

TRUSTEES' MEETING

HEAR PROTESTS AGAINST CANADA BOULEVARD ASSESSMENTS

The Board of Trustees met in regular session at the City Hall at 7:55 p. m. March 8, 1917. All members present at roll call.

The minutes of the last regular meeting were read and approved.

At 8:00 p. m. a motion of Trustee Muhleman was adopted ordering that protests against the assessment for the improvement of Canada boulevard be taken up at this time. The protest of F. P. Newport was read and the owner of Lots 77 and 187 was present and made a request for information in regard to the assessment, which was furnished by the City Engineer. Mr. Newport entered at this time and presented his case to the Board, calling attention to what seemed to him to be inequalities in regard to the amounts assessed to the various pieces of property in the district. On motion of Trustee Muhleman, it was ordered that the hearing be continued until 8:00 p. m. March 15th.

Mr. Walter E. Palmer, promoter and manager of the Seven Hills Rifle Club, addressed the Board in regard to his organization and made a request for the use of the Council Chamber on the evening of Tuesday next, March 13th. On motion of Trustee Muhleman, the request was granted.

On motion of Trustee Grist, it was ordered that bids for insurance upon the public library be opened, read and publicly declared. Bids were then opened and read, and upon being read were, upon motion of Trustee Muhleman, referred to the Finance Committee.

An application was read from John Q. Seng for employment in the capacity of janitor at the City Hall, which was read and ordered to be filed. Upon motion of Trustee Grist, the City Manager was instructed to employ Mr. John Q. Seng as janitor of the City Hall by the following vote: Ayes, Grist, Jackson, Muhleman, Thompson, Woodberry; Noes, None.

A communication was read from Rev. E. H. Willisford announcing that Mr. J. B. Williams, head of the Los Angeles County Charities, will give an address at the First Congregational Church of Glendale, Monday morning next at 11 o'clock and extending an invitation to the trustees to attend the meeting. On motion, the communication was ordered to be filed, and the desire expressed that as many trustees as possible be present on this occasion.

Reports were received from the City Clerk and Health Officer, and a report from the Tax Collector showing taxes collected for the week ending March 7th to be \$236.54, total tax collected to date \$39,074.44.

The Manager of the Public Service Department presented a resolution fixing water rates. On motion Resolution Number A-935, "A resolution of the Board of Trustees of the City of Glendale fixing rates for water to be supplied to consumers in Glendale, by the City of Glendale," was taken up for reading. Upon motion of Trustee Grist, the same upon being read, was adopted by unanimous vote.

The Manager of the Public Service Department recommended advertising for bids for the purchase of the reservoir site on Verdugo Road, and on motion of Trustee Woodberry, it was ordered that the City Clerk be instructed to advertise for bids for the reservoir site on Verdugo Road, bids to be received up to 8 p. m. March 15th next.

The City Engineer made a report in regard to street improvements in accordance with the instructions of the Board of Trustees, and desired to be instructed as to details in regard to curbs, etc.

On motion, Resolution Number 936, "A Resolution of the Board of Trustees of the City of Glendale adopting maps showing improvements to be made upon portions of Pacific Avenue, Burchett Street, Third Street, Ninth Street and Elrose avenue in said city," was taken up for reading.

Upon motion of Trustee Muhleman, the same upon being read, was adopted by unanimous vote.

On motion, Resolution Number 937, "A Resolution of the Board of Trustees of the City of Glendale declaring its intention to improve Ninth Street from the West line of Brand Boulevard to the East line of Central Avenue in said city," was taken up for reading.

Upon motion of Trustee Grist, the same being read, was adopted by unanimous vote.

On motion, Resolution 938, "A Resolution of the Board of Trustees of the City of Glendale declaring its intention to improve a portion of Burchett street in said city," was taken up for reading.

AT STATE CAPITOL

HUMANE SOCIETY BILLS SIDETRACKED—LOCAL OPTION WILL FAIL

SACRAMENTO, March 9.—All gasoline and oil necessary for the operation of the state's 100 or more automobiles is to be purchased hereafter from the Standard Oil company, W. G. McMillin, state purchasing agent announced today. He says the Standard company, in return for getting the exclusive state patronage, has agreed to sell at a reduction of from 25 to 50 cents a gallon on oil and five cents a gallon on gasoline.

The work of California's legislative counsel bureau has attracted attention in Virginia, Lewis H. Machen, director of the legislative reference bureau of that state, writing to Arthur P. Will, chief of the California bureau and asking him to send 150 copies of an article written by Will and printed in a recent issue of "Case and Comment." The article deals with the development and functions of legislative counsel bureaus. The copies are to be distributed among the members of the Virginia legislature.

Four of the State Humane society's bills, introduced by Baldwin of San Diego, have been sidetracked in the judiciary committee of the assembly and will probably die there. One of the bills aimed to prohibit coursing meets, another to stop the sport known as "bulldogging" and two others to provide for the care of fowls in shipment.

The Pettis bill, closing the season on quail for a period of two years in Mendocino, Glenn, Lake, Colusa, Yolo, Marin, Napa, Solano and Sonoma counties is passed by the assembly and the senate is expected to follow suit. Pettis says action of this kind is necessary to prevent the extermination of quail in those counties.

The assembly has passed the C. W. Lyon bill which provides for the appointment of a tax and license collector in cities of the sixth class. This class includes cities of from 3,000 to 10,000 population except those that operate under charters.

A public hearing will be held in the senate chamber on the night of March 13 at which there will be full discussion on drugless practitioner bills and all measures relating to this branch of the medical profession.

The wets are now predicting that the Carr county unit local option bill will lack three votes of passing in the senate when it comes up for a vote early next week. In the assembly, the wets say, the bill would never have a chance.

If the senate concurs in the Bartlett bill, passed by the assembly, no person will be eligible for the office of county physician unless he has had five years general practice as a doctor. There was a little opposition to the bill in the assembly, led by Assemblyman Bruck of Napa county, who said it would bar young physicians, a couple of years out of college, and who, he declared, in a majority of cases know more about running a hospital than doctors with many years' experience. Five assemblymen voted against the bill.

Bartlett's argument was that the office of county physician is now frequently under political domination, persons being selected who are not qualified.

FREE GARDENING CLASSES

Last night at 1111 W. Broadway, Mr. C. H. Woolsey conducted the free home gardening bureau. The majority present were much interested in berry growing, and asked many questions as to pruning, etc., of blackberries, dewberries, etc. Mr. Arthur Lindley, who had not attended the previous meetings, was especially concerned with potato growing, and obtained much valuable information from Mr. Woolsey. Mr. and Mrs. Henderson explained their system of maintaining a compost hole, which seems to work very well. Mr. Ezra Parker generously offered to lend several vacant lots to any persons wishing to cultivate the land. As usual, people seemed loath to leave such a pleasant forum, and proceedings terminated at 9:30.

This evening the instructor will be Mr. H. Bartlett of First and Brand, who has kindly consented to give his valuable ranching and gardening experience to the general public. These free classes have been held every evening this week at 1111 W. Broadway (courtesy Glendale-Montrose Railway Co.), and have proven a source of pleasure and information to many people. Several men have attended regularly every session and declare their regret that but two more evenings remain. The Glendale Garden Society desires to be of assistance to every man, woman and child in Glendale, and takes every opportunity of helping others to help themselves.

FRITZEN INDICTED IN NEW YORK

SUSPECT ARRESTED IN LOS ANGELES THIS MORNING ASSOCIATED WITH VON PAPAN AND IGEL

(Special Service to Glendale Evening News)

NEW YORK, March 9.—Alfred Fritzen arrested in Los Angeles this morning, was indicted by the federal grand jury last March with Von Papan, Igel and others charged with setting on foot a military enterprise. He is suspected of being in the Welland canal plot.

LOS ANGELES, March 9.—Capt. Alfred Fritzen, arrested at the home of Mr. Hart of the Southern California Music Co. at Lamanda Park this morning, charged with having been involved in a plot to destroy the Welland canal, denies all knowledge of the plot. He says he never received money from Germany and did not communicate with Germany while he was in Mexico and Cuba. He admits having been an officer in the German army before the war but states he has not been able to get back to Germany since the war started.

STONE WILL NOT RESIGN

HEAD OF FOREIGN COMMITTEE SAYS HE WILL DISREGARD DEMANDS—WILL MAKE NO EXPLANATION

(Special Service to Glendale Evening News)

WASHINGTON, March 9.—Senator Stone says he will disregard the demands that he resign as chairman of the Foreign Committee. He does not intend to explain his stand to the press or to the Senate. He says that is not necessary and that those interested in his attitude must read his entire speech.

Senator Lewis says Stone will be retained as head of the Foreign Relations committee. He holds that it is up to the people of Missouri to rebuke Stone if he is to be rebuked. It is felt that his removal would cause a disastrous democratic split.

PRESIDENT IMPROVING

WILSON'S PHYSICIANS REPORT FEVER HAS LEFT—CABINET MEETING CANCELLED

(Special Service to Glendale Evening News)

WASHINGTON, March 9.—The cabinet meeting scheduled for today could not be held owing to the illness of the president. However, his physicians report that the fever has left and that his condition is improving.

U. S. MARINES IN CUBA

FOUR HUNDRED MEN FROM AMERICAN WARSHIPS TAKE CHARGE IN CUBA TO PROTECT PROPERTY

(Special Service to Glendale Evening News)

WASHINGTON, March 9.—Secretary Daniels has announced that the American marines landed at Santiago without loss. The duty of these men from the mine layer San Francisco, the cruiser Olympia, the gunboat Petrel and the gunboat Machias is to protect property in Cuba without becoming involved in the fighting.

LOCAL FIGHTING SHARP

GERMANS TAKE PRISONERS IN ROUMANIA—FRENCH RECAPTURE POSITION IN CHAMPAGNE

(Special Service to Glendale Evening News)

BERLIN, March 9.—French attacks against German positions south of Riport have been repelled from all but one lowland farm. There is much local fighting in the west. Six hundred Russians were taken prisoner by German activities in Roumania.

PARIS, March 9.—The French have captured every position along a 1600 yard front, 800 yards deep between Maison-Champagne and Dumesmiel. A German counter attack was repulsed.

BIRTHDAY PARTY

PACIFIC AVENUE P.-T. A. CELEBRATES SECOND ANNIVERSARY OF BIRTH

(By Walt. LeNoir Church)

Angel cake, cherub sauce with nectar from the golden apples of the Hesperides. That was the fare fit for the high gods, which Mrs. Cable, hostess for the day served to the large majority of the Parent-Teacher association's 164 members, yesterday afternoon, during a delightful pause in their continuous performance campaign to bring into the fold the other 85 members in the district. (Then the outstanding fathers had better watch out, or the P.-T. A. will get them.)

The president, Mrs. Ella Richardson called to the chair Mrs. Hilbert who was in charge of the meeting. Mrs. Sherman, secretary, read the minutes and led in the flag salute. Miss West sang like a silver-throated nightingale three beautiful songs, "As in a rose jar," "Tis all that I can say," and "My heart is singing." An imperious encore brought James Whitcomb Riley's wonderful prayer just set to music. Its tender pathos makes one love Riley even more, particularly when sung as Miss West sang it.

The writer sitting beside Mr. Hartmann of the Glendale Chamber of Commerce executive committee, an enthusiastic member of the P.-T. A. was unexpectedly called upon to talk a few minutes, till the arrival of Miss Mary Putnam, principal of the Los Angeles Jefferson high school, booked to speak on vocational training. It gave him an opportunity to say a word in favor of a Junior Chamber of Commerce in the Glendale Union high school and to suggest a few of the educational advantages of the delayed municipal wedding of Tropico with Glendale. Later, one Tropico mother regretfully admitted that she was among the

CELEBRATE ARBOR DAY

Columbus avenue school observed Arbor day, Thursday by planting an oak tree with appropriate exercises under the direction of the principal, Mrs. Cora Taylor and her corps of teachers. Every grade in the school contributed some part in the program and the oak tree was planted with the accompaniment of appropriate music, the music fitting very prettily into the ceremony. Mrs. G. H. Schneider of Hollywood, who is a member of the Audubon Society, gave a lecture on birds, talking to the children about thirty minutes. She brought with her nineteen of the bird skins from Exposition park to illustrate her talk.

She divided the birds into two classes, those that are permanent residents and the migratory birds, and described their food and told why they were helpful and why we should give them our protection. Her talk appealed to the children and was exceedingly interesting.

In the school program presented, the third grade was represented by Joy Willisford, who recited a poem telling about the planting of an apple seed and what came from the planting. Clara Roberts of the second grade told an original story of a bird with a broken wing, her story being a reproach to the boy with a slingshot. The other grades were either represented by groups or by whole classes. A number of mothers were present and enjoyed the pretty exercises.

YEOMEN CARNIVAL

The carnival and dance given by the Tropic Yeomen at Yeomen's hall on Wednesday and Thursday evening was a financial as well as a social success, there being a large attendance both evenings from Los Angeles and the surrounding cities as well as of local people. The hall was very prettily decorated for the event, both sides of the stairway being lined with eucalyptus boughs, almost forming an archway and the eucalyptus boughs, palms, ferns and flags were used profusely throughout the hall. Dancing was held in the main hall both evenings and the carnival in the banquet room where pretty booths offered varied amusements and displayed various articles for sale. No admission was charged but every one who came in the door was given a ticket, the lucky ticket entitling the holder to a prize being in the possession of Miss Emma Moniot. On Thursday evening, Mr. Beers sang, "I hear you calling me," and for an encore the ever popular, "My Rosary." The committee on arrangements was composed of Messrs. Ed Shipman, Harry Schaffer and Herbert Crane.

MINISTERS COMING

CONGREGATIONAL CLERGY OF LOS ANGELES TO VISIT GLENDALE FIFTY STRONG

The Congregational ministers of Los Angeles will hold their monthly meeting in the First Congregational church of Glendale next Monday. At least fifty ministers are expected. This is the first time these men have held their meeting in our city.

Dr. Willisford and his people are planning to make the visit of these clergymen one long to be remembered. The following program will be carried out.

10:30 a. m., Business session.
11 a. m., Address by Mr. J. B. Williams head of Los Angeles county charities, on, "The county program for the unfortunate."

12:30 Lunch
1:30 p. m., Auto Ride, Seeing Glendale.
2:30 p. m., Call at the home of Dr. Willisford.

The public is cordially invited to attend this meeting. The address by Mr. Williams should be heard by Glendale people who are especially interested in philanthropic work.

The local clergy have accepted an invitation to this meeting. The ladies of the church very generously furnish the lunch without price to the visitors.

Dr. Willisford says he would be pleased to have several people with autos offer to assist the ministers in seeing Glendale. Is there not an opportunity for the Chamber of Commerce to do some practical work?

CHILDREN'S VAUDEVILLE TONIGHT

The first performance of the children's vaudeville entertainment, for the benefit of the Federation of P.-T. A. will be given at the high school auditorium this evening at 8 o'clock. The pupils of each of the Glendale schools will contribute a number to the program and a first-class vaudeville performance is promised.

A matinee performance will be given on Saturday afternoon at 2:30. The high school orchestra will contribute a musical number and a farce, "Trials of Pauline" will be given by high school pupils. "Sunbonnet Babies," the number programmed for the Doran street school, may present something better than your imagination pictures, and the Sunflower chorus by the Central avenue school, under the direction of Mrs. U. F. Newlin, is to be one of the features.

"The Wizard of Oz" is to be presented by the Columbus avenue school and young gymnasts from the Pacific avenue school will contribute to the entertainment. Shirley Chase of the Broadway school will give a reading, "At the Window," and Lois Naudain of the Colorado street school will give a Spanish dance. The Girls' Glee Club of the Third street school will give a number. The admission for adults to both performances will be ten cents, and for children at the Saturday matinee five cents.

MR. JOHNSON ON JAPAN

Cameron Johnson, who has been delighting Glendale audiences recently with his pictures and lectures on the Orient, gave an illustrated lecture on "The Key to the Far East" at the Presbyterian church Thursday evening, to a good audience. The pictures with which Mr. Johnson illustrates his lectures were taken and colored by himself and he has many very beautiful ones. His pictures present a finer and handsomer type of Japanese than we are acquainted with in this country, and his comparisons of the little brown man's country with ours is not always to our advantage. He gave his hearers a clear insight into the real character of Japan and its intellectual achievement, but likened that country to a fine appearing apple that is rotten at the core, saying that the one thing the Japanese needed was a religion. He spoke of Japan as the key by which Christianity must enter the far east, it being the dominating influence of Asia. Mr. Johnson will give a series of three lectures about the middle of April. No admission is charged to these lectures and the silver offering taken is used to further missionary work in the foreign field.

DR. PRATT'S BIBLE CLASS

Notwithstanding previous announcements, arrangements have been made for the regular study class this evening at 7:45. Dr. Pratt will be present and continue his studies in Ephesians. The lessons are exceedingly practical, and are greatly enjoyed by a large attendance each week.

Visitors are always welcome. The class meets in the auditorium of the Presbyterian church, corner of Broadway and Cedar streets.

Lawrence Ellis of 537 South Kenwood street has returned home from a four weeks' trip to New York and Chicago.

Glen Eyrie chapter, O. E. S., held its regular meeting on Thursday evening with all officers present but two and a fine attendance of members, considering the grand officers had been entertained the previous evening. The Worthy matron wishes to express her appreciation to the members.

Mrs. J. G. Peart of 1417 Sycamore avenue entertained the Woman's Foreign Missionary society of the First M. E. Church Thursday, a very pleasant afternoon being spent by the ladies. Miss Sarah Peters, a returned Missionary from Peking, China, gave an interesting talk and Mrs. W. H. Peart sang a solo. Dainty refreshments were served by the hostess.

Mrs. Wm. S. Nash of 346 North Maryland avenue was the hostess at a charming luncheon Thursday. Mrs. R. H. Norton of Boston, Mass., who has been visiting her sister, Mrs. E. D. Yard, for some weeks past, being the honoree. The color scheme for the daintily appointed four-course luncheon was pink and white and covers were laid for the following: Mrs. E. D. Yard, Mrs. R. H. Norton, Mrs. Frank Hester, Mrs. John R. White, Mrs. Frederick Baker, Mrs. C. E. Norton, Mrs. H. S. Bertelsen and the hostess.

The Parent-Teacher association of the Doran street school held an interesting meeting Wednesday. Miss Hanson, the domestic science teacher of the high school, giving an instructive talk on food values. She also gave recipes and menus and spoke of the need of care in choosing owing to the present high cost of living. Forrest Jordan, the talented boy violinist, gave a number, accompanied by his mother, Mrs. Elmer E. Jordan. Mrs. Calvin Whiting gave two enjoyable readings from James Whitcomb Riley. At the conclusion of the program tea was served.

Miss Thelma Ruth McMasters, the charming daughter of Mr. and Mrs. W. H. McMasters of 108 South Jackson street; and Mr. John Wilcox of Boyle Heights were quietly married at the home of Rev. D. T. Mackenzie, 251 North Chicago avenue, at 4 o'clock Thursday afternoon, the beautiful ring ceremony being used. The bride and groom were attended by Miss Francis L. Peckham and Mr. Grant Phillips. The parents, relatives and several friends of both parties witnessed the ceremony, after which the entire party repaired to the home of the groom's parents, where a dainty wedding supper was served. Mr. and Mrs. Wilcox will spend their honeymoon at a mountain resort and will be at home to their friends after April 1.

THIRD STREET P.-T. A.

The regular meeting of the Third street P.-T. A. will be held Monday afternoon at three o'clock in the library of the school. Miss Veta Franklin is to speak on "Food for School Children," and as this subject has been her special study for several years, her talk should be of vital interest to every mother. Those mothers whose children have just entered this school are especially invited to be present and become acquainted with the teachers and join the association.

GARDEN SOCIETY RECEPTION

Next Thursday evening, March 15, the president of the Garden Society will hold a reception at her residence, 1222 Millford street, 7:30 to 9:30 p. m. Members and friends of the Society are cordially invited to attend.

LIBRARY IMPROVEMENTS

Those of our citizens who have passed the Glendale Library building in the past few days have been highly pleased with the new cement finishing in front of the building. Mayor J. S. Thompson very kindly donated the material with which these improvements were made, and the city paid for the work, which is indeed a credit to Mr. Thompson, the contractors and to the city. Glendale can rightfully boast of having one of the best library buildings in Los Angeles county. The building has a very desirable location and it is ably managed.

I HAVE A HOPE

I have a hope of deep-set woods Where brown curled beech leaves strew the ground, And silk-haired primrose leaves around Make way for buds in fair green hoods; And where the small dog-violets try To hide ashamed from passers-by.

I have a hope that I may sit Some distant June, where, slow and clear, Wide-bosomed waters steal between The pollen'd rushes, sunshine lit; And down the air between the trees Comes fragrantly the hum of bees...

MEATS GO HIGHER EVERY WEEK

We are making the very closest prices possible, but still they are high. We have not advanced round steaks or roasts, yet the several advances have been made on us. But we still have fine bacon at 25c and 35c. If meat gets too high, eat rice and vegetables. Butter is cheaper, too, and eggs most reasonable in price, considering the high cost of feed.

Plant more potatoes on that vacant lot. We still have some excellent seed spuds. All kinds of garden seeds and plants. Utilize every foot of ground you have in raising your own vegetables and thus reduce the living cost.

Canned Fruits Still Low in Price

- Pineapple, 10c, 12 1/2c, 15c and.....20c
- Peaches, 10c, 15c, 20c and.....25c
- Pears.....25c
- Apricots, finest, peeled.....25c
- Plums, large can.....15c
- Cherries, white and black.....25c
- Bulk rolled oats are still 5c a pound and corn flakes 10c a package.

taken up for reading. Upon motion of Trustee Jackson, the same upon being read was adopted by unanimous vote.

On motion Resolution No. 939, "A Resolution of the Board of Trustees of the City of Glendale declaring its intention to improve a portion of Pacific avenue in said city," was taken up for reading. Upon motion of Trustee Woodberry, the same upon being read was adopted by unanimous vote.

On motion Resolution No. 940, "A Resolution of the Board of Trustees of the City of Glendale declaring its intention to improve a portion of Third street in said city" was taken up for reading. Upon motion of Trustee Muhleman, the same upon being read was adopted by unanimous vote.

On motion, Resolution of Intention No. 940, "A Resolution of the Board of Trustees of the City of Glendale declaring its intention to improve a portion of Elrose avenue in said city," was taken up for reading. Upon Motion of Trustee Grist the same upon being read was adopted, by unanimous vote.

The Public Welfare committee by Trustees Muhleman and Jackson submitted a report recommending that the city attorney be instructed to prepare an ordinance providing for the parking of automobiles on Brand boulevard between Third St. and Fifth St. at an angle of 45 degrees; the front end of the auto to be next the curb. It was further recommended that the chief of police be instructed to permit the parking of automobiles on Brand boulevard between the points mentioned until said ordinance becomes effective. Upon motion of Trustee Woodberry the report was received and the recommendation concurred in.

The finance committee brought in a report in regard to the insurance on the city library, recommending that a policy for \$5,000 be issued by the Prussian National Insurance company represented by E. H. Kerker for three years at 90 cents a hundred and another of \$5,000 be issued by the National Union Fire Insurance company of Pittsburgh, Pa., represented by H. L. Miller & Co. for a term of three years at the rate of 75 cents per \$100, and that all other bids be rejected.

The matter of the congestion of car service on Broadway near Brand boulevard and of the custom of running west-bound cars on the south track along Broadway by the Montrose Railway company was discussed at some length by the board, and on motion of Trustee Grist the matter was referred to the City Manager to communicate with the officials of the two railroad companies in an endeavor to have the matter remedied.

BIRTHDAY PARTY

(Continued from Page One)

few whose absence at the beach last summer lost that last opportunity. They are longing for another chance to vote on the proposition, which she says is favored by a large majority of Tropico people, particularly those with children going to school. "Oh, if we only had not gone to the beach on such an important election day!" That's what so many say. Next time, they will stay at home and vote, she claims, which means Glendale-Tropico unification.

It seems that Miss Putnam was so charmed with Glendale's suburban and interurban picturesque scenery that she got lost—hence the delay. Her whole most interesting and instructive address on vocational training ought to be hung in framed letters of light on the walls of every schoolhouse, home and business place where girls are employed. She talked as one having authority, as one who personally knew whereof she spoke.

Earlier that afternoon the writer was privileged to hear the principal of the Pacific avenue school, Mrs. Fannie O. Stone quiz her class in geography. He was highly entertained by what those bright boys and girls told about that wonderland of America, the Grand Canyon of the Colorado river, the national park and the geysers, particularly old Faithful. He could not resist the temptation (you know we can usually resist anything but temptation) to tell them of an old sailor, a whaler, who as some said was "not all there," but had from the mainmast lookout, discovered many a distant whale and shouted "There she blows." Seeing old Faithful spout he thought he was at sea again and yelled, "There she blows." He insisted that the earth was an immense whale swimming through space. "See the oil they get out of her," he exclaimed.

Class in Parliamentary Drill
Mrs. Greenwalt teaches the P.-T. A. parliamentary law. Do they have fun? They certainly do, after useful practical instruction. They will know the seven possible things to do with any motion made in any deliberative assembly. The question debated, offered by Mrs. Sherman was:

Whereas—We consider that suitable recreation is a necessary part of a rational educational system and

Whereas—There is no public ground in Glendale, where we can meet, therefore;

Resolved—That Glendale needs a Civic center. And that a committee be appointed to present this resolution to the city trustees, and urge

The Two Things Necessary To Possess a Bank Account

The first, is the Desire or inclination.

Everyone has a wish for money—it is human nature, for it takes money to possess the comforts and necessities of life.

The second requirement is One Dollar or more. The first deposit need not be large, and after the first money is deposited, you have a bank account.

The size of your bank account rests with you.

upon them prompt action in the matter.

The negative was formally urged by Mrs. Herron, Mrs. Pratt and Mrs. Patrick. No civic center needed; take people away from homes at night; the fathers did not so; want more playgrounds.

But Mrs. Sherman's able plea was ably supported by several. Mr. Hartmann: "Man is a social being. Needs a place to meet. Favor a civic center." Mrs. Imler: "We must have it. I don't see why we should not have it." Mrs. Peck: I am from Calexico in the Imperial Valley, the land of sunshine. I come back to Glendale whenever I can. The only thing lacking in Glendale is a civic center. Little Calexico has lateral bonds, to get a civic center. We have lateral bonds, to get a civic center. We must have a place to amuse our young folks; or they go across the line into Mexicali, about the worst place on earth they could go. We are going to make Calexico so attractive they will prefer to stay at home. That is why we must have a civic center."

From all appearances our city fathers had better gracefully accept the inevitable, and wisely say, like David Crockett's coon: "Don't shoot, I'll come down."
