

WHY HE VOTES "DRY"

L. C. LEEDS GIVES HIS REASONS FOR SUPPORTING THE AMENDMENT

Editor News: Being a subscriber and an occasional advertiser of your paper, I believe I am within my rights writing to you this letter.

Being a citizen of Glendale, having lived within the city limits over a year, and having the welfare of the city at heart, I do not think I am presuming on my further rights in asking you to publish at least a portion of this letter in order that what follows may be perhaps a help to some one as it has been to me.

There are ten reasons why I must vote on November 3rd and why I must adhere to "right" principles:

First: As an American citizen, I am compelled to protect what I now enjoy, peace and prosperity, and hence must make it as hard as possible for everyone to do wrong and as easy for everyone to do right, so the saloon and its brothers, gambling, brothels of vice, etc., must go.

Second: I have no right as a citizen of Glendale to wish on my neighbor and fellow citizens an obligation financially by voting wet, and hence increasing taxes, for nine million dollars revenue will never meet the conservative estimate of twenty-nine million dollars cost of crime, no matter how expert one may be in arithmetic.

Third: If I fail to vote "dry," I am saying, "as for me and my family, we are dissatisfied with the present condition of Glendale and want a few saloons here, for if the dries do not carry a saloon can go anywhere as it is a state proposition."

Fourth: The future of America depends altogether on the quality of its citizens, and beer and whisky drinking, to say nothing of the wine, punch, etc., drinking people, cannot positively bring into this world 100% offsprings, no matter how occasionally they may take a drink of an alcoholic beverage.

Fifth: So often the saying, "like father so son, and as the boy so will the man be," has proven true, so that I must vote dry and help the drunken father stand, for if I fail here who knows his two, three, four or five sons, as the case may be, will be like him, increasing the woe and misery around us all.

Sixth: The government officials demand it. Where is there to be found a man who is not glad that the occasional drinking Roosevelt was not elected president of this United States, but that in his stead we have Woodrow Wilson, not only a positive temperance man, but a thorough Christian gentleman.

Seventh: For every drinking man, whether he be occasional or habitual, the protection of my home and family is that much less sure, for the brain reels from alcohol because of its braincell tearing down effect, and any physician is bound to admit that where the cells of the brain are made even dull, though they be not altogether torn down, the party's responsibility to whom the brains belong is impaired according to the amount he drinks, hence he is said "not to be responsible," but what about the damage he or she may do to you or me or ours?

Eighth: I vote dry and strengthen myself for my family needs all I can give them, and if I spend my money for anything that fails to help the home, and where is there one who will say the home is benefited by drink, though it be ever so little, I am a thief and a robber.

Ninth: I must vote "dry" because we have history to show that all those cities that forgot "God and his word" have gone into oblivion and terrible was the going, and God very distinctly says in his word that "we reap what we sow, only that we sow a wind and reap a whirlwind," or in other words our harvest is many times our sowing, and if I drink occasionally, my son and my grandson, and yea, even my great grandson, may be drunkards, for the Bible also says "the sins of the father is visited—even unto the third and fourth generations."

Tenth: I must vote "dry" because my business demands it. Experience has taught me that those men who want to cheat, who lie and endeavor to get one tied up in crooked deals and contracts, are almost without exception either drinking men or strongly in favor of liquor staying in California. Good business today demands and always will demand honesty, truth and sobriety and neither liquor nor any of the institutions that go with it even lend a hand towards any of these virtues unless it be to fool the people.

Hence, you understand that I must vote for the "drys" just the same as I must work in order that my family, my neighbor and myself may have peace, prosperity and health.

Yours for the best interest of

LARGE POLITICAL RALLY

GOVERNOR'S DAY IN GLENDALE—NON-PARTISAN CLUB TO HAVE CHARGE

Wednesday, October 28, will be governor's day in Glendale, and at that time Governor Hiram Johnson will be present and deliver one of his famous addresses in the high school auditorium in the evening.

The Johnson-Eshleman non-partisan club of the Glendale community is making great preparations for a demonstration that will place a climax on political enthusiasm in the San Fernando valley this season.

The presence of Governor Johnson draws large crowds everywhere, and Glendale will be no exception Oct. 28. California has the distinction of having the best-thought-of and the most widely-known governor of any state in the Union. He stands above petty party prejudices as a leader of good government. His principles embody everything that is good in all the political parties—no angel, but a good, sensible man.

MUCH INTEREST IN NEWS AD CONTEST

Many answers were received from The News "Money in a Name" contest, and the winners will be announced in tomorrow's issue. A separate prize of \$1.00 in merchandise was given by H. H. Faries, proprietor of the Men's Shop, which was won by Howard Anderson, he being the first to figure out "the Men's Shop" from the letters arranged "Phomhensets." Mr. Faries said he had over a dozen answers brought to his store, the first few hours after the paper was printed.

CONGREGATIONAL CHURCH

The attendance at Sunday school was 147, which is the largest by three. There are classes for all. Mr. E. O. Von Oven is an energetic superintendent and knows how to make the school interesting.

The temperance meeting in the evening was in charge of the Endeavorers. The addresses by Mr. Ralph B. Beers, Miss Ethel Preston, Mr. E. H. Sargent and Mr. Higbee were all to the point and were heartily received by the fine audience present.

The special music by the choir, male quartet and the quartet from the sanitarium was greatly enjoyed.

Dr. Willisford's sermon on "Should Man Fear or Love God?" was a strong plea for men to love God.

The older and new conceptions of God were stated. The speaker declared that "Jesus Christ was the most perfect and complete interpretation of God." Christ nearly always spoke of God as "Father."

In John 14:21-24 we read: "He that hath My commandments, and keepeth them, he it is that loveth Me; and he that loveth Me shall be loved of My Father, and I will love him, and will manifest Myself to him."

"Judas saith unto Him (not Iscariot), 'Lord, how is that Thou wilt manifest Thyself unto us, and not unto the world?' Jesus answered and said unto him, 'If a man love Me, he will keep My words; and My Father will love him, and We will come unto him, and make Our abode with him. He that loveth Me not, keepeth not My sayings; and the word which ye hear is not Mine, but the Father's which sent Me.'"

A true and deep Christian life is founded on love. I John 4:16: "God is love," and he that abideth in love, abideth in God, and God abideth in him."

Love to and for God is the basis of appeal to men's lives. Paul, the great evangelist and missionary, made this the basis of his appeal. Romans 12:1: "I beseech you, therefore, brethren, by the mercies of God to present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service." Our Master declared the great commandment to be "Thou shalt love the Lord, thy God, with all thy heart, mind and strength, and thy neighbor as thyself."

The pastor said that the parable of the prodigal son was the finest declaration of the doctrine of the fatherhood of God and the brotherhood of man to be found in all literature.

The sermon closed with an earnest and warm invitation to all to love Him who first loved us.

Next Sunday morning the pastor will speak on "What the Atonement Means to Me."

Mr. and Mrs. Charles E. Morse of 501 Orange Grove avenue entertained guests for dinner in their home Sunday evening.

everyone and not anyone nor any set of people.

L. C. LEEDS.

WINS THIRD PRIZE

GLENDALE BAND PRIZE WINNER AT SANTA MONICA SUNDAY

The Glendale Municipal Band tied with the Seventh Regiment Band of Pomona for the third place at the band contest held by the Ocean Park "boosters" Sunday. Local and Los Angeles people who were present at the contest said that the decision giving the Pacific Electric Band first place, the Whittier Band second place and Glendale and Pomona third place was exceedingly rank.

A number of unbiased people in attendance claimed that the Pomona Seventh Regiment Band should have won first place easily, Glendale the second and the P. E. Band third.

The prizes were \$125 first prize, \$50 second prize, and \$25 third prize. Through the generosity of the Pomona Band, Glendale received the \$25 for the third prize.

The following letter received Tuesday morning by Manager Furst explains itself:

Members of the Glendale City Band, Glendale, Cal.

Kind Friends: We are herewith enclosing you the check received from the Ocean Park "boosters" for the band contest. We are very sorry that your leader should turn over your part of the prize money to us, and feel that you boys should have this draft. Please take this kindly as I feel the judges have given both of our bands a very raw deal. We would not have begrudged your band the second place, but to have it handed to the Whittier band does not set well with us.

Please accept our best wishes for the success of your organization, as you certainly have a good little band. We want you to keep this draft and use it to your advantage. We do not know how your band is supported, but the state and the city keep up our band and the prize money received will not be of any particular benefit to us.

If at any time your boys happen to be in Pomona, kindly look us up, and if there is any favor which we can do for you it certainly will be done with the greatest of pleasure on our part.

Again wishing you success, I am yours very truly,

CHAS. P. ROYER,
Mgr. 7th Reg. Band, N. G. C.

BEE BUSINESS BUZZING

California bee-keepers have just completed gathering the 1914 honey crop. According to the bureau of crop estimates of the United States department of agriculture, the yield per colony of bees was 75 pounds. In 1913 the production per hive was 36 pounds.

The increased production is said to be due to the enormous crop of wild and cultivated flowers this season.

The latest census figures of the bee and honey industry of this state relate to 1910. That year there were 6870 farms in California that kept bees and the total number of colonies was 201,023.

ILLITERACY AMONG CALIFORNIA RURAL POPULATION

The need of more and better rural schools in California is made manifest by conditions revealed in a recent census report showing the percentage of illiterates among the native white farming class of this state. The figures show that the percentage of illiteracy in the rural districts of California is three times that of the cities and villages of the state. California has 74,902 illiterates and 44,089 of them live on the farms. There are 30,869 boys and men and 13,220 girls and women on the farms of this state that can neither read nor write.

WASH COMMITTEES

By request of Chairman Pridham of the board of supervisors of Los Angeles county, two committees, one from Tropic and one from Glendale, will meet the board at their rooms in the court house Wednesday forenoon of this week for a discussion and probably a final decision as to what action is to be taken concerning the boundaries of the Verdugo wash territory.

The members of the committees are: Glendale—T. W. Watson, H. P. Coker, J. C. Sherer, O. A. Lane, W. E. Evans, Edw. Lynch and John Pirtle; Tropic—J. B. Treadwell, E. S. Ayres, W. Hibbert, A. E. Boyce and Hal Davenport.

Citizens of La Crescenta will also likely be represented at the meeting.

The picturesque old bear flag will have place of honor, next year, just beneath the Stars and Stripes. It is going to be California's year.

THE OLD WORLD WAR

FIERCE FIGHTING CONTINUES WITH LITTLE OR NO GAINS FOR EITHER SIDE

There is no halt in the onward march to war in European countries. The dogs of war have been let loose, and no eye is sufficiently clear to see into the future as to the ultimate results of these wars.

Great cathedrals of ancient prominence are falling at the advance of the enemy. Valuable landmarks are going down in ruins.

LONDON, Oct. 20, 2:46 a. m.—The allies have recaptured Ostend, according to the Morning Post correspondent in the north of France, who says he was given this information on excellent authority.

LONDON, Oct. 19, 9:50 p. m.—German forces have reached the neighborhood of Dunkirk, according to a Berlin official dispatch to the Marconi Wireless company. Heavy fighting is taking place at Dixmude and Roulers. The inhabitants of Dunkirk and Boulogne are in flight.

PARIS, Oct. 19, 11:03 p. m.—In Belgium attacks by the Germans between Nieuport and Dixmude have been repulsed by the Belgian army, effectually aided by the British fleet. The official communication issued by the war office tonight says:

"Between Arras and Roye slight progress has been made at several points. Our troops have reached as far as the wire networks of the defense."

"In the neighborhood of St. Mihiel we have gained some ground on the right bank of the Meuse."

"No news of importance has been received regarding the remainder of the front."

BERLIN, Oct. 19, via London, 5:45 p. m.—German army headquarters have given out an official announcement under today's date as follows:

"The attacks of the enemy to the west and northwest of Lille have been repulsed by our troops with the infliction of severe losses."

"In the eastern arena of the war the situation remains unchanged."

PETROGRAD, Oct. 19.—The Russian general staff today made this announcement:

"We gained partial successes on Oct. 18 in very fierce fighting in the region of Warsaw and south of Przemysl."

MUSICAL TREAT AT GLENDALE THEATER

The management of the Glendale theater has made arrangements with Joe Kekuku, the famous Hawaiian steel guitar player and vocalist, to give an exhibition Wednesday evening.

Mr. Kekuku has played on the Orpheum and Pantages circuit and appeared in all large cities of this and foreign countries. Mr. Kekuku will be assisted by his partner, a musician of no mean ability, and they will give a refined performance such as never before has been equaled in Glendale, and will play all the popular Hawaiian melodies, as well as many American airs. This genius is the originator of the Hawaiian style of steel guitar, and is certainly a wonderful musician. Notwithstanding this additional expense, the prices of admission will remain the same and the regular program of five reels will be shown, including the two-reel drama, "Cast Adrift in the South Seas," a Hawaiian picture, and three reels of comedy.

Tonight is country store night and it is whispered it is especially for the gentlemen. The program consists of the usual good drama and comedy, including an extremely exciting detective story.

IRONICAL THAT SCIENCE MAKES WAR POSSIBLE

It has been pointed out that this is the only period thus far in history that could have supported such a war as the present. It is the only one whose achievements of science have made possible the transportation and feeding of such armies. And it is the only one whose engines of destruction could have produced such a slaughter and such general devastation.

The irony of it! That our economic development, fitted to give everybody enough to eat, fitted to lessen the old stone-age struggle for existence, should be deflected to the barbaric uses of the greatest war of the ages. What irony that science, contributing to leisure, to culture, to the quick interchange of ideas, of persons and of the means of living, should be the strong arm of strife and hatred and mass murder.

"Out of the obscene sens of slaughter" won't a heroic revulsion come against this frightful perversion of all that might make life fine and dear?—Kansas City Star.

Teachers of elocution can't do anything for the voice of conscience.

CORONER'S INQUEST

HELD OVER THE BODY OF YOUNG MAN KILLED BY TRAIN NEAR CHATSWORTH

Coroner Hartwell of Los Angeles county was in Glendale Tuesday forenoon and conducted at the rooms of the Pulliam Undertaking company an inquest over the remains of Frank Dombroska, who was killed on the 17th inst. by a Southern Pacific freight train near Chatsworth.

The witnesses testifying were a Miss Wilcox of Los Angeles, Deputy Sheriff Wright of Los Angeles, Thos. H. Broadhead, special agent for the Southern Pacific railway, and a locomotive engineer.

Miss Wilcox testified that she had been acquainted with the deceased. She gave his place of birth as Fort Dodge, Ia., his age 31, and also stated that his habits had not been entirely temperate.

Wright and Broadhead testified that after being notified that a man had been killed by a S. P. train, they interviewed a man who said he was in company with Dombroska at the time he met death.

The story of the survivor is that both men left Los Angeles on the 17th, with a bottle of brandy. At the winery between Glendale and Burbank they bought four bottles of wine, and then proceeded to steal a ride on a Southern Pacific freight train. After riding a few miles, sitting on the beams of the car, he asked his friend for a match, and while in the act of searching his pockets for a match, his friend lost the hold on the beam, slipped forward and passed from view.

The survivor left the train at his first opportunity and upon returning to learn of the fate of his companion, met a later train crew coming with the mangled body.

The survivor when interviewed by Station Agent Plum, Deputy Sheriff Wright and Special Agent Broadhead was in a state of intoxication.

The jury after hearing the evidence, brought in the verdict that the deceased came to his death by being crushed by a Southern Pacific freight train, he being in a state of intoxication at the time of the accident.

The members of the jury were H. A. Wilson, A. T. Cowan, F. W. Anderson, Paul Butterfield, Chas. Shaffer and P. M. Leek.

WILL MAKE APPLE DELIVERIES WEDNESDAY

Apple Day is a great success in Glendale, at least so say Johnson & Lyons, one of Glendale's most enterprising grocery firms, who advertised apples at a special price today. Although they had secured an unusually large supply, all their apples were quickly taken early this morning, and all orders that this grocery was unable to fill today will be delivered tomorrow at the same prices as advertised in Monday's News. Just another example proving that advertising in the Glendale Evening News pays.

W. H. CRANE RETURNING

W. H. Crane, secretary of the Glendale Merchants' association, who has been visiting in Michigan since September 1, will arrive in San Francisco tomorrow, where his son, who has been serving as secretary of the association, will meet him. Mr. Crane will reach Glendale the latter part of this week.

WOMEN'S FREDERICKS CLUB

The Glendale auxiliary of the Women's Fredericks Campaign club will hold a meeting at the home of Mrs. John Robert White, Jr., 101 South Orange street, Glendale, Wednesday afternoon, October 21, at 3 o'clock. Ladies from Eagle Rock, Tropic, Casa Verdugo, Burbank and Glendale are cordially invited to come and bring their friends. Mrs. O. P. Clark, Mrs. Baurhyte and Mrs. Calvin Hartwell will be the speakers.

PRIEHDAL FUNERAL TOMORROW

The funeral of Mrs. Elizabeth Priehdal will be held from her late residence, 144 South Isabel street, tomorrow afternoon at 2 p. m. Interment will be made at Evergreen cemetery.

FUNERAL SERVICES AT WEST GLENDALE CHURCH

The funeral services of Mrs. Rosalva Croasdale will be held from the West Glendale M. E. church at 2 p. m. Saturday, Oct. 24, instead of at the Pulliam undertaking parlors, as reported in Monday's News.

Many make a habit of trifling with and neglecting opportunities. And yet they wonder why they do not succeed in life.

PUBLIC MEETING

AMENDMENTS TO BE DISCUSSED AT MEETING TO BE HELD THIS EVENING

In addition to the speakers already announced to speak tonight at the high school auditorium, Mr. Richardson D. White, supervising principal of the Glendale schools, will speak on amendment No. 10, which vitally affects our schools, and should interest all parents and others who have the welfare of the children at heart. Mr. White is prepared to give to the exact figure how Glendale will be affected if this act is passed.

The other speakers, as previously announced, will be Mr. Frederick Baker, Mr. Seward Simons and Mrs. Estelle Lawton Lindsey, who will discuss respectively amendments relating to municipal charters and utilities; consolidation of city and county and the "red light abatement" act, and qualification of voters at bond elections.

Everyone, whether affiliated with P. T. A. work or not, is cordially invited to attend this meeting, which will open promptly at 8 p. m., and will be of interest throughout.

Mrs. J. F. Padelford, vice-president Glendale Federation of Parent-Teacher associations, will preside.

BIRTHDAY PARTY FOR MISS OF NINE YEARS

The home of Mr. and Mrs. C. W. Berry, 1437 West Third street, was the scene of a very pretty little party last Friday afternoon, October 16th, when in recognition of the ninth birthday of their little daughter Pauline, a bevy of fair young damsels gathered together to enjoy the frolic and fun that usually prevails upon such festive occasions.

Chrysanthemums of yellow and white were massed together in riotous profusion throughout the home and in the center of the tea party table, above which a floral dome was suspended from the ceiling.

Twirled from this were festoons of yellow and white ribbon that formed a canopy from the chandelier to the head of each set place, where cunning favors and cards held covers for Geraldine Pearson, Anna Merriken, Beatrice Bowen, Marjorie Yarik, Isabelle Franklin, Eula Stevenson, Ruth Elliott, Iva Hunter and the little honoree, Pauline Berry.

A candle-adorned cake, together with numerous beautiful gifts, were features of the afternoon.

Mrs. Berry was assisted in entertaining the little ladies by her mother, Mrs. A. C. Berry.

ANNOUNCEMENT

The West Glendale Parent-Teacher association will hold their regular monthly meeting at the West Glendale school Thursday afternoon at 3:15 o'clock sharp. Mrs. Marshall Heath, president of the counsel of presidents of the Los Angeles Federation, who is an important worker in the Parent-Teacher associations of Los Angeles, will give the principal address of the afternoon. Important business will also be transacted and it is hoped that all those who are interested in the work of the school will be present. Refreshments will be served as usual.

FREE TO ALL PARTIES

Representatives of all political parties are to a reasonable degree allowed the freedom of the columns of the Evening News. The publisher of The News is not narrow from the effects of being a chronic, political, hide-bound politician. A reasonable discussion of questions will tend to educate persons to a better understanding of the questions under consideration. An exchange of ideas leads to still greater intelligence.

RECEIVE LETTER FROM FORMER GLENDALE RESIDENTS

Mrs. Robert H. Morris of 336 Everett street recently received a most interesting letter from Mrs. J. H. Wells, who with her daughter has been spending the summer abroad. They visited Mr. and Mrs. E. W. Pack and the Misses Penn, formerly of Glendale, while in England, and have greatly enjoyed the many beautiful places they have seen.

Mrs. Wells also writes with much appreciation of the hospitality of the English people she has met. While on the continent Mrs. Wells and her daughter had some exciting experiences during the mobilization of the troops, but were fortunate in being among the last to leave for England with their baggage intact. They sailed for New York on the seventh inst., expecting to go at once to join Mr. Wells and James, Jr., at Baldwin, Florida.

NOTICE OF STREET WORK

Public notice is hereby given that the Board of Trustees of the City of Glendale on the 13th day of October, 1914, did, at its meeting on said day, adopt a Resolution of Intention, Number 753, to order the following improvement to be made, to-wit:

First, that Bena Way from the West line of Canada Boulevard to a line drawn across said Bena Way from the Northeast corner of Lot 182 of Tract Number 250, Sheet Number 1, as per map recorded in Book 15, Pages 130 and 131 of Maps, Records of Los Angeles County, California, to a point on the Northernly line of said Bena Way One Hundred Eighty-nine and 84-100 (189.84) feet Westerly from the Southeast corner of Lot 168 of said Tract Number 250, including all intersections of streets and alleys, be graded, oiled and improved in accordance with Map Number 177, Profile Number 365, and in further accordance with special specifications adopted therefor by Resolution Number 752 of the Board of Trustees of said City.

Second, that a cement curb be constructed along both lines of the roadway of Bena Way from the West line of Canada Boulevard to Laurita Place, in accordance with Map Number 177, Profile Number 365, and in further accordance with specifications Number 12 for the construction of cement curbs in the City of Glendale, said curb to be of the class designated as Class "B" curb in said specifications.

Third, that a corrugated iron and concrete culvert be constructed across Bena Way at a point 235 feet Westerly from the West line of Canada Boulevard in accordance with Map Number 177, Plan Number 178, Profile Number 365, and in further accordance with specifications Number 16 for the construction of culverts in the City of Glendale.

DOES POETRY PAY?
A palatial touring car had attracted the attention of a visitor to Boston and he asked his friend:

"Who is the man seated in that large car?"

The Bostonian glanced in the direction indicated and replied: "That is the poet laureate of a well-known biscuit factory."—Everybody's Magazine.

PERSONALS

Miss George Duffet of 1008 Chestnut street was a Monday guest of Mrs. Gus H. Pulliam in her home, 210 Cedar street.

Miss Dorothy Smith of 110 South Louise street was an all-day guest Monday of Miss Harriett M. Wells, 1504 West Broadway.

Mrs. Andrew Robertson of 925 Stocker street will entertain the Foothill club in her home Friday afternoon of this week.

The household economic section of the Tuesday Afternoon club will meet at 7:30 o'clock tonight in the home of the chairman, Miss Alice Frank, 578 Eagle Rock road.

After spending two weeks with her mother in Pasadena, Mrs. G. M. Johnson has returned to her home, 1470 Salem street. Mrs. Johnson's absence was caused by death in her immediate family.

Mrs. Arthur Chapman of Salem street is expecting her mother and brother from San Francisco as visitors in her home, and after their arrival Mrs. Chapman will be hostess to members of the Priscilla club.

Let us forget, there will be an all-day meeting of St. Mark's Guild in the Guild hall, corner Fifth and Louise streets, Wednesday, and besides the regular business session, preparations for the December ninth bazaar will be continued.

The Rev. Milton S. Runkle, former rector of St. Mark's Episcopal church of Glendale, but now in charge of the Episcopal church in Alhambra, spent Monday visiting friends in this city. The Rev. Runkle was a luncheon guest in the home of Mrs. Chas. E. Stanley, 336 Everett street.

An important meeting of the Christian Endeavor society of the Presbyterian church will be held in the church at 7:30 o'clock tonight. Los Angeles county officers will be present to bring forth matters of vital importance, and it is desired that all C. E. members attend this meeting.

Mr. and Mrs. Thomas Wood, Jr., and family of Orange street, together with Mr. and Mrs. E. M. Hitchcock and family of 1460 West Broadway, enjoyed Sunday in Bouquet canyon, to which place they motored in the Hitchcock machine. Upon their return the picnicers were entertained at dinner in the Wood home.

Miss Lavisa Learned, Mrs. George H. Adams and Mr. E. H. Learned commemorated the fiftieth anniversary of the death of their brother Dudley, who fell in the battle of Cedar creek during the Civil war, with a dinner on Sunday at the home of Mr. and Mrs. M. D. Learned, 308 Jackson street. During all these years, with but few exceptions, these members of the family have always spent this day together.

On Saturday evening Manager Geo. H. Melford and his company of Kalem motion picture players enjoyed a dinner party at one of the Los Angeles cafes, where a merry time was enjoyed as a farewell to Marin Sias, the popular leading woman of the company, who has now joined the Marshall Neilan Kalem company in Hollywood and in honor of Douglass Girard, who until Saturday played opposite Miss Sias in the leads. Miss Ruth Roland, by no means a stranger to the "movie fans," is Mr. Melford's new leading woman.

Mr. and Mrs. O. W. Tarr of 861 Glendale avenue entertained as dinner guests in their home last Sunday the Rev. and Mrs. C. W. Tarr of Los Angeles. The Rev. Tarr, who for the past forty years has been preaching the gospel on the coast, was former pastor of the First Methodist Episcopal church and has many friends here. Of especial interest is the fact that Mrs. O. W. Tarr was presented with her aunt, Mrs. C. W. Tarr's wedding dress, which is fifty-two years old and made of sweet elysium cloth of the finest texture. Mrs. Tarr is also in possession of a black silk dress which was constructed in 1837, and be it known, these two dresses are almost in vogue again.

TEACHINGS OF WAR

The war is bringing out many weaknesses in our industrial system, all suggestive of the fact that we are not as independent as we thought ourselves. If we profit by the suggestions, we shall gain something from the lessons of the war. If we are simply looking out for dollars, we may not take as much in the end as we stand to lose. The last little lesson of weakness is in the matter of seeds—flower seeds and garden seeds. This is the greatest agricultural country on the earth, but almost all of our vegetable seeds come from abroad.

Americans have never been able to compete with the patient, thrifty, careful farmers of Europe in raising garden seeds. Plenty of garden products go to seed in this country, but no one ever thinks of saving the seeds; it is so easy and so cheap to buy them when they are wanted. But there will be precious few seeds for planting next summer to be had at any price unless we take the hint in advance and provide them on this side of the ocean.

Fortunately it is not too late, if our truck farmers have a mind to try. Wholly aside from other benefits which might be derived, a protective tariff which forced us to be self-supporting would be a great blessing to the country. As long as we can buy things cheaper from abroad, we shall not produce them at home.—Santa Monica Outlook.

HIS MOTHER'S ADVICE

During a certain battle the colonel of an Irish regiment noticed that one of his men was extremely devoted to him and followed him everywhere. At length he remarked:

"Why, my man, you have stuck by me well today."
"Yis, scrr," replied Pat. "Shure, me mither said to me, said she, 'Jist stick to the colonel, Patrick me bhoy, and you'll be all right. Them colonels neyer gets hurted.'"—Pittsburg Chronicle-Telegraph.

Mrs. W. N. Johnston, who by a fall broke her hip, is getting along nicely and resting comfortably in her home, 335 Everett street.

Mrs. Earl Schupler of 1430 Ivy street entertained as a guest in her home last week her cousin, Mrs. I. A. Rogers, from Santa Monica.

Mr. and Mrs. T. J. Keleher of 228 North Louise street spent Monday evening in Los Angeles, where they were guests of Mr. and Mrs. C. Howard.

Mr. and Mrs. T. J. Keleher of 228 North Louise street, accompanied by their little daughter Geraldine and Mrs. Keleher's sister, Miss Ida Jordan, were entertained at Maxime's, Long Beach, Sunday.

The men's club of the St. Mark's church will have their monthly dinner together tomorrow at 7 p. m. in the Guild hall of the church. Every man of the church and congregation is earnestly requested to be present.

Mr. J. E. Lyon and family, recent arrivals from Boise, Idaho, have come to Glendale to make their home. At present Mr. and Mrs. Lyon, who are the parents of Mr. E. W. Lyon of this city, are located at 319 North Maryland avenue. Their son Arthur has entered U. S. C. as a student during the coming year.

Mrs. R. G. Payne and daughter, Miss Frances Payne, together with Mrs. Payne's sister, Miss Bingham, are expected to return next week to their home, 325 South Central avenue, from the East, where they have been enjoying an extended visit. Mr. and Mrs. Hatch, who are now domiciled in the Payne residence, will return to Los Angeles.

Mr. Frederick Baker of 109 North Maryland avenue returned Sunday from the convention of the League of California Municipalities at Del Monte. By special invitation Mr. Baker gave an important address before the convention on the subject of "Charter Making," which will be published in full as a part of the convention proceedings. Mr. Baker also visited San Francisco and the site of the Panama-Pacific exposition and reports that it is rapidly nearing completion and will be the greatest world's fair ever held.

INFORMAL EVENING OF CARDS

Miss Coral Griffith of 1467 Salem street entertained Mr. and Mrs. Blake Franklin, Mr. and Mrs. W. H. Vandenberg and Mrs. Mable Ocker informally at cards in her home Monday evening, the affair having been given in celebration of the birthday anniversary of her uncle, Mr. G. W. Calkins. Conclusive of cards, an oyster supper was served and the evening greatly enjoyed.

Tonight Miss Griffith is entertaining an Iowa school chum, Mrs. Carl Buck, who is visiting here from the North.

A MICHIGAN BOUQUET

We are indebted to a California friend for a copy of the anniversary number of the Glendale Evening News, a sixty-four page quarto, with handsome illuminated cover, and containing a great number of photos of persons and scenes and much descriptive matter illustrating the beauties and importance of that far-famed Southern California city. Among the illustrations we notice those of Mr. and Mrs. Frederick Baker, Mrs. Baker will be remembered as a former Evart girl, Miss Lizzie Hooker, daughter of our well-known pioneer, Mrs. Rachael Hooker. Mrs. Baker is vice-president of the Tuesday Afternoon club, one of the leading social clubs of the city. Mr. Baker is a prominent lawyer, and has wide reputation as a specialist in municipal law. It's a handsome and valued souvenir of a beautiful city.—The Evart (Mich.) Review.

CONTRACTS AWARDED

GLENDALE SCHOOL—May Bros., First National Bank building, Glendale, were lowest bidders and were awarded the contract at \$11,920 for the erection complete of a one-story, six-room brick grammar school building at Glendale in accordance with plans and specifications by C. S. Westlake, 1458 Oak street, Glendale.

Other bids received were: R. P. McMullen, \$11,983; Thomas Addison, \$11,987; John Nelson, \$12,050; E. D. Yard, \$12,165; Wm. A. Anderson, \$12,224; Elmer Elliott, \$12,275; C. K. Robertshaw, \$12,369; J. M. Conners, \$12,435; Chas. W. Kent & Son, \$12,770; Hetzel-Winget Co., \$12,950; Allen-Knight Construction Co., \$12,990.

The proposed building will be 105x104 feet. Concrete foundation, hollow tile walls with blue brick veneer, composition roof, pine trim and floors and plumbing and electric wiring. Stoves will be used temporarily for heating.—Southwest Contractor.

PATHETIC CASE

An unique spectacle was seen in the supreme court in Brooklyn when Dr. Joseph Hand, a helpless paralytic, pleaded from the witness stand for a divorce from his wife. With his wife hiding her face in her hands and sobbing, Dr. Hand told the court she should have her freedom. "I should never have married her," he said, "for I knew I would become a paralytic. But I loved her so much I foolishly hoped I might be saved. Now I know I did wrong and she should not be burdened by me."

NORTH GLENDALE

Mr. and Mrs. Herbert Brown of Los Angeles are house guests of Mrs. Brown's mother, Mrs. N. R. Browne, where they will remain indefinitely.

Miss Blanche Josselyn of 1641 Ruth street is the house guest of her aunt, Mrs. Sarah Kearns, at her beautiful ranch home near Redlands.

Mr. Harry Browne of 1620 Stocker street has returned from Oxnard, where he has been the past year, and is now in business in Los Angeles.

Mrs. George Young and children are visiting Mrs. Young's mother, Mrs. Fanny Crouch, of 916 North Central avenue. Later Mrs. Young and family will join Mr. Young in Redlands, where he has secured an excellent position with the Fruit Growers' association and where they will make their home in the future.

Mr. and Mrs. George D. Alston of the Kenwood apartments and Mr. and Mrs. H. P. Alston of 1652 Ruth street spent Sunday at Ocean Park, where they especially enjoyed the band contest during the day.

Mr. Nat Browne of 1620 Stocker street entertained in honor of his sister, Miss Ruth Browne, who leaves Wednesday for El Centro, where she will take up library work under Mrs. Beaman, formerly Miss Anna Madison of North Glendale, the public librarian, last Sunday with a real Spanish barbecued dinner. The day was ideal for tennis and of course was indulged in by these well-known players. Several exciting games were played during the day and a general good time was enjoyed by the following guests: Mr. and Mrs. Fay, Mr. Jack Hanes, Mr. Lawrence Turentine, Mr. George Smith, Mrs. Jean Chase and Miss Bertha Berry of Los Angeles; Mr. and Mrs. Herbert Brown, Mr. Harry Browne, Miss Barbara Mitchell, Miss Rae Davis, Miss Harriet Bayard, Miss Ruth Browne, Mrs. N. R. Browne and Mr. Nat Browne of North Glendale.

ANOTHER MOTOR ROAD INTO THE YOSEMITE

A little more than a year ago it became necessary for the secretary of the interior at Washington to enter upon an explanation of his reason for rescinding an order prohibiting the driving of automobiles through Yosemite national park. It became necessary because quite a number of people were saying that the admission of the automobile to the park would destroy the glamour of romance shed throughout the beautiful valley by the stage coach. The secretary held that the motor car had come to stay and that to close the park against it would be as absurd as the fight made for many years by ultra-conservatives against the introduction of steam into the navy.

His act and his view were both upheld by popular opinion, and it is illustrative of the speed at which we are traveling away from old ways of thinking and of doing, that a third road for the accommodation of motorists visiting the Yosemite valley has just been opened. A little more than a year ago the visitor transported by automobile to the park, had to leave his vehicle on the outside if he wished to go in himself. Now he can approach and enter the magnificent reservation by three roads, can explore practically the entire park and can leave by the road he came in or by either of the other two. Of course, there are certain rules, but these are only such as will be cheerfully complied with by the great majority of automobilists who shall take advantage of the park privileges.

The last of the three roads to be completed and opened to travel is known as the Big Oak flat. Its approach is over a highway constructed by a private turnpike company, and this has been so improved that many of its curves and sharp turns have been eliminated, the government meeting part of the cost. The motorist may now, it is announced, continue right into the valley after leaving Crocker's without being compelled to turn off to the Coulterville road at Crane's flat. The Coulterville and Wawona roads afford opportunity for those who do not care to travel twice over the same route.

There will be much motoring, it is fair to presume, between the Yellowstone, the Glacier and the Yosemite national parks next year. The prohibition order would most assuredly have kept great numbers of motorists out of the Pacific West during the Panama-Pacific exposition period. San Francisco and California, therefore, are to be congratulated on the adoption of the more liberal policy by Secretary Lane, as they are to be applauded for the wisdom they exercise in publishing the more agreeable fact to the world.

FOOLED HER

Betty, a bright little five-year-old, was a born gossip. It was her custom as soon as she arrived at her grandmother's to say:

"Come into the kitchen, g'ma. I've got a lot to tell you."
And she generally had, being blessed with three popular grown-up sisters.

One day, however, she came in looking despondent.

"Any news, Betty?" inquired her grandmother.

"Not much," said Betty soberly. "William (sister Mabel's fiance) was over last night, but he and Mabel spelled most everything."—Judge.

INTER-CITY COMMISSION RECOMMENDATIONS

San Gabriel Valley Organization Issues Report on Intricate and Important Amendments and Legislative Measures to be Voted on at November 3 Election and Makes Recommendations

Many who are appalled at the complicated nature of the ballot to be presented to the voters of California in November will be pleased to read the following recommendations presented by a committee of which Seward C. Simons of South Pasadena is secretary.

The San Gabriel Valley Inter-City Commission was formed for the purpose of co-operation between the different communities wherever a number of communities were affected. In view of the fact that a number of the measures coming up at the November election vitally affect the interests of smaller communities, this commission met and made a careful and impartial study of the measures and submit their recommendations.

The commission represents Pasadena, South Pasadena, Alhambra, Monrovia, San Gabriel and Lamanda Park. The report is signed by William Hazlett, Elwood J. Thorne, C. P. Dorland and Seward C. Simons.

NO. 1 ON THE BALLOT. "CALLING CONVENTION FOR REVISION OF CONSTITUTION." There is need for a new constitution, but the provisions of our present state constitution relating to the selection of delegates to a constitutional convention, which provide for the selection by partisan choice, might result in a very unsatisfactory convention and a partisan report and proposed constitution. **VOTE "NO."**

PROPOSITION NO. 12. "CONSTITUTIONAL CONVENTIONS," is a proposed amendment to the constitution providing that delegates to a constitutional convention shall be selected at a non-partisan primary election. This is designed to dispose of the objection to the method of selecting delegates to the constitutional convention which lie to the present method of selection, and therefore this provision should carry, and the vote should be "YES" upon proposition No. 12.

NO. 2. "PROHIBITION." This is a proposed amendment to the constitution prohibiting the manufacture, sale or giving away or the transportation within or into the state of intoxicating liquors, except for medicinal, scientific, mechanical or sacramental purposes. It permits any citizen to make complaint of known violations. The committee makes no recommendation in regard to this proposed amendment, for the reason that the resolution of the Inter-City Commission appointing the committee, expressly instructed it to make no recommendations on this subject. In justice to themselves, however, the members of the committee state that they personally favor the adoption of the amendment.

PROPOSITION NO. 39. "SUSPENSION OF PROHIBITION AMENDMENT," provides that in the event proposition No. 2 for prohibition shall carry, that its provisions shall not take effect regarding the sale of liquor in the state until February 15th, 1915, and as to shipping liquor out of the state not until January 1st, 1916. This gives those who have money invested, or who are engaged in the liquor business, time to withdraw, if proposition No. 2 carries, and enables those who are engaged in grape culture to dispose of this year's crop. **VOTE "YES."**

PROPOSITION NO. 47. "PROHIBITION ELECTIONS." This amendment is unfair and misleading. It provides (amongst other things) that the vote of any city or county, or district, upon the question of state prohibition shall determine whether that city or county or district shall be "wet" or "dry," within its own limits. It repeals existing laws regulating the liquor traffic. It also provides that if any political subdivision shall vote "wet," either on the prohibition amendment, or at any other election, no subsequent election upon the subject shall be held within eight years, while if it votes "dry," it shall be considered "non-licensed" territory, but this provision does not state

that liquors shall not be sold in such "non-licensed" territory. Also it does not prohibit the question again being voted upon, in the latter circumstances, at ANY election, without waiting eight years. The proposed amendment is full of other "jokers" and evidently was not framed in good faith. **VOTE "NO."**

NO. 3. "EIGHT-HOUR LAW." While founded on a correct theory, this law is too broad in its application, and in its present form would seriously hamper some important industries and the labor connected therewith. **VOTE "NO."**

NO. 4. "ABATEMENT OF NUISANCES." This "red light abatement act" is moulded upon statutes of other states which have worked successfully. This act makes owners of the buildings and promoters of vice therein amenable to the law and not alone those caught in police raids. It permits any citizen to bring an action of injunction prohibiting the use of the building for such purposes and enjoining the owner and occupant from engaging in such business. **VOTE "YES."**

NO. 5. "INVESTMENT COMPANIES ACT." This act is designed to fill a pressing need for the proper control of corporations. While cumbersome in form, the committee believes that it should be adopted, and if, in its workings it is found that changes should be made, it may be amended by the legislature. **VOTE "YES."**

NO. 6. "WATER COMMISSION ACT." This creates a water commission with powers similar to those of the railroad commission and is designed to better protect the people in the appropriation, use and control of the waters of the state, and is a meritorious act. **VOTE "YES."**

NO. 7. "LOCAL TAXATION EXEMPTION." This is known as the "home rule in taxation" amendment, and would give any county, city or town power to exempt from taxation for local purposes improvements on or over land and any personal property except franchises. This would be an experiment in taxation. The majority of the committee recommends a favorable vote.

NO. 8. "EXEMPTING VESSELS FROM TAXATION." This is designed to encourage shipping on the high seas to and from our California ports and is a meritorious act. **VOTE "YES."**

NO. 9. "REGULATING INVESTMENT COMPANIES." This is a measure proposed by certain corporations and conflicts with, and would make ineffective proposition No. 5, recommended by the committee. **VOTE "NO."**

NO. 10. "ABOLITION OF POLL TAX." This measure proposes that no poll tax shall be collected. If adopted a large class of our people, including unnaturalized foreigners, will pay no taxes although receiving the benefits of our government. **VOTE "NO."**

NO. 11. "UNIVERSITY OF CALIFORNIA BUILDING BOND ACT." This provides for a state bond issue of \$1,800,000 for the construction of buildings and adding to the beauty and efficiency of the state university plant at Berkeley. Our state university needs this money. **VOTE "YES."**

NO. 12. "CONSTITUTIONAL CONVENTIONS." Has been discussed in connection with proposition No. 1. **VOTE "YES."**

NO. 13. "QUALIFICATION OF VOTERS AT BOND ELECTIONS." This initiative proposition provides that no elector shall vote on the question of incurring bonded indebtedness UNLESS A TAXPAYER, and in theory, instead of being advanced legislation, in returning to the rule of property, this is retrogression to a system of government long since

abandoned, and would be class legislation. It would disqualify from voting upon such questions at least 75% of women voters. **VOTE "NO."**

NO. 14. "VOTING BY ABSENT ELECTORS." This provides a method whereby those away from home on election day may vote and send their ballot by mail. It is dangerous in that it is not sufficiently safeguarded by restrictions. It would complicate the election machinery. **VOTE "NO."**

NO. 15. "DEPOSIT OF PUBLIC MONEYS." This measure proposes that bonds of SURETY COMPANIES may be put up as security for deposit of public moneys and changes the present law to that extent. There is no necessity for such act and it is unsafe. **VOTE "NO."**

NO. 16. "CONDEMNATION FOR PUBLIC PURPOSES." This measure, sometimes called "the excess condemnation amendment," enlarges the powers of the state or any county or municipality in condemning property for public purposes for future use. This is meritorious. **VOTE "YES."**

NO. 17. "EXPOSITION CONTRIBUTION BY ALAMEDA COUNTY." This proposed amendment will PERMIT Alameda county to vote bonds, payable by taxes and assessed in that county only, in aid of the San Francisco exposition. The state at large has no direct financial interest in this. **VOTE "YES."**

NO. 18. "NON-SALE OF GAME." This act throws greater protection about the game of the state and will prevent the slaughter of game for sale upon the markets. **VOTE "YES."**

NO. 19. "CONSOLIDATION OF CITY AND COUNTY, AND LIMITED ANNEXATION OF CONTIGUOUS TERRITORY." This amendment carries a fundamental change in the existing law of the state, in providing for the assumption of bonded indebtedness, in cases of annexation, by a simple majority vote at any election instead of a two-thirds vote, as now required. The existing safeguards are proper, and conform to the general practice elsewhere. Moreover, in the formation of a consolidated city and county government, the smaller cities or unincorporated territory proposed to be annexed, do not have a chance to vote directly and separately on whether they shall join the larger city; they have no voice in framing the charter by which they would be governed, and practically no say as to what district shall be added. The measure is full of danger to the "outside" communities. There are ample laws already covering annexation when both communities desire. The alleged economies which have been urged as the excuse for this measure can be and are being obtained under existing law without territorial change. There are a number of things which make this measure in the opinion of many unbiased business men undesirable for Los Angeles, as well as the smaller cities. **VOTE "NO."**

NO. 20. "PRIZE-FIGHTS." Prohibiting prize-fights, but permitting four-round amateur boxing exhibitions, unless prohibited by ordinance. This prohibits brutal prize-fights, but allows clean, fair sport. **VOTE "YES."**

NO. 21. "CITY AND COUNTY CONSOLIDATION AND ANNEXATION WITH CONSENT OF ANNEXED TERRITORY." This proposed amendment is almost identical with No. 19, and is equally vicious. **VOTE "NO."**

NO. 22. "LAND TITLE LAW." This proposed act, known as the "Torrens law," gives the owner of real estate the option of obtaining certificates of title through the present title company method, or of having his title registered by the county recorder and insured by the state. It is not compulsory. **VOTE "YES."**

NO. 23. "ELECTIONS BY PLURALITY, PREFERENTIAL VOTE, AND PRIMARY." The preferential ballot system has been tried out successfully in other places, and as this measure applies only to local non-partisan elections, and is permissive, not compulsory, it seems to be meritorious. **VOTE "YES."**

NO. 24. "ASSEMBLY PAYROLL EXPENSES." There seems to be no pressing need for the spending of more money by the legislature or changing the present arrangements. **VOTE "NO."**

NO. 25. "ADOPTION AND AMENDMENT OF MUNICIPAL CHARTERS." This simplifies the procedure for the adoption of a freeholders' charter by a municipality. It permits the grant of general powers to any city of more than 3500 population. **VOTE "YES."**

NO. 26. "LEGISLATIVE CONTROL OF IRRIGATION, RECLAMATION AND DRAINAGE DISTRICTS." The legislature now has no right to supervise or control such districts. This would grant the legislature such right and would be an added protection to our citizens in such districts. **VOTE "YES."**

NO. 27. "COUNTY CHARTERS." This amendment facilitates the doing away with the duplication of certain city and county officials without territorial change. **VOTE "YES."**

NO. 28. "REGULATION OF PUBLIC UTILITIES." This changes the present law so that cities having once so voted lose control of their public utilities to the railroad commission and cannot regain this control. This might put the city at the mercy of a bad railroad commission without recourse. **VOTE "NO."**

NO. 29. "INCORPORATION OF MUNICIPALITIES." This proposed amendment is related to No. 27, affecting cities as that affects counties. It is in the interest of economy. **VOTE "YES."**

NO. 30. "IRRIGATION DISTRICTS CONTROLLING INTERNATIONAL WATER SYSTEMS." This amendment concerns Imperial valley and its gigantic irrigation system only. It seems to be a measure for protection and facilitates handling water and water rights in this valley. **VOTE "YES."**

NO. 31. "VALUATION OF CONDEMNED PUBLIC UTILITIES BY RAILROAD COMMISSION." This proposed amendment clarifies the existing law permitting cities to have their public utilities valued by the railroad commission in case of condemnation and when they so desire. **VOTE "YES."**

NO. 32. "ELECTION OF UNITED STATES SENATORS." If carried, makes possible the railroad of a good governor into another office, leaving a weak or bad lieutenant-governor in his place. **VOTE "NO."**

NO. 33. "PUBLIC UTILITIES IN MUNICIPALITIES." This act is designed to permit municipalities operating public utilities to extend their operations into other municipalities operating like utilities, and in competition with such other cities within their own boundaries. **VOTE "NO."**

NO. 34. "TAXATION OF PUBLIC PROPERTY." This provides for the taxation of lands held by municipalities outside of their boundaries. This is just. **VOTE "YES."**

NO. 35. "SACRAMENTO STATE BUILDING BONDS." This state needs adequate buildings in which to conduct its affairs. **VOTE FOR THE BONDS.**

NO. 36. "SAN FRANCISCO STATE BUILDING ACT." Our information is that the state does not need additional buildings in San Francisco. **VOTE AGAINST THE BONDS.**

NO. 37. "STATE FAIR GROUNDS BUILDING BONDS." This is to provide for the issuance of state bonds, \$750,000, for improvement of state fair grounds at Sacramento. Our information is that the amount of money asked for is excessive and the proposition should be voted down. **VOTE AGAINST THE BONDS.**

NO. 38. "LOS ANGELES STATE BUILDING BONDS." This act provides for the issuance of \$1,250,000 of state bonds for erection and equipment of a state building in Los Angeles. This building is needed. **VOTE FOR THE BONDS.**

NO. 39. "SUSPENSION OF PROHIBITION AMENDMENT." This is discussed in connection with proposition No. 2. **VOTE "YES."**

NO. 40. "EXTRA SESSIONS OF DISTRICT COURTS OF APPEAL." This proposition is objectionable for the reason that anyone of five officials may call such extra sessions and there is no great need at this time therefor. **VOTE "NO."**

NO. 41. "MISCARRIAGE OF JUSTICE." This proposed amendment is designed to PREVENT reversals by the appellate courts in civil actions because of mere technicalities unless injustice has been done. This amendment is meritorious. **VOTE "YES."**

NO. 42. "PLACE OF PAYMENT OF BONDS AND INTEREST." This is designed to permit bonds to be made payable in foreign countries, thereby facilitating their sale. **VOTE "YES."**

NO. 43. "EXEMPTING EDUCATIONAL INSTITUTIONS FROM TAXATION." California is the only state which does not already do this. **VOTE "YES."**

NO. 44. "MINIMUM WAGE." Authorizes the legislature to provide for the establishment of minimum wage for women and children in order that a fair and living wage shall be paid to them when required to work for wages. This amendment contemplates the fixing of the minimum wage for different occupations by the state welfare commission. The proposition is meritorious. **VOTE "YES."**

NO. 45. "ONE DAY OF REST IN SEVEN." This is known as the "Sunday rest law" and carries so many exemptions as to render the law almost a farce. This appears to be class legislation. **VOTE "NO."**

NO. 46. "DRUGLESS PRACTICE." This initiative measure creates a state board of examiners for drugless physicians and fixes the qualifications for practice as such. The committee recognizes that the existing law is not in all respects equitable, but this proposed law would lower the standards for admission to the practice of medicine and while admitting some worthy practitioners, would open the door to quacks. **VOTE "NO."**

NO. 47. "PROHIBITION ELECTIONS." This initiative measure is discussed in connection with proposition No. 2. **VOTE "NO."**

NO. 48. "BONDS FOR IMPROVEMENT OF SAN FRANCISCO HARBOR." This measure provides for issuance and sale of state bonds for payment of indebtedness to be incurred by the board of state harbor commissioners for improvement of the harbor at San Francisco, in an amount not to exceed \$10,000,000, the bonds and interest to be paid from the revenue derived from the harbor, but the credit of the state is pledged as security. This bond issue was asked for by the state harbor commission. The measure was referred to popular vote or the legislature. The improvement is needed. **VOTE FOR BONDS.**
