TO WHOM IT MAY CONCERN

The Public Records and Archives Administration Department (PRAAD) wishes to grant the Wikimedia Community in Ghana full access rights to use all archival documents provided by PRAAD for the publication of free accessible information through Wikipedia and its sister projects under Creative Common Licensing Share alike for research and learning purposes and not for commercial use and with due acknowledgement of PRAAD.

The goal of this agreement is to allow information gathered to be shared for free use of the general public. It will also be an avenue to preserve our history for current and unborn generations. By virtue of this letter grant the Wikimedia Community represented by Felix Nartey (+233242844987) and Raphael Berchie (+233243882047) access to records and archives which at our discretion may be necessary for public consumption.

Yours faithfully,

Helen Afi Gadzekpo (Mrs)
(Head of Archives Division)
