### EXECUTIVE ORDER 10075

ELIMINATING CERTAIN PUBLIC LANDS FROM NAVAL PETROLEUM RESERVE NO. 2 AND RESERVING THEM FOR TOWNSITE PURPOSES

CALIFORNIA

WHEREAS by Executive Order No. 6444 of November 25, 1933, certain public lands, including the lands hereinafter described, were restored to Naval Petroleum Reserve No. 2, California, under the exclusive control and jurisdiction of the Department of the Navy; and

WHEREAS it now appears from drilling operations that it is unlikely that oil or gas can be obtained in commercial quantities from the shallow zone underlying the town site of Ford, within the said Naval Petroleum Reserve No. 2, and that the interests of the United States in the oil and gas in the deeper and unexplored formations underlying such town site may be adequately protected with fewer drill sites than have been heretofore reserved; and

WHEREAS it is deemed desirable and in the public interest that the lands hereinafter described, which are within the boundaries of the said townsite and the first addition thereto, be made available for townsite purposes and for disposal under appropriate townsite laws; and

WHEREAS such action has the concurrence of the Secretary of the Navy;

NOW, THEREFORE, by virtue of the authority vested in me by section 2380 of the Revised Statutes of the United States, and as President of the United States, it is ordered as follows:

The following-described public lands are hereby eliminated from Naval Petroleum Reserve No. 2, California, and reserved for townsite purposes: *Provided*, that this elimination and reservation shall not apply to the oil and gas deposits in such lands, but such deposits shall be retained in and remain as a part of the said Petroleum Reserve No. 2 for the use and benefit of the United States Navy:

Drill Sites Nos. 1, 2, 3, 5, 7, 8, 11, 12, 13, 14, 15, 16, 19, 21, 23, 25, 27, and 28, original town site of Ford, and Drill Sites Nos. 1, 2, 4, 5, 6, 7, 8, and 10, first addition to the original town site of Ford, as shown on the plats of survey of the town site and first addition thereto accepted April 23, 1924, and May 16, 1926, respectively, and filed in the Bureau of Land Management, Department of the Interior.

The Secretary of the Interior is hereby authorized and directed to dispose of the said lands in accordance with the provisions of section 2381 of the Revised Statutes of the United States.

The said Executive Order No. 6444 of November 25, 1933, is modified accordingly.

### Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders), Department of Agriculture

[Cauliflower Order 5, Amdt. 1]

### PART 910—FRESH PEAS AND CAULIFLOWER GROWN IN ALAMOSA, RIO GRANDE, CONEJOS, COSTILLA, AND SAGUACHE COUNTIES IN COLORADO

#### REGULATION BY GRADES AND SIZES

a. *Findings.* (1) Pursuant to the marketing agreement, as amended, and Order No. 10, as amended, (7 CFR, Part 910) regulating the handling of fresh peas and cauliflower grown in the Counties of Alamosa, Rio Grande, Conejos, Costilla, and Saguache in the State of Colorado, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended, and upon the basis of the recommendation of the Administrative Committee established under the aforesaid amended marketing agreement and order, and upon other available information, it is hereby found that the grade and size limitations, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rule making procedure, and postpone the effective date of this section until 30 days after publication thereof in the FEDERAL REGISTER (60 Stat., 237), in that, the time intervening between the date when information upon which this amendment is based became available and the time when this amendment must become effective in order to effectuate the declared policy of the Act is insufficient, and this amendment relieves some restrictions on the handling of fresh cauliflower grown in the aforesaid counties in the State of Colorado, and a reasonable time is permitted under the circumstances, for preparation for such effective date.

b. *Order, as amended.* On and after 12:01 a. m., m. s. t., August 22, 1949, the provisions of § 910.310 (b) (Cauliflower Order 5, 14 F. R. 4516) shall read as follows:

(1) During the period beginning at 12:01 a. m., m. s. t., July 21, 1949, and ending at 12:01 a. m., m. s. t., August 1, 1949, no handler shall handle:

(i) Any cauliflower that does not grade U. S. No. 1: *Provided,* That such cauliflower may possess full jacket leaves;

(ii) Any such cauliflower which is of a size smaller than four inches in diameter or larger than seven inches in diameter and, when well trimmed, will pack fairly tight in a crate not less than 11 nor more than 14 such heads; *Provided,* That if such cauliflower is without jacket leaves, not less than 24 nor more than 32 such heads will pack such crate fairly tight; or

(iii) Any crate of such cauliflower unless the heads in such crate are fairly uniform in size.

(2) During the period beginning 12:01 a. m., m. s. t., August 1, 1949, and ending 12:01 a. m., m. s. t., August 22, 1949, no handler shall handle.

(i) Any cauliflower that does not grade U. S. No. 1: *Provided,* That such cauliflower may possess full jacket leaves;

(ii) Any such cauliflower which is of a size smaller than four inches in diameter or larger than seven inches in diameter and, when well trimmed, will pack fairly tight in a crate not less than 11 nor more than 12 such heads: *Provided,* That if such cauliflower is without jacket leaves, not less than 24 nor more than 32 such

heads will pack such crate fairly tight; or

(iii) Any crate of such cauliflower unless the heads in such crates are fairly uniform in size.

(3) During the period beginning 12:01 a. m., m. s. t., August 22, 1949, and ending 12:01 a. m., m. s. t., October 16, 1949, no handler shall handle:

(i) Any cauliflower that does not grade U. S. No. 1: *Provided,* That such cauliflower may possess full jacket leaves; or

(ii) Any cauliflower that is not of fairly uniform size and does not meet the following additional requirements:

(*a*) No heads are smaller than four inches in diameter; at least 85 percent, by count, of the heads are not larger than seven inches in diameter; and

(*b*) When well trimmed, either 11 or 12 such heads pack fairly tight in a crate; or

(*c*) When without jacket leaves, from 24 to 32, inclusive, of such heads pack fairly tight in a crate.

(4) As used in this section:

(i) The term "fairly uniform size" means that the diameter of the largest head is not more than two and one-half inches greater than that of the smallest head;

(ii) The term "fairly tight" means that the cauliflower heads packed in the crate have no more than a slight movement in such crate, but not so much movement that there will be any injury to the heads under ordinary handling conditions, and will not be so loose as to permit the addition of another head;

(iii) The term "crate" means a crate having inside dimensions of 8½ inches by 17½ inches by 21⅝ inches;

(iv) The terms "U. S. No. 1," "full jacket leaves," "diameter," "well trimmed," and "size" shall each have the same meaning as when used in the United States Standards for Cauliflower (7 CFR 51.171); and

(v) The terms "cauliflower," "handler," and "handle" shall each have the same meaning as when used in the amended marketing agreement and order.

(c) Nothing contained in this section shall be construed (1) as affecting or waving any right or liability which has arisen or which, prior to the effective time of the provisions hereof, may arise in connection with any provisions of said Cauliflower Order 5, or (2) as releasing or extinguishing any violation of said Cauliflower Order 5 which has occurred or which, prior to the effective time of the provisions hereof, may occur.

Supp., 966.1 et seq.) regulating the handling of oranges grown in the State of California or in the State of Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended, and upon the basis of the recommendation and information submitted by the Orange Administrative Committee, established under the said order, and upon other available information, it is hereby found that the limitation of the quantity of such oranges which may be handled, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rule-making procedure, and postpone the effective date of this section until 30 days after publication thereof in the FEDERAL REGISTER (60 Stat. 237; 5 U. C. 1001 et seq.) because the time intervening between the date when information upon which this section is based became available and the time when this section must become effective in order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient, and a reasonable time is permitted, under the circumstances, for preparation for such effective date.

Other persons claiming credit for service of veterans must furnish like proof in support of their claims. Persons asserting preference rights, through settlement or otherwise, and those having equitable claims, shall accompany their applications by duly corroborated statements in support thereof, setting forth in detail all facts relevant to their claims.

6. All of the land will be leased in tracts of approximately 5 acres, each being approximately 330 by 660 feet, the longer dimensions to extend east and west.

7. Preference right leases referred to in paragraph 2 will be issued for the land described in the application irrespective of the direction of the tract, provided the tract conforms to or is made to conform to the area and the dimensions specified in paragraph 6.

8. Where only one five-acre tract in a ten-acre subdivision is embraced in a preference right application, an application for the remaining five-acre tract extending in the same direction will be accepted in order to fill out the subdivision notwithstanding the direction specified in paragraph 6.

9. Leases will be for a period of five years at an annual rental of $5.00 payable for the entire lease period in advance of the issuance of the lease. or by any agency thereof. The rights-of-way may, in the discretion of the authorized officer of the Bureau of Land Management, be definitely located prior to the issuance of the patent. If not so located, they may be subject to location after patent is issued.
