I hereby promulgate the Law for Partial Amendments to the Law concerning Subsidy for Disaster Rehabilitation Works Expenses for Salt-Fields, Etc.

Signed: HIROHITO, Seal of the Emperor

This twenty-eighth day of the third month of the twenty-seventh year of Showa (March 28, 1952)

Prime Minister
YOSHIDA Shigeru

Law No. 17

Law for Partial Amendments to the Law concerning Subsidy for Disaster Rehabilitation Works Expenses for Salf-Fields, Etc.

The Law concerning Subsidy for Disaster Rehabilitation Works Expenses for Salt-Fields, Etc. (Law No. 257 of 1950) shall be partially amended as follows:

The following two paragraphs shall be added next to the Supplementary Provisions:

3 With regard to areas heavily damaged by disasters occurred in 1951, the amount of the subsidy under the provision of Article 3 paragraph 1 for a portion of the works expenses of disaster rehabilitation exceeding the amount prescribed by Cabinet Order shall, regardless of the provisions of paragraph 2 of the same Article, be an amount within the limit of the amount calculated for each of the following items by the ratios set forth in the respective items:

(1) Those concerning salt-fields and concentration facilities; 80% of a portion of the works expenses for disaster rehabilitation exceeding of the amount prescribed by the Cabinet Order concerned;

(2) Those concerning protection facilities of salt-fields from disaster; 90% of a portion of the works expenses for disaster rehabilitation exceeding the amount prescribed by the Cabinet Order concerned.

4 The areas under the preceding paragraph shall be designated by the President of the Corporation.

Supplementary Provisions:

1 This Law shall come into force as from the day of its promulgation.

2 Persons who have submitted an application for subsidy to the Corporation in accordance with the provision of Article 4 of the Law concerning Subsidy for Disaster Rehabilitation Works Expenses for Salt-Fields, Etc. (hereinafter referred to as "the Law") prior to the enforcement of this Law shall, if they desire to be favoured with the application of the provisions of paragraph 3 of the Supplementary Provisions of the Law to the amount of the subsidy with which the said application is concerned, submit an application for increase in subsidy to the Corporation before April 1, 1952 for the subsidy to the portion of works expenses for disasters rehabilitation exceeding the amount prescribed by Cabinet Order.

3 The provisions of Article 5 of the Law shall apply mutatis mutandis to the case where the application for increase in subsidy under the provision of the preceding paragraph has been

submitted. In this case, "the amount of subsidy within the limit to be granted under the provisions of Article 3" as stated in Article 5 paragraph 1 of the Law shall read "the difference between the amount of subsidy under the provision of paragraph 3 of the Supplementary Provisions and that under the provisions of Article 3 paragraph 2".

4 With regard to the application of the provisions of Article 4 and Article 5 of the Law, in the case where a person, who has not, by the time of enforcement of this Law, submitted the application for subsidy under the provision of Article 4 of the Law as to a subsidy under the provisions of Article 3 paragraph 1 of the Law, subject to the application of the provision of paragraph 3 of the Supplementary Provisions of the Law, desires to receive the subsidy under the provision of Article 3 paragraph 1 of the Law, "within two months after the date of outbreak of the disaster" as stated in Article 4 of the Law shall read "by April 1, 1952", and "Article 3" as stated in Article 5 of the Law shall read "Article 3 and paragraph 3 of the Supplementary Provisions".

5 With regard to the subsidies to the salt-fields, etc. damaged by disasters occurred in 1951 under the provision of Article 3 paragraph 1 of the Law, "paragraph 2 of the preceding Article" as stated in Article 6 paragraph 1 of the Law shall read "paragraph 2 of the preceding Article (including the case where the same paragraph applies mutatis mutandis in accordance paragraph 3 of the Supplementary Provisions of the Law for Partial Amendments to the Law concerning Subsidy for Disaster Rehabilitation Works Expenses for Salt-Fields, Etc.)", "paragraph 1 of the preceding Article" as stated in Article 6 paragraph 2 of the Law shall read "paragraph 1 of the preceding Article (including the case where the same paragraph applies mutatis mutandis in paragraph 3 of the Supplementary Provisions of the Law for Partial Amendments to the Law concerning Subsidy for Disaster Rehabilitation Works Expenses for Salt-Fields, Etc.)" and "Article 3" as stated in Article 6 paragraph 3 of the Law shall read "Article 3 and paragraph 3 of the Supplementary Provisions".

I hereby promulgate the Law concerning Special Measures for Financing Rehabilitation of Fisheries Stricked by Typhoon of October, 1951.

Signed: HIROHITO, Seal of the Emperor
This twenty-eighth day of the third month of the twenty-seventh year of Showa (March 28, 1952)

Prime Minister
YOSHIDA Shigeru

Law No. 18

Law concerning Special Measures for Financing Rehabilitation of Fisheries Stricken by Typhoon of October, 1951

(Purpose of the Law)

Article 1. The purpose of this Law is to provide for loss compensation and interest subsidy by way of a financial aid of the Government to fishing operators whose fishing vessels, gears or facilities for aquatic animal and plant culture (hereinafter referred to as "fisheries facilities") were damaged by the typhoon of October 1951, for the purpose of facilitating their rehabilitation from such damage.

(Loss Compensation and Interest Subsidy)

Article 2. The Government may, in case the Central Bank for Agriculture and Forestry or any other financial institution as may be provided for by Cabinet Order (hereinafter referred to as "loaning agency") gives a loan to such fishing operator as has suffered damage to his fisheries facilities from the typhoon mentioned in the preceding Article and desires to receive a financial aid for his rehabilitation or to such fisheries cooperative association as has the said fishing operator as its member and intends to finance him for the restoration of the said fisheries facilities, conclude with the said loaning agency a contract stipulating a compensation for the loss caused by, and a subsidy for the interest receivable on, such loaning, in accordance with the provisions of Cabinet Order.

2 The loaning which qualifies a loaning agency to conclude a contract with the Government in accordance with the provision of the preceding paragraph shall be confined to such loaning as is made during the period from April 1, 1952 to March 31, 1953, and provides for a term of repayment not extending beyond March 31, 1958.

3 The total amount of loans which may be contracted for by the Government in accordance with the provision of paragraph 1 shall be limited to one billion five hundred million (1,500,000,000) *yen*.

(Criteria for Determining Loss and Limit of Loss Compensation)

Article 3. The loss under paragraph 1 of the preceding Article shall mean any amount representing the whole or part of the principal and/or interest (including arrearage interest as may be provided for by Cabinet Order), which is not repaid before a period not exceeding one year as may be provided for by Cabinet Order elapses, after the expiration of the term of repayment of the principal.

2 The limit of the amount of the loss compensation payable by the Government on the basis of a contract under the provision of paragraph 1 of the preceding Article shall be an amount corresponding to thirty (30) per cent of the total amount loaned under the same paragraph (hereinafter referred to as "qualified loans") by each of the loaning agencies concerned.

(Criterion for Interest Subsidy)

Article 4. The interest to be subsidized by the Government on the basis of a contract under the provision of Article 2 paragraph 1, shall be an amount calculated at the annual rate of four (4) per cent on the balance of the qualified loans made by a loaning agency in accordance with the provisions of Cabinet Order.

(Rate of Interest)

Article 5. The rate of interest on qualified loans made by a loaning agency which has concluded a contract under the provision of Article 2 paragraph 1, shall be lowered by four (4) per cent per annum of the rate usually charged by the said loaning agency in making loans of similar kind, and shall not exceed the rate which constitutes a condition of the contract concerned.

(Loans to Be Made by Fisheries Cooperative Association to Its Members)

Article 6. The rate interest in the case where a fisheries cooperative association provided for in Article 2 paragraph 1 makes loans to its members from the qualified loans received from a loaning agency shall not exceed the interest rate payable on such qualified loans financed by the loaning agency.

(Safeguarding and Withdrawal of Credits)

Article 7. A loaning agency shall, even after receiving the loss compansation under the provisions of this Law in reference to its qualified loans made on the basis of a contract under the provisions of Article 2 paragraph 1, take steps to safeguard, with the care of a good administrator its credits in regard to the said loans and make effort to collect any outstanding amount due.

2 If, in the case under the preceding paragraph, there remains any balance after deducting the expenses necessary for the withdrawing of credits from the amount received by way of repayment of qualified loans, a loaning agency shall appropriate such balance for making up the loss not to be compensated, and, if there still remains any balance, shall pay such balance to the Government, until the amount so paid reaches the amount corresponding to the loss compensation received from the Government in accordance with the provisions of this Law.

(Measures against Violation of Laws, Orders, Etc.)

Article 8. The Government may, in case any loaning agency has violated the provisions of this Law or orders issued thereunder, or of a contract under the provision of Article 2 paragraph 1, withhold subsidies in whole or part of the interest to be subsidized, or compensation in whole or part of the loss to be compensated, or may order the return of the whole or part of the interest subsidies or the loss compensation already granted.

(Enforcement Provisions)

Article 9. Other than those provided for by this Law, matters necessary for the enforcement of this Law shall be provided for by Cabinet Order.

Supplementary Provisions:

1 This Law shall come into force as from the day of its promulgation.

2 In case there is any loan which a loaning agency has, prior to the enforcement of this Law, given to persons provided for in Article 2 paragraph 1, and which comes or is to come under the conditions provided for in this Law in accordance with the provisions of Cabinet Order, the Government may conclude with the said loaning agency a contract stipulating a compensation for the loss caused by the said loan and a subsidy for the interest receivable on such loan.

3 In the case under the preceding paragraph, the total amount of loss compensation payable by the Government on the basis of a contract under the provision of the same paragraph, together with the total qualified loans, shall be limited to one billion five hundred million (1,500,000,000) *yen*.

4 In the case under paragraph 2 the amount of loss compensation payable by the Government to each loaning agency on the basis of a contract under the provision of the same paragraph, shall, together with the amount of the loss compensation in regard to the qualified loans given by such loaning agency, be limited to an amount equivalent to thirty (30) per cent of the aggregate of the total qualified loans and the total loans as provided for in the preceding paragraph.

5 The provisions of Article 2 paragraph 2, Article 3 paragraph 1, and Article 4 to Article 8 inclusive, shall apply mutatis mutandis to the case under paragraph 2 and to the loans

connected with a contract under the provision of the same paragraph. In this case, "from April 1, 1952 to March 31, 1953" and "March 31, 1958" as used in Article 2 paragraph 2, shall read respectively "from October 14, 1951 to March 31, 1952" and March 31, 1957".
