Timeline: 

PD = In the public domain.

 Work is made.

 First made public.

Sound recordings

Broadcasts

Note: Television broadcasts and sound broadcasts are protected separately to the underlying works, sound recordings and films being broadcast. Copyright does not subsist under section 91 of the *Copyright Act 1968* in a television or sound broadcast made before the Act commenced (1 May 1969), or in a later broadcast that is a repetition of a broadcast made before the Act commenced: section 223.
