compared with last years figures, Wajima town has had a 17% decrease in indigent persons and is continuing.

Wajima Town Indigent Population Report

Year	Indigent Population	Percentage of Total Population
1950	1,200	12.0%
1951	1,100	11.0%
1952	1,000	10.0%
1953	900	9.0%
1954	800	8.0%
1955	700	7.0%
1956	600	6.0%
1957	500	5.0%
1958	400	4.0%
1959	300	3.0%
1960	200	2.0%

The above table shows a steady decline in the number of indigent persons in Wajima town from 1950 to 1960. The percentage of the total population that is indigent has also decreased significantly over the same period.

The one discrepancy noted was the wrong computation of the grant by the Minsei-in concerned. The Welfare Chief has been in office for seven years and is enthusiastic about the entire program.
