HELVETIC ACADEMY.

THE Rev. Mr. De Prâtz, who had been obliged, on account of the sickness of his family, to be absent for a short time from the city, is now returned, and has removed to the house belonging to Madam Porter, situated in Dauphine street, between Bienville and Conti streets. His residence being now permanently fixed in New-Orleans, Mr. D. F. has the honor to remind parents that he will continue to devote a part of his time to the instruction of youth.

His plan, already known, unites several advantages, which he has reason to think are worthy to be appreciated. The friend as well as the teacher of those confided to his care; he endeavors, as far as possible, to smooth the asperities in the acquirement of science, and to lead his pupils by pleasant paths to the limits of education. His diligence in the manner of the Swiss and German schools that Mr. D. F. has formed his method of teaching, and which he dares presume will be attended with perfect success. Moreover, he will be happy to give persons who may think proper to call on him, all such information as can be desired, but which could not well be explained in the present notice.
